3. Relationship between the Applicant Companies, Description, Rationale, Salient Features and Benefits of the Scheme:

The capitalized terms used herein shall have the same meaning as ascribed to them in the Scheme and are to be read subject to the same rules of interpretation as stated in the Scheme.

I. Relationship between the Applicant Companies and Description: The Transferee Company is a shareholder of the Transferor Company holding 1,90,46,028 equity shares that represent 5% of the share capital of the Transferor Company. Apart from this, there is no other subsisting relationship between the Applicant Companies.

II. Description of the Scheme:

1. The Amalgamation shall be in full compliance with the conditions relating to "amalgamation" as provided under Section 2(1B) and other related provisions of the Income-tax Act, 1961 ("**IT Act**") such that, *inter-alia*, upon this Scheme becoming effective, and with effect from the Appointed Date:

(i) all the properties of the Transferor Company, immediately before the Amalgamation, shall become the properties of the Transferee Company, by virtue of the Amalgamation;
(ii) all the Liabilities of the Transferor Company, immediately before the Amalgamation, shall become the liabilities of the Transferee Company, by virtue of the Amalgamation; and
(iii) shareholders holding at least three-fourths in value of the shares in the Transferor Company (other than shares already held therein immediately before the Amalgamation by the Transferee Company), will become shareholders of the Transferee Company by virtue of the Amalgamation.

If any terms or provisions of the Scheme are found or interpreted to be inconsistent with the provisions of the said section and other related provisions of the IT Act at a later date including resulting from a retrospective amendment of law or for any other reason whatsoever, till the time the Scheme becomes effective, the provisions of the said section and other related provisions of the IT Act shall prevail and the Scheme shall stand modified to the extent determined necessary to comply with Section 2(1B) and other relevant provisions of the IT Act. Such modification will, however, not affect the other parts of the Scheme.

III. Rationale and Benefits of the Scheme:

1. The Transferee Company is, *inter-alia,* engaged in providing healthcare and related services (including diagnostics, tele-health and other allied services) through a network of multi-specialty healthcare establishments across India.

2. The Transferor Company is, *inter-alia* engaged in the business of providing healthcare and related services through a network of multi-specialty hospitals across various cities in India and Bangladesh.

3. With a view to consolidate the business interests of the Parties *(as defined below),* the Parties have decided that the Transferor Company with all its business interests, be amalgamated with and into the Transferee Company.

4. The Parties believe that the Amalgamation pursuant to this Scheme would, *inter-alia,* have the following benefits:

   (i) Scale and financial resilience
      a. Merged entity is expected amongst the top 3 (three) hospital chains in India in terms of revenue and number of beds and with strong presence across South and Central India with strong financial, operational and return metrics.
      b. The proposed merger is expected to be accretive in terms of earnings per share and earnings before interest, tax, depreciation and amortisation margin for Transferee Company's shareholders.

   (ii) Diversification and potential for growth
      a. The merged entity will have diversified presence across 9 (nine) states and 25 (twenty five) cities in India with low overlap of hospitals, leadership position in key individual markets, stronger financial, operational and return metrics and significant opportunities for both brownfield and greenfield expansion.
      b. Limited micro-market overlap between the Transferee Company and Transferor Company will have limited impact due to cannibalization.
      c. With established hospitals in diverse locations, the merged entity will have significant opportunities for both brownfield and greenfield expansion.
      d. Streamlining processes, functions and resources to drive better patient outcomes and clinical excellence.

   (iii) Synergies: The proposed amalgamation will result in multiple synergy benefits that can help accelerate growth and improve margins, as set forth below, thus creating value for the respective stakeholders of the Transferee Company and Transferor Company:

a. Revenue synergies: Strengthened initiatives to attract international patient at the merged entity, ability to expand coverage by insurance companies with integrated operations, etc.
b. Supply chain: Rationalization of spends on procurement of drugs, consumables through centralization, better negotiating capabilities, etc.
c. Integrated Doctor Model: Potential cross-selling opportunities with broader base of senior specialist doctors and exchange of learnings coupled with greater ability to attract and retain medical talent with state-of-the-art medical facilities.
d. Lower cost overheads: Optimization of various corporate functions and leveraging best practices, technology and channel mix optimization to allow a more coordinated approach towards governance for the businesses.

IV. Salient Features of the Scheme:

1. The salient features of the Scheme, *inter-alia*, are as stated below.

(i) The Scheme, *inter-alia*, provides for the Amalgamation of Quality Care India Limited ("**Transferor Company**") and Aster DM Healthcare Limited ("**Transferee Company**") and their respective shareholders and creditors, the consequent dissolution of the Transferor Company without being wound up, in accordance with Sections 230 to 232 and other applicable provisions of the Act.

(ii) With effect from Appointed Date and upon the proposed Scheme becoming effective, the Transferor Company along with all assets, liabilities, contracts, employees, licenses, records, approvals etc. being integral parts of the Transferor Company shall stand transferred to and vest in or shall be deemed to have been transferred to and vested in the Transferee Company, as a going concern, without any further act, instrument or deed, together with all properties, assets, liabilities, rights, benefits and interest therein, subject to the provisions of the Scheme in accordance with Sections 230 to 232 of the Act and provisions of Section 2(1B) of the IT Act and other applicable provisions, if any.

(iii) All assets, liabilities and reserves of the Transferor Company shall be recorded in the books of account of the Transferee Company at its carrying amounts and in the same form as appearing in the separate financial statements of the Transferor Company on the Appointed Date.

(iv) Upon the Scheme coming into effect on the Effective Date and in consideration of the Amalgamation, the Transferee Company shall, without any further act, instrument or deed, issue and allot the Consideration Shares to all Eligible Shareholders, at the Share Exchange Ratio on the basis of the Valuation Report and Fairness Opinion and all the Transferor Company Shares held by the Transferee Company on the Effective Date shall stand cancelled without any further application, act or deed.

(v) "**Share Exchange Ratio**" means for every 1,000 (one thousand) Transferor Company Shares, 977 (nine hundred seventy-seven) Transferee Company Shares to be issued to the shareholders of the Transferor Company as of the Record Date, as determined by the Valuation Reports and the Fairness Opinions.

(vi) The Appointed Date, as defined in the Scheme, means the Effective Date or such other date that is mutually agreed in writing between the Transferor Company and the Transferee Company.

(vii) The Effective Date, as defined in the Scheme, means "opening hours of the first day of the calendar month immediately following the calendar month in which all the conditionalities mentioned in Clause 24 of this Scheme are completed.

(viii) Record Date means the date to be fixed by the Board of the Transferee Company for the purpose of determining the shareholders of the Transferor Company to whom the Consideration Shares shall be allotted under this Scheme.

(ix) The authorised share capital of the Transferor Company shall stand combined with that of the Transferee Company without any further act or deed, and the relevant capital clause in the Memorandum of Association of the Transferee Company shall be deemed to be altered accordingly.

(x) All employees of the Transferor Company in service on the Effective Date shall become employees of the Transferee Company without any break or interruption in their service and on terms and conditions not less favourable than those applicable to them prior to the Amalgamation with the benefit of continuity of service and without any break or interruption in service as a result of the Amalgamation.

(xi) In addition to the Aster Promoters (*defined below*), BCP Asia II Topco IV Pte. Ltd. ("**BCP**") will be classified as the 'Promoter' of the Transferee Company, and the Aster Promoters and BCP shall be categorized as separate and independent 'promoters' of the Transferee Company.

(xii) The Transferor Company Stock Options granted (vested and unvested) by the Transferor Company under the Transferor Company Options Scheme shall stand cancelled prior to the Effective Date, in the manner mentioned in clause 13 of the Scheme. The Transferor Company or the Transferee Company shall not have any monetary liabilities or be required to pay any amounts in respect of such Transferor Company Stock Options. It is clarified that no shares of the Transferor Company and/or the Transferee Company will be issued against such grants.

(xiii) In terms of Clause 21 of the Scheme, upon the Scheme coming into effect on the Effective Date, the name of the Transferee Company shall stand changed to "**Aster DM Quality Care Limited**" by simply filing the requisite forms with the Governmental Authority and no separate act, procedure, instrument, or deed and registration fees shall be required to be followed under the Act.

(xiv) From the Effective Date, BCP (along with any existing shareholder of the Transferor Company) may set up an incentive plan involving the participation of certain employees of the Transferor Company ("**Identified Employees**") and its subsidiaries, who shall become the employees of the Transferee Company pursuant to the Scheme, in accordance with Clause 13 of the Scheme the key features of which are also set out below:

- Nature of payment and the estimated timeframe for making the payment: Cash or non-cash consideration, as may be determined by BCP. These incentives shall be paid by BCP (along with any other existing shareholder of the Transferor Company) over a period not exceeding of 5 (five) years from the Effective Date.

- Quantum of amount: BCP may grant incentives to the Identified Employees not exceeding 5.75% (five point seventy-five per cent) of the equity shares of the Transferor Company as on November 29, 2024.

- Eligible employees: Employees and/or Directors of the Transferor Company or its subsidiaries as may be identified by BCP

It is hereby clarified that, on the approval of the Scheme by the board and the shareholders of the Transferee Company pursuant to Sections 230-232 of the Act and other relevant provisions of the Act and rules made thereunder, the SEBI Circular and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**"), it shall be deemed that the board and the members of the Transferee Company have also accorded their

consent under applicable law and the applicable provisions of the Listing Regulations (including Regulation 26(6) of the SEBI Listing Regulations) and the relevant provisions of the articles of the Transferee Company, as may be applicable for payment of such incentives as set out in the Scheme.

Note: The Unsecured Trade Creditors are requested to read the entire text of the Scheme annexed hereto to get fully acquainted with the provisions thereof.

Reports adopted by the Board of Directors of the Transferor Company and Transferee Company pursuant to Section 232(2)(c) of the Act are annexed hereto as **Annexure XVI and Annexure XVII,** respectively.

5. Interest of Directors, Key Managerial Personnel ('KMP') and their relatives

None of the directors and the KMPs (as defined under the Act and rules framed thereunder) of the Transferor Company and the Transferee Company and their respective 'relatives' (as defined under the Act and rules framed thereunder) have any concern or material interest in the Scheme, except to

the extent of their directorship and shareholding, if any, in the Transferor Company and the Transferee Company.

The Registers of Directors and KMPs and their shareholding in the Transferor Company and the Transferee Company will be available for inspection at the respective registered offices of the Transferor Company and the Transferee Company between 10:00 a.m. IST and 06:00 p.m. IST on any working day up to the date of the Meeting, for which purpose the shareholders are required to send an e-mail to the Transferor Company at cs.office@carehospitals.com and the Transferee Company at cs@asterdmhealthcare.in.

6. Effect of the Scheme on the various stakeholders

The capitalized terms used herein shall have the same meaning as ascribed to them in the Scheme and are to be read subject to the same rules of interpretation as stated in the Scheme

The effect of the Scheme on various stakeholders of the Transferor Company is summarized below:

Sr. No.	Name of Stakeholders	Effect
1.	Promoter Shareholders, Non-promoter Shareholders and KMPs	Effect on each class of shareholders (promoter shareholders and non-promoter shareholders): Pursuant to the Scheme, the Transferor Company shall be transferred to and vest in the Transferee Company. Upon the Scheme becoming effective and upon the amalgamation of the Transferor Company into the Transferee Company in accordance with the terms of the Scheme, the Transferee Company shall issue and allot to the equity shareholders of the Transferor Company whose names appear on the register of members as a member of the Transferor Company as on Record Date or whose name appears on the register of beneficial owners of the equity shares of the Transferor Company in the records of the depositories/register of members, as the case may be, as on the Record Date, or to such of their respective heirs, executors, administrators or other legal representatives or other successors, in title as may be recognized by the Board of the Transferor Company, fully paid up equity shares, free and clear from all encumbrances together with all rights and benefits attaching thereto in the following ratio: "*For every 1000 Transferor Company Shares, 977 Transferee Company Shares to be issued to the shareholders of the Transferor Company as of the Record Date, as determined by the Valuation Reports and the Fairness Opinions.*" ("**Share Exchange Ratio**") Effect on the Key Managerial Personnel: Upon the Scheme becoming effective and upon the amalgamation of the Transferor Company into the Transferee Company, all employees of the Transferor Company (including the key managerial personnel) will stand transferred to the Transferee Company and will become the employees of the Transferee Company on the same terms and conditions or such terms which shall not be less favourable than those on which they are employed by the Transferor Company with or without the same designation.

		The key management personnel who are shareholders of the Transferor Company will be allotted shares of the Transferee Company in accordance with the Share Exchange Ratio.
2.	Creditors	The Scheme is not a scheme involving an arrangement between the Transferor Company and its creditors (or any class of them) in terms of Section 230(1)(a) of the Act as (a) there is no compromise and/ or arrangement with the creditors; (b) the creditors of the Transferor Company and the Transferee Company will be paid in full in the normal course of business as per the agreed terms; and (c) there is no diminution in the liability owed by the Applicant Companies to their respective creditors, and hence, their interests are not getting affected in any way. Additionally, with respect to Transferor Company, no liability of the secured creditors or the unsecured creditors are being reduced or extinguished under the Scheme. Upon effectiveness of the Scheme, dues payable by the Transferor Company to its secured and unsecured creditors will be paid by Transferee Company in the ordinary course of business as and when their dues are payable in accordance with the terms of arrangement entered into with such creditors.
3.	Directors	Upon the Scheme becoming effective and upon the amalgamation of the Transferor Company into the Transferee Company, all employees of the Transferor Company (including the key managerial personnel) will stand transferred to the Transferee Company and will become the employees of the Transferee Company on the same terms and conditions or such terms which shall not be less favourable than those on which they are employed by the Transferor Company with or without the same designation. The directors who are shareholders of the Transferor Company will be allotted shares of the Transferee Company in accordance with the Share Exchange Ratio.
4.	Debenture Holders, Debenture Trustees, Depositors and Deposit Trustees	Not applicable since the Transferor Company does not have any Debenture holders/ Debenture trustees/ Depositors and Deposit Trustees. While Convenient Hospitals Limited, a wholly owned subsidiary of the Transferor Company, has issued listed non-convertible debentures, for which the Transferor Company has extended a corporate guarantee, but the Scheme will not have any effect on the debenture holders or the debenture trustees of Convenient Hospitals Limited.
5.	Employees	Upon the Scheme becoming effective and upon the amalgamation of the Transferor Company into the Transferee Company, all employees of the Transferor Company (including the key managerial personnel) will stand transferred to the Transferee Company and will become the employees of the Transferee Company on the same terms and conditions or such terms which shall not be less favourable than those on which they are employed by the Transferor Company with or without the same designation.

There will be no adverse effect on account of the Scheme on the aforesaid stakeholders.

7. No investigation proceedings

As on the date of this Notice, there are no proceedings instituted and/ or pending under Sections 210 to 227 of the Act against the Transferor Company.

As on the date of the Notice, there are no investigations or proceedings pending against the Transferee Company under the provisions of the Act.

9. Details of contracts/ arrangements entered into between the Applicant Companies

I. **Share Acquisition Agreement:** The Transferor Company has entered into a Share Acquisition Agreement dated November 29, 2024 ("**SAA**") with Dr. Azad Moopen, Union Investments Private Limited, Union (Mauritius) Holdings Limited (collectively, "**Aster Promoters**"), BCP, Centella Mauritius Holdings Limited ("**TPG**"), the Transferee Company and Sri Sainatha Multispeciality Hospitals Private Limited.

The SAA, *inter-alia*, sets out the terms and conditions governing the Transferee Company's acquisition of 5% equity stake in the Transferor Company from TPG and BCP, in consideration of corresponding issuance of equity shares of the Transferee Company to TPG and BCP on a preferential allotment basis.

Accordingly, based on the approval of the shareholders of the Transferee Company through a postal ballot on December 29, 2024, and upon receipt of other requisite statutory and regulatory

approvals, the Transferee Company has issued and allotted 46,51,992 (0.90%) and 1,39,55,977 (2.69%) equity shares, having a face value of INR 10/- each, to TPG and BCP, respectively, at an issue price of INR 456.33/- per share ("**Subscription Shares**") on a preferential basis, for consideration other than cash.

Further, the consideration for the aforesaid allotment was discharged by way of acquisition of 1,90,46,028 (5%) equity shares of the Transferor Company ("**Purchase Shares**") by the Transferee Company from TPG and BCP at a price of ~INR 445.8/- per equity share.

II. **Merger Framework Agreement:** The Transferor Company has entered into the Merger Framework Agreement ("**MFA**") dated November 29, 2024 with Transferee Company, BCP, TGP and Dr. Azad Moopen, Union Investments Private Limited, Union (Mauritius) Holdings Limited ("**Aster Promoters**") and Sri Sainatha Multispeciality Hospitals Private Limited.

The MFA sets out the manner of effecting the transactions envisaged in the Scheme and the rights and obligations of the parties in relation thereto. Certain significant terms of the MFA have been summarised below:

- key conditions for the implementation of the Scheme, which, *inter-alia*, includes receipt of necessary approvals, such as approval of the Scheme by the jurisdictional Hon'ble NCLT, approval by the respective requisite majorities of each class of shareholders and creditors of the Applicant Companies, BSE and NSE issuing its observation letter/ no objection letter in relation to the Scheme under Regulation 37 of the SEBI Listing Regulations approval from the Competition Commission of India, etc.;

- sequence of events to be undertaken for the Scheme to be effective; and

- customary representations and warranties, covenants with respect to, *inter-alia*, non-compete and non-solicit obligations and standstill obligations. Pursuant to the MFA, the relevant parties have obtained W&I policies on a nil recourse basis.

III. **Shareholders' Agreement:** BCP, the promoter of the Transferor Company has entered into the Shareholders' Agreement dated November 29, 2024 ("**SHA**") with the Transferee Company, Aster Promoters and BCP. Certain affiliates of Aster Promoters have entered into a deed agreeing to comply with specific provisions of the Shareholders Agreement.

The SHA has been entered into to record certain inter-se rights and obligations of the Transferee Company and the Aster Promoters and BCP, which provides for the Aster Promoters and BCP to be 2 (two) promoter groups of the Transferee Company from the effectiveness of the merger including customary provisions in this regard. BCP and the Aster Promoters will be separate and independent promoters of the Company. Certain significant terms of the SHA have been summarised below:

- BCP and the Aster Promoters will be categorised as separate promoters of the Transferee Company.

- Subject to compliance with applicable laws (including valid appointment at a duly convened shareholder meeting as may be required):

    - Board of the Transferee Company shall comprise of requisite number of independent directors as required under applicable laws. Considering that the incumbent chairman of the Transferee Entity is related to the promoters, at least half the board of the Transferee Company shall comprise of independent directors.

    - Aster Promoters & BCP shall have the right to nominate 3 directors each (subject to Aster Promoters' (and Aster Promoter Group) shareholding being 5% or more and BCP's (and its Affiliates) shareholding being 10% or more respectively. BCP shall continue to have

the right to nominate 1 director if its shareholding falls below 10% but remains at or above 7.5%).

It is clarified that, irrespective of Aster Promoters' and BCP's right to nominate 3 directors each, the independent directors shall continue to retain autonomy and fiduciary responsibilities, ensuring robust governance and balanced decision-making. These provisions do not dilute or alter the rights and obligations of independent directors under the law or under the Articles in any manner, nor their ability to discharge duties in compliance with the applicable law or the Articles.

- The composition of the committees of the board of the Transferee Company shall be determined by the board of the Transferee Company in accordance with applicable law, provided that there shall be (a) requisite representation of independent directors as mandated under applicable law in all circumstances and (b) equal representation of the directors appointed by Transferee Company and the directors appointed by BCP on each committee. If any committee cannot agree on any matter (by majority), the committee shall refer the matter to the board of the Transferee Company for a resolution - thereby maintaining robust checks and balances at every level.

- Subject to thresholds set out above, Aster Promoters and BCP have certain affirmative veto rights on select reserved matters which are detailed out in the SHA.

- Subject to the applicable laws (including obtaining clearance from the NRC, Board and/or shareholders, as may be required) and subject to the thresholds set out above, Aster Promoters will retain the right to nominate the non-executive chairman, with BCP having the right to nominate the non-executive vice-chairman. BCP shall have the right to nominate an individual for appointment as the 'Managing Director and CEO' of the Company, which appointment shall be subject to the approval of the Aster Promoters and made in accordance with applicable law. Mr. Varun Khanna (Group MD of Transferor Company) is proposed to be nominated for this role by BCP and Aster Promoters.

The agreements between the Transferor Company and Transferee Company were executed solely in connection with the Scheme and the consequential events thereto. These agreements followed a structured negotiation process. The independent directors of the Transferee Company provided oversight to the process, supported by additional advise from an independent, reputed external legal counsel to ensure objectivity and robust governance.

Save and except for the proposed amalgamation and the incidental share allotment / acquisition, there are no other transactions or subsisting relationships between the Transferor Company and Transferee Company, nor any inter-se relationship between their respective directors, key managerial personnel, or promoter / promoter group, which may give rise to any conflict of interest with any stakeholder.

10. Summary of the Share Exchange Report and Fairness Opinion

For the purposes of the Scheme, a report in relation to the recommendation of fair share exchange ratio (hereinafter referred to as "**Share Exchange Ratio Report**") for issuance and allotment of shares of the Transferee Company to the shareholders of the Transferor Company as on the Record Date pursuant to and in consideration of the transfer and vesting of the undertaking of the Transferor Company to the Transferee Company was issued on November 29, 2024 by D and P India Advisory Services LLP, Registered Valuer (IBBI Registration No: IBBI/RV-E/05/2020/131) to the Transferor Company and PwC Business Consulting Services LLP, Registered Valuer (IBBI Registration No.: IBBI/ RV/ 02/ 2021/ 14036) to the Transferee Company. 11. Details of capital and debt restructuring

The pre/ post-scheme shareholding pattern of the parties to the Scheme is set out in paragraph 12 of this Explanatory Statement. There is no debt restructuring envisaged in the Scheme.

12. Shareholding and capital structure of the Transferor Company and the Transferee Company

I. The Pre-merger capital structure of the Applicant Companies are mentioned in paragraph 2 above.

II. Post-merger capital structure of the Transferor Company is not applicable as the authorised share capital of the Transferor Company shall be transferred to the Transferee Company and the shares issued by the Transferor Company would stand cancelled pursuant to the Scheme.

III. Post merger capital structure of Transferee Company pursuant to the Scheme is as follows:

In terms of Clause 22 of the Scheme, as an integral part of the Scheme and upon the Scheme coming into effect on the Effective Date, the entire authorised share capital of the Transferor Company, which is INR 4,35,50,00,000/- (Indian Rupees Four Hundred and Thirty Five Crores and Fifty Lakhs only) divided into 43,20,00,000 (forty three crores and twenty lakhs) equity shares of the face value of INR 10/- (Indian Rupees Ten) each, and 35,00,000 (thirty five lakh) Preference Shares of INR 10/- (Indian Rupees Ten Only) each, shall transferred to the authorized share capital of the Transferee Company without any further act, deed or instrument. Clause V of the Memorandum of the Transferee Company shall, without any further act or deed, stand altered to read as under:

"The Authorised Share Capital of the Company is INR 1,051,70,00,000/- (Indian Rupees One Thousand and Fifty One Crores and Seventy Lakhs only) divided into 98,20,00,000 (ninety eight crores and twenty lakhs) equity shares of the face value of Indian Rupees 10/- (Indian Rupees Ten only) each, 35,00,000 (thirty five lakh) Preference Shares of INR 10/- (Indian Rupees Ten Only) each and 1,52,00,000 (one crore and fifty two lakhs) Series A compulsorily convertible preference shares of the face value of INR 10/- (Indian Rupees Ten only) each and 5,10,00,000 (five crores ten lakhs) RAR compulsorily convertible preference shares of the face value of INR 10/- (Indian Rupees Ten only) each.

The Company has the power from time to time to increase or reduce its capital and to divide the share in the capital for the time being into other classes and to attach thereto respectively such preferential, deferred, qualified or other special rights, privileges, conditions or restrictions subject to and in accordance with the Articles of Association of the Company"

In accordance with Section 232(3)(i) of the Act and applicable law, the stamp duties and/or fees (including registration fee) paid on the authorised share capital of the Transferor Company shall be deemed to be utilized and applied to the increased authorised share capital of the Transferee Company pursuant to Clause 22(ii) of the Scheme and no separate stamp duties and/or fees would be payable for the increase in the authorised share capital of the Transferee Company to the extent of fees already paid by the Transferor Company on the authorised share capital of the Transferor Company.

For the avoidance of doubt, it is clarified that, in case, the authorised share capital of the Transferor Company and/or the Transferee Company, as the case may be, undergoes any change, prior to the Scheme coming into effect on the Effective Date, then the Clause 22 of the Scheme shall automatically stand modified/ adjusted accordingly to take into account the effect of such change.

On the approval of the Scheme by the Board and the members of each of the Applicant Companies pursuant to Sections 230-232 of the Act and other relevant provisions of the Act and rules made thereunder, the SEBI Scheme Circular and the SEBI Listing Regulations, if applicable, it shall be deemed that the Board and the members of each of the Applicant Companies have also accorded their consent under Sections 13, 61 and 64 of the Act and/ or any other applicable provisions of the Act and rules made thereunder and the relevant provisions of the SEBI Listing Regulations and the articles of the Transferee Company, as may be applicable for effecting the aforesaid reclassification, amendment and increase in the authorised share capital of the Transferee Company, and no further resolution or actions, including compliance with any procedural requirements under applicable law, shall be required to be undertaken by either of the Applicant Companies under Sections 13, 61 or 64 of the Act and/ or any other applicable provisions of the

Act and rules made thereunder and the relevant provisions of the SEBI Listing Regulations and the articles of the Transferee Company. Upon the Scheme coming into effect, the Transferee Company shall, if required, file all necessary documents/ intimations as per the provisions of Act and rules made thereunder with ROC or any other applicable Governmental Authority in respect of the aforesaid reclassification, amendment and increase in the authorised share capital of the Transferee Company, in the manner set out in Clause 22 of the Scheme.

PART I

INTRODUCTION

A. DESCRIPTION OF PARTIES

1. **QUALITY CARE INDIA LIMITED** (hereinafter referred to as the "**Transferor Company**"), is a public limited company incorporated under the Companies Act, 1956 having its registered office at 6-3-248/2, Road No. 1, Banjara Hills, Hyderabad, Telangana 500034, India with corporate identification number U85110TG1992PLC014728. The Transferor Company was incorporated on September 7, 1992. The Transferor Company is engaged in the business of providing healthcare and related services through a network of multi-specialty healthcare establishments across India and Bangladesh, that the Transferor Company or its subsidiaries own or operate from time to time.

2. **ASTER DM HEALTHCARE LIMITED** (hereinafter referred to as the "**Transferee Company**"), is a listed public limited company incorporated under the Companies Act, 1956 having its registered office at No:7-1-450/20, Plot No:04, 7th Floor, Mythri Vihar, Ameerpet, Hyderabad, Telangana 500038. The Transferee Company was incorporated on January 18, 2008. The Transferee Company is engaged in the business of, *inter alia*, providing healthcare and related services (including diagnostics, tele-health and other allied services) through a network of multi-specialty healthcare establishments across India, that the Transferee Company or its subsidiaries own or operate from time to time. The equity shares of the Transferee Company are listed on the Stock Exchanges (*as defined hereinafter*).

Each of the above are hereinafter individually referred to as a "**Party**" and collectively as "**Parties**".

B. PREAMBLE

This Scheme (*as defined below*) is presented under: (a) the provisions of Sections 230 to 232 and other relevant provisions of the Act (*as defined below)*; (b) the relevant provisions of the SEBI Circular (*as defined below*); and (c) the relevant provisions of the Listing Regulations (*as defined below)*, for the amalgamation by way of merger by absorption of the Transferor Company with and into the Transferee Company in accordance with Section 2(1B) of the IT Act (*as defined below)* without winding up and on a going concern basis, and the consequent issuance of the Consideration Shares (*as defined below)* by the Transferee Company to the Eligible Shareholders (*as defined below*) of the Transferor Company ("**Amalgamation**"). In addition, this Scheme also provides for various other matters consequential or otherwise integrally connected herewith.

C. DESCRIPTION OF THE SCHEME

The Amalgamation shall be in full compliance with the conditions relating to "amalgamation" as provided under Section 2(1B) and other related provisions of the IT Act such that, *inter alia*, upon this Scheme becoming effective, and with effect from the Appointed Date:

(i) all the properties of the Transferor Company, immediately before the Amalgamation, shall become the properties of the Transferee Company, by virtue of the Amalgamation;

(ii) all the Liabilities (*as defined below*) of the Transferor Company, immediately before the Amalgamation, shall become the liabilities of the Transferee Company, by virtue of the Amalgamation; and

(iii) shareholders holding at least three-fourths in value of the shares in the Transferor

Company (other than shares already held therein immediately before the amalgamation by the Transferee Company), will become shareholders of the Transferee Company by virtue of the Amalgamation.

If any terms or provisions of the Scheme are found or interpreted to be inconsistent with the provisions of the said section and other related provisions of the IT Act at a later date including resulting from a retrospective amendment of law or for any other reason whatsoever, till the time the Scheme becomes effective, the provisions of the said section and other related provisions of the IT Act shall prevail and the Scheme shall stand modified to the extent determined necessary to comply with Section 2(1B) and other relevant provisions of the IT Act. Such modification will, however, not affect the other parts of the Scheme.

D. RATIONALE FOR THE SCHEME

1. The Transferee Company is *inter alia* engaged in providing healthcare and related services (including diagnostics, tele-health and other allied services) through a network of multi-specialty healthcare establishments across India, that the Transferee Company or its subsidiaries own or operate from time to time.

2. The Transferor Company is *inter alia* engaged in the business of providing healthcare and related services through a network of multi-specialty hospitals across various cities in India and Bangladesh.

3. With a view to consolidate the business interests of the Parties *(as defined below)*, the Parties have decided that the Transferor Company with all its business interests, be amalgamated with and into the Transferee Company.

4. The Parties believe that the Amalgamation pursuant to this Scheme would, *inter alia*, have the following benefits:

   (i) <u>Scale and financial resilience</u>

      a. Merged entity is expected amongst the top 3 (three) hospital chains in India and with strong presence across South and Central India with strong financial, operational and return metrics.

      b. The proposed merger is expected to be accretive in terms of earnings per share and earnings before interest, tax, depreciation and amortisation margin for Transferee Company's shareholders.

   (ii) <u>Diversification and potential for growth</u>

      a. The merged entity will have diversified presence across 9 (nine) states and 25 (twenty five) cities in India with low overlap of hospitals.

      b. Limited micro-market overlap between the Transferee Company and Transferor Company will have limited impact due to cannibalization.

      c. With established hospitals in diverse locations, the merged entity will have significant opportunities for both brownfield and greenfield expansion.

      d. Streamlining processes, functions and resources to drive better patient outcomes and clinical excellence.

(iii) Synergies: The proposed amalgamation will result in multiple synergy benefits that can help accelerate growth and improve margins, as set forth below, thus creating value for the respective stakeholders of the Transferee Company and Transferor Company:

a. Revenue synergies: Strengthened initiatives to attract international patient at the merged entity, ability to expand coverage by insurance companies with integrated operations, etc.

b. Supply chain: Rationalization of spends on procurement of drugs, consumables through centralization, better negotiating capabilities, etc.

c. Integrated Doctor Model: Potential cross-selling opportunities with broader base of senior specialist doctors and exchange of learnings coupled with greater ability to attract and retain medical talent with state-of-the-art medical facilities.

d. Lower cost overheads: Optimization of various corporate functions and leveraging best practices, technology and channel mix optimization to allow a more coordinated approach towards governance for the businesses.

The Scheme shall be effective from the Appointed Date and shall be operative from the Effective Date.

PART III

4. AMALGAMATION

Subject to the provisions of the Scheme in relation to the modalities of Amalgamation and in accordance with Clause 25, upon the Scheme coming into effect on the Effective Date, the Transferor Company shall stand amalgamated into the Transferee Company and its Undertaking shall, be and stand transferred to and vested in the Transferee Company, as a going concern, without any further act, instrument or deed undertaken by either of the Parties.

5. TRANSFER OF ASSETS

Without prejudice to the generality of Clause 4 above, upon coming into effect of this Scheme in accordance with the terms herein:

(i) all immovable properties (including estates, land, together with buildings and structures standing thereon and any other immovable property), and the rights, title, and interests thereon or embedded to the land and all rights, title and interests and claims in any immovable properties of the Transferor Company, if any, whether or not included in the books of the Transferor Company, whether freehold or leasehold or licensed, all tenancies, and any documents of title, lease, license, rent agreements, security deposits, advance, prepaid lease/license fee, rights and easements in relation thereto, shall stand transferred to and vested in and/or be deemed to have been transferred to and vested in the Transferee Company, without any further act, instrument or deed undertaken by either of the Parties. Upon the Scheme coming into effect on the Effective Date, the Transferee Company shall be entitled to exercise all rights and privileges attached thereto including refund of any security deposits, advance, prepaid fee and shall be liable to pay all Taxes, rent and charges, and fulfill all obligations, in relation to or applicable to such immovable properties, if any, and the relevant landlords, owners and lessors shall continue to comply with the terms, conditions and covenants under all relevant lease/license or rent agreements and shall, in accordance with the terms of such agreements. Upon the Scheme coming into effect on the Effective Date the title to all the immovable properties of the Transferor Company, if any, shall be deemed to have been mutated and recognised as that of the Transferee Company and the mere filing of the vesting order of the Tribunal sanctioning the Scheme with the appropriate registrar and sub-registrar or with the relevant Governmental Authority shall suffice as record of the Transferee Company's title to such immovable properties and shall constitute a deemed mutation and substitution thereof. The relevant Governmental Authorities may rely on the Scheme along with copy of the vesting order of the Tribunal sanctioning the Scheme, to make necessary mutation entries and changes in the land or revenue records to reflect the name of the Transferee Company as the owner or lessee (as the case may be) of the immovable properties. The Transferee Company shall in pursuance of the vesting order of the Tribunal be entitled to the delivery and possession of all documents of title in respect of such immovable property, if any, in this regard. Notwithstanding anything contained in this Scheme and without prejudice to Clause 5(i), with respect to the immovable properties of the Transferor Company as the Board of the Transferee Company may determine, whether owned or leased, the concerned parties, shall execute and register or cause so to be done, separate deeds of conveyance or deed of assignment of lease, as the case may be, executed on or after the Effective Date, in favour of the Transferee Company. Each of the immovable properties, only for the purposes of the payment of stamp duty (if required under Applicable Law), shall be deemed to be conveyed at a value determined in accordance with the Applicable Laws. The transfer of such immovable properties shall form an integral part of this Scheme.

(ii) all estates, assets, rights, title, claims, interests and authorities accrued to and, or, acquired by the Transferor Company shall be deemed to have been accrued to and, or, acquired for and on behalf of the Transferee Company, without any further act, instrument or deed undertaken by either of the Parties and shall stand transferred to or vested in or be deemed to have been transferred to or vested in the Transferee Company to that extent and shall become the estates, assets, right, title, claims, interests and authorities of the Transferee Company.

(iii) all assets of the Transferor Company as are movable in nature or are otherwise capable of being transferred by physical or constructive delivery, and/or, by endorsement and delivery, or by vesting and recordal or by operation of law pursuant to this Scheme, including without limitation equipment, furniture, fixtures, books, records, files, papers, computer programs, engineering and process information, manuals, data, production methodologies, production plans, catalogues, quotations, websites, sales and advertising material, marketing strategies, list of present and former customers, customer credit information, customer pricing information, and other records, whether in physical form or electronic form or in any other form, shall stand vested and/or deemed to be transferred and vested in the Transferee Company, and shall become the property of the Transferee Company, without any further act, instrument or deed undertaken by either of the Parties.

(iv) any and all other movable properties (except those specified elsewhere in this Clause 5) including without limitation investments in shares and any other securities, earnest monies, all sundry debts and receivables, credits, outstanding loans and advances, if any, relating to the Transferor Company, recoverable in cash or in kind or for value to be received, actionable claims, bank balances and deposits, if any, with Governmental Authorities, semi-Governmental Authorities, local and other authorities and bodies, customers and other persons, cheques on hand, shall, without any further act, instrument or deed undertaken by either of the Parties, become the property of the Transferee Company. On and from the Effective Date, the Transferor Company shall, be entitled to the delivery and possession of all documents of title of such movable property in this regard.

(v) all incorporeal or intangible assets and inventory of the Transferor Company or granted to the Transferor Company shall stand vested in and transferred to the Transferee Company and shall become the property and an integral part of the Transferee Company, without any further act, instrument or deed undertaken by either of the Parties.

(vi) the Transferee Company shall be entitled to all intellectual property of the Transferor Company, including patents, trade and service marks, logo, domain names, database rights, copyrights, trade secrets, know-how, brands, marketing authorisations, marketing tangibles, designs, software, confidential processes, inventions, licenses, computer programs, manuals, data, sales material and any other intellectual property or proprietary right whether owned by it, licensed or assigned to the Transferor Company, whether or not the same are registered, along with all rights or commercial nature including those attached to goodwill, title, interest, labels and brand registrations and all such other industrial or intellectual rights of whatsoever nature, and all intellectual property, of the Transferor Company shall, without any further act, instrument, or deed stand transferred to and vested in the Transferee Company. Necessary filings, intimations, updated, etc., as may be required in terms of Applicable Law shall be undertaken with the relevant Governmental Authority, in order to reflect the foregoing and shall be carried out by either of the Parties, as may be applicable.

(vii) all goodwill and past track record of the Transferor Company, including without

limitation, the profitability, experience, credentials and market share, shall, without any further act, instrument or deed, stand transferred to and vested in the Transferee Company and shall be deemed to be the track record of the Transferee Company for all commercial and regulatory purposes including the purpose of eligibility, standing, evaluation, and participation of the Transferee Company in all existing and future bids, tenders and contracts of all Governmental Authorities.

(viii) all bank accounts operated or entitled to be operated by the Transferor Company shall be deemed to have been transferred and shall stand transferred to the Transferee Company and name of the Transferor Company shall be substituted by the name of the Transferee Company in the bank's records and the Transferee Company shall be entitled to operate all bank accounts, realize monies and complete and enforce all pending contracts and transactions in the name of the Transferor Company to the extent necessary until the transfer of the rights and obligations of the Transferor Company to the Transferee Company under the Scheme is formally accepted and completed by the parties concerned. It is hereby clarified that all cheques and other negotiable instruments, payment orders received or presented for encashment which are in the name of the Transferor Company on or after the Effective Date, shall be accepted by the bankers of the Transferee Company and credited to the account of the Transferee Company, if presented by the Transferee Company.

6. **TRANSFER OF LIABILITES**

Without prejudice to the generality of Clause 4 above, upon coming into effect of this Scheme:

(i) all debts (whether in Indian rupees or a foreign currency), sundry creditors, borrowings, liabilities, contingent liabilities, debentures, loan raised and used, duties and obligations, secured or unsecured, relating to the Transferor Company of every kind, nature, and description whatsoever and howsoever arising, raised or incurred or utilized ("**Liabilities**") shall stand transferred to and vested in the Transferee Company, and the same shall be assumed to the extent they are outstanding on the Effective Date and become and be deemed to be the Liabilities of, and shall be discharged by, the Transferee Company on the same terms and conditions as were applicable to the Transferor Company, without any further act, instrument or deed undertaken by either of the Parties. The Parties shall not be required to obtain the approval of any third party or other Person who is a party to any contract or arrangement by virtue of which such Liabilities have arisen in order to give effect to the provisions of this Clause 6. The provisions of this Clause 6 shall operate, notwithstanding anything to the contrary contained in any instrument, deed or writing to which the relevant Liability relates to or the terms of sanction or issue or any security document, all of which instruments, deeds or writings shall stand modified by the foregoing provisions.

(ii) loans, advances and other obligations (including any guarantees, letters of credit, letters of comfort or any other instrument or arrangement which may give rise to a contingent liability in whatever form), if any, due or which may at any time in future become due between the Transferor Company and the Transferee Company shall stand discharged and come to an end on the Effective Date and there shall be no liability in that behalf on any party and appropriate effect shall be given in the books of accounts and records of the Transferee Company.

(iii) it is expressly provided that, save as mentioned in this Clause 6, no other term or conditions of the Liabilities of the Transferor Company transferred to the Transferee Company as part of the Scheme is modified by virtue of this Scheme except to the extent that such amendment is required by necessary implications.

7. **TRANSFER OF CONTRACTS, DEEDS, ETC**

Without prejudice to the generality of Clause 4, upon coming into effect of this Scheme:

(i) all contracts, sub-contracts, deeds, bonds, bids, undertakings, agreements, memoranda of agreement, memoranda of agreed points, insurance policies, capital investment, subsidies, guarantees and indemnities, schemes, purchase order, work order, warranty arrangements, lease, license, understanding, commitment, obligation, applications, whether written or otherwise, and other instruments of whatsoever nature (whether or not the same is absolute, revocable, contingent, conditional, binding or otherwise, including all amendments and modifications thereto), in relation to the Transferor Company to which it is a party or to the benefit of which it may be entitled or eligible, or by which any of the assets held by the Transferor Company are bound, shall be in full force and effect against or in favour of the Transferee Company, without any further act, instrument or deed undertaken by either of the Parties, and may be enforced as fully and effectually as if, instead of the Transferor Company, the Transferee Company had been a party or beneficiary or obligee thereto. Without prejudice to the generality of the foregoing, bank guarantees, performance guarantees, letters of credit, agreements with any Governmental Authority, hire purchase agreements, lending agreements and such other agreements, deeds, documents and arrangements pertaining to the business of Transferor Company or to the benefit of which the Transferor Company may be eligible and which are subsisting or have effect immediately before the Effective Date, including without limitation all rights and benefits (including without limitation benefits of any deposit, advances, receivables or claims) arising or accruing therefrom, shall, upon this Scheme coming into effect on the Effective Date, be deemed to be bank guarantees, performance guarantees, letters of credit, agreements, deeds, documents, and arrangements, as the case may be, of the Transferee Company, without any further act, instrument or deed undertaken by either of the Parties and shall be appropriately transferred or assigned by the concerned parties/ Governmental Authority in favour of the Transferee Company.

(ii) all letters of intent, request for proposal, pre-qualifications, bid acceptances, tenders, and other instruments of whatsoever nature to which the Transferor Company is a party to or to benefit of which the Transferor Company may be eligible for, shall remain in full force and effect against or in favour of the Transferee Company and may be enforced as fully and effectually as if, instead of the Transferor Company, the Transferee Company had been a party or beneficiary or oblige thereto.

(iii) without prejudice to the other provisions of this Scheme and notwithstanding the fact that vesting of the Undertaking occurs by virtue of this Scheme itself, the Transferee Company may, at any time after coming into effect of this Scheme, in accordance with the provisions hereof, if so required under the Applicable Law or otherwise, take such actions and execute such deeds (including deeds of adherence), confirmations, or other writings or tripartite arrangements with any party to any contract or arrangement to which the Transferor Company is a party or any writings as may be necessary to be executed in order to give formal effect to the above provisions. The Transferee Company shall for this purpose, under the provisions hereof, be deemed to have been authorized to execute any such writings on behalf of the Transferor Company and to carry out or perform all such formalities or compliances referred to above on the part of the Transferor Company.

8. **TRANSFER OF LICENSES AND APPROVALS**

(i) Without prejudice to the generality of Clause 4, upon coming into effect of this Scheme, any and all statutory licenses or other licenses (including the licenses granted to the

Transferor Company by any Governmental Authority for the purpose of carrying on its business or in connection therewith), Approvals, quotas, entitlements, allotments, clearances, credits, awards, sanctions, exemptions, benefits, advantages, Tax deferrals, subsidies, incentives, refunds, grants, assignments, authorisations, rights, pre-qualifications, bids, acceptances, tenders, licenses (including the licenses granted by any Governmental Authority or regulatory bodies for the purpose of carrying on its business or in connection therewith), privileges, powers, facilities, special status, letter of allotments and certificates of every kind and description whatsoever (in relation to the Transferor Company, or to the benefit of which the Transferor Company may be eligible) required to carry on the operations of the Transferor Company or granted to the Transferor Company shall remain in full force and effect and shall stand vested in or transferred to the Transferee Company, without any further act, instrument or deed undertaken by either of the Parties, and shall be appropriately transferred or assigned by the concerned parties or Governmental Authorities in favour of the Transferee Company upon the Scheme coming into effect. The benefit of all statutory and regulatory permissions, Approvals and consents including without limitation statutory licenses, permissions, approvals or consents required to carry on the operations of the Transferor Company shall vest in and become available to the Transferee Company upon the Scheme coming into effect on the Effective Date without any further act, instrument or deed undertaken by either of the Parties.

(ii) The Transferee Company shall be entitled to undertake and carry on the business of the Transferor Company pursuant to the effectiveness of the Scheme on its own account, pending the transfer of any Approvals and other consents, permissions, quotas, rights, authorizations, entitlements, no-objection certificates and licenses, privileges, powers and facilities of every kind and description, that may be required under Applicable Law in the name of the Transferee Company and would be entitled to make any applications, requests and the like in this regard. For the avoidance of doubt, it is clarified that if the consent of either a third party or Governmental Authority is required to give effect to the provisions of this Clause 8, the said third party or Governmental Authority shall, subject to the provisions of Applicable Laws, provide such consent and shall make and duly record the necessary substitution/endorsement in the name of the Transferee Company pursuant to the sanction of this Scheme by the Tribunal, and upon this Scheme coming into effect on the Effective Date. The Transferee Company shall file appropriate applications/ documents and make appropriate filings with the relevant Governmental Authorities concerned for information and record purposes and the Transferee Company shall, under the provisions of this Scheme, be deemed to be authorised to execute any such writings on behalf of the Transferor Company and to carry out or perform all such acts, formalities or compliances referred to above on behalf of the Transferor Company, *inter alia*, in its capacity as the successor entity of the Transferor Company.

9. **TRANSFER OF LEGAL AND OTHER PROCEEDINGS**

Without prejudice to the generality of Clause 4, upon the coming into effect of this Scheme:

(i) the Transferee Company shall bear the burden and the benefits of any legal or other proceedings (including Tax proceedings) initiated by or against the Transferor Company. Upon the Scheme coming into effect on the Effective Date, if any notice, dispute, suit, appeal, complaint, claim or other proceeding of whatsoever nature by or against the Transferor Company, including (but not limited to) those before any Governmental Authority, be pending, the same shall not abate, be discontinued or in any way be prejudicially affected by reason of the Amalgamation, or of anything contained in this Scheme but the proceedings shall be continued, prosecuted and enforced by or against the Transferee Company in the same manner and to the same extent as it would or might have been continued, prosecuted and enforced by or against the Transferor Company, without any further act, instrument or deed undertaken by

either of the Parties.

(ii) the Transferee Company undertakes to have all legal or other proceedings initiated by or against the Transferor Company, which are capable of being continued by or against the Transferee Company, transferred to its name as soon as is reasonably possible after the Effective Date and to have the same continued, prosecuted and enforced by or against the Transferor Company.

(iii) the Transferee Company shall be deemed to be authorized under this Scheme to execute any pleadings, applications, forms, etc., as are required to remove any difficulties and carry out any formalities or compliance as are necessary for the implementation of this Scheme.

10. **EMPLOYEES**

Without prejudice to the generality of Clause 4 above, upon coming into effect of this Scheme:

(i) all the employees of the Transferor Company as on the Effective Date, shall become the employees of the Transferee Company, without any further act, instrument or deed undertaken by either of the Parties, on terms and conditions which are overall no less favourable than those that were applicable to such employees immediately prior to such Amalgamation, with the benefit of continuity of service and without any break or interruption in service as a result of the Amalgamation. The past services of the employees of the Transferor Company shall be taken into account for the purposes of payment of any compensation, gratuity, and other terminal benefits by the Transferee Company.

(ii) in so far as the provident fund, gratuity fund, trusts, benefits, retirement fund, superannuation fund or any other special funds or benefits created by the Transferor Company for its employees or to which the Transferor Company is contributing for the benefit of the employees of the Transferor Company ("**Funds**") are concerned, (a) all contributions made to such Funds for the benefit of the employees of the Transferor Company and the investments made by the Funds in relation to the employees of the Transferor Company on behalf of such employees shall be deemed to have been made on behalf of the Transferee Company, upon the Scheme coming into effect on the Effective Date and shall be transferred to the Transferee Company to be held for the benefit of the concerned employees of the Transferor Company, the relevant authorities or the funds (if any) established by the Transferee Company, as the case may be, and (b) all contributions and investments made by such employees, including interests/ investments (which are referable and allocable to the employees transferred), subject to necessary approvals and permissions and at the discretion of the Transferee Company, be transferred to the Transferee Company, the relevant authorities or the funds (if any) established by the Transferee Company, as the case may be, and shall be held for the benefit of the concerned employee of the Transferor Company.

(iii) in connection with provident fund, gratuity fund, superannuation fund, government fund or any other special fund, or obligation created or existing for the benefit of the employees of the Transferor Company who become employees of the Transferee Company by virtue of this Scheme, the Transferee Company shall stand substituted for the Transferor Company, without any further act, instrument or deed undertaken by either of the Parties, for all purposes whatsoever relating to the obligations to make contributions to the said funds in accordance with the provisions of such schemes or funds. It is the aim and intent of the Scheme that all the rights, duties, powers and obligations of the Transferor Company in relation to such schemes or funds shall become those of the Transferee Company. In addition, upon the Scheme coming into

effect on the Effective Date, any prosecution or disciplinary action initiated, pending or contemplated against and any penalty imposed in this regard on any employee forming part of the Transferor Company shall be continued/continue to operate against the relevant employee and the Transferee Company shall be entitled to take any relevant action or sanction, without any further act, instrument or deed undertaken by either of the Parties. Notwithstanding the aforesaid, the board of the Transferee Company, if it deems fit and subject to Applicable Law, shall be entitled to: (x) retain separate trusts or funds within the Transferee Company for the erstwhile fund(s) of the Transferor Company; or (y) merge the pre-existing funds of the Transferor Company with other similar funds of the Transferee Company.

(iv) Upon the Scheme coming into effect on the Effective Date, the Transferee Company shall, for the purpose of payment of any retrenchment compensation, gratuity and other terminal benefits to the employees of Transferor Company, take into account the past services of such employees with the Transferor Company.

11. **TAXES**

(i) Upon the Scheme coming into effect on the Effective Date, all direct and indirect Taxes of any nature, duties and cess or any other like payment, including (but not limited to) income Tax, security transaction Tax, dividend distribution Tax, buy back Tax, foreign Tax credit, equalization levy, value added Tax, central sales Tax, excise duty, customs duty, minimum alternate Tax, advance Tax, goods and services Tax, self assessment Tax, Tax deducted at source or Tax collected at source or any other like payments made by the Transferor Company to any statutory authorities, or other collections made by the Transferor Company and relating to the period up to the Effective Date, shall be deemed to have been on account of, or on behalf of, or paid by, or made by the Transferee Company, without any further act, instrument or deed undertaken by either of the Parties. Upon the Scheme coming into effect on the Effective Date, all deductions otherwise admissible to Transferor Company including without limitation deduction admissible on actual payments or on deduction of appropriate Taxes or on payment of Tax deducted at source (including, but not limited to, claim for sum prescribed under section 43B, Section 40, Section 35DD and Section 94B of the IT Act), claim for deduction of provisions written back by the Transferor Company previously disallowed under the IT Act in the hands of the Transferor Company, claim for debt or part of debt written off under Section 36(1)(vii) read with Section 36(2) of the IT Act, where such debt or part of the debt were offered to Tax by the Transferor Company, and claim for any deferred payments shall be eligible for deduction to the Transferee Company in the same manner and to the same extent as would have been enjoyed, availed or utilized by the Transferor Company. Further, Transferee Company shall be entitled to exclude items such as provisions, reversals, etc., for which no deduction or Tax benefit has been claimed by the Transferee Company prior to the Appointed Date. Upon the Scheme coming into effect on the Effective Date, the Transferee Company shall be entitled to claim credit for Taxes deducted at source/Taxes collected at source/paid against Tax liabilities/duty liabilities/minimum alternate Tax, advance Tax, goods and services Tax, value added Tax liability and any other credits etc., notwithstanding the certificates/challans or other documents for payment of such Taxes/duties, as the case may be, are in the name of the Transferor Company. Upon the Scheme coming into effect on the Effective Date, all Taxes payable by or refundable to or being the entitlement of the Transferor Company, including without limitation all or any refunds or claims shall be treated as the Tax liability or refunds/credits/claims, as the case may be, of the Transferee Company, and any Tax incentives, advantages, privileges, exemptions, credits, entitlements (including, but not limited to, credits in respect of income Tax, carry forward Tax losses, unabsorbed depreciation, closing balance of CENVAT, value added Tax, central sales Tax, excise duty, turnover Tax, goods and

services Tax, security transaction Tax, minimum alternate Tax and duty entitlement credit certificates), holidays, remissions, reductions, as would have been available to the Transferor Company, shall upon the Scheme coming into effect on the Effective Date, be available to the Transferee Company, subject to the provisions of Applicable Laws. All the expenses incurred by the Transferor Company and the Transferee Company in relation to the transfer and vesting of the Transferor Company with the Transferee Company in accordance with this Scheme, including stamp duty expenses, if any, shall be allowed as deduction to the Transferee Company in accordance with section 35DD of the IT Act over a period of 5 (five) years from the Appointed Date. The Transferee Company shall undertake all necessary compliances prescribed under Applicable Laws to, and the Transferor Company shall, prior to the Effective Date, extend its cooperation to the Transferee Company to, effectuate transfer of all credits including goods and services Tax of the Transferor Company to the Transferee Company. Upon the Scheme coming into effect on the Effective Date, the Transferee Company shall have the right to file and/or revise the financial statements, income Tax returns, Tax deducted at source certificates and other statutory returns and filings, if required, including that of the Transferor Company, even if the relevant due dates set out under Applicable Laws may have expired.

(ii) All Tax assessment proceedings/appeals of whatsoever nature, by or against the Transferor Company pending and/or arising shall be continued and/or enforced until the Effective Date by the Transferor Company. In the event of the Transferor Company failing to continue or enforce any proceeding/appeal, the same may be continued or enforced by the Transferee Company, at the cost of the Transferee Company. From the Effective Date, the Tax proceedings shall be continued and enforced by or against the Transferee Company in the same manner and to the same extent as would or might have been continued and enforced by or against the Transferor Company.

(iii) Upon the Effective Date, if any Tax deposited, certificates issued or returns filed by the Transferor Company relating to the Transferor Company shall continue to hold good as if such amounts were deposited, certificates were issued, and returns were filed by the Transferee Company.

(iv) Further, the aforementioned proceedings shall not abate or be discontinued nor be in any way prejudicially affected by reason of the transfer and vesting of the Transferor Company with the Transferee Company or anything contained in the Scheme.

(v) Upon the Effective Date, if any Tax deposited, certificates issued or returns filed by the Transferor Company relating to the Transferor Company shall continue to hold good as if such amounts were deposited, certificates were issued, and returns were filed by the Transferee Company.

(vi) Any refund under the IT Act or any other Tax laws related to or due to the Transferor Company, including those for which no credit is taken as on the date immediately preceding the Appointed Date, shall also belong to and be received by the Transferee Company.

(vii) In case of any differences in Tax policies/elections between the Transferor Company and the Transferee Company, the Tax policies/elections adopted by the Transferee Company shall prevail to ensure that the Tax records and returns are consistent.

12. **TRANSFER OF ENCUMBRANCES**

Without prejudice to the generality of Clause 4 above, upon the coming into effect of this Scheme:

(i) the transfer and vesting of the assets comprised in the Undertaking to and in the Transferee Company under this Scheme shall be subject to the Encumbrances, if any, affecting the same, as and to the extent hereinafter provided.

(ii) all Encumbrances over the Transferor Company's assets existing on the Effective Date, shall in so far as they secure or pertain to Liabilities of the Transferor Company, shall after the Effective Date, continue to relate and attach to such assets or any part thereof to which they are related or attached prior to the Effective Date and as are transferred to the Transferee Company. Such Encumbrances shall not relate or attach to any of the other assets of the Transferee Company.

(iii) if any assets of the Transferor Company have not been Encumbered in respect of any Liabilities transferred pursuant to this Scheme, such assets shall remain unencumbered, and any existing Encumbrances shall not be extended to and shall not operate over such assets or to any other assets of the Transferee Company. The holders of security over the properties of the Transferee Company shall not be entitled to any additional security over the properties, assets, rights, benefits, and interest of the Transferor Company and therefore, assets of the Transferor Company or the Transferee Company which are not currently Encumbered shall remain free and available for creation of any security thereon in future in relation to any current or future indebtedness of the Transferee Company.

(iv) any reference in any security documents or arrangements (to which the Transferor Company is a party) to the Transferor Company and its assets and properties, shall be construed as a reference to the Transferee Company and the assets and properties of the Transferor Company transferred to the Transferee Company by virtue of this Scheme. Without prejudice to the foregoing provisions, the Transferor Company and the Transferee Company may execute any instruments or documents or do all the acts and deeds as may be considered appropriate, including the filing of necessary particulars and/or modification(s) of charge(s), with the ROC to give formal effect of the above provisions, if required.

13. **EMPLOYEE INCENTIVES**

(i) With respect to the Transferor Company Stock Options granted (vested and unvested) by the Transferor Company under the Quality Care India Limited Employee Stock Option Plan, 2024 (management) and Quality Care India Limited Employee Stock Option Plan, 2024 (senior management) as of the date of the board approval for the Scheme (collectively the "**Transferor Company Option Scheme**"), all such Transferor Company Stock Options shall stand cancelled prior to the Scheme coming into effect. For the avoidance of doubt, the Transferor Company or the Transferee Company shall not have any monetary liabilities or be required to pay any amounts in respect of such Transferor Company Stock Options. It is clarified that the no shares of the Transferor Company and/or the Transferee Company will be issued against such grants.

(ii) Upon the Scheme coming into effect, BCP (along with any existing shareholder of the Transferor Company) may set up an incentive plan involving the participation of certain employees of the Transferor Company and its subsidiaries, who shall become the employees of the Transferee Company in accordance with Clause 10(i) of the Scheme (such employees to be identified and selected by BCP, and referred to as "**Identified Employees**"), under which BCP (along with any such existing shareholder of the Transferor Company) may grant incentives to the Identified Employees not exceeding 5.75% (five point seventy-five per cent) of the equity shares of the Transferor Company as on the date of approval of this Scheme by the Board of the Parties. The aforesaid incentives

shall be paid over a period not exceeding of 5 (five) years and can either be paid in cash or any other non-cash consideration as may be decided in terms of the incentive scheme determined by BCP. For the avoidance of doubt, the Transferor Company or the Transferee Company shall not have any monetary liabilities or be required to pay any amounts in respect of such incentives.

(iii) Prior to the Scheme coming into effect, the Transferor Company Option Scheme and any other employee stock option plans or incentive schemes adopted by the Transferor Company shall have been terminated, and the Transferor Company and the Transferee Company shall not have any monetary liabilities or be required to pay any amounts or issue any securities in relation to the Transferor Company Option Scheme or any other employee stock option or incentive scheme adopted by the Transferor Company.

(iv) On the approval of the Scheme by the Board and the shareholders of the Transferee Company pursuant to Sections 230-232 of the Act and other relevant provisions of the Act and rules made thereunder, the SEBI Circular and the Listing Regulations, it shall be deemed that the Board and the members of the Transferee Company have also accorded their consent under Applicable Law and the applicable provisions of the Listing Regulations (including Regulation 26(6) of the Listing Regulations) and the relevant provisions of the Articles, as may be applicable for payment of incentives to the Identified Employees as set out above in Clause 13(ii) of the Scheme, and no further resolution or actions, including compliance with any procedural requirements, shall be required by the Transferee Company under Applicable Law or any provisions of the Listing Regulations, or under the Articles.

14. CONDUCT

During the period between the approval of the Scheme by the respective Boards of the Transferor Company and the Transferee Company and the Effective Date, the business of the Transferor Company and the Transferee Company shall each be carried in the ordinary course of business and in accordance with the Merger Framework Agreement.

15. SAVING OF CONCLUDED TRANSACTIONS

Subject to this Scheme, the transfer and vesting of the Undertaking of the Transferor Company shall not affect any transaction or proceedings already concluded by the Transferor Company on or before the Effective Date, to the end and intent that the Transferee Company accepts and adopts all acts, deeds and things done or executed by the Transferor Company in respect thereto as done and executed on behalf of itself.

PART IV

16. **CONSIDERATION FOR AMALGAMATION**

(i) Upon the Scheme coming into effect on the Effective Date and in consideration of the Amalgamation, the Transferee Company shall, without any further act, instrument or deed, issue and allot the Consideration Shares to all Eligible Shareholders, at the Share Exchange Ratio on the basis of the Valuation Report and Fairness Opinion and all the Transferor Company Shares held by the Transferee Company on the Effective Date shall stand cancelled without any further application, act or deed.

(ii) The Share Exchange Ratio has been taken on record and approved by the respective Boards of the Transferor Company and the Transferee Company after taking into consideration the respective Valuation Report and the Fairness Opinion.

(iii) In the event the Transferee Company or the Transferor Company restructures its equity share capital by way of share split/consolidation/issue of bonus shares/sub division/reorganization/reclassification or other similar action during the pendency of the Scheme, the Share Exchange Ratio shall be adjusted accordingly to consider the effect of any such corporate actions in such a manner as the relevant company's auditors (which may be acceptable to both the Parties) may determine to be appropriate to reflect such corporation action.

(iv) The Consideration Shares to be issued and allotted by the Transferee Company to all the Eligible Shareholders pursuant to Clause 16(i) shall be subject to the provisions of the Memorandum and Articles and shall rank *pari passu* in all respects with the existing Equity Shares of the Transferee Company, including with respect to dividend, bonus, voting rights and other corporate benefits attached to the Equity Shares of the Transferee Company.

(v) Promptly upon the issuance of the Consideration pursuant to Clause 16(i), the Transferee Company shall prepare and file applications, along with all supporting documents, to obtain Approval from SEBI and the Stock Exchanges, for listing of such Consideration Shares. Immediately upon receipt of such Approval, the Transferee Company shall take all necessary steps to obtain trading approval for the Consideration Shares. The Transferee Company shall ensure that steps for listing and trading of the Consideration Shares are completed, and trading of the Consideration Shares commences within the time period prescribed under the SEBI Circular. The Consideration Shares allotted pursuant to this Scheme shall remain frozen in the depositories system till relevant directions in relation to listing/trading are given by the relevant Stock Exchanges.

(vi) If any Eligible Shareholder becomes entitled to a fractional Equity Share to be issued by the Transferee Company pursuant to Clause 16(i), the Transferee Company shall not issue such fractional Equity Share to such Eligible Shareholder, but the Board of the Transferee shall, in compliance with Applicable Law, consolidate all such fractional entitlements of all Eligible Shareholders and the Board of the Transferee Company shall, without any further act, instrument or deed, issue and allot such Consideration Shares that represent the consolidated fractional entitlements to a trustee nominated by the Board of the Transferee Company ("**Trustee 1**") and the Trustee 1 shall hold such Consideration Shares, with all additions or accretions thereto, in trust for the benefit of Eligible Shareholders who are entitled to the fractional entitlements (and their respective heirs, executors, administrators or successors) for the specific purpose of selling such Consideration Shares so allotted on the Stock Exchanges at such time or times and at such price or prices and to such other Person, as such Person/trustee deems

fit within 90 (ninety) days from the date of allotment or such other period as per the Applicable Law, and on such sale, distribute to the Eligible Shareholder in proportion to their respective fractional entitlements, the net sale proceeds of such Equity Shares (after deduction of applicable Taxes and costs incurred and subject to withholding Tax, if any). It is clarified that any such distribution shall take place only after the sale of all the Equity Shares of the Transferee Company that were issued and allotted to the Trustee 1 pursuant to this Clause 16.

(vii) The Consideration Shares issued by the Transferee Company in terms of this Clause 16 shall be issued in dematerialized form and the register of members maintained by the Transferee Company and/or, other relevant records, whether in physical or electronic form, maintained by the Transferee Company, the relevant depository and registrar and transfer agent in terms of Applicable Laws shall (as deemed necessary by the Board of the Transferee Company) be updated to reflect the issue of such Consideration Shares in terms of this Scheme. The shareholders of the Transferor Company who hold Equity Shares in the Transferor Company in physical form shall be obligated to provide requisite details relating to his/ her/ its accounts with a depository participant to the Transferee Company prior to the Record Date to enable the Transferee Company to issue Consideration Shares in terms of this Part IV of the Scheme. However, if no such details have been provided to the Transferee Company by the relevant shareholder(s) holding equity shares in the Transferor Company in physical form prior to the Record Date, the Transferee Company shall issue the corresponding Equity Shares in dematerialized form to a trustee nominated by the Board of the Transferee Company ("**Trustee 2**") who shall hold these Equity Shares in trust for the benefit of the relevant shareholder(s) of the Transferor Company. The Equity Shares of the Transferee Company held by Trustee 2 for the benefit of the relevant shareholder(s) of the Transferor Company shall be transferred to the relevant shareholder(s) once such shareholder(s) provides the details of his/ her/ its demat account to Trustee 2, along with such other documents as may be required by Trustee 2.

(viii) In the event of there being any pending share transfers, whether lodged or outstanding, of any shareholder of the Transferor Company, the Board of the Transferee Company shall be empowered in appropriate cases, to effectuate and record such a transfer as if such changes in the registered holder were operative as on the Record Date and to issue and allot Equity Shares to the transferee as if the transferee was the shareholder of the Transferor Company on the Record Date.

(ix) On the approval of the Scheme by the Board and members of each of the Parties pursuant to Sections 230-232 of the Act and other relevant provisions of the Act and rules made thereunder, if applicable, it shall be deemed that the Board and shareholders of the Transferee Company have also accorded their consent under Sections 42 and 62(1)(c) of the Act and/ or any other applicable provisions of the Act and rules made thereunder and the relevant provisions of the Articles, as may be applicable, for the aforesaid issuance of the Consideration Shares to the Eligible Shareholders of the Transferor Company, and no further resolution or actions, including compliance with any procedural requirements under Applicable Law, shall be required to be undertaken by the Transferee Company under Sections 42 or 62(1)(c) of the Act and/ or any other applicable provisions of the Act and rules made thereunder. It is hereby clarified that the issue and allotment of the Consideration Shares by the Transferee Company to the Eligible Shareholders of the Transferor Company as provided in the Scheme, is an integral part thereof and shall be deemed to have been carried out without requiring any further act on the part of the Transferee Company or its shareholders and as if the procedure laid down under Section 62 or any other applicable provisions of the Act, as may be applicable, and such other statues and regulations as may be applicable were duly complied with.

(x) Upon this Scheme coming into effect, the Transferee Company shall, if required, file all necessary documents/ intimations as per the provisions of Act and rules made thereunder with ROC or any other applicable Governmental Authority to record the Amalgamation of the Transferor Company with and into the Transferee Company, issuance of the Consideration Shares by the Transferee Company to the Eligible Shareholders of the Transferor Company and dissolution of the Transferor Company, in the manner set out in this Clause 16.

(xi) Further, the investments in the shares of the Transferor Company, as reflecting in the books of accounts of the Transferee Company shall, without any further act or deed, shall stand cancelled, written-off, or otherwise extinguished.

(xii) Where the Consideration Shares are to be allotted to heirs, executors or administrators or, as the case may be, to successors of deceased shareholders of the Transferor Company, the concerned heirs, executors, administrators or successors shall be obliged to produce evidence of title satisfactory to the Board of the Transferee Company.

(xiii) The Consideration Shares to be issued by the Transferee Company in respect of the Transferor Company Shares, which are held in abeyance under the provisions of Section 126 of the Act or which the Transferee Company is unable to issue due to non-receipt of relevant Approvals or due to Applicable Law or pending allotment or settlement of dispute by order of the Tribunal or any Governmental Authority or otherwise shall, be held in abeyance by the Transferee Company.

(xiv) The Consideration Shares issued pursuant to this Scheme have not been and will not be registered under the United States Securities Act of 1933, as amended ("**Securities Act**") in reliance upon exemptions from the registration requirements under the Securities Act provided by Regulation D, Regulations S, Section 3(a)(10) and / or Section 4(a)(2) of the Securities Act, as applicable, and/ or any other applicable exemption thereunder ("**Exemption**"). The sanction of the Tribunal to this Scheme will be relied upon for the purpose of qualifying the issuance and allotment of the Consideration Shares issued pursuant to this Scheme for the Exemption under Section 3(a)(10) of the Securities Act, if applicable.

PART V

17. ACCOUNTING TREATMENT

(i) The Transferee Company shall account for the Amalgamation of the Transferor Company with the Transferee Company in its books of accounts by applying principles of 'Pooling of Interest' method as laid down in Ind AS 103 "Business Combinations" prescribed under Section 133 of the Companies Act, 2013 and the Companies (Indian Accounting Standard) Rules, 2015.

(ii) All assets, liabilities and reserves of the Transferor Company shall be recorded in the books of account of the Transferee Company at its carrying amounts and in the same form as appearing in the separate financial statements of the Transferor Company on the Appointed Date.

(iii) The investments in shares of the Transferor Company, as appearing, *inter alia*, in the books of the Transferee Company shall stand cancelled. In addition, the consideration for the Amalgamation shall consist of securities. These securities shall be recorded at nominal value.

(iv) The difference between the consideration (as per clause 17(iii) above) and the net assets (including reserves) of the Transferor Companies shall be recorded as capital reserve if the difference is a credit balance and should be presented separately from other capital reserves with disclosure of its nature and purpose in the notes. However, where the consideration is in excess of the carrying value of the net assets (including the reserves), the difference shall be adjusted to either capital reserve (to the extent of balance available) or revenue reserve(s). If the Transferee Company has no reserves or has inadequate reserves, the debit shall be to an Amalgamation Adjustment Deficit Account.

(v) To the extent that there are inter-company loans, deposits, obligations, balances or other outstanding including any interest thereon, as between the Transferor Company and the Transferee Company as the case may be, the rights and obligations in respect thereof shall come to an end and there shall be no liability in that behalf and corresponding effect shall be given in the books of account and records of the Transferee Company for the reduction of such assets or liabilities as the case may be.

18. DISSOLUTION OF THE TRANSFEROR COMPANY

On the coming into effect of this Scheme, the Transferor Company shall stand dissolved without being wound-up. On and from the Effective Date, (i) the Board of the Transferor Company, shall, without any further acts, resolutions, filings, instruments, or deeds, cease to exist and stand dissolved; and (ii) the name of the Transferor Company shall be struck off from the records of the ROC.

19. VALIDITY OF EXISTING RESOLUTIONS

Upon the coming into effect of this Scheme on the Effective Date, the resolutions and powers of attorney of/or executed by the Transferor Company, as are considered necessary by the Board of the Transferee Company, and which are valid and subsisting on the Effective Date, shall continue to be valid and subsisting and be considered as resolutions and powers of attorney passed/executed by the Transferee Company, and if any such resolutions have any monetary limits approved under the provisions of the Act, or any other Applicable Law, then the said limits shall be added to the limits, if any, under like resolutions passed by the Transferee Company and shall constitute the aggregate of the said limits in the Transferee Company.

20. **AMENDMENT OF ARTICLES OF ASSOCIATION OF TRANSFEREE COMPANY**

(vi) Upon the Scheme coming into effect on the Effective Date, and as an integral part of the Scheme, the Articles of the Transferee Company shall stand amended and restated in the form set out in Schedule A of the Scheme.

(vii) On the approval of the Scheme by the Board and the members of each of the Parties pursuant to Sections 230-232 of the Act and other relevant provisions of the Act and rules made thereunder, the SEBI Circular and the Listing Regulations, if applicable, it shall be deemed that the Board and the members of each of the Parties have also accorded their consent under (a) Section 14 of the Act and/or any other applicable provisions of the Act and rules made thereunder, the Listing Regulations and the relevant provisions of the Articles, as may be applicable for the aforesaid amendment of the Articles of the Transferee Company; and (b) Regulation 31B of the Listing Regulations and any other applicable provisions of the Listing Regulations for grant of special rights to the promoters of the Transferee Company on and from the Effective Date in the form set out in Schedule A of the Scheme and no further resolution or actions, including compliance with any procedural requirements, shall be required to be undertaken by the Transferee Company under Section 14 of the Act and/ or any other applicable provisions of the Act and rules made thereunder, or under Regulation 31B of the Listing Regulations and/or other relevant provisions of the Listing Regulations and the Articles. Upon this Scheme coming into effect, the Transferee Company shall, if required, file all necessary documents/ intimations as per the provisions of Act and rules made thereunder with ROC or any other applicable Governmental Authority to record the aforesaid amendment of the Articles of the Transferee Company.

21. **CHANGE OF NAME OF THE TRANSFEREE COMPANY**

(i) Upon the Scheme coming into effect on the Effective Date, the name of the Transferee Company shall stand changed to "**Aster DM Quality Care Limited**" by simply filing the requisite forms with the Governmental Authority and no separate act, procedure, instrument, or deed and registration fees shall be required to be followed under the Act.

(ii) Consequently, Clause I of the Memorandum of the Transferee Company shall without any act, procedure, instrument or deed be and stand altered, modified and amended pursuant to Sections 13, 232 and other applicable provisions of the Act, and be replaced by the following clause:

"The name of the Company is "Aster DM Quality Care Limited".

(iii) It is hereby clarified that, for the purposes of acts and events as mentioned in this Clause 21 of the Scheme, the consent of the shareholders of the Transferee Company to this Scheme shall be deemed to be sufficient for the purposes of effecting the aforementioned amendment and that no further resolution under Sections 13, 14 or any other applicable provisions of the Act, would be required to be separately passed, nor any additional fees (including fees and charges to the relevant ROC) or stamp duty, shall be payable by the Transferee Company.

22. **TRANSFER OF THE AUTHORISED SHARE CAPITAL**

(i) As an integral part of the Scheme and upon the Scheme coming into effect on the Effective Date, the entire authorised share capital of the Transferor Company, is INR 4,35,50,00,000/- (Indian Rupees Four Hundred and Thirty Five Crores and Fifty Lakhs

only) divided into 43,20,00,000 (forty three crores and twenty lakhs) equity shares of the face value of INR 10/- (Indian Rupees Ten) each, and 35,00,000 (thirty five lakh) Preference Shares of INR 10/- (Indian Rupees Ten Only) each, shall transferred to the authorized share capital of the Transferee Company without any further act, deed or instrument. Clause V of the Memorandum of the Transferee Company shall, without any further act or deed, stand altered to read as under:

"The Authorised Share Capital of the Company is INR 1,051,70,00,000/- (Indian Rupees One Thousand and Fifty One Crores and Seventy Lakhs only) divided into 98,20,00,000 (ninety eight crores and twenty lakhs) equity shares of the face value of Indian Rupees 10/- (Indian Rupees Ten only) each, 35,00,000 (thirty five lakh) Preference Shares of INR 10/- (Indian Rupees Ten Only) each and 1,52,00,000 (one crore and fifty two lakhs) Series A compulsorily convertible preference shares of the face value of INR 10/- (Indian Rupees Ten only) each and 5,10,00,000 (five crores ten lakhs) RAR compulsorily convertible preference shares of the face value of INR 10/- (Indian Rupees Ten only) each.

The Company has the power from time to time to increase or reduce its capital and to divide the share in the capital for the time being into other classes and to attach thereto respectively such preferential, deferred, qualified or other special rights, privileges, conditions or restrictions subject to and in accordance with the Articles of Association of the Company"

(ii) In accordance with Section 232(3)(i) of the Act and Applicable Law, the stamp duties and/or fees (including registration fee) paid on the authorised share capital of the Transferor Company shall be deemed to be utilized and applied to the increased authorised share capital of the Transferee Company pursuant to this Clause 22(ii) and no separate stamp duties and/or fees would be payable for the increase in the authorised share capital of the Transferee Company to the extent of fees already paid by the Transferor Company on the authorised share capital of the Transferor Company.

(iii) For the avoidance of doubt, it is clarified that, in case, the authorised share capital of the Transferor Company and/or the Transferee Company, as the case may be, undergoes any change, prior to this Scheme coming into effect on the Effective Date, then this Clause 22 shall automatically stand modified/ adjusted accordingly to take into account the effect of such change.

(iv) On the approval of the Scheme by the Board and the members of each of the Parties pursuant to Sections 230-232 of the Act and other relevant provisions of the Act and rules made thereunder, the SEBI Circular and the Listing Regulations, if applicable, it shall be deemed that the Board and the members of each of the Parties have also accorded their consent under Sections 13, 61 and 64 of the Act and/ or any other applicable provisions of the Act and rules made thereunder and the relevant provisions of the Listing Regulations and the Articles, as may be applicable for effecting the aforesaid reclassification, amendment and increase in the authorised share capital of the Transferee Company, and no further resolution or actions, including compliance with any procedural requirements under Applicable Law, shall be required to be undertaken by either of the Parties under Sections 13, 61 or 64 of the Act and/ or any other applicable provisions of the Act and rules made thereunder and the relevant provisions of the Listing Regulations and the Articles. Upon this Scheme coming into effect, the Transferee Company shall, if required, file all necessary documents/ intimations as per the provisions of Act and rules made thereunder with ROC or any other applicable Governmental Authority in respect of the aforesaid reclassification, amendment and increase in the authorised share capital of the Transferee Company, in the manner set out in this Clause 22.

23. **PROMOTERS OF THE TRANSFEREE COMPANY**

Upon the Scheme coming into effect on the Effective Date, in addition to the Aster Promoters, BCP will be classified as the 'Promoter' of the Transferee Company, and the Aster Promoters and BCP shall be categorized as separate and independent 'promoters' of the Transferee Company as per the Listing Regulations and other Applicable Laws.

For the avoidance of doubt, it is clarified that pursuant to Amalgamation, the issuance of the Consideration Shares by the Transferee Company to the Eligible Shareholders as consideration for the Amalgamation in terms of this Scheme and the consequent grant of certain rights to the shareholders who hold shares beyond a certain threshold as may be prescribed in the Articles of the Transferee Company pursuant to the Scheme, is exempt under the provisions of Regulation 10(1)(d) of the SAST Regulations, and therefore, the requirement to make an 'open offer' shall not be triggered in terms of the provisions of the SAST Regulations.

PART VI

24. CONDITIONALITY AND EFFECTIVENESS OF THE SCHEME

24.1. This Scheme shall become effective on the date on which the last of the following conditions are fulfilled in accordance with the terms of the Merger Framework Agreement:

(i) the Parties having procured the Approval of the CCI, in accordance with the provisions of Applicable Laws and the Merger Framework Agreement, to consummate the Scheme and other transactions contemplated under the Merger Framework Agreement;

(ii) the receipt of no-objection letters by the Transferee Company from the Stock Exchanges in accordance with the Listing Regulations and the SEBI Circular in respect of the Scheme (prior to filing the Scheme with the Tribunal in accordance with the Merger Framework Agreement);

(iii) Approval of the members:

(a) the requisite majorities in number and value of such classes of members as may be directed by the Tribunal or any other competent authority, as may be applicable, approving the Scheme;

(b) the votes cast by the public shareholders of the Transferee Company in favour of the Scheme being more than the number of votes cast by the public shareholders of the Transferee Company against the Scheme; and

in each case, in compliance with the provisions of the Act, the SEBI Circular and the Listing Regulations that require seeking approval of a Party through e-voting, if applicable;

(iv) the requisite majorities in number and value of such classes of secured and unsecured creditors as may be directed by the Tribunal or any other competent authority, as may be applicable, approving the Scheme;

(v) the Scheme being sanctioned by the Tribunal under Sections 230 to 232 and any other applicable provisions of the Act, and receipt of the certified copies of the order of the Tribunal sanctioning the Scheme;

(vi) each of the Parties having filed the certified copies of the order of the Tribunal sanctioning the Scheme with the ROC within the statutory timelines;

(vii) there not being any governmental order from any Governmental Authority (other than a competition and/or anti-trust authority) that has the effect of making the Amalgamation illegal or otherwise restraining or preventing its consummation; and

(viii) the satisfaction (or waiver in writing) of such other conditions as have been mutually agreed between the Parties in writing in the Merger Framework Agreement, including but not limited to the consummation or waiver of the Ancillary Transaction.

24.2. The Scheme shall not come into effect unless the aforementioned conditions mentioned in Clause 24.1 are satisfied (or to the extent permissible under Applicable Law, waived by the Transferee Company) and in such an event, no rights and liabilities stated under this Scheme shall accrue to or be incurred inter se the Transferor Company and the Transferee Company or their respective shareholders or creditors or employees or any other Person.

25. **APPLICATION TO THE TRIBUNAL**

Each of the Parties shall, as required under Applicable Law, make applications/ petitions under Sections 230 to 232 and other applicable provisions of the Act and rules made thereunder to the Tribunal(s) for the sanction of this Scheme and all matters ancillary or incidental thereto.

26. **MODIFICATIONS/ AMENDMENTS TO THE SCHEME**

(i) Each of the Parties will be at liberty to apply to the Tribunal from time to time for necessary directions in matters relating to this Scheme or any terms thereof, in terms of the Act and rules made thereunder.

(ii) Subject to the provisions of the SEBI Circular, the Parties may, by mutual consent and acting through their respective Board (which shall include any committee constituted by the respective boards), assent to any modifications/ amendments to this Scheme and/ or to any conditions or limitations that the Tribunal or any other Governmental Authority may deem fit to direct or impose or which may otherwise be considered necessary, desirable or appropriate by them.

27. **APPLICATION FOR OPERATIONAL LICENSES BY TRANSFEREE COMPANY**

The Transferee Company shall be entitled, pending the sanction of this Scheme, to apply to any Governmental Authority, if required, under any law for such consents and Approvals which the Transferee Company may require to carry on the business of the Transferor Company.

28. **REMOVAL OF DIFFICULTIES**

The Parties may, by mutual consent and acting through their respective authorised representatives, agree to take all such steps as may be necessary, desirable or proper to resolve all doubts, difficulties or questions, that may arise in relation to the meaning or interpretation of the respective sections of this Scheme or implementation thereof or in any manner whatsoever connected therewith, whether by reason of any directive or order of the Tribunal or any other Governmental Authority or otherwise, howsoever arising out of, under or by virtue of this Scheme in relation to the arrangement contemplated in this Scheme and/ or any matters concerned or connected therewith and to do and execute all acts, deeds, matters and things necessary for giving effect to this Scheme.

29. **WITHDRAWAL OF THE SCHEME**

(i) The Transferor Company and the Transferee Company, acting jointly, shall be at liberty to withdraw the Scheme, any time before the Scheme is effective.

(ii) Upon termination of the Merger Framework Agreement, this Scheme shall automatically stand revoked, cancelled, and be of no effect from such date, save and except in respect of any act or deed done prior thereto as is contemplated herein or as to any rights and/or liabilities which might have arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out as is specifically provided in the Scheme or as may otherwise arise in law.

(iii) Notwithstanding anything contained in Clause 29(ii), in the event SEBI, the Stock Exchanges, or the Tribunal rejects the Scheme but provides a chance for re-submission thereof, the Scheme shall not automatically become revoked, cancelled, null and void unless the Parties mutually agree not to appeal the decision of SEBI, Stock Exchanges, or the Tribunal, as the case may be.

(iv) Upon revocation or cancellation of this Scheme set out in this Clause 29,

(c) this Scheme shall become null and void, and no rights and liabilities shall accrue to or be incurred by the Transferor Company and the Transferee Company or their shareholders or creditors or employees or any other Person. In such cases, each of the Transferor Company and the Transferee Company shall bear its own costs and expenses unless otherwise mutually agreed; and

(d) each of the Transferor Company and the Transferee Company shall take all necessary steps to withdraw or cause the withdrawal of the Scheme, and/or applications made for the approval of the Transaction from the relevant Governmental Authorities, at their own cost.

30. **DIVIDENDS**

The Parties shall be entitled to declare and pay dividends, whether interim and/or final, to their respective shareholders prior to the Effective Date, but only in the ordinary course of business and as maybe mutually agreed amongst the Parties. It is clarified that the aforesaid provisions in respect of declaration of dividends are enabling provisions only and shall not be deemed to confer any right on any shareholder of the Parties to demand or claim any dividends which, subject to the provisions of the Act, shall be entirely at the discretion of the respective Boards of Directors of the Parties, and if applicable in accordance with the provisions of the Act, be subject to the approval of the shareholders of the respective Parties.

31. **COSTS, CHARGES AND EXPENSES**

Except as otherwise contemplated in the Merger Framework Agreement, each of the Parties shall bear all their respective costs, charges, Taxes including duties, levies and all other expenses, if any (save as expressly otherwise agreed) arising out of or incurred in carrying out and implementing this Scheme and matters incidental thereto.

32. **SEVERABILITY**

If any provision of this Scheme becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, positions of such provision, or such provision in its entirety, to the extent necessary shall be severed from this Scheme, and the Transferor Company and the Transferee Company will negotiate in good faith to agree to replace such illegal, void, or unenforceable provision of this Scheme with a valid and enforceable provision that will achieve to the extent possible, the same economic, business and other purpose of the illegal, invalid or unenforceable provision or act in accordance with a judgement, order, decree, or declaration made by a court of competent jurisdiction. The balance of this Scheme shall be enforceable in accordance with its terms.

33. **REPEAL AND SAVINGS**

The provisions of the Act and rules made thereunder shall not be required to be separately complied with, in relation to acts done by the Transferor Company or the Transferee Company as per direction or order of the Tribunal sanctioning this Scheme.

4. EXPRESSIONS IN THE ACT AND THESE ARTICLES

Save as aforesaid, any words or expressions defined in the Act shall, if not inconsistent with the subject or context, bear the same meaning in these Articles.

5. SHARE CAPITAL

(a) The authorised Share Capital of the Company shall be as stated under Clause 5 of the Memorandum of Association of the Company from time to time.

(b) The Paid up Share Capital shall be at all times a minimum of Rs. **5,00,000/-** (Rupees **Five Lakhs** only) or such higher amount as may be required under the Act. The Company has power, from time to time, to increase its authorised or issued and Paid up Share Capital.

(c) The Share Capital of the Company may be classified into Equity Shares with differential rights as to dividend, voting or otherwise in accordance with the applicable provisions of the Act, Rules, and Law, from time to time.

(d) Subject to Article 4(d), all Equity Shares shall be of the same class and shall be alike in all respects and the holders thereof shall be entitled to identical rights and privileges including without limitation to identical rights and privileges with respect to dividends, voting rights, and distribution of assets in the event of voluntary or involuntary liquidation, dissolution or winding up of the Company.

(e) The Board may allot and issue shares of the Company as payment or part payment for any property purchased by the Company or in respect of goods sold or transferred or machinery or appliances supplied or for services rendered to the Company in or about the formation of the Company or the acquisition and/or in the conduct of its business or for any goodwill provided to the Company; and any shares which may be so allotted may be issued as fully/partly paid up shares and if so issued shall be deemed as fully/partly paid up shares. However, the aforesaid shall be subject to the approval of shareholders under the relevant provisions of the Act and Rules.

(f) The amount payable on application on each share shall not be less than 5 per cent of the nominal value of the share or, as may be specified by SEBI.

(g) Nothing herein contained shall prevent the Directors from issuing fully paid up shares either on payment of the entire nominal value thereof in cash or in satisfaction of any outstanding debt or obligation of the Company.

(h) Except so far as otherwise provided by the conditions of issue or by these presents, any Capital raised by the creation of new Equity Shares, shall be considered as part of the existing Capital and shall be subject to the provisions herein contained with reference to the payment of calls and installments, forfeiture, lien, surrender, transfer and transmission, voting and otherwise.

(i) All of the provisions of these Articles shall apply to the Shareholders.

(j) Any application signed by or on behalf of an applicant for shares in the Company, followed by an allotment of any Equity Shares therein, shall be an acceptance of shares within the meaning of these Articles and every person who thus or otherwise accepts any shares and whose name is on the Register of Members shall for the purposes of these Articles be a Shareholder.

(k) The money, (if any), which the Board shall, on the allotment of any shares being made by them, require or direct to be paid by way of deposit, call or otherwise, in respect of any shares allotted by them, shall immediately on the insertion of the name of the allottee, in the Register of Members as the name of the holder of such Equity Shares, become a debt due to and recoverable by the Company from the allottee thereof, and shall be paid by him accordingly.

6. BRANCH OFFICES

The Company shall have the power to establish one or more branch offices, in addition to the Office, in such places at its Board may deem fit.

7. PREFERENCE SHARES

(a) Redeemable Preference Shares

The Company, subject to the applicable provisions of the Act and the consent of the Board, shall have the power to issue on a cumulative or non-cumulative basis, preference shares liable to be redeemed in any manner permissible under the Act and the Directors may, subject to the applicable provisions of the Act, exercise such power in any manner as they deem fit and provide for redemption of such shares on such terms including the right to redeem at a premium or otherwise as they deem fit.

(b) Convertible Redeemable Preference Shares

The Company, subject to the applicable provisions of the Act and the consent of the Board, shall have power to issue on a cumulative or non-cumulative basis convertible redeemable preference shares liable to be redeemed in any manner permissible under the Act and the Directors may, subject to the applicable provisions of the Act, exercise such power as they deem fit and provide for

redemption at a premium or otherwise and/or conversion of such shares into such Securities on such terms as they may deem fit.

8. PROVISIONS IN CASE OF PREFERENCE SHARES.

Upon the issue of preference shares pursuant to Article 7 above, the following provisions shall apply:

(a) No such shares shall be redeemed except out of profits of the Company which would otherwise be available for Dividend or out of the proceeds of a fresh issue of shares made for the purposes of the redemption;

(b) No such shares shall be redeemed unless they are fully paid;

(c) The premium, if any, payable on redemption shall have been provided for out of the profits of the Company or out of the Company's securities premium account, before the shares are redeemed;

(d) Where any such shares are proposed to be redeemed out of the profits of the Company, there shall, out of such profits, be transferred, a sum equal to the nominal amount of the shares to be redeemed, to a reserve, to be called **"Capital Redemption Reserve Account"** and the applicable provisions of the Act relating to the reduction of the Share Capital of the Company shall, except as provided by Section 55 of the Act, apply as if the Capital Redemption Reserve Account were Paid up Share Capital of the Company;

(e) The redemption of preference shares under this Article by the Company shall not be taken as reduction of Share Capital;

(f) The Capital Redemption Reserve Account may, notwithstanding anything in this Article, be applied by the Company, in paying up un- issued shares of the Company to be issued to the Shareholders as fully paid bonus shares; and

(g) Whenever the Company shall redeem any redeemable preference shares or cumulative convertible redeemable preference shares, the Company shall, within 30 (thirty) days thereafter, give notice thereof to the Registrar of Companies as required by Section 64 of the Act.

9. SHARE EQUIVALENT

The Company shall, subject to the applicable provisions of the Act, compliance with Law and the consent of the Board, have the power to issue Share Equivalents on such terms and in such manner as the Board deems fit including their conversion, repayment, and redemption whether at a premium or otherwise.

10. ADRS/GDRS

The Company shall, subject to the applicable provisions of the Act, compliance with all Laws and the consent of the Board, have the power to issue ADRs or GDRs on such terms and in such manner as the Board deems fit including their conversion and

repayment. Such terms may include at the discretion of the Board, limitations on voting by holders of ADRs or GDRs, including without limitation, exercise of voting rights in accordance with the directions of the Board.

11. ALTERATION OF SHARE CAPITAL

Subject to these Articles and Section 61 of the Act, the Company may, by Ordinary Resolution in General Meeting, subject to the applicable provisions of the Act, from time to time, alter the conditions of its Memorandum as follows, that is to say, it may:

(a) increase its Share Capital by such amount as it thinks expedient;

(b) consolidate and divide all or any of its Share Capital into shares of larger amount than its existing shares;

Provided that no consolidation and division which results in changes in the voting percentage of shareholders shall take effect unless it is approved by the Tribunal on an application made in the prescribed manner.

(c) convert all or any of its fully Paid up shares into stock and reconvert that stock into fully Paid up shares of any denomination

(d) sub-divide its shares, or any of them, into shares of smaller amount than is fixed by the Memorandum, so however, that in the sub- division the proportion between the amount paid and the amount, if any, unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived; and

(e) cancel shares which, at the date of the passing of the resolution in that behalf, have not been taken or agreed to be taken by any person, and diminish the amount of its Share Capital by the amount of the shares so cancelled. A cancellation of shares in pursuance of this Article shall not be deemed to be a reduction of Share Capital within the meaning of the Act.

12. REDUCTION OF SHARE CAPITAL

The Company may, by Special Resolution in General Meeting, subject to the applicable provisions of the Act, from time to time, reduce its Capital, any capital redemption reserve account and the securities premium account in any manner for the time being authorized by Law. This Article is not to derogate any power the Company would have under Law, if it were omitted.

13. POWER OF COMPANY TO PURCHASE ITS OWN SECURITIES

Pursuant to a resolution of the Board, the Company may purchase its own Equity Shares or other Securities, as may be specified by the MCA, by way of a buy-back arrangement, in accordance with Sections 68, 69 and 70 of the Act, the Rules and subject to compliance with Law.

14. POWER TO MODIFY RIGHTS

Where, the Capital, is divided (unless otherwise provided by the terms of issue of the shares of that class) into different classes of shares, all or any of the rights and privileges attached to each class may, subject to the provisions of Section 48 of the Act and Law, and whether or not the Company is being wound up, be modified, commuted, affected or abrogated or dealt with by agreement between the Company and any Person purporting to contract on behalf of that class, provided the same is effected with consent in writing and by way of a Special Resolution passed at a separate meeting of the holders of the issued shares of that class. Subject to Section 48(2) of the Act and Law, all provisions hereafter contained as to General Meetings (including the provisions relating to quorum at such meetings) shall mutatis mutandis apply to every such meeting.

15. REGISTERS TO BE MAINTAINED BY THE COMPANY

(a) The Company shall, in terms of the provisions of Section 88 of the Act, cause to be kept the following registers in terms of the applicable provisions of the Act

(i) A Register of Members indicating separately for each class of Equity Shares and preference shares held by each Shareholder residing in or outside India;

(ii) A register of Debenture holders; and

(iii) A register of any other security holders.

(b) The Company shall also be entitled to keep in any country outside India, a part of the registers referred above, called "foreign register" containing names and particulars of the Shareholders, Debenture holders or holders of other Securities or beneficial owners residing outside India.

(c) The registers mentioned in this Article shall be kept and maintained in the manner prescribed under the Companies (Management and Administration) Rules, 2014.

16. SHARES AND SHARE CERTIFICATES

(a) The Company shall issue, re-issue and issue duplicate share certificates in accordance with the provisions of the Act and in the form and manner prescribed under the Companies (Share Capital and Debentures) Rules, 2014.

(b) A duplicate certificate of shares may be issued, if such certificate:

i. is proved to have been lost or destroyed; or

ii. has been defaced, mutilated or torn and is surrendered to the Company.

(c) The Company shall be entitled to dematerialize its existing shares, rematerialize its shares held in the depository and/or to offer its fresh shares in a dematerialized form pursuant to the Depositories Act, and the rules framed thereunder, if any.

(d) A certificate, issued under the common seal of the Company, specifying the shares held by any Person shall be *prima facie* evidence of the title of the Person to such shares. Where the shares are held in depository form, the record of depository shall be the *prima facie* evidence of the interest of the beneficial owner.

(e) If any certificate be worn out, defaced, mutilated or torn or if there be no further space on the back thereof for endorsement of transfer, then upon production and surrender thereof to the Company, a new certificate may be issued in lieu thereof, and if any certificate is lost or destroyed then upon proof thereof to the satisfaction of the Company and on execution of such indemnity as the Company deems adequate, being given, a new Certificate in lieu thereof shall be given to the party entitled to such lost or destroyed Certificate. Every Certificate under the Articles shall be issued without payment of fees if the Directors so decide, or on payment of such fees (not exceeding Rupees two for each certificate) as the Directors shall prescribe. Provided that, no fee shall be charged for issue of a new certificate in replacement of those which are old, defaced or worn out or where there is no further space on the back thereof for endorsement of transfer.

Provided that notwithstanding what is stated above, the Directors shall comply with the applicable provisions of the Act and Law.

(f) The provisions of this Article shall mutatis mutandis apply to Debentures and other Securities of the Company.

(g) When a new share certificate has been issued in pursuance of sub- article (e) of this Article, it shall be in the form and manner stated under the Companies (Share Capital and Debentures) Rules, 2014.

(h) Where a new share certificate has been issued in pursuance of sub- articles (e) or (f) of this Article, particulars of every such share certificate shall be entered in a Register of Renewed and Duplicate Certificates maintained in the form and manner specified under the Companies (Share Capital and Debentures) Rules, 2014.

(i) All blank forms to be used for issue of share certificates shall be printed and the printing shall be done only on the authority of a Resolution of the Board. The blank forms shall be consecutively machine numbered and the forms and the blocks, engravings, facsimiles and hues relating to the printing of such forms shall be kept in the custody of the Secretary or of such other person as the Board may authorize for the purpose and the Secretary or the other person aforesaid shall be responsible for rendering an account of these forms to the Board.

(j) The Secretary shall be responsible for the maintenance, preservation and safe custody of all books and documents relating to the issue of share certificates including the blank forms of the share certificate referred to in sub-article (i) of this Article.

(k) All books referred to in sub-article (j) of this Article, shall be preserved in the manner specified in the Companies (Share Capital and Debentures) Rules, 2014.

(l) The details in relation to any renewal or duplicate share certificates shall be entered into the register of renewed and duplicate share certificates, as prescribed under the Companies (Share Capital and Debentures) Rules, 2014.

(m) If any Share stands in the names of 2 (two) or more Persons, the Person first named in the Register of Members shall as regards receipt of Dividends or bonus, or service of notices and all or any other matters connected with the Company except voting at meetings and the transfer of shares, be deemed the sole holder thereof, but the joint holders of a share shall be severally as well as jointly liable for the payment of all installments and calls due in respect of such shares, and for all incidents thereof according to these Articles.

(n) Except as ordered by a court of competent jurisdiction or as may be required by Law, the Company shall be entitled to treat the Shareholder whose name appears on the Register of Members as the holder of any share or whose name appears as the beneficial owner of shares in the records of the Depository, as the absolute owner thereof and accordingly shall not be bound to recognise any benami, trust or equity or equitable, contingent or other claim to or interest in such share on the part of any other Person whether or not he shall have express or implied notice thereof. The Board shall be entitled at their sole discretion to register any shares in the joint names of any 2 (two) or more Persons or the survivor or survivors of them.

17. SHARES AT THE DISPOSAL OF THE DIRECTORS

(a) Subject to the provisions of Section 62 and other applicable provisions of the Act, and these Articles, the shares in the Capital of the Company for the time being (including any shares forming part of any increased Capital of the Company) shall be under the control of the Board who may issue, allot or otherwise dispose of the same or any of them to Persons in such proportion and on such terms and conditions and either at a premium or at par at such time as they may, from time to time, think fit.

(b) If, by the conditions of allotment of any share, the whole or part of the amount thereof shall be payable by installments, every such installment shall, when due, be paid to the Company by the person who, for the time being, shall be the registered holder of the shares or by his executor or administrator.

(c) Every Shareholder, or his heirs, Executors, or Administrators shall pay to the Company, the portion of the Capital represented by his share or shares which may for the time being remain unpaid thereon in such amounts at such time or times and in such manner as the Board shall from time to time in accordance with the Articles require or fix for the payment thereof.

(d) In accordance with Section 56 and other applicable provisions of the Act and the Rules:

(i) Every Shareholder or allottee of shares shall be entitled without payment, to receive one or more certificates specifying the name of the Person in whose favour it is issued, the shares to which it relates and the amount paid up thereon. Such certificates shall be issued only in pursuance of a resolution passed by the Board and on surrender to the Company of its letter of allotment or its fractional coupon of requisite value, save in cases of issue of share certificates against letters of acceptance or of renunciation, or in cases of issue of bonus shares. Such share certificates shall also be issued in the event of consolidation or sub-division of shares of the Company. Every such certificate shall be issued under the Seal of the Company which shall be affixed in the presence of 2 (two) Directors or persons acting on behalf of the Board under a duly registered power of attorney and the Secretary or some other person appointed by the Board for the purpose and the 2 (two) Directors or their attorneys and the Secretary or other person shall sign the shares certificate(s), provided that if the composition of the Board permits, at least 1 (one) of the aforesaid 2 (two) Directors shall be a person other than a Managing Director(s) or an executive director(s). Particulars of every share certificate issued shall be entered in the Register of Members against the name of the Person, to whom it has been issued, indicating the date of issue. For any further certificate, the Board shall be entitled, but shall not be bound to prescribe a charge not exceeding rupees two.

(ii) Every Shareholder shall be entitled, without payment, to one or more certificates, in marketable lots, for all the shares of each class or denomination registered in his name, or if the Directors so approve (upon paying such fee as the Directors may from time to time determine) to several certificates, each for one or more of such shares and the Company shall complete and have ready for delivery such certificates within 2 (two) months from the date of allotment, or within 1 (one) month of the receipt of instrument of transfer, transmission, sub-division, consolidation or renewal of its shares as the case may be. Every certificate of shares shall be in the form and manner as specified in Article 16 above and in respect of a share or shares held jointly by several Persons, the Company shall not be bound to issue more than one certificate and delivery of a certificate of shares to the first named joint holders shall be sufficient delivery to all such holders.

(iii) the Board may, at their absolute discretion, refuse any applications for the sub-division of share certificates or Debenture certificates, into denominations less than marketable lots except where sub-division is required to be made to comply with any statutory provision or an order of a competent court of law or at a request from a Shareholder or to convert holding of odd lot into transferable/marketable lot.

(iv) A Director may sign a share certificate by affixing his signature thereon by means of any machine, equipment or other mechanical means, such as engraving in metal or lithography, but not by means of a rubber stamp,

provided that the Director shall be responsible for the safe custody of such machine, equipment or other material used for the purpose.

18. UNDERWRITING AND BROKERAGE

(a) Subject to the applicable provisions of the Act, the Company may at any time pay a commission to any person in consideration of his subscribing or agreeing to subscribe or procuring or agreeing to procure subscription, (whether absolutely or conditionally), for any shares or Debentures in the Company in accordance with the provisions of the Companies (Prospectus and Allotment of Securities) Rules, 2014.

(b) The Company may also, on any issue of shares or Debentures, pay such brokerage as may be lawful.

19. CALLS

(a) Subject to the provisions of Section 49 of the Act, the Board may, from time to time, subject to the terms on which any shares may have been issued and subject to the conditions of allotment, by a resolution passed at a meeting of the Board, (and not by circular resolution), make such call as it thinks fit upon the Shareholders in respect of all money unpaid on the shares held by them respectively and each Shareholder shall pay the amount of every call so made on him to the Person or Persons and Shareholders and at the times and places appointed by the Board. A call may be made payable by installments. Provided that the Board shall not give the option or right to call on shares to any person except with the sanction of the Company in the General Meeting.

(b) 30 (thirty) days' notice in writing at the least of every call (otherwise than on allotment) shall be given by the Company specifying the time and place of payment and if payable to any Person other than the Company, the name of the person to whom the call shall be paid, provided that before the time for payment of such call, the Board may by notice in writing to the Shareholders revoke the same.

(c) The Board of Directors may, when making a call by resolution, determine the date on which such call shall be deemed to have been made, not being earlier than the date of resolution making such call and thereupon the call shall be deemed to have been made on the date so determined and if no date is determined, the call shall be deemed to have been made at the time when the resolution of the Board authorising such call was passed and may be made payable by the Shareholders whose names appear on the Register of Members on such date or at the discretion of the Board on such subsequent date as shall be fixed by the Board. A call may be revoked or postponed at the discretion of the Board.

(d) The joint holder of a share shall be jointly and severally liable to pay all instalments and calls due in respect thereof.

(e) The Board may, from time to time at its discretion, extend the time fixed for the payment of any call and may extend such time as to all or any of the Shareholders who, from residence at a distance or other cause the Board may deem fairly entitled to such extension; but no Shareholders shall be entitled to such extension save as a matter of grace and favour.

(f) If any Shareholder or allottee fails to pay the whole or any part of any call or installment, due from him on the day appointed for payment thereof, or any such extension thereof as aforesaid, he shall be liable to pay interest on the same from the day appointed for the payment thereof to the time of actual payment at such rate as shall from time to time be fixed by the Board but nothing in this Article shall render it obligatory for the Board to demand or recover any interest from any such Shareholder.

(g) Any sum, which by the terms of issue of a share or otherwise, becomes payable on allotment or at any fixed date or by installments at a fixed time whether on account of the nominal value of the share or by way of premium shall for the purposes of these Articles be deemed to be a call duly made and payable on the date on which by the terms of issue or otherwise the same became payable, and in case of non-payment, all the relevant provisions of these Articles as to payment of call, interest, expenses, forfeiture or otherwise shall apply as if such sum became payable by virtue of a call duly made and notified.

(h) On the trial or hearing of any action or suit brought by the Company against any Shareholder or his legal representatives for the recovery of any money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the Shareholder in respect of whose shares the money is sought to be recovered appears entered on the Register of Members as the holder, or one of the holders at or subsequent to the date at which the money sought to be recovered is alleged to have become due on the shares; that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Shareholder or his representatives so sued in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call nor that a quorum of Directors was present at the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted nor any other matters whatsoever; but the proof of the matters aforesaid shall be conclusive evidence of the debt.

(i) Neither a judgment nor a decree in favour of the Company for calls or other money due in respect of any share nor any part payment or satisfaction thereunder, nor the receipt by the Company of a portion of any money which shall from time to time be due from any Shareholder to the Company in respect of his shares, either by way of principal or interest, nor any indulgence granted by the Company in respect of the payment of any such money shall preclude the Company from thereafter proceeding to enforce a forfeiture of such shares as hereinafter provided.

(j) The Board may, if it thinks fit (subject to the provisions of Section 50 of the Act) agree to and receive from any Shareholder willing to advance the same, the whole

or any part of the money due upon the shares held by him beyond the sums actually called up, and upon the amount so paid or satisfied in advance or so much thereof as from time to time and at any time thereafter as exceeds the amount of the calls then made upon and due in respect of the shares in respect of which such advance has been made, the Company may pay interest, as the Shareholder paying such sum in advance and the Board agree upon, provided that the money paid in advance of calls shall not confer a right to participate in profits or dividend. The Directors may at any time repay the amount so advanced.

(k) No Shareholder shall be entitled to voting rights in respect of the money(ies) so paid by him until the same would but for such payment, become presently payable.

(l) The provisions of these Articles shall *mutatis mutandis* apply to the calls on Debentures of the Company.

20. COMPANY's LIEN

i. On shares:

(a) The Company shall have a first and paramount lien:

(i) on every share (not being a fully paid share), for all money (whether presently payable or not) called, or payable at a fixed time, in respect of that share;

(ii) on all shares (not being fully paid shares) standing registered in the name of a single person, for all money presently payable by him or his estate to the Company

Provided that the Board may, at any time, declare any shares wholly or in part to be exempt from the provisions of this Article.

(b) Company's lien, if any, on the shares, shall extend to all Dividends payable and bonuses declared from time to time in respect of such shares.

(c) Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien, if any, in such shares. The fully paid up shares shall be free from all lien and that in case of partly paid shares, the Company's Lien be restricted to money called or payable at a fixed price in respect of such shares.

(d) For the purpose of enforcing such lien, the Board may sell the shares, subject thereto in such manner as they shall think fit, and for that purpose may cause to be issued a duplicate certificate in respect of such shares and may authorise one of their Shareholders to execute and register the transfer thereof on behalf of and in the name of any purchaser. The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

Provided that no sale shall be made:

(i) unless a sum in respect of which the lien exists is presently payable; or

(ii) until the expiration of 14 days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or the person entitled thereto by reason of his death or insolvency.

The net proceeds of any such sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable. The residue, if any, shall (subject to a like lien for sums not presently payable as existed upon the shares before the sale) be paid to the Person entitled to the shares at the date of the sale.

(e) No Shareholder shall exercise any voting right in respect of any shares registered in his name on which any calls or other sums presently payable by him have not been paid, or in regard to which the Company has exercised any right of lien.

ii. On Debentures:

(a) The Company shall have a first and paramount lien:

(i) on every Debenture (not being a fully paid Debenture), for all money (whether presently payable or not) called, or payable at a fixed time, in respect of that Debenture;

(ii) on all Debentures (not being fully paid Debentures) standing registered in the name of a single person, for all money presently payable by him or his estate to the Company

Provided that the Board may, at any time, declare any Debentures wholly or in part to be exempt from the provisions of this Article.

(b) Company's lien, if any, on the Debentures, shall extend to all interest and premium payable in respect of such Debentures.

(c) Unless otherwise agreed, the registration of a transfer of Debentures shall operate as a waiver of the Company's lien, if any, on such Debentures. The fully paid up Debentures shall be free from all lien and that in case of partly paid Debentures, the Company's lien shall be restricted to money called or payable at a fixed price in respect of such Debentures.

(d) For the purpose of enforcing such lien, the Board may sell the Debentures, subject thereto in such manner as they shall think fit, and for that purpose

may cause to be issued a duplicate certificate in respect of such Debentures and may authorize the debenture trustee acting as trustee for the holders of Debentures or one of the holder of Debentures to execute and register the transfer thereof on behalf of and in the name of any purchaser. The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the Debentures be affected by any irregularity or invalidity in the proceedings in reference to the sale.

Provided that no sale shall be made:

(i) unless a sum in respect of which the lien exists is presently payable; or

(ii) until the expiration of 14 days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the Debenture or the person entitled thereto by reason of his death or insolvency.

The net proceeds of any such sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable. The residue, if any, shall (subject to a like lien for sums not presently payable as existed upon the Debentures before the sale) be paid to the Person entitled to the Debentures at the date of the sale.

(e) No holder of Debentures shall exercise any voting right in respect of any Debentures registered in his name on which any calls or other sums presently payable by him have not been paid, or in regard to which the Company has exercised any right of lien.

21. FORFEITURE OF SHARES

(a) If any Shareholder fails to pay any call or installment or any part thereof or any money due in respect of any shares either by way of principal or interest on or before the day appointed for the payment of the same or any such extension thereof as aforesaid, the Board may, at any time thereafter, during such time as the call or installment or any part thereof or other money remain unpaid or a judgment or decree in respect thereof remain unsatisfied, give notice to him or his legal representatives requiring him to pay the same together with any interest that may have accrued and all expenses that may have been incurred by the Company by reason of such non-payment.

(b) The notice shall name a day, (not being less than 14 (fourteen) days from the date of the notice), and a place or places on or before which such call or installment or such part or other money as aforesaid and interest thereon, (at such rate as the Board shall determine and payable from the date on which such call or installment ought to have been paid), and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the

place appointed, the shares in respect of which the call was made or installment is payable, will be liable to be forfeited.

(c) If the requirements of any such notice as aforesaid are not be complied with, any share in respect of which such notice has been given, may at any time, thereafter before payment of all calls, installments, other money due in respect thereof, interest and expenses as required by the notice has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all Dividends declared or any other money payable in respect of the forfeited share and not actually paid before the forfeiture subject to the applicable provisions of the Act. There shall be no forfeiture of unclaimed Dividends before the claim becomes barred by Law.

(d) When any share shall have been so forfeited, notice of the forfeiture shall be given to the Shareholder on whose name it stood immediately prior to the forfeiture or if any of his legal representatives or to any of the Persons entitled to the shares by transmission, and an entry of the forfeiture with the date thereof, shall forthwith be made in the Register of Members, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or to make any such entry as aforesaid.

(e) Any share so forfeited shall be deemed to be the property of the Company and may be sold; re-allotted, or otherwise disposed of either to the original holder thereof or to any other Person upon such terms and in such manner as the Board shall think fit.

(f) Any Shareholder whose shares have been forfeited shall, notwithstanding the forfeiture, be liable to pay and shall forthwith pay to the Company on demand all calls, installments, interest and expenses and other money owing upon or in respect of such shares at the time of the forfeiture together with interest thereon from the time of the forfeiture until payment at such rate as the Board may determine and the Board may enforce, (if it thinks fit), payment thereof as if it were a new call made at the date of forfeiture.

(g) The forfeiture of a share shall involve extinction at the time of the forfeiture of all interest in all claims and demands against the Company, in respect of the share and all other rights incidental to the share, except only such of these rights as by these Articles are expressly saved.

(h) A duly verified declaration in writing that the declarant is a Director or Secretary of the Company and that a share in the Company has been duly forfeited in accordance with these Articles on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all Persons claiming to be entitled to the shares.

(i) Upon any sale after forfeiture or for enforcing a lien in purported exercise of the powers hereinbefore given, the Board may appoint some Person to execute an instrument of transfer of the shares sold and cause the purchaser's name to be entered in the Register of Members in respect of the shares sold and the purchaser

shall not be bound to see to the regularity of the proceedings, or to the application of the purchase money, and after his name has been entered in the Register of Members in respect of such shares, the validity of the sale shall not be impeached by any person and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

(j) Upon any sale, re-allotment or other disposal under the provisions of the preceding Articles, the certificate or certificates originally issued in respect of the relevant shares shall, (unless the same shall on demand by the Company have been previously surrendered to it by the defaulting Shareholder), stand cancelled and become null and void and of no effect and the Board shall be entitled to issue a new certificate or certificates in respect of the said shares to the person or persons entitled thereto.

(k) The Board may, at any time, before any share so forfeited shall have been sold, re-allotted or otherwise disposed of, annul the forfeiture thereof upon such conditions as it thinks fit.

22. FURTHER ISSUE OF SHARE CAPITAL

(a) Where at any time, the Company proposes to increase its subscribed capital by the issue of further shares, such shares shall be offered

—

(i) to persons who, at the date of the offer, are holders of Equity Shares of the Company in proportion, as nearly as circumstances admit, to the Paid up Share Capital on those shares by sending a letter of offer subject to the following conditions, namely:-

a. the offer shall be made by notice specifying the number of shares offered and limiting a time not being less than 15 (fifteen) days and not exceeding 30 (thirty) days from the date of the offer within which the offer, if not accepted, shall be deemed to have been declined;

b. the offer aforesaid shall be deemed to include a right exercisable by the Person concerned to renounce the shares offered to him or any of them in favour of any other Person; and the notice referred to in clause a. above shall contain a statement of this right;

c. after the expiry of the time specified in the notice aforesaid, or on receipt of earlier intimation from the Person to whom such notice is given that he declines to accept the shares offered, the Board may dispose of them in such manner which is not disadvantageous to the Shareholders and the Company;

(ii) To Employees Under a scheme of employees' stock option, subject to Special Resolution passed by the Company and subject to the Rules and such other conditions, as may be prescribed under Law; or

(iii) to any persons, if it is authorised by a Special Resolution, whether or not those Persons include the Persons referred to in clause (i) or clause (ii)

above, either for cash or for a consideration other than cash, if the price of such shares is determined by the valuation report of a registered valuer subject to the Rules.

(b) The notice referred to in sub-clause a. of clause (i) of sub-article (a) shall be dispatched through registered post or speed post or through electronic mode to all the existing Shareholders at least 3 (three) days before the opening of the issue.

(c) Nothing in this Article shall apply to the increase of the subscribed capital of a Company caused by the exercise of an option as a term attached to the Debentures issued or loan raised by the Company to convert such Debentures or loans into shares in the Company:

Provided that the terms of issue of such Debentures or loan containing such an option have been approved before the issue of such Debentures or the raising of loan by a Special Resolution passed by the Company in a General Meeting.

(d) The provisions contained in this Article shall be subject to the provisions of Section 42 and Section 62 of the Act, the Rules and the applicable provisions of the Act.

23. TRANSFER AND TRANSMISSION OF SHARES

(a) The Company shall maintain a "Register of Transfers" and shall have recorded therein fairly and distinctly particulars of every transfer or transmission of any Share, Debenture or other Security held in a material form.

(b) In accordance with Section 56 of the Act, the Rules and such other conditions as may be prescribed under Law, every instrument of transfer of shares held in physical form shall be in writing. In case of transfer of shares where the Company has not issued any certificates and where the shares are held in dematerialized form, the provisions of the Depositories Act shall apply.

(c) (i) An application for the registration of a transfer of the shares in the Company may be made either by the transferor or the transferee within the time frame prescribed under the Act

(ii) Where the application is made by the transferor and relates to partly paid shares, the transfer shall not be registered unless the Company gives notice of the application to the transferee in a prescribed manner and the transferee communicates no objection to the transfer within 2 (two) weeks from the receipt of the notice.

(d) Every such instrument of transfer shall be executed by both, the transferor and the transferee and attested and the transferor shall be deemed to remain the holder of such share until the name of the transferee shall have been entered in the Register of Members in respect thereof.

(e) The Board shall have power on giving not less than 7 (seven) days previous notice by advertisement in a vernacular newspaper and in an English newspaper having wide circulation in the city, town or village in which the Office of the Company is situated, and publishing the notice on the website as may be notified by the Central Government and on the website of the Company, to close the transfer books, the Register of Members and/or Register of Debenture-holders at such time or times and for such period or periods, not exceeding 30 (thirty) days at a time and not exceeding in the aggregate 45 (forty-five) days in each year, as it may deem expedient.

(f) Subject to the provisions of Sections 58 and 59 of the Act, these Articles and other applicable provisions of the Act or any other Law for the time being in force, the Board may, refuse to register the transfer of, or the transmission by operation of law of the right to, any securities or interest of a Shareholder in the Company. The Company shall, within 30 (thirty) days from the date on which the instrument of transfer, or the intimation of such transmission, as the case may be, was delivered to the Company, send a notice of refusal to the transferee and transferor or to the person giving notice of such transmission, as the case may be, giving reasons for such refusal.

Provided that, registration of a transfer shall not be refused on the ground of the transferor being either alone or jointly with any other Person or Persons indebted to the Company on any account whatsoever except where the Company has a lien on shares.

(g) Subject to the applicable provisions of the Act and these Articles, the Directors shall have the absolute and uncontrolled discretion to refuse to register a Person entitled by transmission to any shares or his nominee as if he were the transferee named in any ordinary transfer presented for registration, and shall not be bound to give any reason for such refusal and in particular may also decline in respect of shares upon which the Company has a lien.

(h) Subject to the provisions of these Articles, any transfer of shares in whatever lot should not be refused, though there would be no objection to the Company refusing to split a share certificate into several scripts of any small denominations or, to consider a proposal for transfer of shares comprised in a share certificate to several Shareholders, involving such splitting, if on the face of it such splitting/transfer appears to be unreasonable or without a genuine need. The Company should not, therefore, refuse transfer of shares in violation of the stock exchange listing requirements on the ground that the number of shares to be transferred is less than any specified number.

(i) In case of the death of any one or more Shareholders named in the Register of Members as the joint-holders of any shares, the survivors shall be the only Shareholder or Shareholders recognized by the Company as having any title to or interest in such shares, but nothing therein contained shall be taken to release the estate of a deceased joint-holder from any liability on shares held by him jointly with any other Person.

(j) The Executors or Administrators or holder of the succession certificate or the legal representatives of a deceased Shareholder, (not being one of two or more joint-holders), shall be the only Shareholders recognized by the Company as having any title to the shares registered in the name of such Shareholder, and the Company shall not be bound to recognize such Executors or Administrators or holders of succession certificate or the legal representatives unless such Executors or Administrators or legal representatives shall have first obtained probate or letters of administration or succession certificate, as the case may be, from a duly constituted court in India, provided that the Board may in its absolute discretion dispense with production of probate or letters of administration or succession certificate, upon such terms as to indemnity or otherwise as the Board may in its absolute discretion deem fit and may under Article 23(a) of these Articles register the name of any Person who claims to be absolutely entitled to the shares standing in the name of a deceased Shareholder, as a Shareholder.

(k) The Board shall not knowingly issue or register a transfer of any share to a minor or insolvent or Person of unsound mind, except fully paid shares through a legal guardian.

(l) Subject to the provisions of Articles, any Person becoming entitled to shares in consequence of the death, lunacy, bankruptcy of any Shareholder or Shareholders, or by any lawful means other than by a transfer in accordance with these Articles, may with the consent of the Board, (which it shall not be under any obligation to give), upon producing such evidence that he sustains the character in respect of which he proposes to act under this Article, or of his title, as the Board thinks sufficient, either be registered himself as the holder of the shares or elect to have some Person nominated by him and approved by the Board, registered as such holder; provided nevertheless, that if such Person shall elect to have his nominee registered, he shall testify the election by executing in favour of his nominee an instrument of transfer in accordance with the provisions herein contained and until he does so, he shall not be freed from any liability in respect of the shares.

(m) A Person becoming entitled to a share by reason of the death or insolvency of a Shareholder shall be entitled to the same Dividends and other advantages to which he would be entitled if he were the registered holder of the shares, except that he shall not, before being registered as a Shareholder in respect of the shares, be entitled to exercise any right conferred by membership in relation to meetings of the Company.

Provided that the Directors shall, at any time, give notice requiring any such Person to elect either to be registered himself or to transfer the shares, and if such notice is not complied with within 90 (ninety) days, the Directors may thereafter withhold payment of all Dividends, bonuses or other monies payable in respect of the shares until the requirements of the notice have been complied with.

(n) Every instrument of transfer shall be presented to the Company duly stamped for registration accompanied by such evidence as the Board may require to prove the title of the transferor, his right to transfer the shares. Every registered instrument

of transfer shall remain in the custody of the Company until destroyed by order of the Board.

Where any instrument of transfer of shares has been received by the Company for registration and the transfer of such shares has not been registered by the Company for any reason whatsoever, the Company shall transfer the Dividends in relation to such shares to a special account unless the Company is authorized by the registered holder of such shares, in writing, to pay such Dividends to the transferee and will keep in abeyance any offer of right shares and/or bonus shares in relation to such shares.

In case of transfer and transmission of shares or other marketable securities where the Company has not issued any certificates and where such shares or Securities are being held in any electronic and fungible form in a Depository, the provisions of the Depositories Act shall apply.

(o) Before the registration of a transfer, the certificate or certificates of the share or shares to be transferred must be delivered to the Company along with a properly stamped and executed instrument of transfer in accordance with the provisions of Section 56 of the Act.

(p) No fee shall be payable to the Company, in respect of the registration of transfer or transmission of shares, or for registration of any power of attorney, probate, letters of administration and succession certificate, certificate of death or marriage or other similar documents, sub division and/or consolidation of shares and debentures and sub- divisions of letters of allotment, renounceable letters of right and split, consolidation, renewal and genuine transfer receipts into denomination corresponding to the market unit of trading.

(q) The Company shall incur no liability or responsibility whatsoever in consequence of its registering or giving effect to any transfer of shares made or purporting to be made by any apparent legal owner thereof, (as shown or appearing in the Register of Members), to the prejudice of a Person or Persons having or claiming any equitable right, title or interest to or in the said shares, notwithstanding that the Company may have had any notice of such equitable right, title or interest or notice prohibiting registration of such transfer, and may have entered such notice or referred thereto, in any book of the Company and the Company shall not be bound or required to regard or attend or give effect to any notice which may be given to it of any equitable right, title or interest or be under any liability whatsoever for refusing or neglecting so to do, though it may have been entered or referred to in some book of the Company but the Company shall nevertheless be at liberty to regard and attend to any such notice, and give effect thereto if the Board shall so think fit.

(r) There shall be a common form of transfer in accordance with the Act and Rules.

(s) The provision of these Articles shall subject to the applicable provisions of the Act, the Rules and any requirements of Law. Such provisions shall mutatis

mutandis apply to the transfer or transmission by operation of Law to other Securities of the Company.

24. DEMATERIALIZATION OF SECURITIES

(a) Dematerialization:

Notwithstanding anything contained in these Articles, the Company shall be entitled to dematerialize its existing Securities, rematerialize its Securities held in the Depositories and/or to offer its fresh Securities in a dematerialized form pursuant to the Depositories Act, and the rules framed thereunder, if any.

(b) Subject to the applicable provisions of the Act, either the Company or the investor may exercise an option to issue, dematerialize, hold the securities (including shares) with a Depository in electronic form and the certificates in respect thereof shall be dematerialized, in which event the rights and obligations of the parties concerned and matters connected therewith or incidental thereto shall be governed by the provisions of the Depositories Act.

(c) Notwithstanding anything contained in these Articles to the contrary, in the event the Securities of the Company are dematerialized, the Company shall issue appropriate instructions to the Depository not to Transfer the Securities of any Shareholder except in accordance with these Articles. The Company shall cause the Promoters to direct their respective Depository participants not to accept any instruction slip or delivery slip or other authorisation for Transfer in contravention of these Articles.

(d) If a Person opts to hold his Securities with a Depository, the Company shall intimate such Depository the details of allotment of the Securities and on receipt of the information, the Depository shall enter in its record the name of the allottee as the Beneficial Owner of the Securities.

(e) Securities in Depositories to be in fungible form:

All Securities held by a Depository shall be dematerialized and be held in fungible form. Nothing contained in Sections 88, 89 and 186 of the Act shall apply to a Depository in respect of the Securities held by it on behalf of the Beneficial Owners.

(f) Rights of Depositories & Beneficial Owners:

(i) Notwithstanding anything to the contrary contained in the Act or these Articles, a Depository shall be deemed to be the Registered Owner for the purposes of effecting transfer of ownership of Securities on behalf of the Beneficial Owner.

(ii) Save as otherwise provided in (i) above, the Depository as the Registered Owner of the Securities shall not have any voting rights or any other rights in respect of the Securities held by it.

(iii) Every person holding shares of the Company and whose name is entered as the Beneficial Owner in the records of the Depository shall be deemed to be a Shareholder of the Company.

(iv) The Beneficial Owner of Securities shall, in accordance with the provisions of these Articles and the Act, be entitled to all the rights and subject to all the liabilities in respect of his Securities, which are held by a Depository.

(g) Except as ordered by a court of competent jurisdiction or as may be required by Law required and subject to the applicable provisions of the Act, the Company shall be entitled to treat the person whose name appears on the Register as the holder of any share or whose name appears as the Beneficial Owner of any share in the records of the Depository as the absolute owner thereof and accordingly shall not be bound to recognize any benami trust or equity, equitable contingent, future, partial interest, other claim to or interest in respect of such shares or (except only as by these Articles otherwise expressly provided) any right in respect of a share other than an absolute right thereto in accordance with these Articles, on the part of any other person whether or not it has expressed or implied notice thereof but the Board shall at their sole discretion register any share in the joint names of any two or more persons or the survivor or survivors of them.

(h) Register and Index of Beneficial Owners:

The Company shall cause to be kept a register and index of members with details of shares and debentures held in materialized and dematerialized forms in any media as may be permitted by Law including any form of electronic media.

The register and index of Beneficial Owners maintained by a Depository under the Depositories Act shall be deemed to be a register and index of members for the purposes of this Act. The Company shall have the power to keep in any state or country outside India a register resident in that state or country.

(i) Cancellation of Certificates upon surrender by Person:

Upon receipt of certificate of securities on surrender by a person who has entered into an agreement with the Depository through a participant, the Company shall cancel such certificates and shall substitute in its record, the name of the Depository as the registered owner in respect of the said Securities and shall also inform the Depository accordingly.

(j) Service of Documents:

Notwithstanding anything contained in the Act or these Articles to the contrary, where Securities are held in a Depository, the records of the beneficial ownership may be served by such Depository on the Company by means of electronic mode or by delivery of floppies or discs.

(k) Transfer of Securities:

(i) Nothing contained in Section 56 of the Act or these Articles shall apply to a transfer of Securities effected by transferor and transferee both of whom are entered as Beneficial Owners in the records of a Depository.

(ii) In the case of transfer or transmission of shares or other marketable Securities where the Company has not issued any certificates and where such shares or Securities are being held in any electronic or fungible form in a Depository, the provisions of the Depositories Act shall apply.

(l) Allotment of Securities dealt with in a Depository:

Notwithstanding anything in the Act or these Articles, where Securities are dealt with by a Depository, the Company shall intimate the details of allotment of relevant Securities thereof to the Depository immediately on allotment of such Securities.

(m) Certificate Number and other details of Securities in Depository:

Nothing contained in the Act or these Articles regarding the necessity of having certificate number/distinctive numbers for Securities issued by the Company shall apply to Securities held with a Depository.

(n) Register and Index of Beneficial Owners:

The Register and Index of Beneficial Owners maintained by a Depository under the Depositories Act, shall be deemed to be the Register and Index (if applicable) of Shareholders and Security- holders for the purposes of these Articles.

(o) Provisions of Articles to apply to Shares held in Depository:

Except as specifically provided in these Articles, the provisions relating to joint holders of shares, calls, lien on shares, forfeiture of shares and transfer and transmission of shares shall be applicable to shares held in Depository so far as they apply to shares held in physical form subject to the provisions of the Depositories Act.

(p) Depository to furnish information:

Every Depository shall furnish to the Company information about the transfer of securities in the name of the Beneficial Owner at such intervals and in such manner as may be specified by Law and the Company in that behalf.

(q) Option to opt out in respect of any such Security:

If a Beneficial Owner seeks to opt out of a Depository in respect of any Security, he shall inform the Depository accordingly. The Depository shall on receipt of such information make appropriate entries in its records and shall inform the

Company. The Company shall within 30 (thirty) days of the receipt of intimation from a Depository and on fulfillment of such conditions and on payment of such fees as may be specified by the regulations, issue the certificate of securities to the Beneficial Owner or the transferee as the case may be.

(r) Overriding effect of this Article:

Provisions of this Article will have full effect and force not withstanding anything to the contrary or inconsistent contained in any other Articles.

25. NOMINATION BY SECURITIES HOLDERS

a) Every holder of Securities of the Company may, at any time, nominate, in the manner prescribed under the Companies (Share Capital and Debentures) Rules, 2014, a Person as his nominee in whom the Securities of the Company held by him shall vest in the event of his death.

b) Where the Securities of the Company are held by more than one Person jointly, the joint holders may together nominate, in the manner prescribed under the Companies (Share Capital and Debentures) Rules, 2014, a Person as their nominee in whom all the rights in the Securities Company shall vest in the event of death of all the joint holders.

c) Notwithstanding anything contained in any other Law for the time being in force or in any disposition, whether testamentary or otherwise, in respect of the Securities of the Company, where a nomination made in the manner prescribed under the Companies (Share Capital and Debentures) Rules, 2014, purports to confer on any Person the right to vest the Securities of the Company, the nominee shall, on the death of the holder of Securities of the Company or, as the case may be, on the death of the joint holders become entitled to all the rights in Securities of the holder or, as the case may be, of all the joint holders, in relation to such Securities of the Company to the exclusion of all other Persons, unless the nomination is varied or cancelled in the prescribed manner under the Companies (Share Capital and Debentures) Rules, 2014.

d) Where the nominee is a minor, the holder of the Securities concerned, can make the nomination to appoint in prescribed manner under the Companies (Share Capital and Debentures) Rules, 2014, any Person to become entitled to the Securities of the Company in the event of his death, during the minority.

e) The transmission of Securities of the Company by the holders of such Securities and transfer in case of nomination shall be subject to and in accordance with the provisions of the Companies (Share Capital and Debentures) Rules, 2014.

26. NOMINATION FOR FIXED DEPOSITS

A depositor (who shall be the member of the Company) may, at any time, make a nomination and the provisions of Section 72 of the Act shall, as far as may be, apply to

the nominations made in relation to the deposits made subject to the provisions of the Rules as may be prescribed in this regard.

27. NOMINATION IN CERTAIN OTHER CASES

Subject to the applicable provisions of the Act and these Articles, any person becoming entitled to Securities in consequence of the death, lunacy, bankruptcy or insolvency of any holder of Securities, or by any lawful means other than by a transfer in accordance with these Articles, may, with the consent of the Board (which it shall not be under any obligation to give), upon producing such evidence that he sustains the character in respect of which he proposes to act under this Article or of such title as the Board thinks sufficient, either be registered himself as the holder of the Securities or elect to have some Person nominated by him and approved by the Board registered as such holder; provided nevertheless that, if such Person shall elect to have his nominee registered, he shall testify the election by executing in favour of his nominee an instrument of transfer in accordance with the provisions herein contained and until he does so, he shall not be freed from any liability in respect of the Securities.

28. COPIES OF MEMORANDUM AND ARTICLES TO BE SENT TO MEMBERS

Copies of the Memorandum and Articles of Association of the Company and other documents referred to in Section 17 of the Act shall be sent by the Company to every Shareholder at his request within 7 (seven) days of the request on payment of such sum as prescribed under the Companies (Incorporation) Rules, 2014.

29. BORROWING POWERS

(a) Subject to the provisions of Sections 73, 179 and 180, and other applicable provisions of the Act and these Articles, the Board may, from time to time, at its discretion by resolution passed at the meeting of a Board:

(i) accept or renew deposits from Shareholders;

(ii) borrow money by way of issuance of Debentures;

(iii) borrow money otherwise than on Debentures;

(iv) accept deposits from Shareholders either in advance of calls or otherwise; and

(v) generally raise or borrow or secure the payment of any sum or sums of money for the purposes of the Company.

Provided, however, that where the money to be borrowed together with the money already borrowed (apart from temporary loans obtained from the Company Bankers in the ordinary course of business) exceed the aggregate of the Paid-up capital of the Company and its free reserves (not being reserves set apart for any specific purpose), the Board shall not borrow such money without the consent of the Company by way of a Special Resolution in a General Meeting.

(b) Subject to the provisions of these Articles, the payment or repayment of money borrowed as aforesaid may be secured in such manner and upon such terms and conditions in all respects as the resolution of the Board shall prescribe including by the issue of bonds, perpetual or redeemable Debentures or debenture-stock, or any mortgage, charge, hypothecation, pledge, lien or other security on the undertaking of the whole or any part of the property of the Company, both present and future. Provided however that the Board shall not, except with the consent of the Company by way of a Special Resolution in General.

Meeting mortgage, charge or otherwise encumber, the Company's uncalled Capital for the time being or any part thereof and Debentures and other Securities may be assignable free from any equities between the Company and the Person to whom the same may be issued.

(c) Any bonds, Debentures, debenture-stock or other Securities may if permissible in Law be issued at a discount, premium or otherwise by the Company and shall with the consent of the Board be issued upon such terms and conditions and in such manner and for such consideration as the Board shall consider to be for the benefit of the Company, and on the condition that they or any part of them may be convertible into Equity Shares of any denomination, and with any privileges and conditions as to the redemption, surrender, allotment of shares, appointment of Directors or otherwise. Provided that Debentures with rights to allotment of or conversion into Equity Shares shall not be issued except with, the sanction of the Company in General Meeting accorded by a Special Resolution.

(d) Subject to the applicable provisions of the Act and these Articles, if any uncalled Capital of the Company is included in or charged by any mortgage or other security, the Board shall make calls on the Shareholders in respect of such uncalled Capital in trust for the Person in whose favour such mortgage or security is executed, or if permitted by the Act, may by instrument under seal authorize the Person in whose favour such mortgage or security is executed or any other Person in trust for him to make calls on the Shareholders in respect of such uncalled Capital and the provisions hereinafter contained in regard to calls shall *mutatis mutandis* apply to calls made under such authority and such authority may be made exercisable either conditionally or unconditionally or either presently or contingently and either to the exclusion of the Board's power or otherwise and shall be assignable if expressed so to be.

(e) The Board shall cause a proper Register to be kept in accordance with the provisions of Section 85 of the Act of all mortgages, Debentures and charges specifically affecting the property of the Company; and shall cause the requirements of the relevant provisions of the Act in that behalf to be duly complied with within the time prescribed under the Act or such extensions thereof as may be permitted under the Act, as the case may be, so far as they are required to be complied with by the Board.

(f) Any capital required by the Company for its working capital and other capital funding requirements may be obtained in such form as decided by the Board from time to time.

(g) The Company shall also comply with the provisions of the Companies (Registration of Charges) Rules, 2014 in relation to the creation and registration of aforesaid charges by the Company.

30. SHARE WARRANTS

(a) The Company may issue share warrants subject to, and in accordance with, the provisions of Sections 114 and 115 of the Companies Act, 1956; and accordingly the Board may in its discretion, with respect to any Share which is fully Paid-up, on application in writing signed by the Persons registered as holder of the Share, and authenticated by such evidence (if any) as the Board may, from time to time, require as to the identity of the Person signing the application, and on receiving the certificate (if any) of the Share, and the amount of the stamp duty on the warrant and such fee as the Board may from time to time require, issue a share warrant.

(b) (i) The bearer of a share warrant may at any time deposit the warrant at the Office of the Company, and so long as the warrant remains so deposited, the depositor shall have the same right of signing a requisition for calling a meeting of the Company, and of attending, and voting and exercising the other privileges of a Shareholder at any meeting held after the expiry of 2 (two) clear days from the time of deposit, as if his name were inserted in the Register of Members as the holder of the Share included in the deposited warrant.

(ii) Not more than one person shall be recognised as depositor of the share warrant.

(iii) The Company shall, on 2 (two) days' written notice, return the deposited share warrant to the depositor.

(c) (i) Subject as herein otherwise expressly provided, no person shall, as bearer of a share warrant, sign a requisition for calling a meeting of the Company, or attend, or vote or exercise any other privileges of a Shareholder at a meeting of the Company, or be entitled to receive any notices from the Company.

(ii) The bearer of a share warrant shall be entitled in all other respects to the same privileges and advantages as if he were named in the Register of Members as the Shareholder included in the warrant, and he shall be a Shareholder of the Company.

(d) The Board may, from time to time, make rules as to the terms on which (if it shall think fit) a new share warrant or coupon may be issued by way of renewal in case of defacement, loss or destruction.

(e) The provisions contained under this Article shall cease to have effect post the notification of section 465 of the Act which shall repeal the provisions of Companies Act, 1956.

31. CONVERSION OF SHARES INTO STOCK AND RECONVERSION

(a) The Company in General Meeting may, by Ordinary Resolution, convert any Paid-up shares into stock and when any shares shall have been converted into stock, the several holders of such stock may henceforth transfer their respective interest therein, or any part of such interests, in the same manner and subject to the same regulations as those subject to which shares from which the stock arose might have been transferred, if no such conversion had taken place or as near thereto as circumstances will admit. The Company may, by an Ordinary Resolution, at any time reconvert any stock into Paid-up shares of any denomination. Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so however such minimum shall not exceed the nominal account from which the stock arose.

(b) The holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards Dividends, voting at meetings of the Company, and other matters, as if they held the shares from which the stock arose, but no such privileges or advantages, (except participation in the Dividends and profits of the Company and in the assets on winding-up), shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.

32. ANNUAL GENERAL MEETING

In accordance with the provisions of the Act, the Company shall in each year hold a General Meeting specified as its Annual General Meeting and shall specify the meeting as such in the notices convening such meetings. Further, not more than 15 (fifteen) months gap shall exist between the date of one Annual General Meeting and the date of the next. All General Meetings other than Annual General Meetings shall be Extraordinary General Meetings.

33. WHEN ANNUAL GENERAL MEETING TO BE HELD

Nothing contained in the foregoing provisions shall be taken as affecting the right conferred upon the Registrar under the provisions of Section 96(1) of the Act to extend the time within which any Annual General Meeting may be held.

34. VENUE, DAY AND TIME FOR HOLDING ANNUAL GENERAL MEETING

(a) Every Annual General Meeting shall be called during business hours, that is, between 9 A.M. and 6 P.M. on a day that is not a national holiday, and shall be held at the Office of the Company or at some other place within the city, town or village in which the Office of the Company is situated, as the Board may determine and the notices calling the Meeting shall specify it as the Annual General Meeting.

(b) Every Shareholder of the Company shall be entitled to attend the Annual General Meeting either in person or by proxy and the Auditor of the Company shall have the right to attend and to be heard at any General Meeting which he attends on any part of the business which concerns him as Auditor. At every Annual

General Meeting of the Company there shall be laid on the table, the Director's Report and Audited Statement of Accounts, Auditor's Report (if not already be laid on the table, incorporated in the Audited Statement of Accounts), the proxy Register with proxies and the Register of Directors' shareholdings which latter Register shall remain open and accessible during the continuance of the Meeting. The Board shall cause to be prepared the Annual Return and forward the same to the concerned Registrar of Companies, in accordance with Sections 92 and 137 of the Act. The Directors are also entitled to attend the Annual General Meeting.

35. NOTICE OF GENERAL MEETINGS

(a) Number of days' notice of General Meeting to be given: A General Meeting of the Company may be called by giving not less than 21 (twenty one) days clear notice in writing or in electronic mode, excluding the day on which notice is served or deemed to be served (i.e., on expiry of 48 (forty eight) hours after the letter containing the same is posted). However, a General Meeting may be called after giving shorter notice if consent is given in writing or by electronic mode by not less than 95 (ninety five) percent of the Shareholders entitled to vote at that meeting.

The notice of every meeting shall be given to:

(a) every Shareholder, legal representative of any deceased Shareholder or the assignee of an insolvent member of the Company,

(b) Auditor or Auditors of the Company, and

(c) all Directors.

(b) Notice of meeting to specify place, etc., and to contain statement of business: Notice of every meeting of the Company shall specify the place, date, day and hour of the meeting, and shall contain a statement of the business to be transacted thereat shall be given in the manner prescribed under Section 102 of the Act.

(c) Contents and manner of service of notice and Persons on whom it is to be served: Every notice may be served by the Company on any Shareholder thereof either personally or by sending it by post to their/its registered address in India and if there be no registered address in India, to the address supplied by the Shareholder to the Company for giving the notice to the Shareholder.

(d) Special Business: Subject to the applicable provisions of the Act, where any items of business to be transacted at the meeting are deemed to be special, there shall be annexed to the notice of the meeting a statement setting out all material facts concerning each item of business including any particular nature of the concern or interest if any therein of every Director or manager (as defined under the provisions of the Act), if any or key managerial personnel (as defined under the provisions of the Act) or the relatives of any of the aforesaid and where any item of special business relates to or affects any other company, the extent of shareholding interest in that other company of every Director or manager (as

defined under the provisions of the Act), if any or key managerial personnel (as defined under the provisions of the Act) or the relatives of any of the aforesaid of the first mentioned company shall also be set out in the statement if the extent of such interest is not less than 2 per cent of the paid up share capital of that other company. All business transacted at any meeting of the Company shall be deemed to be special and all business transacted at the Annual General Meeting of the Company with the exception of the business specified in Section 102 of the Act shall be deemed to be special.

(e) Resolution requiring Special Notice: With regard to resolutions in respect of which special notice is required to be given by the Act, a special notice shall be given as required by Section 115 of the Act.

(f) Notice of Adjourned Meeting when necessary: When a meeting is adjourned for 30 (thirty) days or more, notice of the adjourned meeting shall be given as in the case of an original meeting in accordance with the applicable provisions of the Act.

(g) Notice when not necessary: Save as aforesaid, and as provided in Section 103 of the Act, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

(h) The notice of the General Meeting shall comply with the provisions of Companies (Management and Administration) Rules, 2014.

36. REQUISITION OF EXTRAORDINARY GENERAL MEETING

(a) The Board may, whenever it thinks fit, call an Extraordinary General Meeting and it shall do so upon a requisition received from such number of Shareholders who hold, on the date of receipt of the requisition, not less than one-tenth of such of the Paid up Share Capital of the Company as on that date carries the right of voting and such meeting shall be held at the Office or at such place and at such time as the Board thinks fit.

(b) Any valid requisition so made by Shareholders must state the object or objects of the meeting proposed to be called, and must be signed by the requisitionists and be deposited at the Office; provided that such requisition may consist of several documents in like form each signed by one or more requisitionists.

(c) Upon the receipt of any such valid requisition, the Board shall forthwith call an Extraordinary General Meeting and if they do not proceed within 21 (twenty-one) days from the date of the requisition being deposited at the Office to cause a meeting to be called on a day not later than 45 (forty-five) days from the date of deposit of the requisition, the requisitionists or such of their number as represent either a majority in value of the Paid up Share Capital held by all of them or not less than one-tenth of such of the Paid-up Share Capital of the Company as is referred to in Section 100 of the Act, whichever is less, may themselves call the meeting, but in either case any meeting so called shall be held within three months from the date of the delivery of the requisition as aforesaid.

(d) Any meeting called under the foregoing sub-articles by the requisitionists, shall be called in the same manner, as nearly as possible, as that in which a meeting is to be called by the Board.

(e) The accidental omission to give any such notice as aforesaid to any of the Shareholders, or the non-receipt thereof, shall not invalidate any resolution passed at any such meeting.

(f) No General Meeting, Annual or Extraordinary, shall be competent to enter into, discuss or transact any business which has not been mentioned in the notice or notices by which it was convened.

(g) The Extraordinary General Meeting called under this article shall be subject to and in accordance with the provisions contained under the Companies (Management and Administration) Rules, 2014.

37. NO BUSINESS TO BE TRANSACTED IN GENERAL MEETING IF QUORUM IS NOT PRESENT

The quorum for the Shareholders' Meeting shall be in accordance with Section 103 of the Act. Subject to the provisions of Section 103(2) of the Act, if such a quorum is not present within half an hour from the time set for the Shareholders' Meeting, the Shareholders' Meeting shall be adjourned to the same time and place or to such other date and such other time and place as the Board may determine and the agenda for the adjourned meeting also, a quorum is not present, at the expiration of half an hour from the time appointed for holding the meeting, the members present shall be a quorum, and may transact the business for which the meeting was called.

38. CHAIRMAN OF THE GENERAL MEETING

The Chairman of the Board shall be entitled to take the Chair at every General Meeting, whether Annual or Extraordinary. If there is no such Chairman of the Board or if at any meeting he shall not be present within fifteen minutes of the time appointed for holding such meeting or if he is unable or unwilling to take the Chair, then the Directors present shall elect one of them as Chairman. If no Director is present or if all the Directors present decline to take the Chair, then the Shareholders present shall elect one of their member to be the Chairman of the meeting. No business shall be discussed at any General Meeting except the election of a Chairman while the Chair is vacant.

39. CHAIRMAN CAN ADJOURN THE GENERAL MEETING

The Chairman may, with the consent given in the meeting at which a quorum is present (and if so directed by the meeting) adjourn the General Meeting from time to time and from place to place within the city, town or village in which the Office of the Company is situate but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

40. QUESTIONS AT GENERAL MEETING HOW DECIDED

(a) At any General Meeting, a resolution put to the vote of the General Meeting shall, unless a poll is demanded, be decided by a show of hands. Before or on the declaration of the result of the voting on any resolution by a show of hands, a poll may be carried out in accordance with the applicable provisions of the Act or the voting is carried out electronically. Unless a poll is demanded, a declaration by the Chairman that a resolution has, on a show of hands, been carried or carried unanimously, or by a particular majority, or lost and an entry to that effect in the Minute Book of the Company shall be conclusive evidence of the fact, of passing of such resolution or otherwise.

(b) In the case of equal votes, the Chairman shall both on a show of hands and at a poll, (if any), have a casting vote in addition to the vote or votes to which he may be entitled as a Shareholder.

(c) If a poll is demanded as aforesaid, the same shall subject to anything stated in these Articles be taken at such time, (not later than forty- eight hours from the time when the demand was made), and place within the City, Town or Village in which the Office of the Company is situate and either by a show of hands or by ballot or by postal ballot, as the Chairman shall direct and either at once or after an interval or adjournment, or otherwise and the result of the poll shall be deemed to be the decision of the meeting at which the poll was demanded. Any business other than that upon which a poll has been demanded may be proceeded with, pending the taking of the poll. The demand for a poll may be withdrawn at any time by the Person or Persons who made the demand.

(d) Where a poll is to be taken, the Chairman of the meeting shall appoint two scrutinizers to scrutinise the votes given on the poll and to report thereon to him. One of the scrutinizers so appointed shall always be a Shareholder, (not being an officer or employee of the Company), present at the meeting provided such a Shareholder is available and willing to be appointed. The Chairman shall have power at any time before the result of the poll is declared, to remove a scrutinizer from office and fill vacancies in the office of scrutinizer arising from such removal or from any other cause.

(e) Any poll duly demanded on the election of a Chairman of a meeting or any question of adjournment, shall be taken at the meeting forthwith. A poll demanded on any other question shall be taken at such time not later than 48 hours from the time of demand, as the Chairman of the meeting directs.

(f) The demand for a poll except on the question of the election of the Chairman and of an adjournment shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.

(g) No report of the proceedings of any General Meeting of the Company shall be circulated or advertised at the expense of the Company unless it includes the

matters required by these Articles or Section 118 of the Act to be contained in the Minutes of the proceedings of such meeting.

(h) The Shareholders will do nothing to prevent the taking of any action by the Company or act contrary to or with the intent to evade or defeat the terms as contained in these Articles.

41. PASSING RESOLUTIONS BY POSTAL BALLOT

(a) Notwithstanding any of the provisions of these Articles, the Company may, and in the case of resolutions relating to such business as notified under the Companies (Management and Administration) Rules, 2014, as amended, or other Law required to be passed by postal ballot, shall get any resolution passed by means of a postal ballot, instead of transacting the business in the General Meeting of the Company. Also, the Company may, in respect of any item of business other than ordinary business and any business in respect of which Directors or Auditors have a right to be heard at any meeting, transact the same by way of postal ballot.

(b) Where the Company decides to pass any resolution by resorting to postal ballot, it shall follow the procedures as prescribed under Section 110 of the Act and the Companies (Management and Administration) Rules, 2014, as amended from time.

42. VOTES OF MEMBERS

(a) No Shareholder shall be entitled to vote either personally or by proxy at any General Meeting or meeting of a class of Shareholders either upon a show of hands or upon a poll in respect of any shares registered in his name on which calls or other sums presently payable by him have not been paid or in regard to which the Company has exercised any right of lien.

(b) No member shall be entitled to vote at a General Meeting unless all calls or other sums presently payable by him have been paid, or in regard to which the Company has lien and has exercised any right of lien.

(c) Subject to the provisions of these Articles, without prejudice to any special privilege or restrictions as to voting for the time being attached to any class of shares for the time being forming a part of the Capital of the Company, every Shareholder not disqualified by the last preceding Article, shall be entitled to be present, and to speak and vote at such meeting, and on a show of hands, every Shareholder present in person shall have one vote and upon a poll, the voting right of such Shareholder present, either in person or by proxy, shall be in proportion to his share of the Paid Up Share Capital of the Company held alone or jointly with any other Person or Persons.

Provided however, if any Shareholder holding Preference shares be present at any meeting of the Company, save as provided in Section 47(2) of the Act, he shall have a right to vote only on resolutions placed before the Meeting, which directly affect the rights attached to his preference shares.

(d) On a poll taken at a meeting of the Company, a Shareholder entitled to more than one vote, or his proxy, or any other Person entitled to vote for him (as the case may be), need not, if he votes, use or cast all his votes in the same way.

(e) A Shareholder of unsound mind or in respect of whom an order has been made by any court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, through a committee or through his legal guardian; and any such committee or guardian may, on a poll vote by proxy. If any Shareholder be a minor his vote in respect of his Share(s) shall be exercised by his guardian(s), who may be selected (in case of dispute) by the Chairman of the meeting.

(f) If there be joint registered holders of any shares, any one of such Persons may vote at any meeting or may appoint another Person, (whether a Shareholder or not) as his proxy in respect of such shares, as if he were solely entitled thereto; but the proxy so appointed shall not have any right to speak at the meeting and if more than one of such joint-holders be present at any meeting, then one of the said Persons so present whose name stands higher in the Register of Members shall alone be entitled to speak and to vote in respect of such shares, but the other joint- holders shall be entitled to be present at the meeting. Several Executors or Administrators of a deceased Shareholder in whose name shares stand shall for the purpose of these Articles be deemed joint-holders thereof.

(g) Subject to the provision of these Articles, votes may be given personally or by an attorney or by proxy. A body corporate, whether or not a Company within the meaning of the Act, being a Shareholder may vote either by a proxy or by a representative duly authorised in accordance with Section 113 of the Act and such representative shall be entitled to exercise the same rights and powers, (including the right to vote by proxy), on behalf of the body corporate which he represents as that body could have exercised if it were an individual Shareholder.

(h) Any Person entitled to transfer any shares of the Company may vote at any General Meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight hours at least before the time of holding the meeting or adjourned meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his right to such shares and give such indemnity (if any) as the Board may require unless the Board shall have previously admitted his right to vote at such meeting in respect thereof.

(i) Every proxy, (whether a Shareholder or not), shall be appointed in writing under the hand of the appointer or his attorney, or if such appointer is a corporation under the Common Seal of such corporation or be signed by an officer or an attorney duly authorised by it, and any committee or guardian may appoint proxy. The proxy so appointed shall not have any right to speak at a meeting.

(j) An instrument of proxy may appoint a proxy either for (i) the purposes of a particular meeting (as specified in the instrument) or (ii) for any adjournment thereof or (iii) it may appoint a proxy for the purposes of every meeting of the

Company, or (iv) of every meeting to be held before a date specified in the instrument for every adjournment of any such meeting.

(k) A Shareholder present by proxy shall be entitled to vote only on a poll.

(l) An instrument appointing a proxy and a power of attorney or other authority (including by way of a Board Resolution, (if any),) under which it is signed or a notarially certified copy of that power or authority or resolution as the case may be, shall be deposited at the Office not later than forty-eight hours before the time for holding the meeting at which the Person named in the instrument proposes to vote and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. An attorney shall not be entitled to vote unless the power of attorney or other instrument or resolution as the case may be appointing him or a notarially certified copy thereof has either been registered in the records of the Company at any time not less than forty-eight hours before the time for holding the meeting at which the attorney proposes to vote, or is deposited at the Office of the Company not less than forty-eight hours before the time fixed for such meeting as aforesaid. Notwithstanding that a power of attorney or other authority has been registered in the records of the Company, the Company may, by notice in writing addressed to the Shareholder or the attorney, given at least 48 (forty eight) hours before the meeting, require him to produce the original power of attorney or authority or resolution as the case may be and unless the same is deposited with the Company not less than forty-eight hours before the time fixed for the meeting, the attorney shall not be entitled to vote at such meeting unless the Board in their absolute discretion excuse such non-production and deposit.

(m) Every instrument of proxy whether for a specified meeting or otherwise should, as far as circumstances admit, be in any of the forms set out in the Companies (Management and Administration) Rules, 2014.

(n) If any such instrument of appointment be confined to the object of appointing an attorney or proxy for voting at meetings of the Company it shall remain permanently or for such time as the Directors may determine in the custody of the Company; if embracing other objects a copy thereof, examined with the original, shall be delivered to the Company to remain in the custody of the Company.

(o) A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death of the principal, or revocation of the proxy or of any power of attorney under which such proxy was signed, or the transfer of the Share in respect of which the vote is given, provided that no intimation in writing of the death, revocation or transfer shall have been received at the Office before the meeting.

(p) No objection shall be made to the validity of any vote, except at the Meeting or poll at which such vote shall be tendered, and every vote whether given personally or by proxy, not disallowed at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

(q) The Chairman of any meeting shall be the sole judge of the validity of every vote tendered at such meeting. The Chairman present at the taking of a poll shall be in the sole judge of the validity of every vote tendered at such poll.

(i) The Company shall cause minutes of all proceedings of every General Meeting to be kept by making within 30 (thirty) days of the conclusion of every such meeting concerned, entries thereof in books kept for that purpose with their pages consecutively numbered.

(ii) Each page of every such book shall be initialed or signed and the last page of the record of proceedings of each meeting in such book shall be dated and signed by the Chairman of the same meeting within the aforesaid period of 30 (thirty) days or in the event of the death or inability of that Chairman within that period, by a Director duly authorised by the Board for that purpose.

(iii) In no case the minutes of proceedings of a meeting shall be attached to any such book as aforesaid by pasting or otherwise.

(iv) The Minutes of each meeting shall contain a fair and correct summary of the proceedings thereat.

(v) All appointments of Directors of the Company made at any meeting aforesaid shall be included in the minutes of the meeting.

(vi) Nothing herein contained shall require or be deemed to require the inclusion in any such Minutes of any matter which in the opinion of the Chairman of the Meeting (i) is or could reasonably be regarded as, defamatory of any person, or (ii) is irrelevant or immaterial to the proceedings, or (iii) is detrimental

to the interests of the Company. The Chairman of the meeting shall exercise an absolute discretion in regard to the inclusion or non-inclusion of any matter in the Minutes on the aforesaid grounds.

(vii) Any such Minutes shall be evidence of the proceedings recorded therein.

(viii) The book containing the Minutes of proceedings of General Meetings shall be kept at the Office of the Company and shall be open, during business hours, for such periods not being less in the aggregate than two hours in each day as the Board determines, for the inspection of any Shareholder without charge.

(ix) The Company shall cause minutes to be duly entered in books provided for the purpose of: -

a) the names of the Directors and Alternate Directors present at each General Meeting;

b) all Resolutions and proceedings of General Meeting.

(r) The Shareholders shall vote (whether in person or by proxy) all of the shares owned or held on record by them at any Annual or Extraordinary General Meeting of the Company called for the purpose of filling positions to the Board, appointed as a Director of the Company under Sections 152 and 164(1) of the Act in accordance with these Articles.

(s) The Shareholders will do nothing to prevent the taking of any action by the Company or act contrary to or with the intent to evade or defeat the terms as contained in these Articles.

(t) All matters arising at a General Meeting of the Company, other than as specified in the Act or these Articles if any, shall be decided by a majority vote.

(u) The Shareholders shall exercise their voting rights as shareholders of the Company to ensure that the Act or these Articles are implemented and acted upon by the Shareholders, and by the Company and to prevent the taking of any action by the Company or by any Shareholder, which is contrary to or with a view or intention to evade or defeat the terms as contained in these Articles.

(v) Any corporation which is a Shareholder of the Company may, by resolution of the Board or other governing body, authorise such person as it thinks fit to act as its representative at any meeting of the Company and the said person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could have exercised if it were an individual Shareholder in the Company (including the right to vote by proxy).

(w) The Company shall also provide e-voting facility to the Shareholders of the Company in terms of the provisions of the Companies (Management and Administration) Rules, 2014, the Listing Agreement or any other Law, if applicable to the Company.

43. DIRECTORS

Subject to the applicable provisions of the Act, the number of Directors of the Company shall not be less than 3 (three) and not more than 15 (fifteen). The Company shall also comply with the provisions of the Companies (Appointment and Qualification of Directors) Rules, 2014 and the provisions of the Listing Agreement. The Board shall have an optimum combination of executive and Independent Directors with at least 1 (one) woman Director, as may be prescribed by Law from time to time.

44. CHAIRMAN OF THE BOARD OF DIRECTORS

(a) The members of the Board shall elect any one of them as the Chairman of the Board. The Chairman shall preside at all meetings of the Board and the General Meeting of the Company. The Chairman shall have a casting vote in the event of a tie.

(b) If for any reason the Chairman is not present at the meeting or is unwilling to act as Chairman, the members of the Board shall appoint any one of the remaining Directors as the Chairman.

45. APPOINTMENT OF ALTERNATE DIRECTORS

Subject to Section 161 of the Act, any Director shall be entitled to nominate an alternate director to act for him during his absence for a period of not less than 3 (three) months. The Board may appoint such a person as an Alternate Director to act for a Director (hereinafter called "**the Original Director**") (subject to such person being acceptable to the Chairman) during the Original Director's absence for a period of not less than three months from the State in which the meetings of the Board are ordinarily held. An Alternate Director appointed under this Article shall not hold office for a period longer than that permissible to the Original Director in whose place he has been appointed and shall vacate office if and when the Original Director returns to the State. If the term of the office of the Original Director is determined before he so returns to the State, any provisions in the Act or in these Articles for automatic re-appointment shall apply to the Original Director and not to the Alternate Director.

46. CASUAL VACANCY AND ADDITIONAL DIRECTORS

Subject to the applicable provisions of the Act and these Articles, the Board shall have the power at any time and from time to time to appoint any qualified Person to be a Director either as an addition to the Board or to fill a casual vacancy but so that the total number of Directors shall not at any time exceed the maximum number fixed under Article 43**.** Any Person so appointed as an addition shall hold office only up to the earlier of the date of the next Annual General Meeting or at the last date on which the Annual General Meeting should have been held but shall be eligible for appointment by the Company as a Director at that meeting subject to the applicable provisions of the Act.

47. DEBENTURE DIRECTORS

If it is provided by a trust deed, securing or otherwise, in connection with any issue of Debentures of the Company, that any Person/lender or Persons/lenders shall have power to nominate a Director of the Company, then in the case of any and every such issue of Debentures, the Person/lender or Persons/lenders having such power may exercise such power from time to time and appoint a Director accordingly. Any Director so appointed is herein referred to a Debenture Director. A Debenture Director may be removed from office at any time by the Person/lender or Persons/lenders in whom for the time being is vested the power under which he was appointed and another Director may be appointed in his place. A Debenture Director shall not be liable to retire by rotation. A Debenture Director shall not be bound to hold any qualification shares and shall not be liable to retire by rotation or be removed by the Company. The trust deed may contain ancillary provisions as may be arranged between the Company and the trustees and all such provisions shall have effect notwithstanding any other provisions contained herein.

48. INDEPENDENT DIRECTORS

The Company shall have such number of Independent Directors on the Board of the Company, as may be required in terms of the provisions of Section 149 of the Act and

the Companies (Appointment and Qualification of Directors) Rules, 2014 or any other Law, as may be applicable. Further, the appointment of such Independent Directors shall be in terms of the aforesaid provisions of Law and subject to the requirements prescribed under Clause 49 of the Listing Agreement.

49. EQUAL POWER TO DIRECTOR

Except as otherwise provided in these Articles, all the Directors of the Company shall have in all matters, equal rights and privileges and shall be subject to equal obligations and duties in respect of the affairs of the Company.

50. NOMINEE DIRECTORS

Whenever the Board enters into a contract with any lenders for borrowing any money or for providing any guarantee or security or for technical collaboration or assistance or enter into any other arrangement, the Board shall have, subject to the provisions of Section 152 of the Act the power to agree that such lenders shall have the right to appoint or nominate by a notice in writing addressed to the Company one or more Directors on the Board for such period and upon such conditions as may be mentioned in the common loan agreement/ facility agreement. The nominee director representing lenders shall not be required to hold qualification shares and not be liable to retire by rotation. The Directors may also agree that any such Director, or Directors may be removed from time to time by the lenders entitled to appoint or nominate them and such lenders may appoint another or other or others in his or their place and also fill in any vacancy which may occur as a result of any such Director, or Directors ceasing to hold that office for any reason whatsoever. The nominee director shall hold office only so long as any monies remain owed by the Company to such lenders.

The nominee director shall be entitled to all the rights and privileges of other Directors including the sitting fees and expenses as payable to other Directors but, if any other fees, commission, monies or remuneration in any form are payable to the Directors, the fees, commission, monies and remuneration in relation to such nominee director shall accrue to the lenders and the same shall accordingly be paid by the Company directly to the lenders.

Provided that if any such nominee director is an officer of any of the lenders, the sittings fees in relation to such nominee director shall also accrue to the lenders concerned and the same shall accordingly be paid by the Company directly to that lenders.

Any expenditure that may be incurred by the lenders or the nominee director in connection with the appointment or directorship shall be borne by the Company.

The nominee director so appointed shall be a member of the project management sub-committee, audit sub-committee and other sub-committees of the Board, if so desired by the lenders.

The nominee director shall be entitled to receive all notices, agenda, etc. and to attend all general meetings and Board meetings and meetings of any committee(s) of the Board of which he is a member and to receive all notices, agenda and minutes, etc. of the said meeting.

If at any time, the nominee director is not able to attend a meeting of Board or any of its committees, of which he is a member, the lenders may depute an observer to attend the meeting. The expenses incurred by the lenders in this connection shall be borne by the Company.

51. NO QUALIFICATION SHARES FOR DIRECTORS

A Director shall not be required to hold any qualification shares of the Company.

52. REMUNERATION OF DIRECTORS

(a) Subject to the applicable provisions of the Act, the Rules, Law including the provisions of the Listing Agreement, a Managing Director or Managing Directors, and any other Director/s who is/are in the whole time employment of the Company may be paid remuneration either by a way of monthly payment or at a specified percentage of the net profits of the Company or partly by one way and partly by the other, subject to the limits prescribed under the Act.

(b) Subject to the applicable provisions of the Act, a Director (other than a Managing Director or an executive Director) may receive a sitting fee not exceeding such sum as may be prescribed by the Act or the central government from time to time for each meeting of the Board or any Committee thereof attended by him.

(c) The remuneration payable to each Director for every meeting of the Board or Committee of the Board attended by them shall be such sum as may be determined by the Board from time to time within the maximum limits prescribed from time to time by the Central Government pursuant to the first proviso to Section 197 of the Act.

(d) All fees/compensation to be paid to non-executive Directors including Independent Directors shall be as fixed by the Board and shall require the prior approval of the Shareholders in a General meeting. Such approval shall also specify the limits for the maximum number of stock options that can be granted to a non-executive Director, in any financial year, and in aggregate. However, such prior approval of the Shareholders shall not be required in relation to the payment of sitting fees to non-executive Directors if the same is made within the prescribed limits under the Act for payment of sitting fees with approval of Central Government. Notwithstanding anything contained in this article, the Independent Directors shall not be eligible to receive any stock options.

53. SPECIAL REMUNERATION FOR EXTRA SERVICES RENDERED BY A DIRECTOR

If any Director be called upon to perform extra services or special exertions or efforts (which expression shall include work done by a Director as a member of any Committee formed by the Directors), the Board may arrange with such Director for such special remuneration for such extra services or special exertions or efforts either by a fixed sum or otherwise as may be determined by the Board. Such remuneration may either be in

addition, to or in substitution for his remuneration otherwise provided, subject to the applicable provisions of the Act.

54. TRAVEL EXPENSES OF DIRECTORS

The Board may allow and pay to any Director, who is not a bona fide resident of the place where the meetings of the Board/Committee meetings are ordinarily held; and who shall come to such place for the purpose of attending any meeting, such sum as the Board may consider fair compensation for travelling, lodging and/ or other expenses, in addition to his fee for attending such Board / Committee meetings as above specified; and if any Director be called upon to go or reside out of his ordinary place of his residence on the Company's business, he shall be entitled to be repaid and reimbursed travelling and other expenses incurred in connection with the business of the Company in accordance with the provisions of the Act.

55. CONTINUING DIRECTORS

The continuing Directors may act notwithstanding any vacancy in their body, but if, and so long as their number is reduced below the minimum number fixed by Article 43 hereof, the continuing Directors not being less than two may act for the purpose of increasing the number of Directors to that number, or for summoning a General Meeting, but for no other purpose.

56. VACATION OF OFFICE BY DIRECTOR

(a) Subject to relevant provisions of Sections 167 and 188 of the Act, the office of a Director, shall *ipso facto* be vacated if:

(i) he is found to be of unsound mind by a court of competent jurisdiction; or

(ii) he applies to be adjudicated an insolvent; or

(iii) he is adjudged an insolvent; or

(iv) he is convicted by a court of any offence involving moral turpitude and is sentenced in respect thereof to imprisonment for not less than 6 (six) months; or

(v) he fails to pay any calls made on him in respect of shares of the Company held by him whether alone or jointly with others, within 6 (six) months from the date fixed for the payment of such call, unless the Central Government has by notification in the Official Gazette removed the disqualification incurred by such failure; or

(vi) he absents himself from 3 (three) consecutive meetings of the Board or from all Meetings of the Board for a continuous period of 3 (three) months, whichever is longer, without obtaining leave of absence from the Board; or

(vii) he, (whether by himself or by any Person for his benefit or on his account), or any firm in which he is a partner, or any private company of which he is a director, accepts a loan, or any guarantee or security for a loan, from the Company, in contravention of Section 185 of the Act; or

(viii) having been appointed a Director by virtue of his holding any office or other employment in the Company, he ceases to hold such office or other employment in the Company; or

(ix) he acts in contravention of Section 184 of the Act; or

(x) he becomes disqualified by an order of the court under Section 203 of the Companies Act, 1956; or

(xi) he is removed in pursuance of Section 169 of the Act; or

(xii) he is disqualified under Section 164(2) of the Act.

Subject to the applicable provisions of the Act, a Director may resign his office at any time by notice in writing addressed to the Board and such resignation shall become effective upon its acceptance by the Board.

57. RELATED PARTY TRANSACTIONS

Except with the consent of the Board or the Shareholders, as may be required in terms of the provisions of section 188 of the Act and the Companies (Meetings of Board and its Powers) Rules, 2014, no company shall enter into any contract or arrangement with a 'related party' with respect to:

i. sale, purchase or supply of any goods or materials;

ii. selling or otherwise disposing of, or buying, property of any kind;

iii. leasing of property of any kind;

iv. availing or rendering of any services;

v. appointment of any agent for purchase or sale of goods, materials, services or property;

vi. Such Director's or its relative's appointment to any office or place of profit in the company, its subsidiary company or associate company; and

vii. underwriting the subscription of any securities or derivatives thereof, of the company:

without the consent of the Shareholders by way of a Special Resolution in accordance with Section 188 of the Act.

(b) no Shareholder of the Company shall vote on such Special Resolution, to approve any contract or arrangement which may be entered into by the Company, if such Shareholder is a related party.

(c) nothing in this Article shall apply to any transactions entered into by the Company in its ordinary course of business other than transactions which are not on arm's length basis.

(d) The Director, so contracting or being so interested shall not be liable to the Company for any profit realised by any such contract or the fiduciary relation thereby established.

(e) The term "office of profit" and "arm's length basis" shall have the meaning ascribed to them under Section 188 of the Act.

(f) The term 'related party' shall have the same meaning as ascribed to it under the Act.

(g) The compliance of the Companies (Meetings of Board and its Powers) Rules, 2014 shall be made for the aforesaid contracts and arrangements.

58. DISCLOSURE OF INTEREST

(a) A Director of the Company who is in any way, whether directly or indirectly concerned or interested in a contract or arrangement, or proposed contract or arrangement entered into or to be entered into by or on behalf of the Company, shall disclose the nature of his concern or interest at a meeting of the Board in the manner provided in Section 184 of the Act; Provided that it shall not be necessary for a Director to disclose his concern or interest in any such contract or arrangement entered into or to be entered into with any other company where any of the Directors of the company or two or more of them together holds or hold not more than 2% (two per cent) of the Paid-up Share Capital in the other company or the Company as the case may be. A general notice given to the Board by the Director, to the effect that he is a director or member of a specified body corporate or is a member of a specified firm and is to be regarded as concerned or interested in any contract or arrangement which may, after the date of the notice, be entered into with that body corporate or firm, shall be deemed to be a sufficient disclosure of concern or interest in relation to any contract or arrangement so made. Any such general notice shall expire at the end of the Financial Year in which it is given but may be renewed for a further period of one Financial Year at a time by a fresh notice given in the last month of the Financial Year in which it would have otherwise expired. No such general notice, and no renewal thereof shall be of effect unless, either it is given at a meeting of the Board or the Director concerned takes reasonable steps to secure that it is brought up and read at the first meeting of the Board after it is given.

(b) No Director shall as a Director, take any part in the discussion of, vote on any contract or arrangement entered into or to be entered into by or on behalf of the Company, if he is in any way, whether directly or indirectly, concerned or interested in such contract or arrangements; nor shall his presence count for the purpose of forming a quorum at the time of any such discussion or vote; and if he does vote, his vote shall be void; provided however that nothing herein contained shall apply to:-

(i) any contract or indemnity against any loss which the Directors, or any one or more of them, may suffer by reason of becoming or being sureties or a surety for the Company;

(ii) any contract or arrangement entered into or to be entered into with a public company or a private company which is subsidiary of a public company in which the interest of the Director consists solely,

1. in his being -

I. a director of such company, and

II. the holder of not more than shares of such number or value therein as is requisite to qualify him for appointment as a Director thereof, he having been nominated as such Director by this Company, or

2. in his being a member holding not more than 2 (two) per cent of its Paid-up Share Capital.

Subject to the provisions of Section 188 of the Act and other applicable provisions, if any, of the Act, any Director of the Company, any partner or relative of such Director, any firm in which such Director or a relative of such Director is a partner, any private company of which such Director is a director or member, and any director or manager of such private company, may hold any office or place of profit in the Company.

(c) The Company shall keep a Register in accordance with Section 189 of the Act and shall within the time specified therein enter therein such of the particulars as may be. The Register aforesaid shall also specify, in relation to each Director of the Company, the names of the bodies corporate and firms of which notice has been given by him under Article 58(a). The Register shall be kept at the Office of the Company and shall be open to inspection at such Office, and extracts may be taken therefrom and copies thereof may be required by any Shareholder of the Company to the same extent, in the same manner, and on payment of the same fee as in the case of the Register of Members of the Company and the provisions of Section 94 of the Act shall apply accordingly.

(d) A Director may be or become a Director of any Company promoted by the Company, or on which it may be interested as a vendor, shareholder, or otherwise, and no such Director shall be accountable for any benefits received as director or

shareholder of such Company except in so far as Section 188 or Section 197 of the Act as may be applicable.

59. ONE-THIRD OF DIRECTORS TO RETIRE EVERY YEAR

At the Annual General Meeting of the Company to be held in every year, one third of such of the Directors as are liable to retire by rotation for time being, or, if their number is not three or a multiple of three then the number nearest to one third shall retire from office, and they will be eligible for re-election. Provided nevertheless that the managing Director or whole-time Director(s), appointed or the Directors appointed as a Debenture Director, or the Directors appointed as Independent Director(s) under Articles hereto shall not retire by rotation under this Article nor shall they be included in calculating the total number of Directors of whom one third shall retire from office under this Article.

60. PROCEDURE, IF PLACE OF RETIRING DIRECTORS IS NOT FILLED UP

(a) If the place of the retiring Director is not so filled up and the meeting has not expressly resolved not to fill the vacancy, the meeting shall stand adjourned till the same day in the next week, at the same time and place, or if that day is a national holiday, till the next succeeding day which is not a national holiday, at the same time and place.

(b) If at the adjourned meeting also, the place of the retiring Director is not filled up and that meeting also has not expressly resolved not to fill the vacancy, the retiring Director shall be deemed to have been reappointed at the adjourned meeting, unless:-

(i) at that meeting or at the previous meeting a resolution for the reappointment of such Director has been put to the meeting and lost;

(ii) retiring Director has, by a notice in writing addressed to the Company or its Board , expressed his unwillingness to be so reappointed;

(iii) he is not qualified or is disqualified for appointment; or

(iv) a resolution whether special or ordinary is required for the appointment or reappointment by virtue of any applicable provisions of the Act.

61. COMPANY MAY INCREASE OR REDUCE THE NUMBER OF DIRECTORS.

Subject to Article 43 and Sections 149, 152 and 164 of the Act, the Company may, by Ordinary Resolution, from time to time, increase or reduce the number of Directors, and may alter their qualifications and the Company may, (subject to the provisions of Section 169 of the Act), remove any Director before the expiration of his period of office and appoint another qualified in his stead. The person so appointed shall hold office during such time as the Director in whose place he is appointed would have held the same if he had not been removed.

62. REGISTER OF DIRECTORS ETC.

(a) The Company shall keep at its Office, a Register containing the particulars of its Directors, Managing Directors, Manager, Secretaries and other Persons mentioned in Section 170 of the Act and shall otherwise comply with the provisions of the said Section in all respects.

(b) The Company shall in respect of each of its Directors also keep at its Office a Register, as required by Section 170 of the Act, and shall otherwise duly comply with the provisions of the said Section in all respects.

63. DISCLOSURE BY DIRECTOR OF APPOINTMENT TO ANY OTHER BODY CORPORATE.

Every Director shall in accordance with the provisions of Companies (Meeting of Board and its Powers) Rules, 2014 shall disclose his concern or interest in any company or companies or bodies corporate (including shareholding interest), firms or other association of individuals by giving a notice in accordance with such rules.

64. MANAGING DIRECTOR(S)/ WHOLE TIME DIRECTOR(S)/ EXECUTIVE DIRECTOR(S)/ MANAGER

Subject to the provisions of Section 203 of the Act and of these Articles, the Board shall have the power to appoint from time to time any full time employee of the Company as Managing Director/ whole time director or executive director or manager of the Company. The Managing Director(s) or the whole time director(s) manager or executive director(s), as the case may be, so appointed, shall be responsible for and in charge of the day to day management and affairs of the Company and subject to the applicable provisions of the Act and these Articles, the Board shall vest in such Managing Director/s or the whole time director(s) or manager or executive director(s), as the case may be, all the powers vested in the Board generally. The remuneration of a Managing Director/ whole time director or executive director or manager may be by way of monthly payment, fee for each meeting or participation in profits, or by any or all those modes or any other mode not expressly prohibited by the Act. Board, subject to the consent of the shareholders of the Company shall have the power to appoint Chairman of the Board as the Managing Director / whole time director or executive director of the Company.

65. PROVISIONS TO WHICH MANAGING DIRECTOR(S)/ WHOLE TIME DIRECTOR(S) / EXECUTIVE DIRECTOR(S)/ MANAGER ARE SUBJECT

Notwithstanding anything contained herein, a Managing Director(s) / whole time director(s) / executive director(s) / manager shall subject to the provisions of any contract between him and the Company be subject to the same provisions as to resignation and removal as the other Directors of the Company, and if he ceases to hold the office of a Director he shall ipso facto and immediately cease to be a Managing Director(s) / whole time director(s) / executive director(s) / manager, and if he ceases to hold the office of a Managing Director(s) / whole time director(s) / executive director(s)/ manager he shall ipso facto and immediately cease to be a Director.

66. REMUNERATION OF MANAGING DIRECTOR(S)/ WHOLE TIME DIRECTOR(S) / EXECUTIVE DIRECTOR(S)/ MANAGER

The remuneration of the Managing Director(s) / whole time director(s) / executive director(s) / manager shall (subject to Sections 196, 197 and 203 and other applicable provisions of the Act and of these Articles and of any contract between him and the Company) be fixed by the Directors, from time to time and may be by way of fixed salary and/or perquisites or commission or profits of the Company or by participation in such profits, or by any or all these modes or any other mode not expressly prohibited by the Act.

67. POWER AND DUTIES OF MANAGING DIRECTOR(S)/ WHOLE TIME DIRECTOR(S) / EXECUTIVE DIRECTOR(S)/ MANAGER

Subject to the superintendence, control and direction of the Board, the day- to-day management of the Company shall be in the hands of the Managing Director(s)/ whole time director(s) / executive director(s)/ manager s in the manner as deemed fit by the Board and subject to the applicable provisions of the Act, and these Articles, the Board may by resolution vest any such Managing Director(s)/ whole time director(s) / executive director(s)/ manager with such of the powers hereby vested in the Board generally as it thinks fit and such powers may be made exercisable for such period or periods and upon such conditions and subject to the applicable provisions of the Act, and these Articles confer such power either collaterally with or to the exclusion of or in substitution for all or any of the Directors in that behalf and may from time to time revoke, withdraw, alter or vary all or any of such powers.

68. POWER TO BE EXERCISED BY THE BOARD ONLY BY MEETING

The Board shall exercise the following powers on behalf of the Company and the said powers shall be exercised only by resolutions passed at the meeting of the Board: -

(a) to make calls on Shareholders in respect of money unpaid on their shares;

(b) to authorise buy-back of securities under Section 68 of the Act;

(c) to issue securities, including debentures, whether in or outside India;

(d) to borrow money(ies);

(e) to invest the funds of the Company;

(f) to grant loans or give guarantee or provide security in respect of loans;

(g) to approve financial statements and the Board's report;

(h) to diversify the business of the Company;

(i) to approve amalgamation, merger or reconstruction;

(j) to take over a company or acquire a controlling or substantial stake in another company;

(k) fees/ compensation payable to non-executive directors including independent directors of the Company; and

(l) any other matter which may be prescribed under the Companies (Meetings of Board and its Powers) Rules, 2014 and the Listing Agreement.

The Board may, by a resolution passed at a meeting, delegate to any Committee of Directors, the Managing Director, or to any person permitted by Law the powers specified in sub clauses (d) to (f) above.

The aforesaid powers shall be exercised in accordance with the provisions of the Companies (Meetings of Board and its Powers) Rules, 2014 and shall be subject to the provisions of section 180 of the Act.

In terms of Section 180 of the Act, the Board may exercise the following powers subject to receipt of consent by the Company by way of a Special Resolution:

(a) to sell, lease or otherwise dispose of the whole or substantial part of the undertaking of the Company;

(b) to borrow money; and

(c) any such other matter as may be prescribed under the Act, the Listing Agreement and other applicable provisions of Law.

69. PROCEEDINGS OF THE BOARD OF DIRECTORS

(a) Board Meetings shall be held at least once in every 3 (three) month period and there shall be at least 4 (four) Board Meetings in any calendar year and there should not be a gap of more than 120 (one hundred twenty) days between two consecutive Board Meetings. Meetings shall be held at the Registered Office, or such a place as may be decided by the Board.

(b) The participation of Directors in a meeting of the Board may be either in person or through video conferencing or other audio visual means, as may be prescribed, which are capable of recording and recognising the participation of the Directors and of recording and storing the proceedings of such meetings along with date and time. However, such matters as provided under the Companies (Meetings of Board and its Powers) Rules, 2014 shall not be dealt with in a meeting through video conferencing or other audio visual means. Any meeting of the Board held through video conferencing or other audio visual means shall only be held in accordance with the Companies (Meetings of Board and its Powers) Rules, 2014.

(c) The Company Secretary or any other Director shall, as and when directed by the Chairman or a Director convene a meeting of the Board by giving a notice in writing to every Director in accordance with the provisions of the Act and the Companies (Meetings of Board and its Powers) Rules, 2014.

(d) The Board may meet either at the Office of the Company, or at any other location in India or outside India as the Chairman or Director may determine.

(e) At least 7 (seven) days' notice of every meeting of the Board shall be given in writing to every Director for the time being at his address registered with the Company and such notice shall be sent by hand delivery or by post or by electronic means. A meeting of the Board may be convened in accordance with these Articles by a shorter notice in case of any emergency as directed by the Chairman or the Managing Director or the Executive Director, as the case may be, subject to the presence of 1 (one) Independent Director in the said meeting. If an Independent Director is not present in the said meeting, then decisions taken at the said meeting shall be circulated to all the Directors and shall be final only upon ratification by one independent Director. Such notice or shorter notice may be sent by post or by fax or e-mail depending upon the circumstances.

(f) At any Board Meeting, each Director may exercise 1 (one) vote. The adoption of any resolution of the Board shall require the affirmative vote of a majority of the Directors present at a duly constituted Board Meeting.

70. QUORUM FOR BOARD MEETING

(a) Quorum for Board Meetings

Subject to the provisions of Section 174 of the Act, the quorum for each Board Meeting shall be one-third of its total strength and the presence of Directors by video conferencing or by other audio visual means shall also be counted for the purposes of calculating quorum.

If any duly convened Board Meeting cannot be held for want of a quorum, then such a meeting shall automatically stand adjourned for 7 (seven) days after the original meeting at the same time and place, or if that day is a national holiday, on the succeeding day which is not a public holiday to the same time and place. Provided however, the adjourned meeting may be held on such other date and such other place as may be unanimously agreed to by all the Directors in accordance with the provisions of the Act.

(b) If in the event of a quorum once again not being available at such an adjourned meeting, the Directors present shall constitute the quorum and may transact business for which the meeting has been called.

71. QUESTIONS AT THE BOARD MEETINGS HOW DECIDED

(a) Questions arising at any meeting of the Board, other than as specified in these Articles and the Act, if any, shall be decided by a majority vote. In the case of an equality of votes, the Chairman shall have a second or casting vote.

(b) No regulation made by the Company in General Meeting, shall invalidate any prior act of the Board, which would have been valid if that regulation had not been made.

72. ELECTION OF CHAIRMAN OF BOARD

(a) The Board may elect a chairman of its meeting and determine the period for which he is to hold office.

(b) If no such chairman is elected, or at any meeting the chairman is not present within five minutes after the time appointed for holding the meeting the Directors present may choose one among themselves to be the chairman of the meeting.

73. POWERS OF THE BOARD

Subject to the applicable provisions of the Act, these Articles and other applicable provisions of Law: -

(a) The Board shall be entitled to exercise all such power and to do all such acts and things as the Company is authorised to exercise and do under the applicable provisions of the Act or by the memorandum and articles of association of the Company.

(b) The Board is vested with the entire management and control of the Company, including as regards any and all decisions and resolutions to be passed, for and on behalf of the Company.

(c) Provided that the Board shall not, except with the consent of the Company by a Special Resolution:-

i. Sell, lease or otherwise dispose of the whole, or substantially the whole, of the undertaking of the Company, or where the Company owns more than one undertaking, of the whole, or substantially the whole, of any such undertaking. The term 'undertaking' and expression 'substantially the whole of the undertaking' shall have the meaning ascribed to them under provisions of Section 180 of the Act;

ii. Remit, or give time for repayment of, any debt due by a Director;

iii. Invest otherwise than in trust securities the amount of compensation received by the Company as a result of any merger or amalgamation; and

iv. Borrow money(ies) where the money(ies) to be borrowed together with the money(ies) already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in the ordinary course of businesses), will exceed the aggregate of the paid-up capital of the Company and its free reserves.

74. COMMITTEES AND DELEGATION BY THE BOARD

(a) The Company shall constitute such Committees as may be required under the Act, applicable provisions of Law and the Listing Agreement. Without prejudice to the powers conferred by the other Articles and so as not to in any way to limit or restrict those powers, the Board may, subject to the provisions of Section 179 of the Act, delegate any of its powers to the Managing Director(s), the executive director(s) or manager or the chief executive officer of the Company. The Managing Director(s), the executive director(s) or the manager or the chief executive officer(s) as aforesaid shall, in the exercise of the powers so delegated, conform to any regulations that may from time to time be imposed on them by the Board and all acts done by them in exercise of the powers so delegated and in conformity with such regulations shall have the like force and effect as if done by the Board.

(b) Subject to the applicable provisions of the Act, the requirements of Law and these Articles, the Board may delegate any of its powers to Committees of the Board consisting of such member or members of the Board as it thinks fit, and it may from time to time revoke and discharge any such committee of the Board either wholly or in part and either as to persons or purposes. Every Committee of the Board so formed shall, in the exercise of the powers so delegated, conform to any regulations that may from time to time be imposed on it by the Board. All acts done by any such Committee of the Board in conformity with such regulations and in fulfillment of the purposes of their appointment but not otherwise, shall have the like force and effect as if done by the Board.

(c) The meetings and proceedings of any such Committee of the Board consisting of two or more members shall be governed by the provisions herein contained for regulating the meetings and proceedings of the Directors, so far as the same are applicable thereto and are not superseded by any regulation made by the Directors under the last preceding Article.

(d) The Board of the Company shall in accordance with the provisions of the Companies (Meetings of the Board and its Powers) Rules, 2014 or any other Law and the provisions of the Listing Agreement, form such committees as may be required under such rules in the manner specified therein, if the same are applicable to the Company.

75. ACTS OF BOARD OR COMMITTEE VALID NOTWITHSTANDING INFORMAL APPOINTMENT

All acts undertaken at any meeting of the Board or of a Committee of the Board, or by any person acting as a Director shall, notwithstanding that it may afterwards be

discovered that there was some defect in the appointment of such Director or persons acting as aforesaid, or that they or any of them were disqualified or had vacated office or that the appointment of any of them had been terminated by virtue of any provisions contained in the Act or in these Articles, be as valid as if every such person had been duly appointed, and was qualified to be a Director . Provided that nothing in this Article shall be deemed to give validity to the acts undertaken by a Director after his appointment has been shown to the Company to be invalid or to have been terminated.

76. PASSING OF RESOLUTION BY CIRCULATION

(i) The Board shall consist of such number of Directors as may be determined by the Company from time to time. Subject to Applicable Law, the Aster Promoters and the Investor will have equal representation on the Board, exclusive of the Independent Directors. The Parties agree that:

(A) subject to Applicable Law, the Aster Promoters shall have the right to nominate 3 (three) Directors ("**AP Directors**"). The initial AP Directors shall be Dr. Azad Moopen, Ms. Alisha Moopen and such other Person as identified by the Aster Promoters;

(B) subject to Applicable Law, the Investor shall have the right to nominate 3 (three) Directors ("**Investor Directors**" together with AP Directors, "**Nominee Directors**"). If the Company appoints a Managing Director in accordance with this Agreement, such Managing Director shall be considered an Investor Director; and

(C) the Board shall comprise of such number of Independent Directors appointed in accordance with Applicable Law and these Articles.

The Parties acknowledge the obligation of the Company to appoint Directors in compliance with Applicable Law.

(ii) Subject to Article 113(b)(iii) , each Shareholder shall (including by exercising all voting rights at the General Meeting and Board Meetings, through their respective Nominee Directors) procure that the individuals nominated as Directors in accordance with these Articles shall be appointed as Directors and

are maintained in office until they resign or are removed in accordance with Article 113(c).

(iii) Notwithstanding anything contained herein, no Person shall be appointed as a Director or recommended for appointment as a Director if such Person is, at the time of such recommendation or appointment a Prohibited Party or a director or officer or employee of a Competitor.

(iv) Every Independent Director of the Company shall be appointed in accordance with Applicable Law. Without prejudice to the foregoing, the Aster Promoters and BCP shall jointly recommend to the nomination and remuneration committee of the Board ("**NRC**") individuals for appointment as Independent Directors to the Board, and the NRC shall consider appointment of such individuals as Independent Directors in accordance with Applicable Law.

(c) Nothing contained in these Articles shall affect or limit the powers of the NRC and the Board under Applicable Law, including to: (A) review candidates for appointment as Independent Directors; and (B) recommend individuals for appointment as Independent Directors. The rights of the Aster Promoters and BCP in Article 113(b)(iv) shall be exercised subject to and in accordance with Applicable Law. In the event Aster Promoters and BCP fail to reach a joint agreement in accordance with Article 113(b)(iv), within 45 (forty five) days of discussions being initiated by either Aster Promoters or the Investor in writing, the Independent Director shall be recommended in accordance with Article 121 and appointed by the Company in accordance with Applicable Law.

(d) **Removal of Directors and Casual Vacancy**

(i) The Aster Promoters and the Investor who have nominated an AP Director or an Investor Director, respectively, shall be entitled by way of a written notice to the Company (with a copy to the other Parties), to require such AP Director or the Investor Director to be removed from such position. Upon issuance of such notice, the Aster Promoters and the Investor shall and shall each ensure that their respective Affiliates holding Equity Shares shall each exercise their voting rights at the shareholders' meeting and Aster Promoters and the Investor shall direct the AP Directors and the Investor Directors respectively to exercise their voting rights at the Board Meetings, to enable the removal of the relevant Nominee Director.

(ii) In the event of such removal or if any AP Director or the Investor Director ceases to hold office for any other reason, the Aster Promoters or the Investor, as the case may be, shall be entitled to require the Company to appoint another Director in his or her place pursuant to Article 113(b)(i) as promptly as practicable. If any vacancy of the position of a Nominee Director exists and no replacement is nominated by the Aster Promoters or the Investor (as the case may be), then such position on the Board shall remain vacant. It is clarified that, any vacancy in respect of any position on the Board will not impact or diminish or be deemed to be a waiver of the rights of the Aster Promoters or the Investor to nominate their respective number of Directors to the Board in accordance with Article 113(b).

(iii) Each of the Aster Promoters shall and shall ensure that its Affiliates and the Aster Promoter Group holding Equity Shares shall and the Investor shall and shall ensure that its Affiliates holding Equity Shares shall, not exercise, unless required by Applicable Law, any voting rights or other power to remove or replace a Director appointed by the other Party, except:

(A) in accordance with Article 113(c)(i) or 113(c)(v);

(B) where the rights of the Aster Promoters or the Investor, as the case may be, to nominate the Directors are extinguished pursuant to any provision of this Articles,; or

(C) where the Director becomes a Prohibited Party, or a director or officer or employee of a Competitor.

(iv) If an Independent Director appointed pursuant to Article 113(b)(iv) or Article 113(b)(v), as the case may be, ceases to hold office as a Director for any reason, then a new Independent Director shall be appointed in the manner prescribed under Article 113(b)(iv).

(v) Except as set forth in Article 113(c)(iii), the removal of a Nominee Director nominated by the Aster Promoters or the Investor, as the case may be, shall be subject to the prior written consent of the nominating Shareholder.

(v) If any Nominee Director is required to retire by rotation under Applicable Law, then such Nominee Director shall be nominated for re-appointment at the same General Meeting they retire, unless otherwise determined by the Aster Promoters or the Investor, as the case may be. If any Nominee Director is not nominated for re-appointment, the Aster Promoters and/or the Investor shall replace the respective Director with another AP Director or Investor Director, as the case may be.

(vi) Each of the Aster Promoters and/or the Investor shall, subject to Applicable Law and confidentiality obligations of the Aster Promoters and/or the Investor (as applicable) promptly notify each other upon becoming aware of any actual or potential conflict of interest that has, or would be reasonably likely to have, an adverse impact on any prospective or current, as the case may be, Director's interest (as mandated under Applicable Law) or ability to take a decision on any matter to be placed before the Board consistent with such Director's fiduciary duties under Applicable Law.

(vii) Subject to Applicable Law, any Director (excluding an Independent Director) shall be entitled to appoint an alternate Director (each an "**Alternate Director**") from time to time, and to act as an Alternate Director to such appointing Director, in place of such Director during his or her absence from India, or remove such person who has been appointed as his/her Alternate Director. The appointment of the Alternate Director shall be in accordance with the provisions of the Act. It is hereby clarified that the presence of an Alternate Director shall be considered for quorum requirements set out in Article 113(h) and such Alternate Director shall be entitled to (a) attend and vote at such meetings in place of the appointing Director in his or her absence, and (b) to

exercise all rights and have all privileges of the relevant Director in whose place such Alternate Director is appointed. Upon the appointment of an Alternate Director, all notices, agendas and supporting documents shall also be circulated to such Alternate Director.

(a) exercise votes in respect of the Equity Securities held by it (directly or through its duly authorized representatives, proxies or agents at General Meetings) to ensure, its compliance with the Articles; and

(b) vote against any resolution that is contrary to the terms of this Articles.

118. RESERVED MATTERS

(a) Notwithstanding anything to the contrary contained in these Articles but subject to Article 118(c), the Company shall ensure that no action shall be taken, no agenda shall be considered, discussed, deliberated, acted on, or passed by way of a resolution by the Company, any of its Subsidiaries or its respective Board, shareholders, committees thereof, officers, employees and/or managers, or Executive Management, in relation to any matter enumerated in Annexure I (each, a "**Reserved Matter**"), in a single transaction or a series of transactions, directly or indirectly, without the affirmative vote or prior written consent of the Aster Promoters and BCP.

(b) **Manner of Approving a Reserved Matter**

(i) Decisions in relation to any Reserved Matter shall be considered by the Aster Promoters and BCP prior to being placed for approval before the Board, Executive Management, or a Committee or the shareholders or board or committee or shareholders or executive management of the Subsidiaries, as the case may be. The Aster Promoters and BCP shall be given a written notice by the Company of such matter together with necessary background information and supporting documents at least 10 (ten) Business Days] prior to the date on which the agenda for the Board Meeting or the Committee or the General Meeting or the materials for the circular resolutions are proposed to be sent to the Directors/ Committee or the board or committee of the Subsidiaries, as the case may be for such Reserved Matter ("**RM Notice**").

(ii) Each of the Aster Promoters and BCP shall provide its consent/dissent to the Company within 15 (fifteen) days from the receipt of the RM Notice ("**RM Notice Period**"). If the Aster Promoters and/or BCP fails to provide in writing its consent or provides a notice of dissent to the Board within the RM Notice Period, then the Aster Promoter and/or BCP, as the case may be, would deemed to have dissented to such Reserved Matter and no further actions shall be taken in respect of such Reserved Matter (including at any meeting). It is clarified that only such Reserved Matter to which both Aster Promoters and BCP have consented in writing may be included in the notice or agenda for a decision of the Board or a Committee or the shareholders of the Company or the board or committee of the Subsidiaries, as the case may be.

(iii) In the event that Aster Promoters and BCP jointly agree that a Reserved Matter is required to or should be put up for the relevant approvals by way of a shorter notice, then, notwithstanding the RM Notice Period, the Company shall ensure

that the Reserved Matter is taken up for the relevant approvals at shorter notice by a written notice issued to the Board or the Committee or the shareholders (as the case may be) with necessary background information and reasons for the urgency of the Reserved Matter.

(iv) If: (A) both Aster Promoters and BCP consent in writing to such Reserved Matter in accordance with Article 118(b)(ii), then the Reserved Matter shall be included as part of the agenda for the Board Meeting or the Committee or considered to be passed as a circular resolution (as the case may be) or the General Meeting; or (B) either Aster Promoter or BCP dissents in writing in relation to such Reserved Matter, then neither the Board, the shareholders, the committees thereof of the Company or the Subsidiaries, including their respective executive management, shall take any further action in relation to such Reserved Matter. It is hereby clarified that in the event that a Reserved Matter is placed before the Board or Committee without the consent of Aster Promoters and BCP, then Aster Promoters and the Investor shall instruct its respective Nominee Directors to not vote in favour of such a Reserved Matter (subject to their fiduciary duties).

(v) Where a Reserved Matter is placed before the Board in accordance with the procedure specified in Article 118(b)(i) to Article 118(b)(iv), the Aster Promoters and the Investor shall instruct their respective Nominee Directors to vote in favour of such Reserved Matter (subject to their fiduciary duties). Where a Reserved Matter is placed before the shareholders of the Company in accordance with the procedure specified in Article 118(b)(i) to Article 118(b)(iv), each member of the Aster Promoters shall (and shall ensure that their respective Affiliates and the Aster Promoter Group, in each case, holding Equity Shares shall) and the Investor shall (and shall ensure that its Affiliates holding Equity Shares shall), vote in favour of such Reserved Matter once consented to by the Aster Promoters and BCP in accordance with Article 118(b)(ii).

(c) Any consent by BCP or the Aster Promoters in relation to any Reserved Matter will apply only in relation to that Reserved Matter, and will act as a one-time approval only for the specific one-time action proposed. No such consent will constitute, or be deemed to constitute, a general consent for any such Reserved Matter, or a consent (either general or specific) for any other Reserved Matter.

(d) Any decision made, action taken, or resolution passed in breach of this Article 118 shall be void ab initio, not valid or binding on the Company. In the event a decision is made or a resolution is passed contrary to the provisions of this Article 118, the Company shall not give effect to, or take any action pursuant to such decision or resolution, unless the prior written consent of BCP and the Aster Promoters is obtained for such action, decision or resolution in accordance with this Article 118.

(e) The Reserved Matter rights are conditional on the Aster Promoters or the Investor retaining a shareholding (which in the case of the Aster Promoters shall be the aggregate shareholding of the Aster Promoter (and their Affiliates) and the Aster Promoter Group, and in case of the Investor, shall be the aggregate shareholding of the Investor Group,) equal to or above the Founder Threshold or Investor Threshold, respectively

(f) The provisions of this Article 118 shall apply *mutatis mutandis* to each Subsidiary of the Company, only to the extent that such/ similar rights (whether through shareholding, contractually or otherwise) are available to the Company with respect to such Subsidiary.

119. DIVIDEND POLICY

(iv) BCP (together with its Affiliates holding Equity Securities and persons acting in concert) shall not Dispose Equity Securities by way of a Negotiated Transfer, to a transferee if such Disposal would result in the transferee, taken together with its Affiliates, holding more than 15,69,04,741 (Fifteen Crores Sixty Nine Lakhs Four Thousand and Seven Hundred Forty One) Equity Shares (as adjusted for any corporate actions including bonus, split or stock consolidations), unless such Disposal is undertaken with the prior written consent of the Aster Promoters.

(v) Other than in compliance with the provisions of these Articles, none of the Aster Promoters (or its Affiliates) or the Investor Group may employ any device or technique or participate in any transaction (or series of transactions) to circumvent the provisions of this Article 120. Notwithstanding anything to the contrary, in no event shall any transfer of equity, ownership or economic interests, or options, warrants, convertible securities or other contractual rights to acquire any equity, ownership or economic interest, of any partners, members or other direct or indirect investors of the Investor Group or any of their Affiliates, constitute a direct or indirect Disposal for any purpose under these Articles unless it is designed to circumvent the provisions of this Article 120.

(vi) Each Shareholder shall ensure that any Affiliate to whom it Disposes any Equity Securities held by it executes a Deed of Adherence, substantially in the form set out in Schedule 2, simultaneously with the consummation of such Disposal provided that (A) if such Affiliate ceases to be an Affiliate of the relevant Shareholder at any time after the Disposal of the Equity Securities, the Affiliate shall, and the relevant Shareholder shall cause such Affiliate to, transfer all (and not part) of the Equity Shares held by it back to the relevant Shareholder (or another Affiliate of the relevant Shareholder) with immediate effect to ensure continuous compliance with the provisions of this Article 120(b)(vi); and (B) upon such transfer to an Affiliate, the relevant Shareholder and its Affiliate to whom it has transferred any of the Equity Shares, shall have the same rights and shall be subject to the same restrictions applicable to, the

relevant Shareholder under these Articles and the other Transaction Documents pursuant to the Deed of Adherence and shall exercise the rights as a single bloc.

121. DEADLOCK

Any Deadlock Event shall be resolved in the manner mutually agreed in writing between the Investor and the Aster Promoters.

For this purpose of this Article 121, a "**Deadlock Event**" shall be deemed to have occurred if there is a failure on the part of any decision on a matter relating to the Group which requires to be jointly decided by, or mutually agreed between, the Aster Promoters and BCP under this Agreement, and has not been agreed amongst the Aster Promoters and BCP within the timelines prescribed under the Agreement or prior to the date of the Board Meeting or the General Meeting (as the case may be) where such matter is being considered.

122. EVENT OF DEFAULT

(a) **Event of Default:**

(i) event of default ("**Event of Default**") shall occur or be deemed to have occurred in relation to the Aster Promoters and BCP (each, a "**Defaulting Shareholder**"), if:

(A) any of the Aster Promoters and/or BCP commits a material breach of Articles 111(a), 111(b), 111(c), 113(b), 118 or 120 and Clauses 3.1 (excluding clauses 3.1.1), 8.2, 8.3 and 25.12 of the Agreement in relation to the Company and such breach is:

(I) based on discernible facts along with satisfactory evidentiary proof and is not a mere allegation of breach, and

(II) is not cured to the reasonable satisfaction of the non-Defaulting Shareholder (issuing the written notice to the Defaulting Shareholder) within 90 (ninety) days (and in case of a breach of Clause 25.12 of the Agreement, within 6 (six) months) of the date that the Defaulting Shareholder has received written notice from any Shareholder (other than a Defaulting Shareholder) in accordance with Article 122(ii) below calling upon it to do so (the "**Cure Period**");

noting that for purposes of these Articles, a material breach of Clause 25.12 of the Agreement shall mean a violation of Anti-Bribery Laws, Money Laundering Laws, or Sanctions Laws by the Defaulting Shareholder that:

- occurs in respect of the Group; and
- is directed, authorized, or conducted with the actual knowledge or actual assent of the Defaulting Shareholder;

If the material breach of Clause 25.12 (*as mentioned in the Agreement*) arises from an action or omission by an employee or agent of a Defaulting Shareholder and such relevant action or omission was not known, directed or authorized by the Defaulting Shareholder, such material breach shall be considered remedied for the purposes of these Articles and shall not constitute an Event of Default upon termination of the employment/ engagement of the breaching employee or agent, or upon the Defaulting Shareholder taking such other alternative measures as mutually agreed with the non-Defaulting Shareholder in the applicable circumstances.

(B) the Defaulting Shareholder has:

(I) a receiver, resolution professional under Applicable Law, voluntary administrator, liquidator or provisional liquidator appointed for all or substantially all of its assets or undertaking and such appointment is not dismissed, reversed, vacated or stayed within 180 one hundred and eighty days of such appointment; or

(II) entered into or resolved to enter into liquidation or winding up proceedings or an arrangement, composition or compromise with or assignment for the benefit of its creditors generally or any class of creditors, or proceedings are commenced by such Shareholder to sanction such an arrangement, composition or compromise, in each case, other than for the purposes of (A) a *bona fide* scheme of restructuring, reconstruction or amalgamation, or (B) a voluntary liquidation of entities that no longer hold Equity Securities and do not have substantial assets.

(ii) Notwithstanding anything contained in these Articles, if an Event of Default is not cured or resolved within the Cure Period and the non-Defaulting Shareholder is able to demonstrate the same in accordance with Article 122(a)(i)(A)(II) then such consequences as may be mutually agreed in writing between the Investor and the Aster Promoters shall follow

(A)

(iii) Upon the Defaulting Shareholder subsequently curing the relevant Event(s) of Default and being able to demonstrate the same (based on discernible facts along with satisfactory evidentiary proof) to the other non-defaulting Shareholder(s), any consequences pursuant to Article 122(a)(ii) shall cease.

(iv) Without prejudice to the foregoing, if any Party to these Articles becomes a Sanctioned Person, the rights of such Party under these Articles shall be suspended immediately, and all the obligations of all other Parties (that are not Sanctioned Persons) that are owed to relevant Party (that is a Sanctioned Person) shall be suspended until such a time as such Party is no longer designated as a Sanctioned Person.

(b) In the event that any member of the Aster Promoters, Aster Promoter Group, and/or BCP transfers any Equity Securities in breach of the provisions of these Articles, then such transferee shall not be entitled to exercise any rights under these Articles.

(c) Nothing in this Article 122 shall affect the right of the non-Defaulting Shareholder(s) to claim any losses, damages, costs and expenses, including legal fees and expenses, to the extent arising or resulting from an Event of Default, regardless of whether such default has been cured or resolved. It is clarified that any claim or consequences of an Event of Default pursuant to this Article 122 shall be qua the Aster Promoters and the Investor (as the case may be), and neither of the Aster Promoters and the Investor (as the case may be) shall have any monetary recourse against the Company with respect to the same.

123. TERMINATION

(a) **Termination of Rights**

(i) Notwithstanding anything contained in these Articles and subject to Article 123(a)(iv), if at any time the Aster Promoters or the Investor do not meet the Founder Threshold or Investor Threshold, as the case may be:

(A) such rights and corresponding obligations of the Aster Promoters or the Investor (as the case may be) (and the corresponding obligations of the other Party) as may be mutually agreed with in writing between Aster Promoters and Investors shall fall away and cease to be of any force or effect;

(B) the AP Directors or the Investor Directors (as the case may be) shall resign with immediate effect.

(ii) Subject to Clause Article 123(a)(iv) (*as mentioned in the Agreement*), all rights and obligations of the Parties under these Articles shall cease immediately upon termination, but termination shall not affect a Party's accrued rights and/or obligations and/or liabilities, as the case may be, or which may, thereafter, accrue in respect of any act or omission as on or prior to the date of termination.

(iii) The provisions of Articles 107 and 108 (to the extent applicable) and 120(a)(iii) such other provisions as may be mutually agreed in writing between Aster Promoters and Investor shall survive the termination of these Articles.

(iv) Upon the occurrence of the earlier of: (a) the Aster Promoters or the Investor not meeting the Founder Threshold or the Investor Threshold (as the case may be); or (b) any Shareholder ceasing to hold any Equity Securities (the relevant Shareholder, a "**Reclassifying Shareholder**"), and subject to Applicable Law, and Article 123(a)(i), the remaining Shareholders shall have the right to require the Reclassifying Shareholder to submit an application for re-classification (from a 'promoter' to a 'public shareholder' of the Company) to the Company within 10 (ten) days from the date on which the other Shareholders have exercised such right. Further, such Reclassifying Shareholder and the other Shareholders shall undertake all necessary steps and provide co-operation to the Company for the purposes of making the application for re-classification to

the Stock Exchanges, and for obtaining the approval of the Stock Exchanges for such re-classification in accordance with Applicable Laws.

124. EXERCISE OF RIGHTS BY THE SHAREHOLDERS

(a) Notwithstanding anything to the contrary in the Transaction Documents or the Articles, for the limited purposes these Articles, BCP and any of its Affiliates to whom the Equity Securities are transferred pursuant to Article 122(b) shall exercise their rights as Shareholders in the Company as a single block. Consequently, for any determination or computation of their shareholding in the Company, including without limitation with respect to the exercise of any rights by them under the Transaction Documents or the Articles, or to determine whether they satisfy any Investor Threshold set out in these Articles, the aggregate shareholding of BCP and its Affiliates in the Company shall be taken into consideration. For the avoidance of doubt, it is clarified that if BCP waives or votes in favour of or approves a matter or consents to any document under these Articles, it shall be deemed that Affiliates of BCP have also waived or voted in favour of or approved or consented to such matter, and neither one shall be entitled to cast a contrary vote on such matter.

(b) Notwithstanding anything to the contrary in the Transaction Documents or the Articles, for the limited purposes of these Articles, each of the members of the Aster Promoter and the Aster Promoter Group (including any of their respective Affiliates to whom the Equity Securities are transferred pursuant to Article 122(b)) shall exercise their rights as Shareholders in the Company as a single block. Consequently, for any determination or computation of their shareholding in the Company, including without limitation with respect to the exercise of any rights by them under these Articles, or to determine whether they satisfy any Founder Threshold set out in these Articles, the aggregate shareholding of the Aster Promoter, Aster Promoter Group with its Affiliates in the Company shall be taken into consideration. For the avoidance of doubt, it is clarified that if any Aster Promoter waives or votes in favour of or approves a matter or consents to any document under these Articles, it shall be deemed that the remaining members of the Aster Promoter Group have also waived or voted in favour of or approved or consented to such matter, and neither one shall be entitled to cast a contrary vote on such matter.

ANNEXURE I

1. any amendment to the memorandum of association of the Company or the Articles which adversely affects the rights of any Party;

2. the issue of Equity Securities, including by way of preferential issue or rights issue by the Company or its Subsidiaries, except any issuance of Equity Securities pursuant to (a) any merger, demerger or acquisition which is not a Restricted M&A; or (b) an Investment Opportunity in relation to which the Company has issued an Investment Acceptance Notice; or (c) any obligation to avoid a payment default under any financing arrangement entered into with a lender by the Group, provided that such issuance of Equity Securities shall be undertaken only by way of rights issue;

3. commencement of any new line of business;

4. material change to the business/ceasing any business by the Company, in each case above INR 100,00,00,000 (Indian Rupees One Hundred Crores) in revenue;

5. incurrence of any Financial Indebtedness, such that the aggregate Financial Indebtedness of the Company (on a consolidated basis, including after taking into account such proposed Financial Indebtedness) will exceed 2.5x Net Debt/LTM EBITDA (pre-Ind AS);

6. any mergers, demergers or acquisitions by the Company that is a Restricted M&A;

7. disposal of assets of the Company which (a) has a net book value of more than INR 25,00,00,000 (Indian Rupees Twenty Five Crores) (computed on annual basis in case of movable assets) or INR 50,00,00,000 (Indian Rupees Fifty Crores) in case of immovable assets, either singly or in the aggregate;

8. any change or cessation of the use of the brand name that is not agreed amongst the Shareholders pursuant to Clause 3.3;

9. incurrence of any capital expenditure in excess of 10% (ten percent) of the relevant monthly operating budget agreed between the Aster Promoters and BCP pursuant to Clause 10.1, other than as may be essential for business continuity purposes; and

10. authorising or committing or agreeing to take any of the foregoing actions.

INDEPENDENT AUDITOR'S REPORT

To the Members of Quality Care India Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Quality Care India Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") and its joint venture (refer Note 2(a)(v) to the attached consolidated financial statements), which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as "the consolidated financial statements").

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its joint venture as at March 31, 2025, consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group and its joint venture in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw your attention to the following:

   (a) Note 4.43(v) to the consolidated financial statements, which describes the Holding Company having layers of subsidiaries beyond the limit prescribed under section 2(87) of the Act read with the Companies (Restriction on Number of layers) Rules, 2017 and the remedial steps being taken by the Management.

   (b) Note 4.52 to the consolidated financial statements, which describes the proposed amalgamation of the Holding Company (the Transferor Company) with Aster DM Healthcare Limited (the Transferee Company).

   Our opinion is not modified in respect of the above matters.

INDEPENDENT AUDITOR'S REPORT
To the Members of Quality Care India Limited
Report on audit of the Consolidated Financial Statements

Other Information

5. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report but does not include the consolidated financial statements and our auditor's report thereon.

   Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and the reports of the other auditors as furnished to us (Refer paragraph 13 and 14 below), we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

6. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group including its joint venture in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group including its joint venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

7. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its joint venture are responsible for assessing the ability of the Group and of its joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group and of its joint venture or to cease operations, or has no realistic alternative but to do so.

8. The respective Board of Directors of the companies included in the Group and of its joint venture are responsible for overseeing the financial reporting process of the Group and of its joint venture.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint venture to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

11. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

13. The consolidated financial statements of one subsidiary and standalone financial statements of two subsidiaries reflect total assets of Rs. 18,561.36 Million and net assets of Rs. 14,750.36 Million as at March 31, 2025, total revenue of Rs. 12,875.62 Million, total comprehensive income (comprising of profit and other comprehensive income) of Rs. 2,183.63 Million and net cash flows amounting to Rs. (128.30) Million for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of total comprehensive income (comprising of profit/(loss) and other comprehensive income) of Rs. Nil for the year ended March 31, 2025 as considered in the consolidated financial statements, in respect of one joint venture, whose financial statements have not been audited by us. The financial statements of these subsidiaries and joint venture have been audited by other auditors whose reports have been furnished to us by the Holding Company's management and other auditors, and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of these subsidiaries and joint venture and our report in terms of sub-section (3) of Section 143 of the Act including report on Other Information insofar as it relates to the aforesaid subsidiaries and joint venture, is based on the reports of the other auditors and the procedures performed by us.

14. We did not audit the financial information of one subsidiary whose financial information reflect total assets of Rs. 20 Million and net assets of Rs. 20 Million as at March 31, 2025, total revenue of Rs. Nil, total comprehensive income (comprising of profit/(loss) and other comprehensive income) of Rs. Nil and net cash flows amounting to Rs. 20 Million for the year ended on that date, as considered in the consolidated financial statements. The financial information of this subsidiary are unaudited and have been furnished to us by the management, and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-section (3) of Section 143 of the Act including report on Other Information insofar as it relates to the aforesaid subsidiary is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the management, these financial information are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and reports of the other auditors and the financial information certified by the management.

Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B, a statement on the matters specified in paragraph 3(xxi) of CARO 2020.

16. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the year and the matters stated in paragraph 16(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended). Further, in respect of two subsidiaries, in the absence of sufficient appropriate audit evidence, we are unable to verify whether the backup of books of account and other books and papers maintained in electronic mode has been maintained on a daily basis on servers physically located in India during the year.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements.

(d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors of the Holding Company as on April 1, 2025 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiaries and joint venture incorporated in India, none of the directors of the Group companies and its joint venture incorporated in India is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 16(b) above on reporting under Section 143(3)(b) and paragraph 16(h)(vi) below on reporting under Rule 11(g) of the Rules.

(g) With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Group and its joint venture and the operating effectiveness of such controls, refer to our separate report in Annexure A.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The consolidated financial statements disclose the impact, if any, of pending litigations on the consolidated financial position of the Group and its joint venture– Refer Note 4.38(a) to the consolidated financial statements.

ii. The Group and its joint venture were not required to recognise a provision as at March 31, 2025 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long-term contract. The Group and its joint venture did not have any derivative contracts as at March 31, 2025.

iii. There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Holding Company during the year. Also, during the year ended March 31, 2025, there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the subsidiaries and joint venture incorporated in India.

iv. (a) The respective managements of the Holding Company and its subsidiaries and joint venture which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries and joint venture respectively that, to the best of their knowledge and belief, as disclosed in Note 4.43(vii)(A) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries and joint venture to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries and joint venture ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective managements of the Holding Company and its subsidiaries and joint venture which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries and joint venture respectively that, to the best of their knowledge and belief, as disclosed in the Notes 4.43(vii)(B) to the consolidated financial statements, no funds have been received by the Company or any of such subsidiaries and joint venture from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries and joint venture shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures, that has been considered reasonable and appropriate in the circumstances, performed by us and those performed by the auditors of the subsidiaries and joint venture which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditors' notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.

v. The Holding Company, its subsidiaries and joint venture, have not declared or paid any dividend during the year.

vi. Based on our examination, which included test checks and that performed by the respective auditors of the subsidiaries and joint venture, which are companies incorporated in India whose financial statements have been audited under the Act, following remarks are included with respect to audit trail feature and its preservation:

A) The Holding Company and its five subsidiaries have used multiple accounting software and are in the process of establishing necessary controls and maintaining documentation regarding audit trail. Consequently, we are unable to comment on the audit trail feature of the aforesaid software. Accordingly, the question of our commenting on whether the audit trail feature had operated throughout the year or was tampered with or whether the audit trail of the prior year has been preserved as per the statutory requirements for record retention does not arise.

B) In respect of one subsidiary, the accounting software did not have a feature of audit trail (edit log) facility and, therefore, the question of our commenting on whether the audit trail feature had operated during the year or was tampered with or whether the audit trail of the prior year was preserved as per the statutory requirements for record retention does not arise.

C) In consolidated audit report of one subsidiary, it was stated by the respective auditor that, except for instances mentioned below, the Company and its subsidiaries which are companies incorporated in India and audited under the Act, in respect of financial year commencing on April 1, 2024, have used accounting software for maintaining their books of accounts which have a feature of recording audit trail (edit log) facility and the same have been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, other than the consequential impact of the exceptions given below. Furthermore, the audit trail(s) have been preserved by the Company and above referred subsidiaries as per the statutory requirements for record retention where such feature was enabled.

Nature of exception noted	Details of exception
Instances of accounting software for maintaining books of account for which the feature of recording audit trail (edit log) facility was not operated throughout the year/operated effectively for all relevant transactions recorded in the software.	a) In respect of the Company and its one subsidiary, the audit trail feature only captured shared user identification details rather than specific individual details for who made the changes at the application level for accounting software used for maintenance of accounting records. Annexure A to Independent Auditor's Report

Referred to in paragraph 16(g) of the Independent Auditor's Report of even date to the members of Quality Care India Limited on the consolidated financial statements as of and for the year ended March 31, 2025

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls with reference to consolidated financial statements of Quality Care India Limited (hereinafter referred to as "the Company" or "the Holding Company"), its subsidiaries and its joint venture, which are companies incorporated in India, as of that date. Reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to consolidated financial statements is not applicable to two subsidiaries incorporated in India namely Condis India Healthcare Private Limited and Culinary Cure Foods Private Limited, pursuant to MCA notification GSR 583(E) dated 13 June 2017.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiaries and joint venture, to whom reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to consolidated financial statements is applicable, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system with reference to consolidated financial statements.

Annexure A to Independent Auditor's Report

Referred to in paragraph 16(g) of the Independent Auditor's Report of even date to the members of Quality Care India Limited on the consolidated financial statements as of and for the year ended March 31, 2025

Meaning of Internal Financial Controls with reference to consolidated financial statements

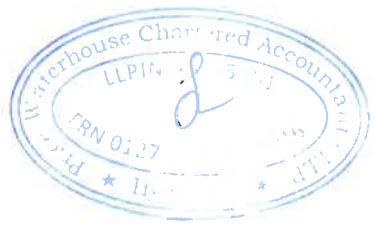

6. A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

7. Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiaries and joint venture, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Referred to in paragraph 16(g) of the Independent Auditor's Report of even date to the members of Quality Care India Limited on the consolidated financial statements as of and for the year ended March 31, 2025

Other Matter

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to two subsidiaries and one joint venture, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not modified in respect of this matter.

Quality Care India Limited

Notes to the consolidated financial statements

(All amounts in ₹ millions, except share data and where otherwise stated)

1) Corporate information

Quality Care India Limited ("the Company" or "QCIL" or "Parent Company" or "Parent") is a public company domiciled in India and is incorporated under the erstwhile provisions of the Companies Act, 1956 applicable in India. The registered office of the Company is located at #6-3-248/2, Road no. 1, Banjara Hills, Hyderabad - 500034.

The Parent Company and its subsidiaries (collectively referred to as "Group") and a joint venture are primarily engaged in providing healthcare and related services. The Group has a network of multi-speciality hospitals across various cities in India and Bangladesh.

2) Material Accounting Policies

a) Statement of compliance

(i) Basis of preparation

Compliance with Indian Accounting Standards (Ind AS)

The Consolidated Financial statements have been prepared and presented in accordance with all material aspects with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The Consolidated financial statements were approved for issue in accordance with a resolution of the Board of Directors on 05 August 2025.

(ii) Historical cost convention

The consolidated financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities measured at fair value ;
- Assets held for sale - measured at fair value less cost to sell
- Defined benefit plan - plan assets measured at fair value.
- Share-based payments

(iii) New and amended standards adopted by the Group

The Ministry of Corporate Affairs vide notification dated 9 September 2024 and 28 September 2024 notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024 and Companies (Indian Accounting Standards) Third Amendment Rules, 2024, respectively, which amended/ notified certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2024:

- Insurance contracts - Ind AS 117; and
- Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

Notes to the consolidated financial statements

(All amounts in ₹ millions, except share data and where otherwise stated)

(iv) Critical estimates and judgements:

The preparation of financial information requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a high degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial information.

The area involving critical estimates or judgements are:

- Useful lives of property, plant and equipment, right-of-use assets and intangible assets
- Estimation of defined benefit obligations and other long-term benefit plan
- Estimated impairment of financial assets and non-financial assets
- Provision for expected credit loss
- Provisions and contingent liabilities

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

(v) Basis of consolidation

The consolidated financial statements comprise the financial statements of the Parent Company and its subsidiaries and a joint venture.

List of subsidiaries and joint venture included in the consolidated financial statement is as under:

b) Property, plant and equipment

Freehold land is carried at historical cost. All other property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is provided on the basis of straight line method, except for Ramkrishna Care Medical Sciences Private Limited where depreciation is provided on the basis of written down value method. Depreciation is provided using the useful lives and in the manner prescribed below:

Asset description	Life of the asset (in years)
Buildings	31 - 60
Plant and Machinery used in medical and surgical operations	3 - 13
Furniture and fixtures	4 - 10
Vehicles	5 - 8
Office Equipment	5 - 10
Computers (end user devices)	3
Books	1 - 4

Leasehold improvements are depreciated over the shorter of their useful life or the lease term, unless the entity expects to use the assets beyond the lease term.

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.

c) Investment Properties

Investment properties, principally land and office buildings, are held for long-term rental yields and are not occupied by the group. They are carried at cost.

Investment properties are depreciated using the straight-line method to allocate the cost of assets over their estimated useful lives. Investment properties (buildings) has useful life of 53 years.

Investment property is measured initially at cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

d) Intangible Assets

(i) Goodwill

Goodwill arising on business combination is recorded at excess of the consideration paid over the fair value of the net assets taken-over. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

(ii) Other intangible assets

Other intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, other intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in the Statement of profit and loss in the period in which the expenditure is incurred.

The Group amortizes other intangible assets with a finite useful life using the straight-line method over the following periods:

Asset description	Life of the asset (in years)
Software	3 - 5

An item of intangible asset is derecognised when no future economic benefit are expected to arise from the continued use of the asset or upon disposal. Any gain or loss on disposal of an item of intangible assets is recognised in profit or loss.

(iii) Brands and trademarks

Trademarks and brands acquired in a business combination are recognised at fair value at the acquisition date. The management has considered life of brand and trademark having an indefinite life because there is no foreseeable limit of the asset and it is expected to contribute the net cash inflows indefinitely.

In accordance with Ind AS 36, the group to test an intangible asset with an indefinite useful life for impairment by comparing its recoverable amount with its carrying amount (a) annually, and (b) whenever there is an indication that the intangible asset may be impaired.

Review of useful life assessment: The useful life of an intangible asset that is not being amortized shall be reviewed each period to determine whether events and circumstances continue to support an indefinite useful life assessment for that asset. If they do not, the change in the useful life assessment from indefinite to finite shall be accounted for as a change in an accounting estimate in accordance with Ind AS 8.

In accordance with Ind AS 36, reassessing the useful life of an intangible asset as finite rather than indefinite is an indicator that the asset may be impaired. As a result, the entity tests the asset for impairment by comparing its recoverable amount, determined in accordance with Ind AS 36, with its carrying amount, and recognizing any excess of the carrying amount over the recoverable amount as an impairment loss.

e) Revenue recognition

Revenue primarily comprises fees charged under contract for inpatient and/or outpatient hospital services and includes sale of products comprising medical and non-medical items. Hospital services include charges for accommodation, medical professional services, equipment, radiology, laboratory, pharmaceutical goods among others, used in treatments provided to the patients.

Contracts with customers could include promises to transfer multiple services/ products to a customer. The Group assesses the product/ services promised in a contract and identifies distinct performance obligation in the contract. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of services rendered, and goods sold is net of variable consideration on account of various discounts and schemes offered by the Group as part of the contract including claims. Further, the Group also determines whether the performance obligation is satisfied at a point in time or over a period of time. These judgments and estimations are based on various factors including contractual terms and historical experience.

Revenue from healthcare services and related activities

Revenue is recognised at the transaction price when each performance obligation is satisfied at a point in time when inpatient/ outpatients has actually received the service except for few specific services where the performance obligation is satisfied over a period of time.

Other operating revenue comprises revenue from various ancillary revenue generating activities such as clinical research, income from outsourced facilities and academic/training services which is recognised over the period of time, in accordance with the terms of the relevant agreements, as and when services are performed.

Revenue from sale of pharmacy

In respect of sale of pharmaceutical products, where the performance obligation is satisfied at a point in time, revenue is recognised when the control of goods is transferred to the customer.

Trade receivables

Trade receivables are amounts due from customers for the sale of products or services in the ordinary course of business and reflects Group's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Group holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

For trade receivables, the Group applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

f) Share based payments

Equity settled share options

The Parent Company has granted employee stock options to the eligible employees of the Group. As per the scheme, on fulfilling of the vesting conditions the Parent Company will issue shares to the eligible employees of the Group.

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model. That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Group's best estimate of the number of equity instruments that will ultimately vest. The expense or credit in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the Group's best estimate of the number of equity instruments that will ultimately vest.

LLPIN AAC-5001

QUALITY CARE INDIA LIMITED
Hyderabad-34

Share appreciation rights

Liabilities for the Group share appreciation rights are recognised as employee benefit expense over the relevant service period based on the estimated number of rights that are expected to vest. The liabilities are presented as employee benefit obligations and remeasured to fair value at each reporting date, with any measurement changes recognised in profit or loss as employee benefit expense. In estimating the fair value, market conditions and non- vesting conditions are taken into account. Where share appreciation rights are forfeited due to a failure by the employee to satisfy the service conditions, the liability is derecognised and expenses previously recognised are reversed.

g) Business combination

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a subsidiary comprises the

- fair values of the assets transferred
- liabilities incurred to the former owners of the acquired business
- equity interests issued by the Group
- fair value of any asset or liability resulting from a contingent consideration arrangement.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. The group recognises any non- controlling interest in the acquired entity on an acquisition-by-acquisition basis either at fair value or at the non- controlling interests proportionate share of the acquired entity's net identifiable assets. Acquisition-related costs are expensed as incurred.

The excess of the:

- consideration transferred
- amount of any non-controlling interest in the acquired entity
- acquisition date fair value of any previous equity interest in the acquired entity

Over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used is the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fair value recognised in profit or loss.

If the business combination is achieved stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date. Any gains or losses arising from such remeasurement are recognised in profit or loss or other comprehensive income, as appropriate.

Common control business combinations

Business combinations arising from transfers of interests in entities that are under the control of the shareholder that controls the Group are accounted for as if the acquisition had occurred at the beginning of the preceding period in the financial statements or, if later, at the date that common control was established; for this purpose comparatives are revised. The assets and liabilities acquired are recognised at their carrying amounts. The identity of the reserves is preserved, and they appear in the standalone financial statements of the Group in the same form in which they appeared in the financial statements of the acquired entity. The difference, if any, between the consideration and the amount of share capital of the acquired entity is transferred to capital reserve.

h) Principles of consolidation and equity accounting

(i) Subsidiaries

Subsidiaries are all entities over which the group has control. The group controls an entity where the group is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the group.

The Group combines the financial statements of the parent company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income, expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides an evidence of impairment of the transferred asset. Accounting policies of the subsidiaries have been changed where necessary to ensure consistency with the accounting policies adopted by the group.

Non controlling interests in the results and equity of subsidiaries are shown separately in the special purpose interim consolidated statement of profit and loss, special purpose interim condensed consolidated statement of changes in equity and balance sheet respectively.

(ii) Joint ventures

Interest in joint ventures are accounted for using the equity method (see iv below), after initially being recognised at cost in the special purpose interim condensed consolidated balance sheet.

(iii) Changes in ownership interests

The group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of adjustment to non-controlling interests and consideration paid or received is recognised within equity.

When the group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to profit or loss.

If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognised in other comprehensive income are reclassified to profit or loss where appropriate.

(iv) Equity Method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from joint venture are recognised as a reduction in the carrying amount of the investment.

Where the group's share of losses an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in note 3(e) below.

3) Summary of other accounting policies

This note provides a list of other accounting policies adopted in the preparation of these financial statements to the extent they have not been disclosed in the other notes above. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest two decimal places of millions as per the requirement of Schedule III, unless otherwise stated.

b) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The consolidated financial statements are presented in Indian rupee (INR), which is Group's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. They are deferred in equity if they relate to qualifying cash flow hedges and qualifying net investment hedges or are attributable to part of the net investment in a foreign operation. A monetary item for which settlement is neither planned nor likely to occur in the foreseeable future is considered as a part of the entities net investment in that foreign operation.

Foreign exchange differences arising on foreign currency borrowings are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(iii) Group companies

The results and financial position of foreign operations (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- assets and liabilities are translated at the closing rate at the date of that balance sheet
- income and expenses are translated at average exchange rates (unless this is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the dates of the transactions), and
- all resulting exchange differences are recognised in other comprehensive income.

On consolidation, exchange differences arising from the translation of any net investment in foreign entities, and of borrowings and other financial instruments designated as hedges of such investments, are recognised in other comprehensive income. When a foreign operation is sold, the associated exchange differences are reclassified to profit or loss, as part of the gain or loss on sale.

Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate.

c) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and unused losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

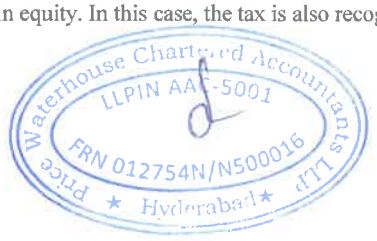

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are not recognised for temporary differences between the carrying amount and tax base of investments in subsidiaries, branches and associates and interest in joint arrangements where the group is able to control the timing of the reversal of temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

d) Leases

As a lessee:

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Group. Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- amounts expected to be payable by the Group under residual value guarantees
- the exercise price of a purchase option if the Group is reasonably certain to exercise that option, and
- payments of penalties for terminating the lease, if the lease term reflects the Group exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Group, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions. The lease agreements do not impose any covenants other than the security interests in the leased assets that are held by the lessor. Leased assets may not be used as security for borrowing purposes.

If a readily observable amortizing loan rate is available to the individual lessee (through recent financing or market data) which has a similar payment profile to the lease, then the Group use that rate as a starting point to determine the incremental borrowing rate.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of the lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs
- restoration costs

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Group is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less.

As a lessor:

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognised as expense over the lease term on the same basis as lease income. The respective leased assets are included in the balance sheet based on their nature.

e) Impairment of assets

Goodwill and other Intangible assets which has indefinite useful life are not subject to amortisation and tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

f) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and cash credit facility availed from banks. Cash credit facility availed from banks are shown within borrowings in current liabilities in the balance sheet.

g) Inventories:

Inventory of medical supplies, drugs and other consumables are valued at the lower of cost and net realisable value. Cost of medical supplies, drugs and other consumables comprises cost of purchases and are determined on the basis of weighted average method. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

h) Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within credit period after recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

i) Borrowings

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in statement of profit and loss under other income.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of financial statements for issue, not to demand payment as consequence of the breach.

j) Borrowings costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

Other borrowings costs are expensed in the period in which they are incurred.

k) Provisions, Contingent Assets and Contingent Liabilities

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses.

When the Group expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

The Group does not recognize a contingent liability but discloses its existence in the financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

The Group does not recognize a contingent asset but discloses its existence in the financial statements if the inflow of economic benefits is probable.

l) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. Therefore these obligations are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government bond yield rates at the end of the reporting period that have terms approximating to the terms of the related obligations. Remeasurements as a result of the experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The Group operates the following post-employment schemes:

(a) Defined benefit plans - gratuity; and

(b) Defined contribution plans - provident fund.

Defined benefit plans - gratuity

The liability or assets recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligations at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and change in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

Quality Care India Limited

Notes to the consolidated financial statements

(All amounts in ₹ millions, except share data and where otherwise stated)

Defined contribution plans - provident fund

The Group pays provident fund contributions to publicly administered funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

(iv) Bonus plans

The Group recognises a liability and an expense for bonuses. The Group recognises a provision where contractually obliged or where contractually obliged or where there is a past practice that has created a constructive obligation.

m) Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

n) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

o) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the Group
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

p) Current or Non- current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when:

i) it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle

ii) it holds the asset primarily for the purpose of trading

iii) it expects to realise the asset within twelve months after the reporting period or

iv) the asset is cash or a cash equivalent (as defined in Ind AS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets shall be classified as non-current.

Price Waterhouse Chartered Accountants LLP LLPIN AAC-5001 FRN 012754N/N500016 Hyderabad

QUALITY CARE INDIA LIMITED Hyderabad-34

Liabilities

An entity shall classify a liability as current when:

i) it expects to settle the liability in its normal operating cycle

ii) it holds the liability primarily for the purpose of trading

iii) the liability is due to be settled within twelve months after the reporting period or

iv) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities shall be classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

q) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of The Group or the counterparty.

r) Other financial assets

(i) Classification

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments that are not held for trading, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at FVOCI.

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Recognition

Regular way purchases and sales of financial assets are recognised on trade-date, being the date on which the Group commits to purchase or sale the financial asset.

(iii) Measurement

At initial recognition, The Group measures a financial asset (excluding trade receivables which do not contain a significant financing component) at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

QUALITY CARE INDIA LIMITED Hyderabad 34

Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments:

- *Amortised cost:* Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in statement of profit and loss.

- *Fair value through other comprehensive income (FVOCI):* Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in statement of profit and loss. Interest income from these financial assets is included in other income using the effective interest rate method.

- *Fair value through profit or loss:* Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Group subsequently measures all other equity investments which are in scope of Ind AS 109 at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Group's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Derecognition of financial assets

A financial asset is derecognised only when

- the Group has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(iv) Dividend and Income recognition

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably).

Interest income from financial assets at fair value through profit or loss is disclosed as interest income within other income. Interest income on financial assets at amortised cost and financial assets at FVOCI is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income.

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

s) Measurement of earnings before interest, tax, depreciation and amortisation (EBITDA)

As permitted by the Guidance Note on division II – Ind AS Schedule III to the Act, the Group has elected to present earnings before interest, tax, depreciation and amortisation (EBITDA) as a separate line item on the face of the Statement of profit and loss.

In its measurement of EBITDA, the Group includes other income but does not include depreciation and amortisation expense, impairment losses, finance cost and tax expense.

t) Non current asset held for sale

The Group classifies non-current assets held for sale if their carrying amounts will be principally recovered through a sale rather than through continuing use of assets and action required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets held for sale are measured at the lower of carrying amount and the fair value less cost to sell. Non-current assets are not depreciated or amortised.

u) Segment reporting

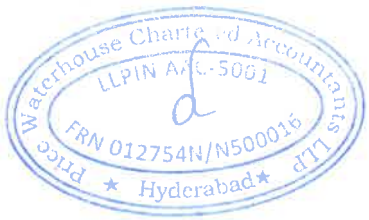

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The CODM (Chief Operating Decision Maker) decided to have only one reportable segment as at the March 31, 2025, in accordance with Ind AS 108 "Operating Segments".

v) Statement of Cash Flows

The Statement of Cash Flows is prepared as per the Indirect Method. Statement of Cash Flows present the cash flows by operating, financing and investing activities of the Group. Operating cash flows are arrived by adjusting profit or loss before tax for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

w) Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of the assets and liabilities, the disclosure of the contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of these changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(iii) There are no contractual obligations for purchase of investment properties as on 31 March 2025 and 31 March 2024.

(iv) Measurement of fair value

a) Fair valuation hierarchy

The fair value of investment property has been determined by external, independent property valuers, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued. These valuers are registered valuers as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017. The fair value measurement of the investment property has been categorised as Level 3 based on inputs to the fair value technique used.

b) Valuation techniques used and key inputs to valuation on investment property:

Valuation technique	Significant inputs	31 March 2025	31 March 2024
Market Approach as per Ind AS 113 for fair value Measurement	Market Approach	823.46	461.25

c) Inter-relationship between key unobservable inputs and fair value measurement

The estimated fair value would increase/ (decrease) if:

- Estimated value of land percent were higher/ (lower)
- Estimated replacement rate per sqm were higher/ (lower)

(v) The group classifies cash outflows to acquire or construct investment property as investing and rental inflows as operating cash flows.

(i) The Group controls the investment in KIMS Holding B.S.C, which is classified as an asset held for sale pursuant to the obligation under the share purchase agreement entered for the acquisition of a subsidiary. The difference between the fair value of the investment and the expected liabilities, NCI is adjusted in Goodwill of ₹ 305 in the previous year ended 31 March 2024.

Management reviews the carrying value of indefinite useful life assets such as Goodwill, Trademark and Brand annually to determine whether there has been any impairment. The group has allocated the value of Goodwill to a Cash Generating Unit (CGU). The Group has identified each hospital unit as CGU for this purpose. The Group has allocated the Goodwill to respective CGU which benefits from the synergies of the acquisition and represents the lowest level at which goodwill is monitored for internal management purposes.

Impairment analysis was carried by management during the year. The recoverable amount as determined using value in use of the cash generating units. The recoverable amount exceeds the carrying value, accordingly no impairment loss were identified for the year ended 31 March 2025.

Value in use i.e. the enterprise value of each CGU is aggregate of cash flow projections, for five years and terminal cash flows as approved by the Management. The cash flow beyond five years are extrapolated using the estimated growth rate.

Key assumptions used for value in use calculations as follows	Range
Revenue growth rate	9.36% - 17.6%
Terminal growth rate	5%-5.5%
Discount rate	13.94% - 16.76%

The Management believes that any reasonably possible change in the above key assumptions on which recoverable amount is based would not cause the aggregate carrying amount to exceed the aggregate recoverable amount of the CGU.

Management has determined the values assigned to each of the above key assumptions as follows:

Assumption	Approach used to determine values
Sales volume	Average annual growth rate over the five-year forecast period; based on past performance and management's expectations of market development.
Sales price	Average annual growth rate over the five-year forecast period; based on current industry trends and including long-term inflation forecasts for each territory
Long-term growth rate	This is the weighted average growth rate used to extrapolate cash flows beyond the budget period. The rates are consistent with forecasts included in industry reports.
Pre-tax discount rates	Reflect specific risks relating to the relevant CGU's and the countries in which they operate.

4.32 With effect from April 1, 2023, the Ministry of Corporate Affairs (MCA) has made it mandatory for every company incorporated in India, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

- The Parent Company and Subsidiaries incorporated in India used multiple accounting software for maintaining its books of account.
- In respect of Parent Company and four subsidiaries, multiple accounting software were used and is in the process of establishing necessary controls and maintaining documentation regarding audit trail.
- In respect of one subsidiary, the accounting software used did not have a feature of audit trail (edit log) facility.
- In respect of one subsidiary and one joint venture, no accounting software is used for maintaining its books of accounts.
- In respect of the two subsidiaries, the audit trail feature only captured shared user identification details rather than specific individual details for who made the changes at the application level for accounting software used for maintenance of accounting records. Further, the audit trail feature was not enabled at the database level to log any direct data changes.

- In respect of three subsidiaries, the audit trail feature for the accounting software used for maintenance of accounting records only captured shared user identification details rather than specific individual details for who made the changes.

-In respect of six subsidiaries, the audit trail feature was not enabled at the database level to log any direct data changes for the accounting software used for maintenance of revenue and payroll records.

-In respect of one subsidiary, the accounting software used for maintenance of revenue records did not capture the details of what data was changed while recording audit trail (edit log) at the application level. Further, the audit trail feature was not enabled for inventory consumption records at application level.

-In respect of one subsidiary. the audit trail feature for the accounting software used from 20 September 2024 onwards for maintenance of revenue records was not enabled.

Based on management assessment, the non-availability of audit trail at database level will not have any impact on the performance of the accounting software, as management has all other necessary controls in place which are operating effectively.

Fair value measurement

Fair value of the Group's financial assets and financial liabilities that are measured at fair value on a recurring basis.

Particulars	Valuation technique and key input	Fair value hierarchy	Fair value as at (in ₹)	
			As at 31 March 2025	As at 31 March 2024
Financial assets				
Investments measured at FVTPL	Based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at balance sheet date. (quoted prices in active market).	Level 1	6.92	6.42
Investments measured at FVOCI	The fair values of the unquoted equity shares have been estimated using a DCF model. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility. The probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted equity investments. Discounted cash flows consider the present value of the net cash flows expected to be generated from the facility, taking into account the budgeted EBITDA growth rate and budgeted capital expenditure growth rate; the expected net cash flows are discounted using a risk-adjusted discount rate.	Level 3	35.34	0.35

The quantitative sensitivity analysis of the significant unobservable inputs used in the fair value measurement of level 3 is as follows:

Particulars	As at 31 March 2025		As at 31 March 2024	
	Increase	Decrease	Increase	Decrease
Volatility (10% movement)	(140.00)	180.00	(140.00)	180.00
EBITDA growth rates (10% movement)	110.00	(115.00)	110.00	(115.00)
Risk free rate (1% movement)	(110.00)	175.00	(110.00)	175.00

There are no transfers between Level 1, Level 2 and Level 3 during the period.

The fair value hierarchy of financial assets and financial liabilities of the Group except for investments measured at FVTPL is Level 3.

Refer note 4.4 for the fair value of investment property.

4.36 Financial instruments risk management

Financial Risk Management Framework

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's Board of Directors have an overall responsibility for the establishment and oversight of the Group's risk management framework.

The Group's principal financial liabilities comprises of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include investments, loans, trade and other receivables, and cash and bank balances that the Group derives directly from its operations. The Group also holds FVTPL investments.

The Group is exposed primarily to Credit Risk, Liquidity Risk and Market risk (fluctuations in interest rates and foreign currency rates), which may adversely impact the fair value of its financial instruments. The Group assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Group.

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk arises primarily from financial assets such as trade receivables, investments, balances with banks, loans and other receivables.

Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, investments, cash and cash equivalents, bank deposits and other financial assets. None of the financial instruments of the Group result in material concentration of the credit risk.

Financial assets that are neither past due nor impaired

None of the Group's cash equivalents, including fixed deposits, were either past due or impaired as at 31 March 2025. Credit risk on cash and cash equivalents, including fixed deposits is limited as the Group generally transacts with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies.

Financial assets that are past due but not impaired

Ind AS requires expected credit losses to be measured through a loss allowance. The Group assesses at each Balance Sheet date whether a financial asset or a group of financial assets are impaired. Expected credit losses are measured at an amount equal to the life time expected credit losses. The Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information.

Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding to meet obligations when due. Management monitors the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at each hospital level in accordance with practice set by the Group.

The table below summarises the maturity profile of the Group's financial liabilities based on contractual undiscounted payments:

As at 31 March 2025	Up to 1 year	1 to 5 Years	More than 5 Years	Total

4.36 Financial instruments risk management (contd.)

Market risk:

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, such as foreign currency denominated receivables and payables and variable interest rates of short-term and long-term borrowings. Market risk comprises two types of risk: interest rate risk and currency risk.

i. Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument shall fluctuate because of changes in the market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's borrowings with floating interest rates.

The exposure of the Group's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	As at 31 March 2025	As at 31 March 2024
Variable rate instruments		
Financial liabilities	7,841.56	6,170.26

Sensitivity analysis

For the years ended 31 March 2025 and 31 March 2024, every 50 basis point decrease in the floating interest rate component applicable to the Group's borrowings would have increased the profit before tax approximately by ₹39.21 and ₹30.85 respectively. A 50 basis point increase in floating interest rate would have led to an equal but opposite effect.

ii. Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure shall fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's operating activities (when revenue or expense including capital expenditure is denominated in a foreign currency). The exposure of entity to foreign currency risk is very limited on account of limited transactions in foreign currencies.

4.37 Capital risk management

For the purpose of the Group's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders. The primary objective of the Group's capital management is to maximise the shareholders value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payments to the shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total equity plus net debt. The Group includes within net debt, borrowings (long and short term), less cash and cash equivalents.

	As at 31 March 2025	As at 31 March 2024
Borrowings (note 4.16)	7,841.56	6,170.26
Less: Cash and cash equivalents (note 4.13(a))	(1,263.77)	(1,448.33)
Less: Other bank balances (note 4.13(b))	(3,235.03)	(1,796.03)
Less: Investment in mutual funds (note 4.7(b))	(6.92)	(6.42)
Net debt (A)	**3,335.84**	**2,919.48**
Total equity (B)	60,694.43	58,121.22
Net debt and total equity (A) + (B)	64,030.27	61,040.70
Gearing ratio (%)	**5.21%**	**4.78%**

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets the financial covenants attached to the borrowings. Breaches in meeting the financial covenants would permit the lenders to immediately call back the borrowings. In the current and previous year, debt service coverage ratio was not satisfied and the Parent Company has taken waiver from the lenders.

No changes were made in the objectives, policies or processes for managing the capital during the year ended 31 March 2025 and 31 March 2024.

4.46 The country of Bangladesh has experienced political unrest and instability in the past. However, the situation has stabilized, and STSHL & STSHCL operations have resumed as usual. Given the essential nature of the Healthcare services provided by STSHL & STSHCL and the scale of its business operations, STSHL & STSHCL had not noted any impact on the recoverability of its assets and business operations.

The management continues to monitor the economic and political situation in Bangladesh and will assess any potential impact on STSHL & STSHCL's operations and financial position. As of now, STSHL & STSHCL does not foresee any material impact on its business operations or assets.

4.47 Assets classified as held for sale

During the previous year, in accordance with Share Purchase agreement (SPA) entered between the Parent Company and Condis India Healthcare Limited ("Condis") and the Selling Shareholders of Condis ("Sellers"), dated 10th September 2023, Condis agreed with the Parent Company to sell off the Investments held in KIMS Holding Co. BSC by the KHML. Accordingly, KHML is intending to sell investment held in KIMS Holding Co. BSC and hence has measured and presented such investments as "Assets Held for Sale".

KHML is in the process of identifying buyers and expects to complete the transactions by the end of next financial year FY 2025-26. The assets had been measured at lower of its carrying amount and fair value less cost to sell except for financial instrument which are measured at FVTOCI. The impact of fair value is immaterial hence the Management has not considered it in the books of accounts.

4.48 Other matters of KIMS Kottayam Institute of Medical Sciences Private Limited (Formerly known as KIMS Bellerose Institute of Medical Sciences Private Limited) (KKIMSPL)

During earlier years certain erstwhile shareholders ('petitioners') of KKIMSPL had filed petitions with National Company Law Tribunal, Chennai ("NCLT") under Section 241 and 242 of the Companies Act, 2013 against KKIMSPL, the KHML and the other directors of KKIMSPL (together referred to as ' Respondents'). These petitions alleged operation and mismanagement of the affairs of KKIMSPL and certain violations of terms of the Share Purchase Agreement by the respondents, NCLT had passed an order in September 2018 dismissing the petitions filed by the petitioners and subsequently during December 2018, National Company Law Appellate Tribunal ("NCLAT") also dismissed the appeal filed by the petitioners. Arbitration proceeding, as allowed by the said orders by the NCTL and NCTAL, had not been initiated by the parties. Thereafter petitioners had filed a Civil Appeal No. 869/2019 with Supreme Court on 21 December 2018, against the order of the NCLT and NCLAT. During the financial year ended 31 March 2024, the KKIMSPL has entered into Share Purchase Agreement dated 7 August 2023 to purchase all the shares of petitioners. Based on the settlement in the form of Share Purchase Agreement dated 7 August 2023, the Civil appeal had been dismissed by the Supreme Court vide order dated 8 February 2024.

Further the petitioners had made other complaints with similar allegations with the Police department, Registrar of Companies, Kerala and Serious Fraud Investigation Office ('SFIO') as well. The petitioners had also alleged other criminal misconducts in the Police Compliant for which a First Information Report ('FIR') was filed. Against the same, KKIMSPL had filed a petition in the High Court to quash the FIR.

i) The Crime Branch of the police department ('CB') had already submitted its final report with Judicial First Class Magistrate Court III, Kottayam. The CB had concluded that, the claim of the petitioners regarding forgery of signatures and documents and other criminal misconduct were incorrect. The Honorable Judicial First Class Magistrate ('JFMC') has accepted the Refer Report filed by the CB on 07 September 2023 and dismissed the claims. Simultaneously Mr. Juby Devasia (earlier shareholder of KKIMSPL) filed a Protest Complaint on the same day which is pending before the Court.

ii) The Assistant Director, Directorate of Enforcement, Cochin initiated proceedings including search and seizures at KKIMSPL under Section 3 of the Prevention of Money Laundering Act, 2002 ("PMLA") on the basis of the FIR as mentioned above. Pursuant to the proceedings, summons and Show Cause Notices (SCN) were issued. Thereafter a Writ Petition seeking to quash proceedings initiated by Directorate of Enforcement and SCNs issued was filed before the High Court of Kerala. The High Court of Kerala had quashed the proceeding initiated by Directorate of Enforcement by final order dated 6 December 2023.

iii) During FY 2022-23, KKIMSPL had also received a preliminary finding letter based on the inspection of books and accounts and other records carried out by the Registrar of Companies ('ROC') highlighting non-compliances of certain provisions of the Companies Act, 2013 ("the Act"). KKIMSPL had filed its detailed responses with the ROC and Management had evaluated the observations and provided for potential exposure, where considered necessary, based on such assessment. KKIMSPL had filled 8 application for compounding of offence under section 441 with respect to non-compliance of certain provisions of the Act, out of which, the Regional Director (Southern Region) has passed compounding order against 4 application vide order dated 15 July 2024 and the remaining applications are pending adjudication. In view of Management of KKIMSPL, any further impact with respect to remaining applications is not expected to be material to these financial statements and this does not have any adverse impact on the functioning of KKIMSPL.

During earlier years KKIMPSL had received a notice from the panchayat office alleging encroachment of government land in which the canteen is situated. KKIMSPL has filed a writ petition with the High Court for which the court has passed interim direction to keep in abeyance the coercive proceedings against KKIMSPL. The Honorable court High Court vide its judgement dated 08 October 2024 had directed the Secretary, Aymanam Grama Panchayath to pass final orders after hearing KKIMSPL within 2 months from the receipt of the Judgement. Accordingly the Secretary, Aymanam Grama Panchayath heard KKIMSPL on 26 November 2024 wherein KKIMSPL requested for the lease of the land on the ground that the canteen run by the Hospital is a public utility. However the Secretary, Aymanam Grama Panchayath vide its order dated 07 December 2024 ordered for demolition of the part of the canteen building abutting on the Government Purampoke land within 14 days. KKIMSPL made representation to the Minister for Revenue, Department of Revenue and Local Self Government Department, Government of Kerala against the demolition order and for leasing the land for continued conduct of canteen in the public interest. Accordingly, the Tribunal for Local Self Government Institutions stayed the order dated 07 December 2024 until further orders vide its order dated 03 January 2025.

In the previous year, KKIMSPL has filed writ petition requesting the High Court of Kerala to pass orders to affect the change in name of KKIMSPL and its representative in revenue records from "Bellerose Institute of Medical Science Private Limited" to "KIMS Bellerose Institute of Medical Science Private Limited" as per the revised certificate of incorporation issued by the Registrar of Companies. The Hon'ble High Court after considering subsequent developments relating to dismissal of the Civil appeal before the Hon'ble SC and quashing of the ECIR registered by the Enforcement Directorate, by its order dated 04 June 2024 ordered the Tahsildar, Kottayam to hear KKIMSPL and pass necessary orders. After hearing KKIMSPL, the Tahsildar, Kottayam vide its order dated 24 July 2024 ordered to change the name of KKIMSPL from "Bellerose Institute of Medical Sciences Private Limited" to "KIMS Bellerose Institute of Medical Sciences Private Limited" in the Thandaper records at the Village Office, Aymanam Village. Accordingly, the name was changed in the Village records as "KIMS Bellerose Institute of Medical Sciences Private Limited".

Additionally, KKIMSPL has also received notice to surrender the food safety license for operation of canteen due to certain discrepancies found in the application and consequently, an application for license from food safety department has been made through the contractor who manages the canteen. KKIMSPL has filed a writ petition with the High Court of Kerala to grant this license to the contractor. The court has passed interim order deferring the direction to surrender till next hearing. The final judgment is pending with the court.

Independent Auditor's Report

To the Members of Quality Care India Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Quality Care India Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2025, and the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity, the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, total comprehensive loss (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw attention to the following:

   (a) Note 4.43(v) to the standalone financial statements, which describes the Company having layers of subsidiaries beyond the limit prescribed under Section 2(87) of the Act read with the Companies (Restriction on Number of Layers) Rules, 2017 and the remedial steps being taken by the management.

   (b) Note 4.47 to the standalone financial statements, which describes the proposed amalgamation of the Company (the Transferor Company) with Aster DM Healthcare Limited (the Transferee Company).

   Our opinion is not modified in respect of the above matters.

Independent Auditor's Report

To the Members of Quality Care India Limited
Report on Audit of the Standalone Financial Statements

Other Information

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the standalone financial statements and our auditor's report thereon.

   Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the standalone financial statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

8. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the standalone financial statements

9. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

10. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

13. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Independent Auditor's Report

To the Members of Quality Care India Limited
Report on Audit of the Standalone Financial Statements

14. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the year and the matters stated in paragraph 14(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended) ("the Rules").

(c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on April 1, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 14(b) above on reporting under Section 143(3)(b) and paragraph 14(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 4.37(a) to the standalone financial statements.

ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year.

iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 4.43(vii)(a) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company

("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 4.43(vii)(b) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

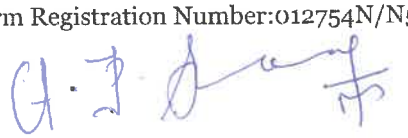

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has not declared or paid any dividend during the year.

vi. Based on our examination, the Company has used multiple accounting software and is in the process of establishing necessary controls and maintaining documentation regarding audit trail. Consequently, we are unable to comment on the audit trail feature of the aforesaid software. Accordingly, the question of our commenting on whether the audit trail feature had operated throughout the year or was tampered with or whether the audit trail of the prior year has been preserved by the Company as per the statutory requirements for record retention does not arise.

15. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 14(g) of the Independent Auditor's Report of even date to the members of Quality Care India Limited on the standalone financial statements as of and for the year ended March 31, 2025

Report on the Internal Financial Controls with reference to Standalone Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to standalone financial statements of Quality Care India Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

6. A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the

Annexure A to Independent Auditor's Report

Referred to in paragraph 14(g) of the Independent Auditor's Report of even date to the members of Quality Care India Limited on the standalone financial statements as of and for the year ended March 31, 2025

assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

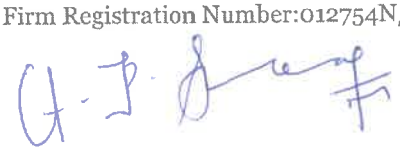

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI

Annexure B to Independent Auditors' Report

Referred to in paragraph 13 of the Independent Auditors' Report of even date to the members of Quality Care India Limited on the standalone financial statements as of and for the year ended March 31, 2025

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company is maintaining proper records showing full particulars of Intangible Assets.

(b) The Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.

(c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 4.1 (a) to the standalone financial statements, are held in the name of the Company.

(d) The Company has chosen cost model for its Property, Plant and Equipment (including Right of Use assets) and Intangible Assets. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) or Intangible Assets does not arise.

(e) No proceedings have been initiated on (or) are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the standalone financial statements does not arise.

ii. (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.

(b) During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks, which are in agreement with the unaudited books of account. Also, refer Note 4.43(ii) to the standalone financial statements.

Annexure B to Independent Auditors' Report
Referred to in paragraph 13 of the Independent Auditors' Report of even date to the members of Quality Care India Limited on the standalone financial statements as of and for the year ended March 31, 2025

iii. (a) The Company has made investments in three companies, granted unsecured loan to one party, and has not granted secured loans/advances in nature of loans or stood guarantee, or provided security to any parties. The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loan is as per the table given below:

Particulars	Loan (Rupees in millions)
Aggregate amount granted/ provided during the year - Others (Loan to Director)	20
Balance outstanding as at balance sheet date in respect of the above case - Others (Loan to Director)	20

Also, refer Note 4.12 to the standalone financial statements.

(b) In respect of the aforesaid investments and loan, the terms and conditions under which such loans were granted and investments were made are not prejudicial to the Company's interest.

(c) In respect of the aforesaid loan, the schedule of repayment of principal and payment of interest has been stipulated. Further, there is no principal and payment of interest which has fallen due during the year. Therefore, the question of us commenting on the regularity of repayment of principal and payment of interest does not arise.

(d) In respect of the aforesaid loan, there is no amount which is overdue for more than ninety days.

(e) There were no loans which have fallen due during the year and were renewed/extended. Further, no fresh loans were granted to same parties to settle the existing overdue loans/advances in nature of loan.

(f) The loan granted during the year, including to related party had stipulated the scheduled repayment of principal and payment of interest and the same were not repayable on demand.

iv. In our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of the loan and investments made. The Company has not stood guarantee or provided security to any parties covered in Section 185 and 186 of the Companies Act, 2013.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products and services. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

Annexure B to Independent Auditors' Report
Referred to in paragraph 13 of the Independent Auditors' Report of even date to the members of Quality Care India Limited on the standalone financial statements as of and for the year ended March 31, 2025

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, professional tax and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues of sales tax, duty of customs, duty of excise, value added tax, cess, and professional tax which have not been deposited on account of any dispute. The particulars of other statutory dues referred to in sub-clause (a) as at March 31, 2025 which have not been deposited on account of a dispute, are as follows:

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, the term loans have been applied for the purposes for which they were obtained. (Also, refer Note 4.45(ii) to the standalone financial statements)

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.

(e) On an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or joint venture. Further, the company did not have any associate companies during the year.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint venture. Further, the company did not have any associate companies during the year.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules,

Annexure B to Independent Auditors' Report
Referred to in paragraph 13 of the Independent Auditors' Report of even date to the members of Quality Care India Limited on the standalone financial statements as of and for the year ended March 31, 2025

2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, the Company has received whistle-blower complaints during the year, which have been considered by us for any bearing on our audit and reporting under this clause.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the standalone financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

(b) The reports of the Internal Auditor for the period under audit have been considered by us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CICs, which are part of the Group. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.

xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when

Quality Care India Limited
Notes to the standalone financial statements
(All amounts in ₹ millions, except share data and where otherwise stated)

1) Material Accounting Policies:

a) Background and basis of preparation:

Background

Quality Care India Limited ("the Company" or "QCIL") is a public company incorporated in 1992 and domiciled in India. The registered office of the Company is located at #6-3-248/2, Road no. 1, Banjara Hills, Hyderabad - 500034.

The Company is primarily engaged in providing healthcare and related services. The Company has a network of multi-speciality hospitals across various cities in India.

Basis of preparation:

(i) Compliance with Indian Accounting Standards (Ind AS)

The standalone financial statements of the Company have been prepared and presented in accordance with all material aspects with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The standalone financial statements were approved for issue in accordance with a resolution of the Board of Directors on 5th August 2025.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities that are measured at fair value;
- Defined benefit plan assets measured at fair value.
- Share-based payments

(iii) New and amended standards adopted by the Company

The Ministry of Corporate Affairs vide notification dated 9 September 2024 and 28 September 2024 notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024 and Companies (Indian Accounting Standards) Third Amendment Rules, 2024, respectively, which amended/ notified certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2024:

•Insurance contracts - Ind AS 117; and
•Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

(iv) Critical estimates and judgements:

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a high degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The area involving critical estimates or judgements are:

- Useful lives of property, plant and equipment and intangible assets
- Estimation of defined benefit obligations and other long-term benefit plan
- Estimated impairment of financial assets and non-financial assets
- Provision for expected credit loss
- Provisions and contingent liabilities

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Notes to the standalone financial statements
(All amounts in ₹ millions, except share data and where otherwise stated)

b) Property, plant and equipment

Freehold land is carried at historical cost. All other property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate the cost of the assets, net of their residual values, over their estimated useful lives as follows:

Asset description	Life of the assets (in years)
Buildings	60
Plant and Machinery used in medical and surgical operations	13
Furniture and fixtures	10
Vehicles	8
Office Equipment	5
Computers (end user devices)	3

Leasehold improvements are depreciated over the shorter of their useful life or the lease term, unless the entity expects to use the assets beyond the lease term.

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act; 2013, in order to reflect the actual usage of the asset's. The residual values are not more than 5% of the original cost of the asset's.

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.

Transition to Ind AS

On transition to Ind AS, The Company has elected to continue with the carrying value of all of its property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

c) Good will and other Intangible Assets

Goodwill

Goodwill arising on business combination is recorded at excess of the consideration paid over the fair value of the net assets taken-over. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

Other intangible assets

Other intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, other intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in the Statement of profit and loss in the period in which the expenditure is incurred.

The company amortizes other intangible assets with a finite useful life using the straight-line method over the following periods:

Asset description	Life of the asset (in years)
Software	3 to 5

An item of intangible asset is derecognised when no future economic benefit are expected to arise from the continued use of the asset or upon disposal. Any gain or loss on disposal of an item of intangible assets is recognised in profit or loss.

Transition to Ind AS

On transition to Ind AS, The Company has elected to continue with the carrying value of all of intangible assets measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

d) Revenue recognition

Revenue primarily comprises fees charged under contract for inpatient and/or outpatient hospital services and includes sale of products comprising medical and non-medical items. Hospital services include charges for accommodation, medical professional services, equipment, radiology, laboratory, pharmaceutical goods among others, used in treatments provided to the patients.

Contracts with customers could include promises to transfer multiple services/ products to a customer. The Company assesses the product/ services promised in a contract and identifies distinct performance obligation in the contract. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of services rendered, and goods sold is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract including claims. Further, the Company also determines whether the performance obligation is satisfied at a point in time or over a period of time. These judgments and estimations are based on various factors including contractual terms and historical experience.

Revenue from healthcare services and related activities

Revenue is recognised at the transaction price when each performance obligation is satisfied at a point in time when inpatient/ outpatients has actually received the service except for few specific services where the performance obligation is satisfied over a period of time.

Other operating revenue comprises revenue from various ancillary revenue generating activities such as clinical research, income from outsourced facilities and academic/training services which is recognised over the period of time, in accordance with the terms of the relevant agreements, as and when services are performed.

Price Waterhouse Chartered Accountants LLP LLPIN AAC-5001 FRN 012754N/N500016 Hyderabad

Quality Care India Limited Hyderabad

Revenue from sale of pharmacy
In respect of sale of pharmaceutical products, where the performance obligation is satisfied at a point in time, revenue is recognised when the control of goods is transferred to the customer.

Contract Assets and Liabilities
Revenue recognised by the Company where services are rendered to the customer and for which invoice has not been raised (which we refer as unbilled revenue) are classified as contract assets. Amount collected from the customer and services have not yet been rendered are classified as contract liabilities.

e) Trade receivables
Trade receivables are amounts due from customers for the sale of products or services in the ordinary course of business and reflects Company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

For trade receivables, the company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

f) Share based payments

Equity settled share options
The Company has granted employee stock options to the eligible employees of the company and its subsidiaries. As per the scheme, on fulfilling of the vesting conditions the Company will issue shares to the eligible employees of the company and its subsidiaries.

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model. That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the company's best estimate of the number of equity instruments that will ultimately vest.

Share appreciation rights
Liabilities for the Company share appreciation rights are recognised as employee benefit expense over the relevant service period based on the estimated number of rights that are expected to vest. The liabilities are presented as employee benefit obligations and remeasured to fair value at each reporting date, with any measurement changes recognised in profit or loss as employee benefit expense. In estimating the fair value, market conditions and non- vesting conditions are taken into account. Where share appreciation rights are forfeited due to a failure by the employee to satisfy the service conditions, the liability is derecognised and expenses previously recognised are reversed.

Price Waterhouse Chartered Accountants LLP LLPIN AAC-5001 FRN 012754N/N500016 Hyderabad

Quality Care India Limited Hyderabad

g) Business combination

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a subsidiary comprises the following;

- fair values of the assets transferred
- liabilities incurred to the former owners of the acquired business
- equity interests issued by the Company
- fair value of any asset or liability resulting from a contingent consideration arrangement.

The excess of the:

- consideration transferred
- amount of any non-controlling interest in the acquired entity
- acquisition date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used is the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified as equity or a financial liability. Amounts classified as a financial liability are subsequently measured at fair value with changes in fair value recognised in profit or loss.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date when the controlling stake was completed. Any gains or losses arising from such remeasurement are recognised in profit or loss or other comprehensive income, as appropriate.

Common control business combinations

Business combinations arising from transfers of interests in entities that are under the control of the shareholder that controls the Group are accounted for as if the acquisition had occurred at the beginning of the preceding period in the financial statements or, if later, at the date that common control was established; for this purpose comparatives are revised. The assets and liabilities acquired are recognised at their carrying amounts. The identity of the reserves is preserved, and they appear in the standalone financial statements of the Group in the same form in which they appeared in the financial statements of the acquired entity. The difference, if any, between the consideration and the amount of share capital of the acquired entity is transferred to capital reserve and is presented separately from other capital reserves.

Quality Care India Limited
Notes to the standalone financial statements
(All amounts in ₹ millions, except share data and where otherwise stated)

2) Summary of other accounting policies:

This note provides a list of other accounting policies adopted in the preparation of these financial statements to the extent they have not been disclosed in the other notes above. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest two decimal places of millions as per the requirement of Schedule III, unless otherwise stated.

b) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Foreign exchange gain or loss arising on foreign currency borrowings are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

c) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and unused losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The company measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is provided in full, using the Liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax base of investments in subsidiaries, branches and associates and interest in joint arrangements where the group is able to control the timing of the reversal of temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Price Waterhouse Chartered Accountants LLP LLPIN AAC-5001 FRN 012754N/N500016 Hyderabad
Quality Care India Limited Hyderabad

Deferred tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets and liabilities and where the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

d) Leases

As a lessee:

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the company. Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- amounts expected to be payable by the company under residual value guarantees
- the exercise price of a purchase option if the company is reasonably certain to exercise that option, and
- payments of penalties for terminating the lease, if the lease term reflects the company exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

If a readily observable amortizing loan rate is available to the individual lessee (through recent financing or market data) which has a similar payment profile to the lease, then the company use that rate as a starting point to determine the incremental borrowing rate.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of the lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs
- restoration costs

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less.

As a lessor:

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognised as expense over the lease term on the same basis as lease income. The respective leased assets are included in the balance sheet based on their nature.

Quality Care India Limited Hyderabad

e) Impairment of assets

Goodwill and other Intangible assets which has indefinite useful life are not subject to amortisation and tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

f) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and cash credit facility availed from banks. Cash credit facility availed from banks are shown within borrowings in current liabilities in the balance sheet.

g) Inventories:

Inventory of medical supplies, drugs and other consumables are valued at the lower of cost and net realisable value. Cost of medical supplies, drugs and other consumables comprises cost of purchases and are determined on the basis of weighted average method. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

h) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within credit period after recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

i) Borrowings

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in statement of profit and loss under other income/expenses as appropriate.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of financial statements for issue, not to demand payment as consequence of the breach.

j) Borrowings costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

Other borrowings costs are expensed in the period in which they are incurred.

k) Provisions, Contingent Assets and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses.

When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

The Company does not recognize a contingent liability but discloses its existence in the financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

The Company does not recognize a contingent asset but discloses its existence in the financial statements if the inflow of economic benefits is probable.

l) Employee benefits

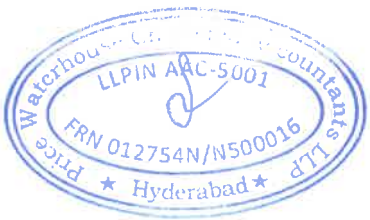

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. Therefore these obligations are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government bond yield rates at the end of the reporting period that have terms approximating to the terms of the related obligations. Remeasurements as a result of the experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The company operates the following post-employment schemes:

(a) Defined benefit plans - gratuity; and

(b) Defined contribution plans - provident fund.

Defined benefit plans - gratuity

The liability or assets recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligations at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and change in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

Defined contribution plans - provident fund

The company pays provident fund contributions to publicly administered funds as per local regulations. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

(iv) Bonus plans

The company recognises a liability and an expense for bonuses. The company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

m) Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds

n) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

o) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

• The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

• The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

p) Current or Non- current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when:

i) it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle

ii) it holds the asset primarily for the purpose of trading

iii) it expects to realise the asset within twelve months after the reporting period or

iv) the asset is cash or a cash equivalent (as defined in Ind AS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets shall be classified as non-current.

Liabilities

An entity shall classify a liability as current when:

i) it expects to settle the liability in its normal operating cycle

ii) it holds the liability primarily for the purpose of trading

iii) the liability is due to be settled within twelve months after the reporting period or

iv) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities shall be classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

q) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

r) Other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)

- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments that are not held for trading, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at FVOCI.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Recognition

Regular way purchases and sales of financial assets are recognised on trade-date, being the date on which the Company commits to purchase or sale the financial asset.

(iii) Measurement

At initial recognition, The Company measures a financial asset (excluding trade receivables which do not contain a significant financing component) at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the company classifies its debt instruments:

- *Amortised cost:* Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in statement of profit and loss.

- *Fair value through other comprehensive income (FVOCI):* Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in statement of profit and loss. Interest income from these financial assets is included in other income using the effective interest rate method.

- *Fair value through profit or loss:* Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

Equity investments in subsidiaries and joint venture are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in such entities, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

The company subsequently measures all other equity investments which are in scope of Ind AS 109 at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Derecognition of financial assets

A financial asset is derecognised only when

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(iv) Dividend and Interest Income recognition

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from financial assets at fair value through profit or loss is disclosed as interest income within other income. Interest income on financial assets at amortised cost and financial assets at FVOCI is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income.

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

s) Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of the assets and liabilities, the disclosure of the contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of these changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

t) Measurement of earnings before interest, tax, depreciation and amortisation (EBITDA)

As permitted by the Guidance Note on division II – Ind AS Schedule III to the Act, the Company has elected to present earnings before interest, tax, depreciation and amortisation (EBITDA) as a separate line item on the face of the Statement of profit and loss.

In its measurement of EBITDA, the Company includes other income but does not include depreciation and amortisation expense, impairment losses, finance cost and tax expense.

u) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Company's CODM (Chief Operating Decision Maker; which is the Board of Directors of the company) decided to have only one reportable segment as at the March 31, 2025, in accordance with IND AS 108 "Operating Segments".

v) Non current asset held for sale

The company classifies non-current assets held for sale if their carrying amounts will be principally recovered through a sale rather than through continuing use of assets and action required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets held for sale are measured at the lower of carrying amount and the fair value less cost to sell. Non-current assets are not depreciated or amortised.

w) Cash flow statement

The cash flow statement is prepared as per the Indirect Method. Cash Flow Statements present the cash flows by operating, financing and investing activities of the Company. Operating cash flows are arrived by adjusting profit or loss before tax for the effects of transactions of a non- cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

Management reviews the carrying value of goodwill annually to determine whether there has been any impairment by allocating the value of goodwill to a Cash Generating Unit (CGU). The Company has identified each hospital unit as CGU for this purpose. The Company has allocated the goodwill to Banjara Hills hospital unit and Malakpet hospital unit, which benefits from the synergies of the acquisition and which represents the lowest level at which goodwill is monitored for internal management purposes.

Value in use i.e. the enterprise value of each CGU is aggregate of cash flow projections, for five years as approved by Senior Management and beyond five years extrapolated using a long-term growth rate of 5%. Cash flow projections are discounted by a pre-tax discount rate, being the Weighted Average Cost of Capital (WACC), which is 14.01%.

The Management believes that any reasonably possible change in the above key assumptions on which recoverable amount is based would not cause the aggregate carrying amount to exceed the aggregate recoverable amount of the CGU.

Fair value hierarchy

Level 1: The fair value of financial instruments traded in active markets is based on quoted market prices at the end of the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. . If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The fair value hierarchy of financial assets and financial liabilities of the Company is level 3.

4.35 Financial instruments risk management

Financial Risk Management Framework

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's Board of Directors have an overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's principal financial liabilities comprises of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include investments, loans, trade and other receivables, and cash and bank balances that the Company derives directly from its operations.

The Company is exposed primarily to Credit Risk, Liquidity Risk and Market risk (fluctuations in interest rates and foreign currency rates), which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

A. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk arises primarily from financial assets such as trade receivables, investments, balances with banks, loans and other receivables.

Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, investments, cash and cash equivalents, bank deposits and other financial assets. None of the financial instruments of the Company result in material concentration of the credit risk.

Financial assets that are neither past due nor impaired

None of the Company's cash equivalents, including fixed deposits, were either past due or impaired as at 31 March 2025. Credit risk on cash and cash equivalents, including fixed deposits is limited as the Company generally transacts with banks and financial institutions with high credit ratings assigned by credit rating agencies.

Financial assets that are past due but not impaired :

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each Balance Sheet date whether a financial asset or a group of financial assets are impaired. Expected credit losses are measured at an amount equal to the life time expected credit losses. The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information.

B. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding to meet obligations when due. Management monitors the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at each hospital level in accordance with practice set by the company.

C. Market risk:

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, such as foreign currency denominated receivables and payables and variable interest rates of short-term and long-term borrowings. Market risk comprises two types of risk: interest rate risk and currency risk.

Quality Care India Limited Hyderabad

i. Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument shall fluctuate because of changes in the market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's borrowings with floating interest rates.

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	For the year ended 31 March 2025	For the year ended 31 March 2024
Variable rate instruments		
Financial liabilities	3,858.39	2,204.40

Sensitivity analysis

For the years ended 31 March 2025 and 31 March 2024, every 50 basis point decrease in the floating interest rate component applicable to the Company's borrowings would have increased the profit before tax approximately by 19.29 and 11.02 respectively. A 50 basis point increase in floating interest rate would have led to an equal but opposite effect.

ii. Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure shall fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense including capital expenditure is denominated in a foreign currency). The exposure of entity to foreign currency risk is very limited on account of limited transactions in foreign currencies.

The company's foreign currency receivables and payables are as

4.36 Capital risk management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholders value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payments to the shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total equity plus net debt. The Company's policy is to keep the gearing ratio below 30%. The Company includes within net debt, borrowings (long and short term), less cash and cash equivalents and investments in mutual funds.

	As at	
	31 March 2025	31 March 2024
Borrowings (refer note 4.14)	3,858.39	2,204.40
Lease Liabilities	2,081.09	1,373.13
Less: Cash and cash equivalents and Other bank balances	(122.78)	(264.66)
Net debt (A)	**5,816.70**	**3,312.87**
Total equity (B)	41,026.90	41,012.88
Net debt and total equity (A) + (B)	46,843.60	44,325.75
Gearing ratio (%)	**12.42%**	**7.47%**

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets the financial covenants attached to the borrowings. Breaches in meeting the financial covenants would permit the lenders to immediately call back the borrowings. In the current and previous year, debt service coverage ratio was not satisfied and the Company has taken waiver from the lenders.

No changes were made in the objectives, policies or processes for managing the capital during the years ended 31 March 2025 and 31 March 2024.

INDEPENDENT AUDITOR'S REPORT

To The Members of Quality Care India Limited
Report on the Audit of the Special Purpose Interim Condensed Consolidated Financial Statements

Opinion

We have audited the accompanying Special Purpose Interim Condensed Consolidated Financial Statements of **Quality Care India Limited** (the "Parent") and its subsidiaries (the Parent Company and its subsidiaries together referred to as "the Group") which includes Group's share of profit in its joint venture, which comprise the Special Purpose Interim Condensed Consolidated Balance Sheet as at September 30, 2025, and the Special Purpose Interim Condensed Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Special Purpose Interim Condensed Consolidated Statement of Cash Flows and the Special Purpose Interim Condensed Consolidated Statement of Changes in Equity for the six months then ended, and notes to the financial statements including summary of material accounting policies and other explanatory information (collectively, the "Special Purpose Interim Condensed Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate Special Purpose Interim Condensed Consolidated Financial Statements of the subsidiaries and joint venture referred to in the Other Matters section below, the aforesaid Special Purpose Interim Condensed Consolidated Financial Statements are prepared, in all material respects, in accordance with the basis set out in Note 2(a)(i) to the Special Purpose Interim Condensed Consolidated Financial Statements.

Basis for Opinion

We conducted our audit of the Special Purpose Interim Condensed Consolidated Financial Statements in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Special Purpose Interim Condensed Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Special Purpose Interim Condensed Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms is sufficient and appropriate to provide a basis for our audit opinion on the Special Purpose Interim Condensed Consolidated Financial Statements.

Emphasis of Matter - Basis of preparation and Restriction on Distribution and Use

We draw attention to Note 2(a)(i) of the Special Purpose Interim Condensed Consolidated Financial Statements, which describes the basis of preparation and presentation. This Special Purpose Interim Condensed Consolidated Financial Statements is prepared by the Group at the request of the Board of Directors of the Parent for onward submission of certain financial information as per the audited Special Purpose Interim Condensed Consolidated Financial Statements in the abridged prospectus of Aster DM Healthcare Limited for proposed merger of the Company with Aster DM Healthcare Limited. Accordingly, this report is not for the use or benefit of any other party, made available to or otherwise disclosed to any other party and, we do not accept or assume any liability or duty of care to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Special Purpose Interim Condensed Consolidated Financial Statements

The preparation of the Special Purpose Interim Condensed Consolidated Financial Statements is the responsibility of the Board of Directors of the Parent Company in accordance with the basis stated in Note 2(a)(i) to the Special Purpose Interim Condensed Consolidated Financial Statements for the purpose set out in "Emphasis of Matter- Basis of preparation and Restriction on Distribution and Use" paragraph.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of Special Purpose Interim Condensed Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Special Purpose Interim Condensed Consolidated Financial Statements, management and the respective Board of Directors of the companies included in the Group are responsible for assessing the respective Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate their respective Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the Company's financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Special Purpose Interim Condensed Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Special Purpose Interim Condensed Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Special Purpose Interim Condensed Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Special Purpose Interim Condensed Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Special Purpose Interim Condensed Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Special Purpose Interim Condensed Consolidated Financial Statements, including the disclosures, and whether the Special Purpose Interim Condensed Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and its joint venture to express an opinion on the Special Purpose Consolidated Interim Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Special Purpose Interim Condensed Financial Statements of such entities included in the Special Purpose Interim Condensed Consolidated Financial Statements of which we are the independent auditors. For the entities included in the Special Purpose Interim Condensed Consolidated Financial Statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Special Purpose Interim Condensed Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Special Purpose Interim Condensed Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Special Purpose Interim Condensed Consolidated Financial Statements.

We communicate with those charged with governance of the Parent and such other entities included in the Special Purpose Consolidated Interim Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

(a) We did not audit the Special Purpose Interim Condensed Financial Statements of two subsidiaries, whose Special Purpose Interim Condensed Financial Statements reflect total assets of ₹ 8,198.25 million as at September 30, 2025, total revenues of ₹ 4,499.94 million and net cash inflows amounting to ₹ 736.71 for the six months ended on that date, as considered in the Special Purpose Interim Condensed Consolidated Financial Statements. These Special Purpose Interim Condensed Financial Statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Special Purpose Interim Condensed Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries , and our report in terms of subsection (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Deloitte
Haskins & Sells

(b) We did not audit the Special Purpose Interim Condensed Financial Statements of three subsidiaries, whose Special Purpose Interim Condensed Financial Statements reflect total assets of ₹ 9,867.47 million as at September 30, 2025, total revenues of ₹ 168.29 million and net cash outflow amounting to ₹ 1.19 million for the six months ended on that date, as considered in the Special Purpose Interim Condensed Consolidated Financial Statements. These Special Purpose Interim Condensed Financial Statements are unaudited and have been furnished to us by the Management and our opinion on the Special Purpose Interim Condensed Consolidated Financial Statements in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on such Special Purpose Interim Condensed Financial Statements. In our opinion and according to the information and explanations given to us by the Management, these Special Purpose Interim Condensed Financial Statements are not material to the Group.

(c) The Special Purpose Interim Condensed Consolidated Financial Statements also include the Group's share of net profit of ₹ Nil for the six months ended September 30, 2025, as considered in the Special Purpose Interim Condensed Consolidated Financial Statements, in respect of a joint venture, whose Special Purpose Interim Condensed Financial Statements have not been audited by us. These Special Purpose Interim Condensed Financial Statements are unaudited and have been furnished to us by the Management and our opinion on the Special Purpose Interim Condensed Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this joint venture, is based solely on such unaudited Special Purpose Interim Condensed Financial Statements. In our opinion and according to the information and explanations given to us by the Management, this Special Purpose Interim Condensed Financial Statements are not material to the Group.

Our opinion on the Special Purpose Interim Condensed Consolidated Financial Statements above is not modified in respect of the above matters with respect to our reliance on the work done and the reports of other auditors and the Special Purpose Interim Condensed Financial Statements certified by the Management.

Quality Care India Limited

Notes to the Special Purpose Interim condensed consolidated financial statements

(All amounts in ₹ million, except share data and where otherwise stated)

1) Corporate information

Quality Care India Limited ("the Company" or "QCIL" or "Parent Company" or "Parent") is a public company domiciled in India and is incorporated under the erstwhile provisions of the Companies Act, 1956 applicable in India. The registered office of the Company is located at #6 3-248/2, Road no. 1, Banjara Hills, Hyderabad - 500034.

The Parent Company and its subsidiaries (collectively referred to as "Group") and a joint venture are primarily engaged in providing healthcare and related services. The Group has a network of multi-speciality hospitals across various cities in India and Bangladesh.

2) Material Accounting Policies

a) Statement of compliance

(i) Basis of preparation

The Special Purpose Interim condensed consolidated financial statements of the Company and its subsidiaries (collectively, the "Group") and joint venture comprises the Consolidated Balance Sheet as at September 30, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the six months ended September 30, 2025 and a summary of material accounting policies and other explanatory information (together referred to as the "Special Purpose Interim Condensed Consolidated Financial Statements").

The special purpose interim condensed consolidated financial statements of the Company have been prepared as per the recognition and measurement principles of Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India except for:

1. Presenting comparative financial information in line with Para 5(ea) to Ind AS 34 read with paragraphs 38 and 38A of Ind AS 1 "Presentation Financial Statements" and;

2. Disclosing all the notes and other explanatory information as required by Para 5(e) to 'Ind AS 34' and 'Guidance note on Division II Ind AS Schedule III to The Companies Act, 2013'.

The special purpose interim condensed consolidated financial statements have been prepared by the Company's Management at the request of the Board of Directors of the Company for onward submission of certain financial information as per the audited Special Purpose interim condensed consolidated financial statements in the prospectus of Aster DM Healthcare Limited for proposed merger of the Company with Aster DM Healthcare Limited.

These Special Purpose Interim Condensed Consolidated Financial Statements have been approved by the Board of Directors of the Company on 27 January 2026.

(ii) Historical cost convention

The Special Purpose Interim condensed consolidated financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities measured at fair value ;
- Assets held for sale - measured at fair value less cost to sell
- Defined benefit plan - plan assets measured at fair value.
- Share-based payments

(iii) Critical estimates and judgements:

The preparation of financial information requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a high degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial information.

The area involving critical estimates or judgements are:

- Useful lives of property, plant and equipment, right-of-use assets and intangible assets
- Estimation of defined benefit obligations and other long-term benefit plan
- Estimated impairment of financial assets and non-financial assets
- Provision for expected credit loss
- Provisions and contingent liabilities

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

(iv) Basis of consolidation

The Special Purpose Interim condensed consolidated financial statements comprise the financial statements of the Parent Company and its subsidiaries and a joint venture.

List of subsidiaries and joint venture included in the Special purpose Interim condensed consolidated financial statement is as under:

b) Property, plant and equipment

Freehold land is carried at historical cost. All other property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is provided on the basis of straight line method, except for Ramkrishna Care Medical Sciences Private Limited where depreciation is provided on the basis of written down value method. Depreciation is provided using the useful lives and in the manner prescribed below:

Asset description	Life of the asset (in years)
Buildings	15 - 60
Plant and Machinery used in medical and surgical operations	3 - 13
Furniture and fixtures	4 - 10
Vehicles	5 - 8
Office Equipment	5 - 10

Leasehold improvements are depreciated over the shorter of their useful life or the lease term, unless the entity expects to use the assets beyond the

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.

Quality Care India Limited Hyderabad

c) Investment Properties

Investment properties, principally land and office buildings, are held for long-term rental yields and are not occupied by the group. They are carried at cost.

Investment properties are depreciated using the straight-line method to allocate the cost of assets over their estimated useful lives. Investment properties (buildings) has useful life of 53 years.

Investment property is measured initially at cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

d) Intangible Assets

(i) Goodwill

Goodwill arises on acquisition of subsidiaries and businesses. Goodwill is not amortised but is reviewed for impairment at least annually. For the purpose of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or groups of cash-generating units) expected to benefit from the synergies of the combination. Cash-generating units to which goodwill has been allocated are tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than the carrying amount of the unit, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit. An impairment loss recognised for goodwill is not reversed in a subsequent period.

On disposal of a cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

(ii) Other intangible assets

Other intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, other intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in the Statement of profit and loss in the period in which the expenditure is incurred.
The Group amortizes other intangible assets with a finite useful life using the straight-line method over the following periods:

Asset description	Life of the asset (in years)
Software	3 - 5

An item of intangible asset is derecognised when no future economic benefit are expected to arise from the continued use of the asset or upon disposal. Any gain or loss on disposal of an item of intangible assets is recognised in profit or loss.

(iii) Brands and trademarks

Trademarks and brands acquired in a business combination are recognised at fair value at the acquisition date. The management has considered life of brand and trademark having an indefinite life because there is no foreseeable limit of the asset and it is expected to contribute the net cash inflows indefinitely.

In accordance with Ind AS 36, the group to test an intangible asset with an indefinite useful life for impairment by comparing its recoverable amount with its carrying amount (a) annually, and (b) whenever there is an indication that the intangible asset may be impaired.

Review of useful life assessment: The useful life of an intangible asset that is not being amortized shall be reviewed each period to determine whether events and circumstances continue to support an indefinite useful life assessment for that asset. If they do not, the change in the useful life assessment from indefinite to finite shall be accounted for as a change in an accounting estimate in accordance with Ind AS 8.

In accordance with Ind AS 36, reassessing the useful life of an intangible asset as finite rather than indefinite is an indicator that the asset may be impaired. As a result, the entity tests the asset for impairment by comparing its recoverable amount, determined in accordance with Ind AS 36, with its carrying amount, and recognizing any excess of the carrying amount over the recoverable amount as an impairment loss.

DELOITTE HASKINS & SELLS CHARTERED ACCOUNTANTS

Quality Care India Limited Hyderabad

e) Revenue recognition

Revenue primarily comprises fees charged under contract for inpatient and/or outpatient hospital services and includes sale of products

Contracts with customers could include promises to transfer multiple services/ products to a customer. The Group assesses the product/ services promised in a contract and identifies distinct performance obligation in the contract. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of services rendered, and goods sold is net of variable consideration on account of various discounts and schemes offered by the Group as part of the contract including claims. Further, the Group also determines whether the performance obligation is satisfied at a point in time or over a period of time. These judgments and estimations are based on various factors including contractual terms and historical experience.

Revenue from healthcare services and related activities

Revenue is recognised at the transaction price when each performance obligation is satisfied at a point in time when inpatient/ outpatients has actually received the service except for few specific services where the performance obligation is satisfied over a period of time.

Other operating revenue comprises revenue from various ancillary revenue generating activities such as clinical research, income from outsourced facilities and academic/training services which is recognised over the period of time, in accordance with the terms of the relevant agreements, as and when services are performed.

Revenue from sale of pharmacy

In respect of sale of pharmaceutical products, where the performance obligation is satisfied at a point in time, revenue is recognised when the control of goods is transferred to the customer.

Trade receivables

For trade receivables, the Group applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

f) Share based payments

Equity settled share options

The Parent Company has granted employee stock options to the eligible employees of the Group. As per the scheme, on fulfilling of the vesting conditions the Parent Company will issue shares to the eligible employees of the Group.

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model. That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Group's best estimate of the number of equity instruments that will ultimately vest. The expense or credit in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the Group's best estimate of the number of equity instruments that will ultimately vest.

Share appreciation rights

Liabilities for the Group share appreciation rights are recognised as employee benefit expense over the relevant service period based on the estimated number of rights that are expected to vest. The liabilities are presented as employee benefit obligations and remeasured to fair value at each reporting date, with any measurement changes recognised in profit or loss as employee benefit expense. In estimating the fair value, market conditions and non- vesting conditions are taken into account. Where share appreciation rights are forfeited due to a failure by the employee to satisfy the service conditions, the liability is derecognised and expenses previously recognised are reversed.

g) Business combination

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are

- fair values of the assets transferred
- liabilities incurred to the former owners of the acquired business
- equity interests issued by the Group
- fair value of any asset or liability resulting from a contingent consideration arrangement.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. The group recognises any non- controlling interest in the acquired entity on an acquisition-by-acquisition basis either at fair value or at the non- controlling interests proportionate share of the acquired entity's net identifiable assets. Acquisition-related costs are expensed as incurred.

The excess of the:

- consideration transferred
- amount of any non-controlling interest in the acquired entity
- acquisition date fair value of any previous equity interest in the acquired entity

Over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used is the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fair value recognised in profit or loss.

If the business combination is achieved stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date. Any gains or losses arising from such remeasurement are recognised in profit or loss or other comprehensive income, as appropriate.

Common control business combinations

Business combinations arising from transfers of interests in entities that are under the control of the shareholder that controls the Group are accounted for as if the acquisition had occurred at the beginning of the preceding period in the financial statements or, if later, at the date that common control was established; for this purpose comparatives are revised. The assets and liabilities acquired are recognised at their carrying amounts. The identity of the reserves is preserved, and they appear in the standalone financial statements of the Group in the same form in which they appeared in the financial statements of the acquired entity. The difference, if any, between the consideration and the amount of share capital of the acquired entity is transferred to capital reserve.

h) Principles of consolidation and equity accounting

(i) Subsidiaries

Subsidiaries are all entities over which the group has control. The group controls an entity where the group is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the group.

The Group combines the financial statements of the parent company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income, expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides an evidence of impairment of the transferred asset. Accounting policies of the subsidiaries have been changed where necessary to ensure consistency with the accounting policies adopted by the group.

(iii) Changes in ownership interests

The group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of adjustment to non-controlling interests and consideration paid or received is recognised within equity.

When the group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to profit or loss.

If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognised in other comprehensive income are reclassified to profit or loss where appropriate.

(iv) Equity Method

Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in note 3(e) below.

3) Summary of other accounting policies

This note provides a list of other accounting policies adopted in the preparation of these special purpose interim condensed consolidated financial statements to the extent they have not been disclosed in the other notes above. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Rounding of amounts

All amounts disclosed in the special purpose interim condensed consolidated financial statements and notes have been rounded off to the nearest two decimal places of millions as per the requirement of Schedule III, unless otherwise stated.

b) Foreign currency translation

(i) Functional and presentation currency

Items included in the special purpose interim condensed consolidated financial statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The special purpose interim condensed consolidated financial statements are presented in Indian rupee (INR), which is Group's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. They are deferred in equity if they relate to qualifying cash flow hedges and qualifying net investment hedges or are attributable to part of the net investment in a foreign operation. A monetary item for which settlement is neither planned nor likely to occur in the foreseeable future is considered as a part of the entities net investment in that foreign operation.

Foreign exchange differences arising on foreign currency borrowings are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

DELOITTE HASKINS & SELLS CHARTERED ACCOUNTANTS

Quality Care India Limited Hyderabad

(iii) Group companies

The results and financial position of foreign operations (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:
- all resulting exchange differences are recognised in other comprehensive income.

On consolidation, exchange differences arising from the translation of any net investment in foreign entities, and of borrowings and other financial instruments designated as hedges of such investments, are recognised in other comprehensive income. When a foreign operation is sold, the associated exchange differences are reclassified to profit or loss, as part of the gain or loss on sale.

Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate.

c) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and unused losses.
The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the special purpose interim condensed consolidated financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are not recognised for temporary differences between the carrying amount and tax base of investments in subsidiaries, branches and associates and interest in joint arrangements where the group is able to control the timing of the reversal of temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum alternate tax (MAT) paid in a period is charged to the Special purpose interim condensed sonsolidated Statement of Profit and Loss as current tax. The Group recognizes MAT credit available as deferred tax asset only to the extent it is probable that sufficient taxable profit will be available to allow all or part of MAT credit to be utilised during the specified period, i.e., the period for which such credit is allowed to be utilised.

d) Leases

As a lessee:

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Group. Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- amounts expected to be payable by the Group under residual value guarantees
- the exercise price of a purchase option if the Group is reasonably certain to exercise that option, and
- payments of penalties for terminating the lease, if the lease term reflects the Group exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Group, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions. The lease agreements do not impose any covenants other than the security interests in the leased assets that are held by the lessor. Leased assets may not be used as security for borrowing purposes.

If a readily observable amortizing loan rate is available to the individual lessee (through recent financing or market data) which has a similar payment profile to the lease, then the Group use that rate as a starting point to determine the incremental borrowing rate.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of the lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs
- restoration costs

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Group is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less.

As a lessor:

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognised as expense over the lease term on the same basis as lease income. The respective leased assets are included in the balance sheet based on their nature.

e) Impairment of assets

Goodwill and other Intangible assets which has indefinite useful life are not subject to amortisation and tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

f) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and cash credit facility availed from banks. Cash credit facility availed from banks are shown within borrowings in current liabilities in the balance sheet.

g) Inventories:

Inventory of medical supplies, drugs and other consumables are valued at the lower of cost and net realisable value. Cost of medical supplies, drugs and other consumables comprises cost of purchases and are determined on the basis of weighted average method. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

h) Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within credit period after recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

i) Borrowings

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in special purpose interim condensed consolidated statement of profit and loss under other income.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of special purpose interim condensed consolidated financial statements for issue, not to demand payment as consequence of the breach.

j) Borrowings costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

Other borrowings costs are expensed in the period in which they are incurred.

k) Provisions, Contingent Assets and Contingent Liabilities

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses.

When the Group expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

The Group does not recognize a contingent liability but discloses its existence in the special purpose interim condensed consolidated financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

The Group does not recognize a contingent asset but discloses its existence in the special purpose interim condensed consolidated financial statements if the inflow of economic benefits is probable.

l) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. Therefore these obligations are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government bond yield rates at the end of the reporting period that have terms approximating to the terms of the related obligations. Remeasurements as a result of the experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The Group operates the following post-employment schemes:

(a) Defined benefit plans - gratuity; and

(b) Defined contribution plans - provident fund.

Defined benefit plans - gratuity

The liability or assets recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligations at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and change in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

DELOITTE HASKINS & SELLS CHARTERED ACCOUNTANTS

Quality Care India Limited Hyderabad

Defined contribution plans - provident fund

The Group pays provident fund contributions to publicly administered funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

(iv) Bonus plans

The Group recognises a liability and an expense for bonuses. The Group recognises a provision where contractually obliged or where contractually obliged or where there is a past practice that has created a constructive obligation.

m) Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

n) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

o) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the Group
- By the weighted average number of equity shares outstanding during the period, adjusted for bonus elements in equity shares issued during the period.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

p) Current or Non- current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when:

i) it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle

ii) it holds the asset primarily for the purpose of trading

iii) it expects to realise the asset within twelve months after the reporting period or

iv) the asset is cash or a cash equivalent (as defined in Ind AS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets shall be classified as non-current.

DELOITTE HASKINS & SELLS CHARTERED ACCOUNTANTS

Quality Care India Limited Hyderabad

Liabilities

An entity shall classify a liability as current when:

i) it expects to settle the liability in its normal operating cycle

ii) it holds the liability primarily for the purpose of trading

iii) the liability is due to be settled within twelve months after the reporting period or

iv) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities shall be classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

q) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of The Group or the counterparty.

r) Other financial assets

(i) Classification

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments that are not held for trading, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at FVOCI.

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Recognition

Regular way purchases and sales of financial assets are recognised on trade-date, being the date on which the Group commits to purchase or sale the financial asset.

(iii) Measurement

At initial recognition, The Group measures a financial asset (excluding trade receivables which do not contain a significant financing component) at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

DELOITTE HASKINS & SELLS CHARTERED ACCOUNTANTS

Quality Care India Limited Hyderabad

Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments:

- *Amortised cost:* Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in statement of profit and loss.

- *Fair value through other comprehensive income (FVOCI):* Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in statement of profit and loss. Interest income from these financial assets is included in other income using the effective interest rate method.

- *Fair value through profit or loss:* Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Group subsequently measures all other equity investments which are in scope of Ind AS 109 at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Group's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Derecognition of financial assets

A financial asset is derecognised only when

- the Group has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

DELOITTE HASKINS & SELLS CHARTERED ACCOUNTANTS

Quality Care India Limited Hyderabad

(iv) Dividend and Income recognition

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably).
Interest income from financial assets at fair value through profit or loss is disclosed as interest income within other income. Interest income on financial assets at amortised cost and financial assets at FVOCI is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income.

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

s) Measurement of earnings before interest, tax, depreciation and amortisation (EBITDA)

As permitted by the Guidance Note on division II – Ind AS Schedule III to the Act, the Group has elected to present earnings before interest, tax, depreciation and amortisation (EBITDA) as a separate line item on the face of the Statement of profit and loss.

In its measurement of EBITDA, the Group includes other income but does not include depreciation and amortisation expense, impairment losses, finance cost and tax expense.

t) Non current asset held for sale

The Group classifies non-current assets held for sale if their carrying amounts will be principally recovered through a sale rather than through continuing use of assets and action required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets held for sale are measured at the lower of carrying amount and the fair value less cost to sell. Non-current assets are not depreciated or amortised.
Financial assets with in the scope of Ind AS 109 and classified as asset held for sale continues to be measured as per Ind AS 109.

u) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The CODM (Chief Operating Decision Maker) decided to have only one reportable segment as at the September 30, 2025, in accordance with Ind AS 108 "Operating Segments".

v) Statement of Cash Flows

The Statement of Cash Flows is prepared as per the Indirect Method. Statement of Cash Flows present the cash flows by operating, financing and investing activities of the Group. Operating cash flows are arrived by adjusting profit or loss before tax for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

w) Use of estimates

The preparation of the special purpose interim condensed consolidated financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of the assets and liabilities, the disclosure of the contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of these changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the special purpose interim condensed consolidated financial statements.

x) Put Options

The Company has issued written put option to noncontrolling interests in certain subsidiaries of the Group in accordance with the terms of underlying agreement with such option holders. Should the option be exercised, the Group has to settle such liability by payment of cash.

Accounting on Initial Recognition: The amount that may become payable under the option on exercise is recognised as a financial liability at fair value on the transaction date with a corresponding charge directly to the shareholders' equity.

Subsequent Measurement: The liability is subsequently accreted through finance charges recognised under finance cost in the Statement of Profit and Loss up to the redemption amount that is payable at the date on which the option first becomes exercisable. In the event that the option expires unexercised, the liability is derecognised with a corresponding adjustment to equity.

y) Exceptional items

An item of income or expense which by its size, nature or incidence requires disclosure in order to improve an understanding of the performance of the Group is treated as an exceptional item and disclosed separately in the consolidated financial statements

Non-controlling interest (NCI)	**16,197.42**

Nature and purpose of reserves

Retained earnings:
Retained earnings comprises of the amounts that can be distributed by the Company as dividends to its equity share holders

Securities premium
Securities premium is used to record the premium on issue of equity shares. It is utilised in accordance with provisions of the Companies Act, 2013 ("the Act").

Capital reserve
This reserve represents the difference between the value of net asset transferred to the Group in the course of business combinations and the consideration paid for such business combinations.

Share options outstanding account

The fair value of the equity-settled share based payment transactions with employees is recognised in statement of profit and loss with corresponding credit to Employee Stock option reserve. This will be utilised for allotment of equity shares against outstanding employee stock options.

Equity component of compulsory convertible preference shares

Other components of equity represent the equity component of compulsorily convertible preference shares.

During the earlier years, the 0.001% Compulsorily Convertible Preference Shares ("CCPS") were partly presented within Other Equity. These CCPS were converted into equity shares in earlier years and, accordingly, do not exist as outstanding instruments. Since the CCPS were issued on variable conversion terms, there was no equity component involved. Accordingly, the balance previously recognised within Other Equity as "Equity component of CCPS" has been reclassified to Retained Earnings within Other Equity.

Foreign currency translation reserve

The exchange differences arising from the translation of financial statements of foreign operations from their functional currencies to Indian Rupee are recognised in other comprehensive income and is presented within equity as Exchange difference in translating financial statements of foreign operations

Remeasurement of net defined benefit liabilty/(asset)
Pertains to the remeasurement of the net defined benefit liability/ (asset) recognised net of tax

4.33 The country of Bangladesh has experienced political unrest and instability in the past. However, the situation has stabilized, and STSHL & STSHCL operations have resumed as usual. Given the essential nature of the Healthcare services provided by STSHL & STSHCL and the scale of its business operations, STSHL & STSHCL had not noted any impact on the recoverability of its assets and business operations.

The management continues to monitor the economic and political situation in Bangladesh and will assess any potential impact on STSHL & STSHCL's operations and financial position. As of now, STSHL & STSHCL does not foresee any material impact on its business operations or assets.

4.34 As per the Share Purchase agreement (SPA) entered between the Parent Company, Condis India Healthcare Limited ("Condis") and the Selling Shareholders of Condis ("Sellers") dated 10th September 2023, Condis agreed with the Parent Company to sell off the investments held in KIMS Holding Co. BSC by its subsidiary KIMS Healthcare Management Limited (KHML). Accordingly since 2022-23, the investment held in KIMS Holding Co. BSC was classified as "Assets Held for Sale" and continues to be measured at fair value through other comprehensive income.

Subsequent to September 30, 2025, KHML sold the shares held in KIMS holding B.S.C for a consideration of ₹ 526.87 million. Consequently, the difference between the carrying value of asset held for sale and the consideration realised has been adjusted to 'Other Comprehensive Income' in the Special Purpose Interim Condensed consolidated financial statements

4.35 The Company entered into share holders agreement dated 10 June 2022, with its subsidiary United CIIGMA Institute of Medical Sciences Private Limited ("United CIIGMA") and United CIIGMA's promoters (non-controlling interest). The Group has recorded liability towards put option to acquire the non-controlling interest at its fair value.

4.36 Subsequent events

a) Convenient Hospitals Limited ("CHL") a wholly owned subsidiary of Quality Care India Limited, CHL has issued 9.63% 1,22,500 Listed, Rated, Secured, Redeemable Non-Convertible Debentures (NCDs) of face value of ₹ 100,000 each aggregating ₹ 12,250 million on private placement basis. These NCDs were listed on BSE Limited on 3 October 2025.

b) The Board of Directors of Convenient Health Limited (CHL), at its meeting held on November 30, 2025, approved the acquisition of stake in SCL Healthcare Private Limited ("SCL" / "Accord Hospitals").

Pursuant to the same, CHL has acquired 75,16,560 equity shares from existing shareholders of SCL and was further allotted 20,50,021 equity shares pursuant to a fresh issue of equity shares. Consequently, CHL holds an aggregate of 95,66,581 equity shares, representing 12.73% of the paid-up equity share capital of SCL Healthcare Private Limited.

4.37 On November 21, 2025, the Government of India notified provisions of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020, ('Labour Codes') which consolidate twenty-nine existing labour laws into a unified frame work governing employee benefits during employment and post employment. The Labour Codes, amongst other things introduces changes, including a uniform definition of wages and enhanced benefits relating to leave. The Group is in the process of evaluating the financial impact of these labour codes. Considering the above is a subsequent non-adjusting event, no impact has given to these special purpose interim condensed consolidated financial statements.

4.38 The Board of Directors of the Condis India Healthcare Private Limited ("Condis"), a subsidiary Company and KIMS Healthcare Management Limited ("KHML"), a step-down subsidiary at its meeting held on 26 June 2024, approved a Scheme of Amalgamation of Condis into and with the KHML, pursuant to Sections 230 to 232 and other relevant provisions of the Companies Act, 2013.

The scheme was approved by the National Company Law Tribunal ('NCLT') vide their order dated 11 November 2025 with an appointed date of 01 April 2024, and is effective from December 10, 2025, being the date of filing the same with the Ministry of Corporate Affairs ("MCA"). This was considered as a subsequent adjusting event.

Considering this as Common control business acquisition, there is no impact on Special Purpose Interim Condensed consolidated financial statements. In relation to the scheme, the Company has incurred stamp duty charges aggregating ₹ 125.37 million which have been disclosed as exceptional item.

Quality Care India Limited
Notes to the Special Purpose Interim Condensed standalone financial statements
(All amounts in ₹ millions, except share data and where otherwise stated)

1) Material Accounting Policies:

a) Background and basis of preparation:

Background

Quality Care India Limited ("the Company" or "QCIL") is a public company incorporated in 1992 and domiciled in India. The registered office of the Company is located at #6-3-248/2, Road no. 1, Banjara Hills, Hyderabad - 500034.

The Company is primarily engaged in providing healthcare and related services. The Company has a network of multi-speciality hospitals across various cities in India.

Basis of preparation:

(i) Compliance with Indian Accounting Standards (Ind AS)

The Special Purpose Interim Condensed standalone financial statements of the Company have been prepared and presented in accordance with all material aspects with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities that are measured at fair value;
- Defined benefit plan assets measured at fair value.
- Share-based payments

(iii) Critical estimates and judgements:

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a high degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The area involving critical estimates or judgements are:

- Useful lives of property, plant and equipment and intangible assets
- Estimation of defined benefit obligations and other long-term benefit plan
- Estimated impairment of financial assets and non-financial assets
- Provision for expected credit loss
- Provisions and contingent liabilities

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

b) Property, plant and equipment

Freehold land is carried at historical cost. All other property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate the cost of the assets, net of their residual values, over their estimated useful lives as follows:

Asset description	**Life of the assets (in years)**
Buildings	60
Plant and Machinery used in medical and surgical operations	13
Furniture and fixtures	10
Vehicles	8
Office Equipment	5
Computers (end user devices)	3

Leasehold improvements are depreciated over the shorter of their useful life or the lease term, unless the entity expects to use the assets beyond the lease term.

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act; 2013, in order to reflect the actual usage of the asset's. The residual values are not more than 5% of the original cost of the asset's.

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.

Transition to Ind AS

On transition to Ind AS, The Company has elected to continue with the carrying value of all of its property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

c) Good will and other Intangible Assets

Goodwill

Goodwill arising on business combination is recorded at excess of the consideration paid over the fair value of the net assets taken-over. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

Other intangible assets

Other intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, other intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in the Statement of profit and loss in the period in which the expenditure is incurred.

The company amortizes other intangible assets with a finite useful life using the straight-line method over the following periods:

Asset description	Life of the asset (in years)
Software	3 to 5

An item of intangible asset is derecognised when no future economic benefit are expected to arise from the continued use of the asset or upon disposal. Any gain or loss on disposal of an item of intangible assets is recognised in profit or loss.

Transition to Ind AS

On transition to Ind AS, The Company has elected to continue with the carrying value of all of intangible assets measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

d) Revenue recognition

Revenue primarily comprises fees charged under contract for inpatient and/or outpatient hospital services and includes sale of products comprising medical and non-medical items. Hospital services include charges for accommodation, medical professional services, equipment, radiology, laboratory, pharmaceutical goods among others, used in treatments provided to the patients.

Contracts with customers could include promises to transfer multiple services/ products to a customer. The Company assesses the product/ services promised in a contract and identifies distinct performance obligation in the contract. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of services rendered, and goods sold is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract including claims. Further, the Company also determines whether the performance obligation is satisfied at a point in time or over a period of time. These judgments and estimations are based on various factors including contractual terms and historical experience.

Revenue from healthcare services and related activities

Revenue is recognised at the transaction price when each performance obligation is satisfied at a point in time when inpatient/ outpatients has actually received the service except for few specific services where the performance obligation is satisfied over a period of time.

Other operating revenue comprises revenue from various ancillary revenue generating activities such as clinical research, income from outsourced facilities and academic/training services which is recognised over the period of time, in accordance with the terms of the relevant agreements, as and when services are performed.

Revenue from sale of pharmacy
In respect of sale of pharmaceutical products, where the performance obligation is satisfied at a point in time, revenue is recognised when the control of goods is transferred to the customer.

Contract Assets and Liabilities
Revenue recognised by the Company where services are rendered to the customer and for which invoice has not been raised (which we refer as unbilled revenue) are classified as contract assets. Amount collected from the customer and services have not yet been rendered are classified as contract liabilities.

e) Trade receivables
Trade receivables are amounts due from customers for the sale of products or services in the ordinary course of business and reflects Company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

For trade receivables, the company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

f) Share based payments

Equity settled share options
The Company has granted employee stock options to the eligible employees of the company and its subsidiaries. As per the scheme, on fulfilling of the vesting conditions the Company will issue shares to the eligible employees of the company and its subsidiaries.

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model. That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the company's best estimate of the number of equity instruments that will ultimately vest.

Share appreciation rights
Liabilities for the Company share appreciation rights are recognised as employee benefit expense over the relevant service period based on the estimated number of rights that are expected to vest. The liabilities are presented as employee benefit obligations and remeasured to fair value at each reporting date, with any measurement changes recognised in profit or loss as employee benefit expense. In estimating the fair value, market conditions and non- vesting conditions are taken into account. Where share appreciation rights are forfeited due to a failure by the employee to satisfy the service conditions, the liability is derecognised and expenses previously recognised are reversed.

g) Business combination

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a subsidiary comprises the following;

- fair values of the assets transferred
- liabilities incurred to the former owners of the acquired business
- equity interests issued by the Company
- fair value of any asset or liability resulting from a contingent consideration arrangement.

The excess of the:

- consideration transferred
- amount of any non-controlling interest in the acquired entity
- acquisition date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used is the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified as equity or a financial liability. Amounts classified as a financial liability are subsequently measured at fair value with changes in fair value recognised in profit or loss.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date when the controlling stake was completed. Any gains or losses arising from such remeasurement are recognised in profit or loss or other comprehensive income, as appropriate.

Common control business combinations

Business combinations arising from transfers of interests in entities that are under the control of the shareholder that controls the Group are accounted for as if the acquisition had occurred at the beginning of the preceding period in the financial statements or, if later, at the date that common control was established; for this purpose comparatives are revised. The assets and liabilities acquired are recognised at their carrying amounts. The identity of the reserves is preserved, and they appear in the standalone financial statements of the Group in the same form in which they appeared in the financial statements of the acquired entity. The difference, if any, between the consideration and the amount of share capital of the acquired entity is transferred to capital reserve and is presented separately from other capital reserves.

2) Summary of other accounting policies:

This note provides a list of other accounting policies adopted in the preparation of these financial statements to the extent they have not been disclosed in the other notes above. These policies have been consistently applied to all the periods presented, unless otherwise stated.

a) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest two decimal places of millions as per the requirement of Schedule III, unless otherwise stated.

b) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at period end exchange rates are generally recognised in profit or loss.

Foreign exchange gain or loss arising on foreign currency borrowings are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

c) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and unused losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The company measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is provided in full, using the Liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax base of investments in subsidiaries, branches and associates and interest in joint arrangements where the group is able to control the timing of the reversal of temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets and liabilities and where the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

d) Leases

As a lessee:

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the company. Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- amounts expected to be payable by the company under residual value guarantees
- the exercise price of a purchase option if the company is reasonably certain to exercise that option, and
- payments of penalties for terminating the lease, if the lease term reflects the company exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

If a readily observable amortizing loan rate is available to the individual lessee (through recent financing or market data) which has a similar payment profile to the lease, then the company use that rate as a starting point to determine the incremental borrowing rate.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of the lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs
- restoration costs

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset’s useful life.

Payments associated with short-term leases and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less.

As a lessor:

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognised as expense over the lease term on the same basis as lease income. The respective leased assets are included in the balance sheet based on their nature.

e) Impairment of assets

Goodwill and other Intangible assets which has indefinite useful life are not subject to amortisation and tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

f) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and cash credit facility availed from banks. Cash credit facility availed from banks are shown within borrowings in current liabilities in the balance sheet.

g) Inventories:

Inventory of medical supplies, drugs and other consumables are valued at the lower of cost and net realisable value. Cost of medical supplies, drugs and other consumables comprises cost of purchases and are determined on the basis of weighted average method. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

h) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of period which are unpaid. The amounts are unsecured and are usually paid within credit period after recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

i) Borrowings

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in statement of profit and loss under other income/expenses as appropriate.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of financial statements for issue, not to demand payment as consequence of the breach.

j) Borrowings costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

Other borrowings costs are expensed in the period in which they are incurred.

k) Provisions, Contingent Assets and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses.

When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

The Company does not recognize a contingent liability but discloses its existence in the financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

The Company does not recognize a contingent asset but discloses its existence in the financial statements if the inflow of economic benefits is probable.

l) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. Therefore these obligations are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government bond yield rates at the end of the reporting period that have terms approximating to the terms of the related obligations. Remeasurements as a result of the experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The company operates the following post-employment schemes:

(a) Defined benefit plans - gratuity; and

(b) Defined contribution plans - provident fund.

Defined benefit plans - gratuity

The liability or assets recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligations at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and change in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

Defined contribution plans - provident fund

The company pays provident fund contributions to publicly administered funds as per local regulations. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

(iv) Bonus plans

The company recognises a liability and an expense for bonuses. The company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

m) Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds

n) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

o) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the company
- By the weighted average number of equity shares outstanding during the financial period, adjusted for bonus elements in equity shares issued during the period.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

• The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

• The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

p) Current or Non- current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when:

i) it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle

ii) it holds the asset primarily for the purpose of trading

iii) it expects to realise the asset within twelve months after the reporting period or

iv) the asset is cash or a cash equivalent (as defined in Ind AS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets shall be classified as non-current.

Liabilities

An entity shall classify a liability as current when:

i) it expects to settle the liability in its normal operating cycle

ii) it holds the liability primarily for the purpose of trading

iii) the liability is due to be settled within twelve months after the reporting period or

iv) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities shall be classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

q) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

r) Other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)

- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments that are not held for trading, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at FVOCI.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Recognition

Regular way purchases and sales of financial assets are recognised on trade-date, being the date on which the Company commits to purchase or sale the financial asset.

(iii) Measurement

At initial recognition, The Company measures a financial asset (excluding trade receivables which do not contain a significant financing component) at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the company classifies its debt instruments:

- *Amortised cost:* Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in statement of profit and loss.

- *Fair value through other comprehensive income (FVOCI):* Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in statement of profit and loss. Interest income from these financial assets is included in other income using the effective interest rate method.

- *Fair value through profit or loss:* Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

Equity investments in subsidiaries and joint venture are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in such entities, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

The company subsequently measures all other equity investments which are in scope of Ind AS 109 at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Derecognition of financial assets

A financial asset is derecognised only when

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(iv) Dividend and Interest Income recognition

Dividend income from investments is recognised when the shareholder’s right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from financial assets at fair value through profit or loss is disclosed as interest income within other income. Interest income on financial assets at amortised cost and financial assets at FVOCI is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income.

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

s) Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of the assets and liabilities, the disclosure of the contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of these changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

t) Measurement of earnings before interest, tax, depreciation and amortisation (EBITDA)

As permitted by the Guidance Note on division II – Ind AS Schedule III to the Act, the Company has elected to present earnings before interest, tax, depreciation and amortisation (EBITDA) as a separate line item on the face of the Statement of profit and loss.

In its measurement of EBITDA, the Company includes other income but does not include depreciation and amortisation expense, impairment losses, finance cost and tax expense.

u) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Company's CODM (Chief Operating Decision Maker; which is the Board of Directors of the company) decided to have only one reportable segment as at the September 30, 2025, in accordance with IND AS 108 "Operating Segments".

v) Non current asset held for sale

The company classifies non-current assets held for sale if their carrying amounts will be principally recovered through a sale rather than through continuing use of assets and action required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets held for sale are measured at the lower of carrying amount and the fair value less cost to sell. Non-current assets are not depreciated or amortised.

w) Cash flow statement

The cash flow statement is prepared as per the Indirect Method. Cash Flow Statements present the cash flows by operating, financing and investing activities of the Company. Operating cash flows are arrived by adjusting profit or loss before tax for the effects of transactions of a non- cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

Nature and purpose of reserves

Securities premium

Securities premium is used to record the premium on issue of equity shares. It is utilised in accordance with provisions of the Companies Act, 2013 ("the Act").

Capital reserve

Capital reserves comprises of:

(i) 4.25 towards excess of net assets taken over the consideration paid as part of business combination. This was created in accordance with the composite scheme of amalgamation, sanctioned by the High Court for the States of Telangana and Andhra Pradesh vide its Order dated 18 August 2016, for the amalgamation of Quality Care Hi-tech City Private Limited, wholly owned subsidiary, with the Company during the year ended 31 March 2016.

(ii) 7.06 represents forfeited money received against share warrants in the earlier years.

Equity component of compulsory convertible preference shares

Other components of equity represent the equity component of compulsorily convertible preference shares.

During the earlier years, the 0.001% Compulsorily Convertible Preference Shares ("CCPS") were partly presented within Other Equity. These CCPS were converted into equity shares in earlier years and, accordingly, do not exist as outstanding instruments. Since the CCPS were issued on variable conversion terms, there was no equity component involved. Accordingly, the balance previously recognised within Other Equity as "Equity component of CCPS" has been reclassified to Retained Earnings within Other Equity.

Share options outstanding account

The fair value of the equity settled share based payment options is recognised in share options outstanding account over the vesting period of such options. The Company transfers the proportionate amounts, outstanding in this account, in relation to options exercised to securities premium on the date of exercise of such options.

INDEPENDENT AUDITOR'S REPORT

To The Members of Aster DM Healthcare Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Aster DM Healthcare Limited (the "Holding Company"/ the "Company") and its subsidiaries, (the Holding Company and its subsidiaries together referred to as the "Group") which includes Group's share of loss in its associates and joint venture and financial statements of DM healthcare Employee Welfare Trust ("the ESOP trust") which comprise the Consolidated Balance Sheet as at 31 March 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year ended on that date, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of report of the ESOP trust auditor and other auditors on separate financial statements of subsidiaries and associates referred to in the Other Matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2025, their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the consolidated financial statements section of our report. We are independent of the Group, its associates, joint venture and the ESOP trust in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the ESOP trust auditor and other auditors in terms of their reports referred to in the sub-paragraphs (a) and (b) of the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Key Audit Matter	Auditor's Response
Evaluation of Impairment Assessment of Goodwill and Investment in Associates: As at 31 March 2025, the Group has INR 264.12 crores of goodwill allocated across the Group's various cash generating units and INR 231.35 crores of investment in associates. The management tests such goodwill and investment for impairment annually or more frequently, if there is a trigger for assessing impairment. The Group's evaluation of impairment of its goodwill arising from its business combinations and investment made involves a comparison of its expected recoverable values against it's carrying values. The recoverable amount of the Cash Generating Unit (CGU) to which the goodwill is allocable, and investment made is based on Value in Use (VIU) calculations which is determined based on a discounted cash flow model. Determination of VIU involves significant estimates, assumptions and judgements in relation to projections of financial performance and discount rates to be considered. Given the above complexities, the determination of recoverable amount is subjective as it involves specific assumptions applicable to each CGU and investment which includes revenue growth rate, Earning Before Interest, Tax, Depreciation and Amortisation (EBITDA) margin, terminal growth rate and discount rates applied to estimated future cash flows. Refer note 3.6 for policy on "Impairment of financial and non-financial assets" and note 3.4 and note 5 on "Goodwill and other Intangible assets" for disclosures related to Impairment of goodwill and investment in the consolidated financial statements.	**Principal audit procedures performed included the following:** We tested the design, implementation and operating effectiveness of internal controls over the Group's impairment evaluation by testing on a sample basis: • The forecasting process including controls related to the development of the revenue growth rate and EBITDA margin. • The impairment review specifically the assumptions used to develop the terminal growth rate, EBITDA margin, discount rate and the mathematical accuracy of the workings and basis for final conclusion. We received the managements evaluation of the impairment assessment for sample material CGU's and investment made. We evaluated reasonableness of management's assumptions related to revenue growth rates, EBITDA margins and discount rates by considering (i) the current and past performance of each of the CGU and investment, (ii) the consistency of internal assumptions with external market information (iii) whether these assumptions were consistent with evidence obtained in other areas of the audit (iv) subjected the various assumptions to certain sensitivity to key inputs and (v) testing the integrity and mathematical accuracy of the impairment models. We involved our internal valuation specialists to assist in the evaluation of the appropriateness of the Group's model for calculating VIU for sample CGU and investment and reasonableness of certain significant assumptions, such as growth rate, terminal growth rate and discount rate. We reviewed that the Goodwill and investment disclosed in the consolidated financial statements is in accordance with the Companies Act, 2013 and Ind AS.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Holding Company's Board of Directors is responsible for the other information. The other information comprises the Board's report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon which we obtained prior to the date of this auditor's report, and the remaining sections of the Annual report, which is expected to be made available to us after that date.
- Our opinion on the consolidated financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above, compare with the financial statements of the subsidiaries, associates and ESOP trust audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries, associates and ESOP trust is traced from their financial statements audited by the Other auditors and ESOP trust auditor.

- If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

- When we read the remaining section of Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Board of Directors for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its associates and joint venture in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group, of its associates and joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and its joint venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intend to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint venture are also responsible for overseeing the financial reporting process of the Group and of its associates and joint venture.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group, its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group, its associates, joint venture and ESOP trust to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For ESOP trust, entities or business activities included in the consolidated financial statements, which have been audited by the trust auditor or other auditors, such trust auditor and other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider

quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine that matter which was of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matter. We describe this matter in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

(a) We did not audit the financial statement of the ESOP trust included in the standalone financial statements of the Group whose financial statements reflect total assets of INR 19.56 crores (before elimination) as at 31 March 2025 and total revenue of INR 20.42 crores for the year ended on that date, as considered in the standalone financial statements of the Holding Company. The financial statement of the ESOP trust has been audited by the ESOP trust auditor whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of the ESOP trust and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid ESOP trust, is based solely on the report of such ESOP trust auditor.

(b) We did not audit the financial statements of 15 subsidiaries whose financial statements reflect total assets of INR 470.16 crores (before elimination) as at 31 March 2025, total revenues of INR 5,797.84 crores and net cash outflows amounting to INR 0.25 crores for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of INR 18.91 Crores for the year ended 31 March 2025, as considered in the consolidated financial statements, in respect of 4 associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associates is based solely on the reports of the other auditors.

(c) We did not audit the financial statements of 59 subsidiaries whose financial statements reflect (before elimination) total assets of INR Nil as at 31 March 2025, total revenues of INR 83.88 crores and net cash inflows amounting to INR 2.39 crores for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of INR 0.15 crores for the year ended 31 March 2025, as considered in the consolidated financial statements, in respect of 4 associates and 1 joint venture, whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associates and joint venture is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the ESOP trust auditor, other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the ESOP trust auditor and other auditors on the separate financial statements of the ESOP trust, subsidiaries and associates referred to in the Other Matters section above we report, to the extent applicable that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

   c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

   d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.

   e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2025 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of it's subsidiary companies and associate companies incorporated in India, none of the directors of the Group companies and its associate companies incorporated in India is disqualified as on 31 March 2025 from being

appointed as a director in terms of Section 164 (2) of the Act.

f) The modifications relating to the maintenance of accounts and other matters connected therewith, are as stated in paragraph (b) above

g) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Holding Company, subsidiary companies and associate companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to consolidated financial statements of those companies.

h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the auditor's reports of subsidiary companies and associate companies incorporated in India, the remuneration paid by the Holding Company, such subsidiary companies and associate companies to their respective directors during the year is in accordance with the provisions of section 197 of the Act.

i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

   i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associates and ESOP trust - Refer Note 33 to the consolidated financial statements;

   ii) The Group and its associates did not have any material foreseeable losses on long-term contracts including derivative contracts.

   iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies and associate companies incorporated in India.

   iv) (a) The respective Managements of the Holding Company and its subsidiaries and associates which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and to the other auditors of such subsidiaries and associates respectively that, to the best of their knowledge and belief, other than as disclosed in the note 45(d) to the consolidated financial statements, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries, associates and joint venture to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries, associates and joint venture ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective Managements of the Holding Company and its subsidiaries and associates which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and to the other auditors of such subsidiaries and associates respectively that, to the best of their knowledge and belief, other than as disclosed in the note 45(e) to the consolidated financial statements, no funds (which are material either individually or in aggregate) have been received by the Holding Company or any of such subsidiaries, associates and joint venture from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries, associates and joint venture shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries and associates which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v) The final dividend proposed for the previous year, declared and paid by the Holding Company and its subsidiary and the interim dividend declared and paid by the Holding Company during the year, which are companies incorporated in India, whose financial statements have been audited under the Act, during the year is in accordance with section 123 of the Act.

As stated in note 14 to the consolidated financial statements, the Board of Directors of the Holding Company has proposed final dividend for the year which is subject to the approval of the members of the Holding Company at the ensuing respective Annual General Meetings. Such dividend proposed is in accordance with section 123 of the Act, as applicable.

vi) Based on our examination, which included test checks, and based on the other auditor's report of it's subsidiary companies and associate companies incorporated in India whose financial statement have been audited under Act, the Holding Company, it's subsidiary companies and associate companies, have used accounting softwares for maintaining its book of account which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except for the period 1 April 2024 to 30 September 2024 where the earlier software did not have the audit trail feature. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of said accounting software for the period for which the audit trail feature was enabled and operating.

Additionally, audit trail that was enabled and operated for the year ended March 31, 2024, has been preserved by the Group and above referred associates as per the statutory requirements for record retention, as stated in Note 45(k) to the consolidated financial statements.

2. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO"/ "the Order") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of respective companies included in the consolidated financial statements to which reporting under CARO is applicable, as provided to us by the Management of the Holding Company, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said respective companies included in the consolidated financial statements except for the following:

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT
(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

In conjunction with our audit of the consolidated financial statements of the Company as at and for the year ended 31 March 2025, we have audited the internal financial controls with reference to consolidated financial statements of Aster DM Healthcare Limited (hereinafter referred to as "the Holding Company"), its subsidiary companies and its associate companies, which are companies incorporated in India, as of that date.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The respective Company's management and Board of Directors of the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control with reference to consolidated financial statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors of the subsidiary companies and associate companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Holding Company, its subsidiary companies and its associate companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31 March 2025, based on the criteria for internal financial control with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

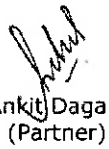

Deloitte
Haskins & Sells

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to 6 subsidiary companies and 3 associate companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

1. Group overview

Aster DM Healthcare Limited ("the Group/ Parent Company") primarily carries on the business of rendering healthcare and allied services in India and United Arab Emirates ('UAE'), Kingdom of Saudi Arabia (KSA), Oman, Qatar, Jordan, Bahrain (Collectively called Gulf Cooperation Council ('GCC')). The Group is a public limited Group and is listed on the Bombay Stock Exchange Limited and National Stock Exchange Limited. The registered office of the Group is in Bengaluru, Karnataka, India.

These consolidated financial statements of the Group as at and for the year ended 31 March 2025 comprise the financial statements of the Group and its subsidiaries (collectively referred to as "Group") and the Group's interest in Associates and Joint Venture. The Group is primarily involved in the operations of healthcare facilities, pharmacies, and providing consultancy in areas relating to healthcare. The Group has completed disposal of its GCC businesses on 03 April 2024

2. Basis of preparation

2.1 Statement of compliance

These consolidated financial statements (the 'financial statements') have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015, as amended, and the relevant amended rules prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with relevant rules issued thereunder.

The consolidated financial statements were authorised for issuance by the Group's Board of Directors on 20 May 2025.

Details of the Group's material accounting policies are included in Note 3.

2.2 Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (INR), which is also the Group's functional currency. All amounts are presented in Indian Rupees in crores and are rounded off to two decimals, unless otherwise stated.

2.3 Basis of measurement

These consolidated financial statements have been prepared on the historical cost convention on accrual basis except for the following material items that have been measured at fair value as required by relevant Ind AS:

i. Certain financial assets and liabilities (including derivatives instruments);
ii. Liabilities for equity-settled share-based payment arrangements;
iii. Net defined benefit (asset)/ liability; and
iv. Contingent consideration in business combination

2.4 Use of estimates and judgements

In preparing these consolidated financial statements, the Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed by the Management on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Information about judgements, assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment during the year ended 31 March 2025 is included in the following notes:

- Note 3.3, 3.4, 4 and 5 - Measurement of useful life and residual value of property, plant and equipment and intangible assets;
- Note 3.6 and 5 - Impairment of non-financial assets; including goodwill;
- Note 6 - Impairment of investment in associates
- Note 3.14 and 28 - Recognition of deferred tax asset: availability of future taxable profit against which tax losses carried forward can be used;
- Note 3.7, 17 and 31 - Measurement of defined benefit obligations: key actuarial assumptions;
- Note 3.8 and 33 - Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;
- Note 3.6, 7, 11 and 35 - Impairment of financial assets;
- Note 38 - Acquisition of subsidiary: fair value of consideration transferred (including contingent consideration)
- Note 39 - Equity accounted investees: whether the Group has significant influence over an investee
- Note 3.10 and 40 - Leases;
- Note 3.7 and 41 - Employee share-based payment expenses

2.5 Measurement of fair values

A number of the Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Group has an established control framework with respect to the measurement of fair values.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes:

- Share-based payment arrangements;
- Financial instruments; and
- Fair value of property, plant and equipment and intangible assets.

2.6 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind As 116 Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Group has assessed that there is no significant impact on its consolidated financial statements

On May 9, 2025, MCA notifies the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 1, 2025. The Group is currently assessing the probable impact of these amendments on its financial statements.

3. Material accounting policies

3.1 Basis of consolidation

i. Business Combination:

Business combinations (other than common control business combinations) on or after 1 April 2015

As part of transition to Ind AS, the Group has elected to apply the relevant Ind AS, i.e. Ind AS 103, Business Combinations, to only those business combinations that occurred after 1 April 2015. In accordance with Ind AS 103, the Group accounts for these business combinations using the acquisition method when control is transferred to the Group (see Note 3.1 (ii)). The consideration transferred for the business combination is generally measured at fair value as at the date the control is acquired (acquisition date), as are the net identifiable assets acquired. Any goodwill that arises is tested annually for impairment. Any gain on bargain purchase is recognised in other comprehensive income (OCI) and accumulated in equity as capital reserve if there exist clear evidence of the underlying reason for classifying the business combination as resulting in bargain purchase; otherwise the gain is recognised directly in equity as capital reserve. Transaction cost are expensed as incurred, except to the extent related to debt or equity securities.

The consideration transferred does not include amounts related to the settlement of pre-existing relationships with the acquiree. Such amounts are generally recognised in the consolidated statement of profit and loss

Any contingent consideration is measured at fair value at the date of acquisition. If an obligation to pay contingent consideration that meets the definition of a financial instrument is classified as equity, then it is not remeasured subsequently and settlement is accounted for within equity. Other contingent consideration is remeasured at fair value at each reporting date and changes in the fair value of the contingent consideration are recognised in the consolidated statement of profit and loss.

If business combination is achieved in stages, any previous held equity interest in the acquire is re-measured to its acquisition date fair value and any resulting gain or loss is recognised in the consolidated statement of profit or loss or OCI, as appropriate.

Business combination prior to 1 April 2015

In respect of such business combinations, goodwill represents the amount recognised under the Group's previous accounting framework under Indian GAAP.

ii. Subsidiaries:

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has right to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

iii. Non-controlling interests (NCI)

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries

Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions

iv. Put Options

The Group has issued written put option to non-controlling interests in certain subsidiaries of the Group in accordance with the terms of the underlying agreement with such option holders. Should the option be exercised, the Group has to settle such liability by payment of cash.

v. Loss of control:

When the Group loses control over a subsidiary, it derecognises the assets and liabilities of the subsidiary, and any related NCI and other component of equity. Any interest retained in the former subsidiary is measured at fair value at the date the control is lost. Any resulting gain or loss is recognised in the consolidated statement of profit and loss.

vi. Equity accounted investees:

The Group's interest in equity accounted investees comprise interest in associates

An associate is an entity in which the Group has significant influence, but not control or joint control, over the financial and operating policies.

Interest in associates are accounted for using the equity method. They are initially recognised at cost which includes transaction costs. Subsequent to initial recognition, the consolidated financial statements include the Group's share of profit or loss and OCI of equity accounted investment.

vii. Transactions eliminated on consolidation

Intra group balances and transactions, and any unrealised income and expenses arising from intra group transactions are eliminated. Unrealised gain arising from transaction with equity accounted investees are eliminated against the investment to the extent the Group's interest in the investee. Unrealised losses are elminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

The subsidiaries and associates consolidated under the Group comprise the entities listed in Note 37.

3.2 Foreign currency

i. Foreign currency transactions and translation:

Transactions in foreign currencies are translated into the functional currency of the Group companies at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date Exchange differences are recognised in the consolidated statement of profit and loss. Non monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

ii. Foreign operations:

The assets and liabilities of foreign operations (subsidiaries and associates), including goodwill and fair value adjustments arising on acquisition, are translated into at the exchange rates at the reporting date. The income and expenses of foreign operations are translated into at the exchange rates at the dates of the transactions

In accordance with Ind AS 101, the Group has elected to deem foreign currency translation differences that arose prior to the date of transition to Ind AS, i.e 1 April 2015, in respect of all foreign operations to be nil at the date of transition. From 1 April 2015 onwards, such exchange differences are recognised in OCI and accumulated in equity (as exchange difference on translating the financial statements of foreign operations), except to the extent that the exchange differences are allocated to Non-controlling interests (NCI).

When a foreign operation is disposed off in its entirety or partially such that control or significant influence is lost, the cumulative amount in the translation reserve related to that foreign operation is reclassified to the consolidated statement of profit and loss as part of the gain or loss on disposal If the Group disposes off part of its interest in a subsidiary but retains control, then the relevant proportion of the cumulative amount is reattributed to NCI. When the Group disposes off only part of an associate while retaining significant influence, the relevant proportion of the cumulative amount is reclassified to the consolidated statement of profit and loss.

3.3 Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

The cost of an item of property, plant and equipment may include costs incurred relating to leases of assets they are used to construct, add to, replace part of or service an item of property, plant and equipment, such as depreciation of right-of-use assets.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in the consolidated statement of profit and loss.
Advances paid towards the acquisition of property, plant and equipment, outstanding at each balance sheet date are shown under other non-current assets.
The cost of property, plant and equipment not ready for its intended use at each balance sheet date are disclosed as capital work-in-progress.

ii. Subsequent expenditure and derecognition

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.
An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in the consolidated statement of profit and loss.

iii. Depreciation

Depreciation on property, plant and equipment are provided on the straight-line method over the useful lives of the assets estimated by the Management. Depreciation for assets purchased / sold during a period is proportionately charged. Leasehold improvements are amortized over the lease term or useful lives of assets, whichever is lower. The estimated useful lives of items of property, plant and equipment for the period are as follows:

Class of assets	Useful life (in years)
Buildings	56 to 60
Plant and equipment (including electrical equipments)*	5 to 15
Medical equipment*	7 to 13
Motor vehicles *	5 to 10
Computer equipment (including servers and networks)	3 to 6
Furniture and fixtures *	5 to 10

* For the above-mentioned classes of assets, the Group believes that the useful lives as given above best represent the useful lives of these assets based on internal assessment and supported by technical advice, where necessary, which is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

iv. Capital work-in-progress

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date are recognized as capital advance and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital work- in-progress.
Commencement of Depreciation related to property, plant and equipment classified as Capital work in progress (CWIP) involves determining when the assets are available for their intended use. The criteria the Group uses to determine whether CWIP are available for their intended use involves subjective judgments and assumptions about the conditions necessary for the assets to be capable of operating in the intended manner.

Aster DM Healthcare Limited Bengaluru 560 027

3.4 Intangible assets

Goodwill:

For measurement of goodwill that arises on business combination [see note 3.1(i)] subsequent measurement is at cost less any accumulated impairment loss

Intangible assets other than goodwill acquired separately:

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses Intangible assets are amortised over their respective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Group for its use and is included in depreciation and amortisation expenses in the consolidated statement of profit and loss. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

The estimated useful lives for the current and comparative years are as follows:

Class of assets	Useful life (in years)
Goodwill	Indefinite
Computer software	3 to 10
Brand name, tradename and trademark	3 to 10
Payor/customer relationship	10
Other intangibles	3

The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the consolidated statement of profit and loss when the asset is derecognised.

Internally-generated intangible assets – research and development expenditure

Expenditure on research activities is recognised as an expense in the period in which it is incurred.

An internally-generated intangible asset arising from development (or from the development phase of an internal project) is recognised if, and only if, all of the following conditions have been demonstrated:

- the technical feasibility of completing the intangible asset so that it will be available for use or sale;
- the intention to complete the intangible asset and use or sell it;
- the ability to use or sell the intangible asset;
- how the intangible asset will generate probable future economic benefits;
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset; and
- the ability to measure reliably the expenditure attributable to the intangible asset during its development

The amount initially recognised for internally-generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally-generated intangible asset can be recognised, development expenditure is recognised in the consolidated statement of profit and loss in the period in which it is incurred.

Subsequent to initial recognition, internally-generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in the consolidated statement of profit and loss as incurred.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the consolidated statement of profit and loss when the asset is derecognised.

3.5 Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories comprises purchase price, and other cost incurred in bringing the inventories to their present location and condition. The Group uses the weighted average method to determine the cost of inventory consisting of medicines and medical consumables

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale. The comparison of cost and net realisable values is made on an item-by-item basis.

3.6 Impairment

i. Impairment of financial assets

The Group recognises loss allowances for expected credit losses ('ECL') on financial assets measured at amortised cost.

At each reporting date, the Group assesses whether financial assets carried at amortised cost are credit impaired. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The Group always measures the loss allowance for trade receivables at an amount equal to lifetime ECL. The expected credit losses on trade receivables are estimated using a provision matrix by reference to past default experience of the debtors and an analysis of the debtors' current financial position, adjusted for factors that are specific to the debtors, general economic conditions of the industry in which the debtors operate, and an assessment of both the current as well as the forecast direction of conditions at the reporting date.

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Group is exposed to credit risk.

Measurement of expected credit losses

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e , the difference between the cash flows due to the Group in accordance with the contract and the cash flows that the Group expects to receive).

Presentation of allowance for expected credit losses in the consolidated balance sheet:

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write off.

DELOITTE HASKINS & SELLS CHARTERED ACCOUNTANTS BENGALURU

Aster DM Healthcare Limited Bengaluru 560 027

ii. Impairment of non- financial assets

The Group's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated to determine the extent of impairment loss, if any

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs

Goodwill arising from a business combination is allocated to CGUs or groups of CGUs that are expected to benefit from the synergies of the combination.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

Intangible assets, intangible assets under development and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount i.e., the higher of the fair value less cost to sell and the value-in-use is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs

If such assets are considered to be impaired, the impairment to be recognized in the consolidated statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset.

An impairment loss is reversed in the consolidated statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

iii. Impairment of goodwill

Determining whether goodwill is impaired requires an estimation of the value in use of the cash-generating units to which goodwill has been allocated. The value in use is determined using a discounted cash flow approach based upon the cash flow expected to be generated by the CGU. In case that the value in use of the CGU is less than its carrying amount, the difference is at first recorded as an impairment of the carrying amount of the goodwill.

3.7 Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the amount of obligation can be estimated reliably.

Post-employment benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions and will have no legal or constructive obligation to pay further amounts. The Group makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in the consolidated statement of profit and loss in the periods during which the related services are rendered by employees.

Defined Benefit plans

Under a defined benefit plan, it is the Group's obligation to provide agreed benefits to the employees.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses are recognised in other comprehensive income (OCI) in the period in which they occur. Remeasurements of the net defined benefit liability (asset) recognised in other comprehensive income shall not be reclassified to consolidated statement of profit and loss in a subsequent period. However, the Group transfers those amounts recognised in other comprehensive income within equity. The Group determines the net interest expense on the net defined benefit liability for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability, taking into account any changes in the net defined benefit liability during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in the consolidated statement of profit and loss.

Share- based payment transactions

The grant date fair value of equity settled share-based payment awards granted to employees is recognised as an employee expense, with a corresponding increase in equity, over the period that the employees unconditionally become entitled to the awards. The amount recognised as expense is based on the estimate of the number of awards for which the related service and non-market vesting conditions are expected to be met, such that the amount ultimately recognised as an expense is based on the number of awards that do meet the related service and non-market vesting conditions at the vesting date. For share-based payment awards with non-vesting conditions, the grant date fair value of the share-based payment is measured to reflect such conditions and there is no true-up for differences between expected and actual outcomes.

Treasury shares

The Group has created an DM Healthcare Employee Welfare Trust for providing share based payment to its employees. The Group treats this trust as its extension and shares held by this trust are treated as treasury shares. Own equity instruments that are acquired (treasury shares) are recognized at cost and deducted from equity. When the treasury shares are issued to the employees by this trust, the amount received is recognized as an increase in other equity and the resultant is transferred to securities premium

DELOITTE HASKINS & SELLS CHARTERED ACCOUNTANTS BENGALURU

Aster DM Healthcare Limited Bengaluru 560 027

3.8 Provisions (other than employee benefits)

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

A contract is considered to be onerous when the expected economic benefits to be derived by the Group from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the Group recognises any impairment loss on the assets associated with that contract.

3.9 Revenue

The Group generates revenue from rendering of hospital services (hospital and medical services), revenue from sale of pharmacy, revenue from canteen services, revenue from consultancy services and other operating income. Ind AS 115, Revenue from Contracts with Customers ("Ind AS 115"), establishes a comprehensive framework for determining whether, how much and when revenue is recognised. Under Ind AS 115, revenue is recognised when a customer obtains control of the goods or services in an amount that reflects the consideration which the Group expects to receive in exchange for those products or services. In calculating the variable considerations, the Group considers the nature and coverage through insurance and other parties, the history of adjustments and rejections, and the probability of rejections, discounts, rebates, price concessions, or other similar items. The impact of these considerations is reflected as adjustments to revenue.

Disaggregation of revenue

The Group disaggregates revenue from hospital services (hospital and medical services), revenue of pharmacy, revenue from canteen services, revenue from consultancy services and other operating income. The Group further disaggregates revenue from hospital and medical services based on category of customers (cash and credit) and based on nature of treatment (In-patient and Out-patient). The Group believes that this disaggregation best depicts how the nature, amount, timing and certainty of Group's revenues and cash flows are affected by industry, market and other economic factors.

Contract balances

The Group classifies the right to consideration in exchange for sale of services where invoice is raised as trade receivables, where invoice has not been raised as unbilled revenue and advance consideration as advance from customers.

Performance obligations and revenue recognition policies

Revenue is measured based on the consideration specified in a contract with a customer. The Group recognises revenue when it transfers control over a good or service to a customer i.e. at the transaction price when each performance obligation is satisfied at a point in time when inpatient/outpatients has actually received the service except for few services where the performance obligation is satisfied over a period of time. The following details provide information about the nature and timing of the satisfaction of performance obligations in contracts with customers, including significant payment terms, and the related revenue recognition policies.

(a) Revenue from hospital and medical services

The Group's revenue from hospital and medical services comprises of income from hospital services.

Revenue from hospital services to patients is recognised as revenue when the related services are rendered unless significant future uncertainties exist. Revenue is also recognised in relation to the services rendered to the patients who are undergoing treatment/ observation on the balance sheet date to the extent of the services rendered. Revenue is recognised net of discounts, concessions given to the patients and estimated disallowances for patients covered under insurance.

Unbilled receivable represents value to the extent of medical and healthcare services are rendered to the patients who are undergoing treatment/observation on the balance sheet date and is not billed as at the balance sheet date.

(b) Revenue from sale of pharmacy

Revenue from sale of medical consumables and medicines within the hospital premises is recognised when the control in the goods are transferred to the customer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection. The amount of revenue recognised is net of sales returns, taxes and duties, wherever applicable.

(c) Other operating income

The Group's revenue from other operating income comprises primarily of revenue from medical courses conducted at the hospital and income from revenue sharing agreements. Revenue from services rendered is based on the agreements/arrangements with the customers as the service is performed.

(d) Revenue from consultancy services

The Group's revenue from consultancy services is based on the agreements/arrangements with the customers as the service is performed.

(e) Revenue from canteen services

Revenue from canteen services is recognised at a point in time when control is transferred.

3.10 Leases

Determining whether an arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease. At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative fair values.

i. Company as a lessee

The Group accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the consolidated statement of profit and loss

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date, residual value guarantees, exercise price of a purchase option where the Group is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The Group recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and the statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Group recognises any remaining amount of the re-measurement in the consolidated statement of profit and loss.

The Group has elected not to apply the requirements of Ind AS 116, Leases, to short-term leases of all assets that have a lease term of 12 months or less. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

Variable rents that do not depend on an index or rate are not included in the measurement of the lease liability and the right-of-use asset. The related payments are recognised as an expense in the period in which the event or condition that triggers those payments occurs and are included in the line "Other expenses" in the consolidated statement of profit and loss.

ii. Company as a lessor

At the inception of the lease the Group classifies each of its leases as either an operating lease or a finance lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. The Group recognises lease payments received under operating leases as income on a straight- line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease.

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Group's net investment in the leases. When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Group applies the exemption described above, then it classifies the sub-lease as an operating lease.

If an arrangement contains lease and non-lease components, the Group applies Ind AS 115 Revenue from contracts with customers to allocate the consideration in the contract.

3.11 Recognition of dividend income, interest income or interest expense

(a) Dividend income is recognised in the consolidated statement of profit and loss on the date on which the right to receive payment is established.

(b) Interest on deployment of surplus funds is recognized using the time proportionate method, based on the transactional interest rates.

(c) Interest income or expense is recognised using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset or the amortised cost of the financial liability.

(d) In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability.

3.12 Earnings / (Loss) per share

The basic earnings / (loss) per share ('EPS') is computed by dividing the net profit / (loss) after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

Dilutive potential equity shares are deemed converted as of the beginning of the period unless issued at a later date. In computing dilutive earnings per share, only potential equity shares that are dilutive, i.e., which reduces earnings per share or increases loss per share are included. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

3.13 Borrowings and Borrowing costs

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the statement of profit and loss over the period of the borrowings using the effective interest rate method. Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset until such time as the asset is substantially ready for their intended use or sale. Other borrowing costs are recognised as an expense in the period in which they are incurred.

3.14 Income tax

Income tax comprises current and deferred tax. It is recognised in the consolidated statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

A provision is recognised for those matters for which the tax determination is uncertain but it is considered probable that there will be a future outflow of funds to a tax authority. The provisions are measured at the best estimate of the amount expected to become payable. The assessment is based on the judgement of tax professionals within the Group supported by previous experience in respect of such activities and in certain cases based on specialist independent tax advice.

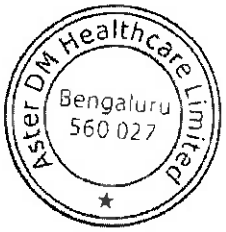

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding tax bases used for taxation purposes. Deferred tax assets are recognised for carry forward of unused tax losses and tax credits to the extent that it is probable that future taxable profit will be available against which such losses and credits can be utilised. Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be utilised. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

3.15 Financial instruments

i. Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value, except for trade receivables that do not have a significant financing component which are measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss - FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the consolidated statement of profit and loss

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as either at amortised cost, fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions:
- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Group makes an assessment of the objective of the business model in which a financial asset is held at investment level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for each of such investments and the operation of those policies in practice. These include whether Management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g., liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Group's claim to cash flows from specified assets (e.g., non-recourse features).

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the consolidated statement of profit and loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in consolidated statement profit and loss. Any gain or loss on derecognition is recognised in the consolidated statement of profit and loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in the consolidated statement profit and loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to the consolidated statement of profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the consolidated statement of profit and loss

Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the consolidated statement of profit and loss. Any gain or loss on derecognition is also recognised in the consolidated statement of profit and loss

iii. Derecognition

Financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the consolidated statement of profit and loss.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

v. Derivative financial instruments

The Group holds derivative financial instruments to hedge its foreign currency and interest rate risk exposures. Derivatives are initially measured at fair value. Subsequent to initial recognition, derivatives are measured at fair value, and changes therein are recognised in the consolidated statement of profit and loss.

3.16 Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. Where the Group receives grants relating to assets, including non-monetary grants, the asset and the related grants are accounted at fair value and recognised in the consolidated statement of profit and loss over the expected useful life of the asset. Government grants related to assets, including non-monetary grants at fair value, shall be presented in the balance sheet by setting up the grant as deferred income. The grant set up as deferred income is recognised in the consolidated profit or loss on a systematic basis over the useful life of the asset.

3.17 Cash-flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Group are segregated.

3.18 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand and short-term deposits with an original maturity of three months or less which are subject to insignificant risk of changes in value.

3.19 Non-current assets held for sale and discontinued operations

Non-current assets and disposal groups classified as held for sale are measured at the lower of their carrying value and fair value less costs to sell.

Assets and disposal groups are classified as held for sale if their carrying value will be recovered through a sale transaction rather than through continuing use. This condition is only met when the sale is highly probable and the asset, or disposal group, is available for immediate sale in its present condition and is marketed for sale at a price that is reasonable in relation to its current fair value. The Group must also be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Where a disposal group represents a separate major line of business or geographical area of operations, or is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations, then it is treated as a discontinued operation. The post-tax profit or loss of the discontinued operation together with the gain or loss recognised on its disposal are disclosed as a single amount in the consolidated statement of profit and loss. The comparative consolidated statement of profit and loss is re-presented as if the operation had been discontinued from the start of the comparative period.

3.20 Operating segments

A. Basis for segmentation

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and expenses that relate to transactions with any of the Group's other components and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Chief Operating Decision Maker (CODM) to make decisions about resources to be allocated to the segments and assess their performance. The accounting principles consistently used in the preparation of the consolidated financial statements are also consistently applied to record income and expenditure in individual segments.

3.21 Operating cycle

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3.22 Exceptional items

An item of income or expense which by its size, nature or incidence requires disclosure in order to improve an understanding of the performance of the Group is treated as an exceptional item and disclosed separately in the consolidated financial statements.

4.1.2 A Subsidiary has a hospital situated in Gunadala, Vijayawada which is located on land that has been taken on a sub-lease from Mrs. P Maha Lakshmi, wife of the Managing Director, who had taken it on lease from M/s. Loyola College Society ("Society") vide a lease agreement dated 21 September 2004. The lease was initially taken for a period of 9 years and 11 months which was renewed for an additional period of 15 years and 1 month. This additional lease period expired on 31 January 2019.

At the time of entering into the initial lease, a separate intent letter dated 1st May 1994 was also issued by the Society stating that the subsidiary will have an option to request for renewal of lease for a further period of 25 years from 31 January 2019 based on such terms and conditions as may be mutually agreed. In accordance with this intent letter, the Management has made an application dated 03 July 2018 to the Society to extend the lease beyond 31 January 2019. However, the Society rejected this application and has issued a notice to the subsidiary to vacate the premises and to hand over the entire building and structure to the Society.

Aggrieved by this, the Management has filed a legal case against the Society and the matter is presently sub-judice. The subsidiary had received injunction orders in its favour from the Court of the II. Addl. District Judge vide its orders dated 28 June 2021. The said IA was set aside upon Society appealing before the AP High Court under, to which an appeal was filed before the Hon'ble Supreme Court of India, which reinstituted the IA given by the trial court & the matter was referred to Lok Adalat, but the subsidiary preferred the matter to be heard on merits, and the matter is pending before Hon'ble Supreme Court of India. Based on legal advise, the Management is of the view that it has a good case to seek renewal of the lease and does not expect any impact of this matter on the future operations of the hospital.

4.1.3 Leasehold improvements include super structures and interior works constructed on leased land disclosed as buildings previously. The Group depreciates these over the lease term or useful lives of the land and original building, whichever is lower.

4.1.4 The Parent had entered into an agreement commencing from 1 April 2014, with its subsidiary, DM Medcity Hospitals (India) Private Limited ('DM Medcity'), for construction and development of its Medcity hospital project ('project') in Kochi, Kerala. Under the agreement, the Parent was required to make certain payments / deposits to the subsidiary based on which the Parent has been given the right to enter into and construct part of the project on lands owned by DM Medcity. The project was capitalised in 2014 and became operational in the same year.

Goodwill was tested for impairment annually in accordance with the Group's procedure for determining the recoverable value of such assets For the purpose of impairment testing, goodwill is allocated to a cash generating unit ("CGU") representing legal entities with in the group at which the goodwill is monitored for internal management purposes, and which is not higher than the Group's operating segment The recoverable amount of the CGU is the higher of fair value less cost to sell ("FVLCTS") and its value in use ("VIU") The VIU is determined based on discounted cash flow projections. Key assumptions on which the Group has based its determination of VIUs include:

a) Estimated cash flow for five to eight years based on approved internal management budgets with extrapolation of remaining period.

b) Terminal value arrived by extrapolating last forecasted year cash flows to perpetuity using long-term growth rates These long-term growth rates take into consideration external macroeconomic sources of data Such long-term growth rate considered does not exceed that of the relevant business and industry

The key assumptions used in the estimation of recoverable amount are set out below The values assigned to the key assumptions represents management's assessment of future trends in the relevant industries and have been based on historic data from both internal and external sources

Particulars	As at 31 March 2025	As at 31 March 2024
Discount rate	12 5% - 16%	10% - 21%
Terminal value growth rate	5%	3% - 5%
Weighted average cost of capital (WACC) before tax - equity	12.5% - 16%	11% - 21%
Weighted average cost of capital (WACC) before tax - debt	11% - 12%	4% - 11%

The Group has performed sensitivity analysis around the base assumptions and have concluded that no reasonable changes in key assumptions would cause the recoverable amount of the CGU to be less than the carrying value

30 Segment reporting

Ind AS 108 "Operating Segment" ("Ind AS 108") establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. Based on the 'management approach" as defined in Ind AS 108, Operating segments are to be reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). Members of Board of the Group have been identified as the Chief Operating Decision Maker ("CODM") as defined by Ind AS 108 "Operating Segments". All operating segments' operating results are reviewed regularly by the Group's CODM to make decisions about resources to be allocated to the segments and assess their performance.

The Group has structured its business broadly into four verticals – Hospitals, clinics, retail pharmacies and others. The accounting principles consistently used in the preparation of the consolidated financial statements are also consistently applied to record income and expenditure in individual segments.

Income and direct expenses in relation to segments are categorised based on items that are individually identifiable to that segment, while the remainder of costs are apportioned on an appropriate basis. Certain expenses are not specifically allocable to individual segments as the underlying services are used interchangeably. The Group therefore believes that it is not practical to provide segment disclosures relating to such expenses and accordingly such expenses are separately disclosed as unallocable and directly charged against total income. Certain assets of the Group are used interchangeably between segments and the management believes that it is currently not practical to provide segment disclosures relating to such assets and liabilities since a meaningful segregation is not possible.

31 **Employee benefits:**

a) Defined benefit plan

The Group operates certain post-employment defined benefit plans which is provided for based on actuarial valuation carried out by an independent actuary using the projected unit credit method. The Group accrues gratuity as per the provisions of the Payment of Gratuity Act, 1972 and end of service benefits based on the labour laws of relevant geography. The gratuity benefit provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 / 26 days' salary payable for each completed year of service. The gratuity obligation is recognized subject to a maximum limit of INR 20,00,000, as prescribed under the Payment of Gratuity Act, 1972.

Plan A involves continuing business operations, while Plan B pertains to discontinued operations classified as held for sale

Based on the actuarial valuation obtained in this respect, the following table sets out the status of the benefit plans and the amounts recognised in the Group's consolidated financial statements as at balance sheet date:

c) Plan assets comprises the following

Particulars	For the year ended 31 March 2025	For the year ended 31 March 2024
Insurance policy	7.02	5.53

d) Actuarial valuation

The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method. The defined benefit plan typically exposes the Group to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk	The present value of the defined benefit plan liability denominated in Indian Rupee is calculated using a discount rate determined by reference to market yields at the end of the reporting period on government bonds. For other defined benefit plans, the discount rate is determined by reference to high quality corporate bond yields when there is a deep market for such bonds; if the return on plan asset is below this rate, it will create a plan deficit. Currently the plan in India is investments in government securities and other debt instruments.
Interest rate risk	A decrease in the bond interest rate will increase the plan liability
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability

i) Actuarial assumptions

The following are the principal actuarial assumptions at the reporting date (expressed as weighted average):

Particulars	For the year ended 31 March 2025	For the year ended 31 March 2024
Plan A		
Attrition rate	Below 35 years - 30% - 35% Above 35 years 3%-6%	Below 35 years - 30% - 35% Above 35 years - 3% - 6%
Discount rate	6.3% - 7%	7.1% - 7.2%
Future salary growth	5% - 8%	4% - 8%
Mortality rate	IALM 2012-14 (Ult.)	IALM 2012-14 (Ult.)
Retirement age	60 years	60 years
Plan B		
Attrition rate	-	15%
Discount rate	-	4.10% - 4.50%
Future salary growth	-	2% - 3.50%
Mortality rate	-	IALM 2012-14 (Ult.)

Assumptions regarding future mortality experience are set in accordance with the published statistics by the Indian Assured Lives Mortality ("IALM") for Plan A. The Group assesses these assumptions with its projected long-term plans of growth and prevalent industry standards. The discount rate is based on the government securities yield. Gratuity is applicable only to employees of Indian entities and employees of foreign subsidiaries were eligible for terminal benefits as per local labour law. The foreign subsidiaries were part of the Group and were disposed of as discontinued operations on 03 April 2024.

(ii) Sensitivity analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and withdrawal rate.
Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	31 March 2025		31 March 2024	
	Increase	Decrease	Increase	Decrease
Plan A				
Discount rate (0.5% - 1% movement)	(3.73)	4.64	(3.13)	3.61
Future salary growth (0.5% - 1% movement)	4.62	(3.77)	3.61	(3.18)
Attrition rate (0.5% - 1% movement)	(0.01)	0.01	0.13	(0.17)
Plan B				
Discount rate (1% movement)	-	-	(19.71)	21.59
Future salary growth (1% movement)	-	-	21.91	(20.35)
Attrition rate (1% movement)	-	-	2.35	(2.56)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the changes in assumptions would occur in isolation of one another as some of the assumptions may be correlated. In presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Note a

i. AY 2006-07 : A subsidiary received income tax demand for INR 0.19 crores which is currently pending with Commissioner of Income Tax ("CIT") (Appeals)

ii. AY 2012-13 : The Parent Company received income tax demand order of INR 0.18 crores where in assessing officer denied legal and professional fee and business promotion expenses.

iii. AY 2014-15 & 2015-16 : The Parent Company received income tax assessment orders wherein the assessing officer raised net demand of INR 20.08 crores on account of disallowance of Foreign Tax Credit claimed as per provisions of Section 90/90A of Income Tax Act, 1961 and disallowance under section 14A.

iv. AY 2016-17 & 2017-18 : The Parent Company received income tax demand order of INR 2.28 crores and INR 2.15 crore respectively where assessing officer contended TDS deducted from doctors are subject to section 192 instead of section 194J of income tax act 1961 based on the terms of arrangements with the doctors .

v. AY 2017-18 : The Parent Company received income tax demand order of INR 0.20 crore for AY 17-18 wherein assessing officer made disallowances on account of delayed payment of provident fund deducted from employees.

vi. AY 2017-18 : A subsidiary received an income tax demand for INR 0.10 crore, for which rectification has been filed with assessing officer.

vii. AY 2018-19 : A subsidiary is contesting various disallowances by the Indian Income Tax authorities. The associated tax impact for disallowances not accepted by Tax authorities is INR 0.06 crores. The management believes that the position taken by it on the matter is tenable and hence, no adjustment has been made on the consolidated financial statements (The subsidiary has filed an appeal against the demand received).

viii. The Parent Company filed an appeal with CIT appeals, against these demand orders received and paid INR 4.03 crores under protest for the above cases (refer Note 9).

ix. The Parent Company created provision amounting to INR 2.48 crores for AY 2014-15.

Note b: A subsidiary has received a demand order from the Commercial Taxes Department of Government of Andhra Pradesh in respect of Value Added Tax (VAT) pertaining to the financial years 2013-14, 2014-15 and 2015-16 based on the scrutiny carried out by the department. The Subsidiary is contesting the case and has paid INR 0.08 crores under protest in this regard.

Note c: The Parent Company received a Show Cause Notice (SCN) on 11 August 2023 from Additional/Joint Commissioner of Central Tax regarding the alleged non-payment of GST on COVID-19 vaccination services. The SCN has been issued to the Parent Company in its entirety, including its Kerala registration. In response, the Parent Company has submitted that the vaccination services are classified as healthcare services and should be treated as a composite supply incidental to healthcare, which is exempt from GST. Despite this position, the Department has issued a demand order amounting to INR 1.08 crore along with the 100% penalty amounts to INR 1.08 crore against which the Parent company is in the process of filing appeal. The Additional/Joint Commissioner of Central Tax alleges that the Company has not paid GST on accommodation services extended to bystanders and outpatients at its guest facility, Aster suites.

The Department contends that the nature of accommodation provided at Aster Suites is the same as that of hotel services and is therefore subject to GST. The Parent company has taken the position that these services form an integral part of a composite supply of healthcare services. It is contended that such accommodation is ancillary and naturally bundled with the principal supply of healthcare services provided to patients. In contradiction to this view, Additional/Joint Commissioner of Central Tax has issued a demand notice amounting to INR 2.91 crore along with the 100% penalty amounts to INR 2.91 crore. In response, the Parent company has filed an appeal challenging the demand, reiterating its stance and paid INR 0.30 crores under protest for the above cases (refer Note 9).

The Parent Company has also received Show Cause Notice (SCN) from Commercial Tax Officer (CTO) on 21 June 2024, where department enquired about the reason for difference in output tax liability between GSTR 1 and GSTR 3B returns for the period FY 2022-23 and issue the demand order amounting to INR 0.25 Crore. The Parent Company has responded against the said SCN.

A subsidiary has received Show Cause Notice (SCN) from Assistant commissioner of State Tax where department alleged of excess ITC claimed and ineligible ITC availment and issue the demand order amounting to INR 0.35 crores. The subsidiary responded against the said SCN.

Note d: A subsidiary has received demand from the provident fund authorities wherein demand of INR 1 42 crores (out of which INR 0.48 has been paid) Management believes that the position taken by it on the matter is tenable and hence, no adjustment has been made to the consolidated financial statements. The subsidiary has filed an appeal against the demands received.

Note e: Employee bonus refers to amount payable to employees as per Payment of Bonus (Amendment) Act 2015 vis-à-vis retrospective application from 1 April 2014 to 31 March 2015 The subsidiary has relied on stay petition granted by the Honourable High Court of Kerala and Honourable High Court Madras against retrospective application of Payment of Bonus (Amendment) Act 2015 from 1 April 2014. Pending disposal of the case, no provision has been made in the books of accounts. The subsidiary has obtained an independent legal opinion in support of this.

Note f: On 23 April 2018, The Government of Kerala issued an order revising the minimum wages of medical and nursing staff. The order mentions that the changes would be effective retrospectively from 1 October 2017. Since the legislation was issued in April 2018, management has started paying the revised salary with effect from 1 April 2018 The Group filed an appeal against the retrospective application of this order with the High Court of Kerala which has issued an interim stay order on 26 July 2018. The Writ Petition WP (c) No. 25109/2018 challenging the retrospective effect of minimum wage order passed by the Government of Kerala is pending before the Hon'ble High Court of Kerala in hearing list. Based on the stay order and legal advise, Management believes that their position will be upheld and therefore has not provided for the incremental cost for the period October 2017 to March 2018.

Note g : The Parent Company and a subsidiary has obtained duty free / concessional duty licenses for import of capital goods by undertaking export obligations under the EPCG scheme As at 31 March 2025, levies relating to export obligations remaining to be fulfilled amounts to INR 34.04 crore (31 March 2024: INR 39.95 crore). In the event that export obligations are not fulfilled, the Parent Company and subsidiary would be liable to pay the levies.

Note h: The Group has certain claims raised by various customers, pending before various consumer forums. The Management does not expect the outcome of the action to have a material effect on its consolidated financial statements.

Note i : Bank guarantee is issued by various bankers on behalf of the Group with respect to its commitment to various parties.

Note j : Letter of credit is issued by various bankers on behalf of the Group to foreign vendors with respect to various international trade viz., Capital asset procurement

Note k: The Board of Directors at its meeting held on 29 November 2024, approved a Scheme of Amalgamation by way of Merger ("Scheme") of Quality Care India Limited (Transferor Company/QCIL) with Aster DM Healthcare Limited (Transferee Company) and their respective shareholders and creditors. The Scheme is subject to the receipt of requisite approvals from Statutory and Regulatory authorities, the respective shareholders and creditors, under applicable laws. An amount of INR 62 crore may be payable to the financial advisor in connection with the Group's proposed merger, upon receipt of all necessary regulatory approvals including but not limited to approvals from the Competition Commission of India (CCI) and the National Company Law Tribunal (NCLT) and completion of such intended Transaction and satisfaction of other closing conditions as set forth in the relevant definitive agreement(s) to complete the Acquisition. Approximately INR 20 crore may be payable as stamp duty in connection with the transaction.

Note l: On 28 February 2019, the Hon'ble Supreme Court of India has delivered a judgment clarifying the principles that need to be applied in determining the components of salaries and wages on which Provident Fund (PF) contributions need to be made by establishments. Basis this judgment, the Group has re-computed its liability towards PF from the month of March 2019 and has paid PF as per Supreme Court judgement. In respect of the earlier periods/years, the Group has been legally advised that there are numerous interpretative challenges on the application of the judgment retrospectively. Based on such legal advice, management believes that it is impracticable at this stage to reliably measure the provision required, if any, and accordingly, no provision has been made towards the same. Necessary adjustments, if any, will be made to the books as more clarity emerges on this subject.

Note m : The Group does not have any long-term commitments or material non-cancellable contractual commitments/contracts, including derivative contracts for which there were any material foreseeable losses other than disclosed in the consolidated financial statements.

Note n: It is not practicable for the Group to estimate the timings of the cash outflows, if any, in respect of the above pending resolution of the respective proceedings as it is determinable only on receipt of judgements/decisions pending with various forums/authorities

Note o : Affinity Holdings Private Limited (Affinity) is a wholly owned subsidiary of the Parent company. Affinity held 100% ownership of Aster DM Healthcare FZC (GCC). On 03 April 2024, Affinity sold its stake in GCC to Alpha GCC Holdings Limited (Refer note 43). With respect to this transaction, the Group has provided certain indemnities, warranties, obligations, undertakings as outlined in the Share Purchase Agreement, which have been guaranteed by the Parent Company through a deed of guarantee dated 28 November 2023 upto the sale consideration received by Affinity.

Note p: The subsidiary was permitted to run a COVID Care Centre by the Krishna District Medical Health Officer in accordance with several measures undertaken by the Government of Andhra Pradesh after the outbreak of COVID-19 at Swarna Palace Hotel, Vijayawada. On 09 August 2020, a fire accident took place at Swarna Palace Hotel. A written report was submitted by the Tahsildar – Vijayawada East, at the Governorpet Police Station, Vijayawada regarding the said fire accident which was registered as FIR No.173 of 2020 of Governorpet Police Station, under Sections 304 (II), 308 read with 34 of IPC. FIR was filed against the Management of the subsidiary and Swarna Palace Hotel. Several writ petitions have been filed by the Management of the subsidiary to quash the proceedings in FIR No.173 of 2020; however, the investigations have been allowed to continue.

Investigations are ongoing and the final report is yet to be filed The subsidiary has filed a discrimination petition against the Government in the Hon'ble High Court. The subsidiary has reviewed this litigation and based on the legal advice, the subsidiary believes that it is impracticable at this stage to reliably measure the amount of provision required, if any The subsidiary does not expect the outcome of these proceedings to have a materially adverse effect on its financial position

Note q: The Group has reviewed all its pending litigations and proceedings and has made adequate provisions where required and disclosed contingent liabilities where applicable, in its consolidated financial statements. The Group does not expect the outcome of these proceedings to have a materially adverse effect on its consolidated financial statements.

34 Capital Management

B Measurement of fair values

The following methods and assumptions were used to estimate fair values:

a) The fair values of the units of mutual fund schemes are based on net asset value at the reporting date

b)The fair value of forward foreign exchange contracts is calculated as the present value determined using forward exchange rates and interest rate curve of the respective currencies

c) The fair value of the derivative put option is determined using Monte Carlo simulation. The significant unobservable inputs used in the fair value measurement are risk free rate, volatility and management projected EBITDA growth rates

Level 3 fair values

The significant unobservable inputs used in the fair value measurement of the level 3 fair values as at 31 March 2025 and 31 March 2024 are as shown below:

Reconciliation of Level 3 fair values

The following table shows a reconciliation from the opening balances to the closing balances for Level 3 fair values

Balance as at 31 March 2023	**(218.71)**
Balance at 1 April 2023	(218.71)
Gain on write back	
Gain recognised during the year (unrealised)	4.37
Gain included in OCI	
Exchange difference in translating financial statements of foreign operations	-
Additions during the year	1.21
Balance as at 31 March 2024	**(213.13)**
Balance at 1 April 2024	(213.13)
Gain on write back	
Gain recognised during the year (unrealised)	(0.75)
Gain included in OCI	
Exchange difference in translating financial statements of foreign operations	-
Additions during the year	(16.99)
Reversal During the year	145.36
Balance as at 31 March 2025	**(85.51)**

Sensitivity analysis

For the fair values of put option , reasonably possible changes at the reporting date to one of the significant unobservable inputs, holding other inputs constant, would have the following effects

Put option

As at 31 March 2025	As at 31 March 2025	
	Increase	Decrease
Volatility (1% movement)	(0.03)	(0.01)
EBITDA growth rates (1% movement)	0.18	(0.25)
Market Rate or Risk free rate (1% movement)	(0.57)	0.50

As at 31 March 2024	As at 31 March 2024	
	Increase	Decrease
Volatility (1% movement)	(0.59)	0.58
EBITDA growth rates (1% movement)	3.79	(3.79)
Market Rate or Risk free rate (1% movement)	27.92	(27.57)

C Financial risk management

The Group's activities expose it to a variety of financial risks: credit risk, market risk and liquidity risk

i) Risk management framework

The Group's board of directors has overall responsibility for the establishment and oversight of the risk management framework. The Group's audit and risk management committee oversees how management monitors compliance with the risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Group. The committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit and risk management committee.

ii) Credit risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks and financial institutions and other financial instruments.

Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team.

The Group always measures the loss allowance for trade receivables at an amount equal to lifetime ECL. The expected credit losses on trade receivables are estimated using a provision matrix by reference to past default experience of the debtors and an analysis of the debtors' current financial position, adjusted for factors that are specific to the debtors, general economic conditions of the industry in which the debtors operate, and an assessment of both the current as well as the forecast direction of conditions at the reporting date.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to INR 257.81 crores (31 March 2024: INR 2,440.37 crores) (refer Note 11) and unbilled receivables amounting to INR 29.38 crores (31 March 2024: INR 35.23 crores) (refer Note 11)

Particulars	As at 31 March 2025	As at 31 March 2024
Balance at the beginning of the year	33.09	807.32
Add: Provision of loss allowance created during the year (refer Note 27)	10.03	182.39
Less: Bad debts written off during the year	(1.55)	(290.20)
Exchange difference on allowance for credit loss	-	10.35
Assets reclassified as held for sale	-	(676.77)
Balance at the end of the year	**41.57**	**33.09**

No single customer accounted for more than 10% of the revenue as of 31 March 2025 and 31 March 2024. There is no significant concentration of credit risk. Credit risk on cash and cash equivalent is limited as the Group generally transacts with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies.

iii) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for management of the Group's short, medium and long-term funding and liquidity management requirements. The Group's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

C Financial risk management (continued)

Sensitivity analysis

The sensitivity of profit or loss to changes in exchange rates arises mainly from foreign currency denominated financial instruments. One per cent is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the year-end for a one per cent change in foreign currency rates. A positive number below indicates an increase in profit and other equity where currency units strengthens one per cent against the relevant currency. For a one per cent weakening of currency units against the relevant currency, there would be a comparable impact on the profit and other equity, and the balances below would be negative.

As per guidelines issued by the Reserve Bank of India (RBI), the Group is required to realise foreign currency receivables within stipulated time period. The Group has net foreign currency receivables amounting to INR 11 83 crores (31 March 2024: 14 66 crores) which are outstanding for a period of more than nine months. The Group believes that the management will be able to obtain approval, if applicable, from the authorities realising such amounts.

b) Interest rate risk

The Group is exposed to interest rate risk because the Group borrows funds at both fixed and floating interest rates. The Group's significant interest rate risk arises from long-term borrowings with variable interest rates, which expose the Group to cash flow interest rate risk. The interest rate on the Group's financial instruments is based on market rates. The Group monitors the movement in interest rates on an ongoing basis. The risk is managed by the Group by maintaining an appropriate mix between fixed and floating rate borrowings.

The exposure of the Group's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	As at 31 March 2025	As at 31 March 2024
Financial liabilities (bank borrowings)		
Variable rate long term borrowings including current maturities	642 18	4,130 10
Derivative financial instrument		
Interest rate swap	-	283 34

Sensitivity Analysis

Particulars	Impact on profit or (loss)		Impact on equity	
	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024
Sensitivity				
1% increase in MCLR rate	(6 42)	(44 13)	(6 42)	(44 13)
1% decrease in MCLR rate	6 42	44 13	6 42	44 13

The analysis is prepared assuming the amount of liability outstanding at the reporting date was outstanding for the whole year. A one per cent increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates. The Group's sensitivity to interest rates has increased in the current year due to the additional variable rate long term borrowings taken during the year.

c) Equity price risk

The Group is exposed to price risks arising from investments in equity share. The Group's investment are held strategically rather than for trading purpose.

41 Share based payments

A Description of share-based payment arrangements- Share option plans (equity-settled)

The Group issued stock options under the DM Healthcare Employees Stock Option Plan 2013 ("DM Healthcare ESOP 2013" or "2013 Plan") during the financial year ended 31 March 2013. The 2013 Plan covers all non-promoter directors and employees of the Group (collectively referred to as "eligible employees"). Under this plan, holders of vested options are entitled to purchase shares at the exercise price approved by the Nomination and Remuneration Committee (agreed at 25% discount at previous day closing traded share price in case of performance options except for options issued on account of corporate action which were issued at INR 10 and INR 10 in case of loyalty options). The Nomination and Remuneration Committee granted the options on the basis of performance, criticality, loyalty and potential of the employees as identified by the management. Each employee share option converts into one equity share of the Company on exercise. No amounts are paid or payable by the recipient on receipt of the option. The options carry neither rights to dividends nor voting rights. Options may be exercised at any time from the date of vesting to the date of their expiry. If the options remain unexercised at the end of the contractual life of the option, the options expire. Options are forfeited if the employee leaves the Group before the options vest.

The Company has granted different categories of options on various dates mentioned in below table on different terms viz; incentive options, milestone options, performance options and loyalty options.

The Company has computed the fair value of the options for the purpose of accounting of employee compensation cost/ expense over the vesting period of the options.

B Measurement of fair value

The Company has computed the fair value of the options for the purpose of accounting of employee compensation cost/ expense over the vesting period of the options. The fair value of the option is calculated using the Black-Scholes Option Pricing model

The fair value of the options and the inputs used in the measurement of the grant-date fair values of the equity-settled share based payment plans are as follows

Option type	Performance option	Performance option	Loyalty option	Loyalty option
Date of grant	18 May 2024	18 May 2024	18 May 2024	18 May 2024
Fair value at grant date	INR 168.6 to 214.4	INR 341.8 to 342.8	INR 342.8 to 345.2	INR 341.8 to 344.9
Share price at grant date	INR 349.60	INR 349.60	INR 349.60	INR 349.60
Exercise price	INR 263.00	INR 10.00	INR 10.00	INR 10.00
Expected volatility	38.1% to 41.5%	38.1% to 41.5%	39.9% to 40.8%	38.1% to 42.1%
Expected life	3.5 years to 6.5 years	3.5 years to 5.5 years	5.5 years to 11.5 years	3.5 years to 10.5 years
Expected dividends	Nil	Nil	Nil	Nil
Risk- free interest rate	7.07% to 7.09%	7.08% to 7.09%	7.09% to 7.13%	7.07% to 7.12%

Expected volatility has been based on an evaluation of the historical volatility of the Company's share price, particularly over the historical period commensurate with the expected term. The expected term of the instruments has been based on historical experience and general option holder behaviour.

44 The subsidiaries and associates incorporated in India have established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under sections 92-92F of the Income Tax Act, 1961. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Company is in the process of updating the documentation for the international transactions entered into with associated enterprises during the financial year and expects such records to be in existence latest by the date of filing its income tax return as required by the law. The Management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any impact on the consolidated financial statements, particularly on the amount of tax expense and that of provision for taxation.

INDEPENDENT AUDITOR'S REPORT

To The Members of Aster DM Healthcare Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Aster DM Healthcare Limited (the "Company"), which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information which includes financial statements of DM Healthcare Employees Welfare Trust ("the ESOP trust") for the year ended on that date audited by the ESOP trust auditor.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of report of the ESOP Trust auditor on separate financial statements of the ESOP trust referred to in the Other Matters section below, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the ESOP trust auditor in terms of their report referred to in the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
Evaluation of Impairment Assessment of Investment in Subsidiaries and Associate and loans (including accrued interest), deposits and other dues receivable from them, collectively defined as "investments and receivables" As at 31 March 2025, the Company has INR 1,008.96 crores of investments (non-current), INR 375.36 crores of loans (including accrued interest), INR 29.64 crores of deposits and INR 59.34 crores of other dues receivable from subsidiaries and associate. The management tests such investments and receivables for impairment annually or more frequently, if there is a trigger for assessing impairment. The Company's evaluation of impairment of its investments and receivables from it's subsidiaries and associate involves a comparison of its expected recoverable values against its carrying values. The recoverable amount of the investments and receivables is based on Value in Use (VIU) calculations which is determined based on a discounted cash flow model. Determination of VIU involves significant estimates, assumptions and judgements in relation to projections of financial performance and discount rates to be considered. Given the above complexities, the determination of recoverable amount is subjective as it involves specific assumptions applicable to each investment and receivable which includes revenue growth rate, Earning Before Interest, Tax, Depreciation and Amortisation (EBITDA) margin, terminal	**Principal audit procedures performed included the following:** We tested the design, implementation and operating effectiveness of internal controls over the Company's impairment evaluation by testing on a sample basis: • The forecasting process including controls related to the development of the revenue growth rate and EBITDA margin. • The impairment review specifically the assumptions used to develop the terminal growth rate, the discount rate and the mathematical accuracy of the workings and basis for final conclusion. We received the managements evaluation of the impairment assessment for sample investments and receivables and evaluated reasonableness of management's assumptions related to revenue growth rates, EBITDA margins and discount rates by considering (i) the current and past performance of each of the investments and receivables, (ii) the consistency of internal assumptions with external market information (iii) whether these assumptions were consistent with evidence obtained in other areas of the audit (iv) subjected the various assumptions to certain sensitivity to key inputs, and (v) testing the integrity and mathematical accuracy of the impairment models. We reviewed that the investments and receivables disclosed in the standalone financial statements is in accordance with the Companies Act, 2013 and Ind AS.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the Board's report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon which we obtained prior to the date of this auditor's report, and the remaining sections of the Annual report, which is expected to be made available to us after that date.

- Our opinion on the standalone financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

- In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

- When we read the remaining sections of annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Board of Directors for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and

presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the Company and the ESOP trust to express an opinion on the standalone financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the standalone financial statements of which we are the independent auditors. For the other entity included in the standalone financial statements, which have been audited by the ESOP trust auditor, such ESOP trust auditor remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of ESOP trust included in the standalone financial statements of the Company whose financial statements reflect (before elimination) total assets of INR 19.56 crores as at 31 March 2025 and total revenue of INR 20.42 crores for the year ended on that date, as considered in the standalone financial statements. The financial statements of ESOP trust have been audited by the ESOP trust auditor whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of this ESOP trust and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid ESOP trust, is based solely on the report of such ESOP trust auditor.

Our opinion on the standalone financial statements and our report on Other Legal and Regulatory Requirements below is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the ESOP trust auditor on the separate financial statements of the ESOP trust, referred to in the Other Matters section above, we report, to the extent applicable that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b) In our opinion, proper books of account as required by law have been kept by the Company and its ESOP trust which are incorporated in India so far as it appears from our examination of those books and the report of the ESOP trust auditor except for not complying with the requirement of audit trail by the Company as stated in (i)(vi) below.

   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account and with the financial statement received from the ESOP trust auditor.

   d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

   e) On the basis of the written representations received from the directors as on 31 March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164(2) of the Act.

   f) The modifications relating to the maintenance of accounts and other matters connected therewith, are as stated in paragraph (b) above.

   g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements.

   h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

   i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note 33 to the standalone financial statements;

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 45 (e) to the standalone financial statements, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the note 45 (f) to the standalone financial statements, no funds (which are material either individually or in aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The final dividend proposed for the previous year, declared and paid by the Company during the year and the interim dividend declared and paid by the Company during the year and until the date of this report, are in compliance with section 123 of the Act.

As stated in note 14 to the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act, as applicable.

vi. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the year ended 31 March 2025, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except for the period 1 April 2024 to 30 September 2024 where the earlier software did not have the audit trail feature. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of said accounting software for the period for which the audit trail feature was enabled and operating.

Additionally, the audit trail that was enabled and operated for the year ended March 31, 2024, has been preserved by the Company as per the statutory requirements for record retention, as stated in Note 45 (j) to the standalone and consolidated financial statements.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT
(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to standalone financial statements of Aster DM Healthcare Limited (the "Company") as at 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A Company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31 March 2025, based on the criteria for internal financial control with reference to standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

(i)

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, capital work-in-progress and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has a program of verification of property, plant and equipment (except leasehold improvements), capital work-in-progress, and right-of-use assets so to cover all the items in a phased manner over a period of 2 years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment, capital work-in-progress, and right-of-use assets were due for verification during the year and were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

(c) Immovable properties of land and buildings whose title deeds have been pledged as security for loans are held in the name of the Company based on the confirmations directly received by us from custodian.

(d) The Company has not revalued any of its property, plant and equipment (including right-of-use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2025, for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii)

(a) The inventories were physically verified during the year by the management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.

(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of INR 5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements have not been requested from the bank or financial institution.

(iii) The Company has made investments, provided guarantee and granted unsecured loans, to companies and Limited Liability Partnerships during the year, in respect of which:

(a) The Company has provided unsecured loans during the year and details of which are given below:

Particulars	Loans (INR crores)	Guarantees (INR crores)
A. Aggregate amount granted / provided during the year:		
- Subsidiaries	79.12	-
- Associates	40.00	-
B. Balance outstanding as at balance sheet date:*		
- Subsidiaries	329.60	322.50

* The amounts reported are at gross amounts, without considering provisions made.

The Company has not provided any security or advances in the nature of loans or stood guarantee during the year.

(b) The investments made, guarantees provided and the terms and conditions of the grant of all the above-mentioned loans and guarantees, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.

(c) The Company has granted loans which are repayable on demand. During the year the Company has not demanded such loan. Having regard to the fact that the repayment of principal or payment of interest has not been demanded by the Company, in our opinion the repayments of principal amounts and receipts of interest are regular. (Refer reporting under clause (iii)(f) below).

(d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.

(e) None of the loans granted by the Company have fallen due during the year.

(f) The company has granted loans which are repayable on demand details of which are given below:

INR Crores

Particulars	All Parties	Promoters	Related Parties
Aggregate of loans - Repayable on demand (A) - Agreement does not specify any terms or period of repayment (B)	329.60 -	- -	329.60 -
Total of (A+B) *	**329.60**	**-**	**329.60**
Percentage of loans to the total loans	100%		100%

* The amounts reported are at gross amounts, without considering provisions made.

(iv) The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.

(v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.

(vi) The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013 in respect of healthcare services rendered. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) In respect of statutory dues:

(a) Undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities. As explained to us by the Management, there were no dues payable in respect of Sales Tax, Service Tax, duty of Excise and Value Added Tax during the year.

There were no undisputed amounts payable in respect of Goods and Services tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, cess and other material statutory dues in arrears as at 31 March 2025, for a period of more than six months from the date they became payable.

(b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31 March 2025, on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates (financial year)	Amount involved (INR crores)	Amount remaining unpaid (INR crores)
Income Tax Act, 1961	Income tax	Commissioner of Income Tax Appeals	2011-12	0.18	0.14
Income Tax Act, 1961	Income tax	Commissioner of Income Tax Appeals	2013-14	17.22	14.63
Income Tax Act, 1961	Income tax	Commissioner of Income Tax Appeals	2014-15	2.86	2.29

Goods and Services Tax, 2017	Goods and Services Tax	Additional/Joint Commissioner of Central Tax	March 2021 to April 2023	2.17	2.17
Goods and Services Tax, 2017	Goods and Services Tax	Additional/Joint Commissioner of Central Tax	July 2017 to March 2023	5.83	5.53

(viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

(ix)

(a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.

(d) On an overall examination of the standalone financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

(e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and associates.

(f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate companies.

(x)

(a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.

(xi)

(a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) We have taken into consideration the whistle blower complaints received by the Company during the year and upto the date of this report and provided to us, when performing our audit.

(xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

(xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

(xiv)

(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports issued to the Company during the year and covering the period up to March 2025 and the final of the internal audit reports issued after the balance sheet date covering the period 1 April 2024 to 31 March 2025 for the period under audit.

Deloitte
Haskins & Sells

(xv) In our opinion, during the year, the Company has not entered into any non-cash transactions with any of its directors or directors of its subsidiary or associate companies or persons connected with its directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.

The Group does not have any Core Investment Company (CIC) as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors of the Company during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of Section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

Aster DM Healthcare Limited Bengaluru 560 027

1. Company overview

Aster DM Healthcare Limited ("the Company") was incorporated on 18 January 2008 under the Companies Act ,1956. The Company is a public limited company and is listed on the Bombay Stock Exchange Limited and National Stock Exchange Limited. The registered office of the Company is in Bengaluru, Karnataka, India.

The Company is primarily involved in the operations of healthcare facilities, retail pharmacies and providing consultancy in areas relating to healthcare. The Company has subsidiaries in United Arab Emirates ('UAE'), Kingdom of Saudi Arabia (KSA), Oman, Qatar, Jordan, Bahrain, Cayman Islands (Collectively called Gulf Cooperation Council ('GCC')), Mauritius and India.The Company has completed the separation of its India and GCC businesses on 03 April 2024.

2. Basis of preparation

2.1 Statement of compliance

These standalone financial statements (the 'standalone financial statements') have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015, as amended, and the relevant amended rules prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with relevant rules issued thereunder.

These standalone financial statements were authorised for issuance by the Company's Board of Directors on 20 May 2025.
The Company's material accounting policies are included in Note 3.

2.2 Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts are presented in Indian Rupees in crores and are rounded off to two decimals, unless otherwise stated.

2.3 Basis of measurement

These standalone financial statements have been prepared on the historical cost convention on accrual basis except for the following material items that have been measured at fair value as required by relevant Ind AS:

i. Certain financial assets and liabilities (including derivatives instruments);
ii. Liabilities for equity-settled share-based payment arrangements; and
iii. Net defined benefit (asset)/ liability.

2.4 Use of estimates and judgements

In preparing these standalone financial statements, the Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, and expenses. Actual results may differ from these estimates.
Estimates and underlying assumptions are reviewed by the Management on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Information about judgements, assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment during the year ended 31 March 2025 is included in the following notes:

- Note 3.1, 3.2, 4 and 5 - Measurement of useful life and residual value of property, plant and equipment and intangible assets;
- Note 6 - Impairment of investment in subsidiaries and associates;
- Note 3.11 and 32 - Recognition of deferred tax asset: availability of future taxable profit against which tax losses carried forward can be used;
- Note 3.6 and 33 - Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;
- Note 3.4, 8, 11 and 38 - Impairment of financial assets;
- Note 3.5, 20 and 39 - Measurement of defined benefit obligations: key actuarial assumptions;
- Note 3.9 and 40 - Leases;
- Note 42 - Employee share-based payment expenses.

2.5 Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values.
Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes:
- Share-based payment arrangements;
- Financial instruments; and
- Fair value of property, plant and equipment and intangible assets.

2.6 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind As 116 – Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no significant impact on its financial statements.

On May 9, 2025, MCA notifies the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 1, 2025. The Company is currently assessing the probable impact of these amendments on its financial statements.

3. Material accounting policies

3.1 Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

The cost of an item of property, plant and equipment may include costs incurred relating to leases of assets they are used to construct, add to, replace part of or service an item of property, plant and equipment, such as depreciation of right-of-use assets.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in the standalone statement of profit and loss.

Advances paid towards the acquisition of property, plant and equipment, outstanding at each balance sheet date are shown under other non-current assets. The cost of property, plant and equipment not ready for its intended use at each balance sheet date are disclosed as capital work-in-progress.

ii. Subsequent expenditure and derecognition

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in the standalone statement of profit and loss.

iii. Depreciation

Depreciation on property, plant and equipment are provided on the straight-line method over the useful lives of the assets estimated by the Management. Depreciation for assets purchased / sold during a period is proportionately charged. Leasehold improvements are amortized over the lease term or useful lives of assets, whichever is lower. The estimated useful lives of items of property, plant and equipment for the current and comparative years are as follows:

Class of assets	Useful life (in years)
Buildings	60
Plant and equipment	5-15
Medical equipment*	10-13
Motor vehicles *	5
Computer equipment	3
Servers and networks	6
Furniture and fixtures *	5-10
Electrical equipment	10

* For the above-mentioned classes of assets, the Company believes that the useful lives as given above best represent the useful lives of these assets based on internal assessment and supported by technical advice, where necessary, which is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

iv. Capital work-in-progress

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date are recognized as capital advance and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital work- in-progress.

Commencement of Depreciation related to property, plant and equipment classified as Capital work in progress (CWIP) involves determining when the assets are available for their intended use. The criteria the Company uses to determine whether CWIP are available for their intended use involves subjective judgments and assumptions about the conditions necessary for the assets to be capable of operating in the intended manner.

3.2 Intangible assets

Intangible assets – acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Intangible assets are amortised over their respective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Company for its use and is included in depreciation and amortisation expenses in the standalone statement of profit and loss. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

The estimated useful lives for the current and comparative years are as follows:

Class of assets	Useful life (in years)
Computer software	3
Trademarks	3

The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the standalone statement of profit and loss when the asset is derecognised.

Internally-generated intangible assets – research and development expenditure

Expenditure on research activities is recognised as an expense in the period in which it is incurred.

An internally-generated intangible asset arising from development (or from the development phase of an internal project) is recognised if, and only if, all of the following conditions have been demonstrated:

- the technical feasibility of completing the intangible asset so that it will be available for use or sale;
- the intention to complete the intangible asset and use or sell it;
- the ability to use or sell the intangible asset;
- how the intangible asset will generate probable future economic benefits;
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset; and
- the ability to measure reliably the expenditure attributable to the intangible asset during its development.

The amount initially recognised for internally-generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally-generated intangible asset can be recognised, development expenditure is recognised in the standalone statement of profit and loss in the period in which it is incurred.

Subsequent to initial recognition, internally-generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in the standalone statement of profit and loss as incurred.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the standalone statement of profit and loss when the asset is derecognised.

3.3 Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories comprises purchase price, and other cost incurred in bringing the inventories to their present location and condition. The Company uses the weighted average method to determine the cost of inventory consisting of medicines and medical consumables.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale. The comparison of cost and net realisable values is made on an item-by-item basis.

3.4 Impairment

i. Impairment of financial assets

The Company recognises loss allowances for expected credit losses ('ECL') on financial assets measured at amortised cost.

At each reporting date, the Company assesses whether financial assets carried at amortised cost are credit impaired. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The Company always measures the loss allowance for trade receivables at an amount equal to lifetime ECL. The expected credit losses on trade receivables are estimated using a provision matrix by reference to past default experience of the debtors and an analysis of the debtors' current financial position, adjusted for factors that are specific to the debtors, general economic conditions of the industry in which the debtors operate, and an assessment of both the current as well as the forecast direction of conditions at the reporting date.

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

Measurement of expected credit losses

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e., the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the standalone balance sheet:

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write off.

ii. Impairment of non- financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated to determine the extent of impairment loss, if any.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

Intangible assets, intangible assets under development and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount i.e., the higher of the fair value less cost to sell and the value-in-use is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the standalone statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset.

An impairment loss is reversed in the standalone statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

iii. Impairment of goodwill

Determining whether goodwill is impaired requires an estimation of the value in use of the cash-generating units to which goodwill has been allocated. The value in use is determined using a discounted cash flow approach based upon the cash flow expected to be generated by the CGU. In case that the value in use of the CGU is less than its carrying amount, the difference is at first recorded as an impairment of the carrying amount of the goodwill.

3.5 Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the amount of obligation can be estimated reliably.

Post-employment benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in the standalone statement of profit and loss in the periods during which the related services are rendered by employees.

Defined Benefit plans

Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees.
The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method.
Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses are recognised in other comprehensive income (OCI) in the period in which they occur. Remeasurements of the net defined benefit liability (asset) recognised in other comprehensive income shall not be reclassified to statement of profit and loss in a subsequent period. However, the Company transfers those amounts recognised in other comprehensive income within equity. The Company determines the net interest expense on the net defined benefit liability for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability, taking into account any changes in the net defined benefit liability during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in the standalone statement of profit and loss.

Share- based payment transactions

The grant date fair value of equity settled share-based payment awards granted to employees is recognised as an employee expense, with a corresponding increase in equity, over the period that the employees unconditionally become entitled to the awards. The amount recognised as expense is based on the estimate of the number of awards for which the related service and non-market vesting conditions are expected to be met, such that the amount ultimately recognised as an expense is based on the number of awards that do meet the related service and non-market vesting conditions at the vesting date. For share-based payment awards with non-vesting conditions, the grant date fair value of the share-based payment is measured to reflect such conditions and there is no true-up for differences between expected and actual outcomes.

Treasury shares

The Company has created an DM Healthcare Employee Welfare Trust for providing share based payment to its employees. The Company treats this trust as its extension and shares held by this trust are treated as treasury shares. Own equity instruments that are acquired (treasury shares) are recognized at cost and deducted from equity. When the treasury shares are issued to the employees by this trust, the amount received is recognized as an increase in other equity and the resultant is transferred to securities premium.

3.6 Provisions (other than employee benefits)

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

A contract is considered to be onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the Company recognises any impairment loss on the assets associated with that contract.

3.7 Revenue

The Company generates revenue from rendering of hospital services (hospital and medical services), revenue from sale of pharmacy, revenue from canteen services, revenue from consultancy services and other operating income. Revenue from Contracts with Customers ("Ind AS 115"), establishes a comprehensive framework for determining whether, how much and when revenue is recognised. Under Ind AS 115, revenue is recognised when a customer obtains control of the goods or services in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services. In calculating the variable considerations, the Company considers the nature and coverage through insurance and other parties, the history of adjustments and rejections, and the probability of rejections, discounts, rebates, price concessions, or other similar items. The impact of these considerations is reflected as adjustments to revenue.

Disaggregation of revenue

The Company disaggregates revenue from hospital services (hospital and medical services), revenue from sale of pharmacy, revenue from canteen services, revenue from consultancy services and other operating income.The company further disaggregates revenue from hospital and medical services based on category of customers (cash and credit) and based on nature of treatment (In-patient and Out-patient). The Company believes that this disaggregation best depicts how the nature, amount, timing and certainty of Company's revenues and cash flows are affected by industry, market and other economic factors.

Contract balances

The Company classifies the right to consideration in exchange for sale of services where invoice is raised as trade receivables, where invoice has not been raised as unbilled revenue and advance consideration as advance from customers.

Performance obligations and revenue recognition policies

Revenue is measured based on the consideration specified in a contract with a customer. The Company recognises revenue when it transfers control over a good or service to a customer i.e. at the transaction price when each performance obligation is satisfied at a point in time when inpatient/outpatients has actually received the service except for few services where the performance obligation is satisfied over a period of time. The following details provide information about the nature and timing of the satisfaction of performance obligations in contracts with customers, including significant payment terms, and the related revenue recognition policies.

(a) Revenue from hospital and medical services

The Company's revenue from hospital and medical services comprises of income from hospital services.
Revenue from hospital services to patients is recognised as revenue when the related services are rendered unless significant future uncertainties exist. Revenue is also recognised in relation to the services rendered to the patients who are undergoing treatment/ observation on the balance sheet date to the extent of the services rendered. Revenue is recognised net of discounts, concessions given to the patients and estimated disallowances for patients covered under insurance.

Unbilled receivable represents value to the extent of hospital and medical services are rendered to the patients who are undergoing treatment/observation on the balance sheet date and is not billed as at the balance sheet date.

(b) Revenue from sale of pharmacy

Revenue from sale of pharmacy within the hospital premises is recognised when the control in the goods are transferred to the customer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection. The amount of revenue recognised is net of sales returns, taxes and duties, wherever applicable.

(c) Other operating income

The Company's revenue from other operating income comprises primarily of revenue from medical courses conducted at the hospital and income from revenue sharing agreements.

(d) Revenue from consultancy services

The Company's revenue from consultancy services is based on the agreements/arrangements with the customers as the service is performed.

(e) Revenue from canteen services

Revenue from canteen services is recognised at a point in time when control is transferred.

3.8 Foreign currency transactions and translations

Transactions in foreign currencies are recorded in the functional currency of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in the standalone statement of profit and loss.

3.9 Leases

Determining whether an arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease. At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative fair values.

i. Company as a lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the standalone statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The Company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and the statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in the standalone statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116, Leases, to short-term leases of all assets that have a lease term of 12 months or less. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

Variable rents that do not depend on an index or rate are not included in the measurement of the lease liability and the right-of-use asset. The related payments are recognised as an expense in the period in which the event or condition that triggers those payments occurs and are included in the line "Other expenses" in the standalone statement of profit and loss.

ii. Company as a lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. The Company recognises lease payments received under operating leases as income on a straight- line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease.

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Company's net investment in the leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Company applies the exemption described above, then it classifies the sub-lease as an operating lease.

If an arrangement contains lease and non-lease components, the Company applies Ind AS 115 Revenue from contracts with customers to allocate the consideration in the contract.

3.10 Recognition of dividend income, interest income or interest expense

(a) Dividend income is recognised in the standalone statement of profit and loss on the date on which the right to receive payment is established.

(b) Interest on deployment of surplus funds is recognized using the time proportionate method, based on the transactional interest rates.

(c) Interest income or expense is recognised using the effective interest method.
The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset or the amortised cost of the financial liability.

(d) In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability.

3.11 Income tax

Income tax comprises current and deferred tax. It is recognised in the standalone statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

A provision is recognised for those matters for which the tax determination is uncertain but it is considered probable that there will be a future outflow of funds to a tax authority. The provisions are measured at the best estimate of the amount expected to become payable. The assessment is based on the judgement of tax professionals within the Company supported by previous experience in respect of such activities and in certain cases based on specialist independent tax advice.

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding tax bases used for taxation purposes. Deferred tax assets are recognised for carry forward of unused tax losses and tax credits to the extent that it is probable that future taxable profit will be available against which such losses and credits can be utilised. Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be utilised. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

3.12 Borrowings and Borrowing costs

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the statement of profit and loss over the period of the borrowings using the effective interest rate method. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset until such time as the asset is substantially ready for their intended use or sale. Other borrowing costs are recognised as an expense in the period in which they are incurred.

3.13 Financial instruments

i. Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value, except for trade receivables that do not have a significant financing component which are measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss - FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in standalone statement of profit and loss.

DELOITTE HASKINS & SELLS CHARTERED ACCOUNTANTS BENGALURU

Aster DM Healthcare Limited Bengaluru 560 027

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as either at amortised cost, FVTPL or fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions:
- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at investment level because this best reflects the way the business is managed and information is provided to management. The information considered includes:
- the stated policies and objectives for each of such investments and the operation of those policies in practice. These include whether Management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;

- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are

- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g., liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g., non-recourse features).

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in standalone statement of profit and loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in statement profit and loss. Any gain or loss on derecognition is recognised in standalone statement of profit and loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in standalone statement profit and loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to standalone statement of profit and loss.

DELOITTE HASKINS & SELLS CHARTERED ACCOUNTANTS BENGALURU

Aster DM Healthcare Limited Bengaluru 560 027

Financial liabilities: Classification, subsequent measurement and gains and losses
Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in standalone statement of profit and loss.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in standalone statement of profit and loss. Any gain or loss on derecognition is also recognised in standalone statement of profit and loss.

iii. Derecognition
Financial assets
The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities
The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in standalone statement of profit and loss.

iv. Offsetting
Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

v. Derivative financial instruments
The Company holds derivative financial instruments to hedge its foreign currency and interest rate risk exposures. Derivatives are initially measured at fair value. Subsequent to initial recognition, derivatives are measured at fair value, and changes therein are recognised in the standalone statement of profit and loss.

3.14 Earnings / (Loss) per share

The basic earnings / (loss) per share ('EPS') is computed by dividing the net profit / (loss) after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

Dilutive potential equity shares are deemed converted as of the beginning of the period unless issued at a later date. In computing dilutive earnings per share, only potential equity shares that are dilutive, i.e., which reduces earnings per share or increases loss per share are included. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

3.15 Cash-flow statement
Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated.

3.16 Government Grants
Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. Where the Company receives grants relating to assets, including non-monetary grants, the asset and the related grants are accounted at fair value and recognised in the standalone statement of profit and loss over the expected useful life of the asset. Government grants related to assets, including non-monetary grants at fair value, shall be presented in the balance sheet by setting up the grant as deferred income.The grant set up as deferred income is recognised in standalone statement of profit and loss on a systematic basis over the useful life of the asset.

3.17 Cash and cash equivalents
Cash and cash equivalents comprise cash at bank and on hand and short-term deposits with an original maturity of three months or less which are subject to insignificant risk of changes in value.

3.18 Operating segments
The Company publishes the standalone financial statements along with the consolidated financial statements. In accordance with Ind AS 108, Operating Segments, the Company has disclosed the segment information in the consolidated financial statements.

3.19 Operating cycle
The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3.20 Exceptional items
An item of income or expense which by its size, nature or incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and disclosed separately in the financial statements.

14.2 Rights, preferences and restrictions attached to equity shares

The Company has a single class of equity shares. All equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time and subject to dividend payable to preference shareholder. The voting rights of an equity shareholder on a poll (not on show of hands) is in proportion to the shareholders' share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. Failure to pay any amount called up on shares may lead to forfeiture of the shares.

On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

Note 1: The Company has received income tax assessment orders for AY 2014-15 & 2015-16 wherein the assessing officer has raised net demand of INR 20.08 crores (on account of disallowance of Foreign Tax Credit claimed as per provisions of Section 90/90A of Income Tax Act, 1961 and the disallowance under section 14A. The Company has also received income tax demand order of INR 0.18 crores for AY 2012-13 where in assessing officer denied legal and professional fee and business promotion expenses. The Company also received income tax demand order of INR 2.28 crores and INR 2.15 crore for AY 16-17 and AY 17-18 respectively where assessing officer contended TDS deducted from doctors are subject to section 192 rather than section 194J of income tax act 1961 based on the terms of arrangements with the doctors . The Company had also received income tax demand order of INR 0.20 crore for AY 17-18 wherein assessing officer made disallowances on account of delayed payment of provident fund deducted from employees.The Company has filed an appeal with Commissioner of Income Tax (CIT) appeals, against these demand orders received and has paid INR 4.03 crores under protest for the above cases. The Company has also created provision amounting to INR 2.48 crores for AY 2014-15 (refer Note 13).

Note 2: The Company has received a Show Cause Notice (SCN) from Additional/Joint Commissioner of Central Tax regarding the alleged non-payment of GST on COVID-19 vaccination services. The SCN has been issued to the Company in its entirety, including its Kerala registration. In response, the Company has submitted that the vaccination services are classified as healthcare services and should be treated as a composite supply incidental to healthcare, which is exempt from GST. Despite this position, the Department has issued a demand order amounting to INR1.08 crore along with the 100% penalty amounts to INR 1.08 crore against which the Company is in the process of filing appeal. The Additional/Joint Commissioner of Central Tax alleges that the Company has not paid GST on accommodation services extended to bystanders and outpatients at its guest facility,Aster suites.
The Department contends that the nature of accommodation provided at Aster Suites is same as that of hotel services and is therefore subject to GST. The Company has taken the position that these services forms an integral part of a composite supply of healthcare services. It is contended that such accommodation is ancillary and naturally bundled with the principal supply of healthcare services provided to patients.
In contradiction to this view, the Additional/Joint Commissioner of Central Tax has issued a demand notice amounting to INR 2.91 crore along with the 100% penalty amounts to INR 2.91 crore. In response, the Company has filed an appeal challenging the demand, reiterating its stance and paid INR 0.30 crores under protest for the above cases.
The Company has also received Show Cause Notice (SCN) from Commercial Tax Officer (CTO) where department enquired about the reason for difference in output tax liability between GSTR 1 and GSTR 3B returns for the period FY 2022-23 and issue the demand order amounting to INR 0.25 Crore. The Company has responded against the said SCN. (refer Note 13).

Note 3: The Company has obtained duty free / concessional duty licenses for import of capital goods by undertaking export obligations under the EPCG scheme. As at 31 March 2025, the custom duty obligations remaining to be fulfilled amounts to INR 17.95 crores (31 March 2024: INR 16.93 crores). In the event that export obligations are not fulfilled, the Company would be liable to pay the levies.

Note 4: On 23 April 2018, the Government of Kerala issued an order revising the minimum wages of medical and nursing staff. The order mentions that the changes would be effective retrospectively from 1 October 2017. Since the legislation was issued in April 2018, Management has started paying the revised salary with effect from 1 April 2018. The Company filed an appeal against the retrospective application of this order with the High Court of Kerala which has issued an interim stay order on 26 July 2018. The Writ Petition WP (c) No. 25109/2018 challenging the retrospective effect of minimum wage order passed by the Government of Kerala is pending before the Hon'ble High Court of Kerala in hearing list. Based on the stay order and legal advise, Management believes that their position will be upheld and therefore has not provided for the incremental cost for the period October 2017 to March 2018.

Note 5: On 28 February 2019, the Hon'ble Supreme Court of India has delivered a judgment clarifying the principles that need to be applied in determining the components of salaries and wages on which Provident Fund (PF) contributions need to be made by establishments. Basis this judgment, the Company has re-computed its liability towards PF from the month of March 2019 and has paid PF as per Supreme Court judgement. In respect of the earlier periods/years, the Company has been legally advised that there are numerous interpretative challenges on the application of the judgment retrospectively. Based on such legal advice, the Management believes that it is impracticable at this stage to reliably measure the provision required, if any, and accordingly, no provision has been made towards the same. Necessary adjustments, if any, will be made to the books as more clarity emerges on this subject.

Note 6: The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liability where applicable, in its standalone financial statements. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial position.

Note 7: Bank guarantee is issued by various bankers on behalf of the Company with respect to its commitment to various parties.

Note 8: Letter of credit is issued by various bankers on behalf of the Company to foreign vendors with respect to various international trade viz., Capital asset procurement.

Note 9: The Company does not have any long-term commitments or material non-cancellable contractual commitments/contracts, including derivative contracts for which there were any material foreseeable losses other than disclosed in then standalone financial statements.

Note 10: Affinity Holdings Private Limited (Affinity) is wholly owned subsidiary of the Company. Affinity held 100% ownership of Aster DM Healthcare FZC (GCC). On April 3, 2024, Affinity sold its stake in GCC to Alpha GCC Holdings Limited (Refer note 6). With respect to this transaction, Affinity has provided certain indemnities, warranties, obligations, undertakings as outlined in the share purchase agreement, which have been guaranteed by the Company through a deed of guarantee dated November 28, 2023 upto the sale consideration received by Affinity.

Note 11: The Board of Directors at its meeting held on 29 November 2024, approved a Scheme of Amalgamation by way of Merger ("Scheme") of Quality Care India Limited (Transferor Company/QCIL) with Aster DM Healthcare Limited (Transferee Company) and their respective shareholders and creditors. The Scheme is subject to the receipt of requisite approvals from Statutory and Regulatory authorities, the respective shareholders and creditors, under applicable laws. An amount of INR 82.00 Crore may be payable to the financial advisors/regulators/bankers in connection with the Company's proposed merger, upon receipt of all necessary regulatory approvals including but not limited to approvals from the Competition Commission of India (CCI) and the National Company Law Tribunal (NCLT) and completion of such intended Transaction and satisfaction of other closing conditions as set forth in the relevant definitive agreement(s) to complete the Acquisition.

Note 12: The Company has given letter of support to its subsidiary namely Aster Dm Multispecialty Hospital Private Limited (formerly known as Aster DM Healthcare (Trivandrum) Private Limited). Under the letter of support, the Company is committed to provide financial and other support necessary to the said entity at least 12 months from the date of the financial statements adoption to enable the Company to continue the construction from end of financial year 2024-25.

38 Financial Instruments- Fair values and risk management (continued)

B Financial risk management

The Company's activities expose it to a variety of financial risks: credit risk, market risk and liquidity risk.

i) Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the risk management framework.

The Company's audit and risk management committee oversees how management monitors compliance with the risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad-hoc reviews of risk management controls and procedures, the results of which are reported to the audit and risk management committee.

ii) Credit risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks and financial institutions and other financial instruments.

Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team.

The Company always measures the loss allowance for trade receivables at an amount equal to lifetime ECL. The expected credit losses on trade receivables are estimated using a provision matrix by reference to past default experience of the debtors and an analysis of the debtors' current financial position, adjusted for factors that are specific to the debtors, general economic conditions of the industry in which the debtors operate, and an assessment of both the current as well as the forecast direction of conditions at the reporting date.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to INR 138.13 crores (31 March 2024: INR 127.55 crores) and unbilled receivables (net of advances from patient) as given in note 12 amounting to INR 19.21 crores (31 March 2024: INR 18.33 crores).

The movement in lifetime ECL in respect of trade and other receivables during the year was as follows:

Particulars	As at 31 March 2025	As at 31 March 2024
Balance at the beginning of the year	12.24	10.90
Add: Provision of loss allowance created during the year (refer Note 30)	9.68	4.45
Less: Bad debts written off during the year	(0.20)	(3.11)
Balance at the end	**21.72**	**12.24**

No single customer accounted for more than 10% of the revenue as of 31 March 2025 and 31 March 2024. There is no significant concentration of credit risk.

Credit risk on cash and cash equivalent and other bank balances is limited as the Company generally transacts with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies.

iii) **Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for management of the Company's short, medium and long-term funding and liquidity management requirements. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The table below provides details regarding the undiscounted contractual maturities of significant financial liabilities as of 31 March 2025:

Particulars	Less than 1 year	More than 1 year	Total
Trade payables	247.91	-	247.91

iv) **Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices, such as foreign exchange rates, interest rates and equity prices.

(a) **Foreign currency risk**

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company is mainly exposed to AED, OMR and US dollar.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the reporting date are as follows:

As at 31 March 2025	AED	OMR	USD
Other current financial liabilities	-	1.09	12.06
Other financial assets	-	-	-
Cash and cash equivalents	-	-	0.15
Net assets/(liabilities)	-	**(1.09)**	**(11.91)**
As at 31 March 2024	**AED**	**OMR**	**USD**
Other current financial liabilities	-	1.47	13.79
Other financial assets	-	-	-
Cash and cash equivalents	0.02	-	-
Net assets/(liabilities)	**0.02**	**(1.47)**	**(13.79)**

Sensitivity analysis

The sensitivity of profit or loss to changes in exchange rates arises mainly from foreign currency denominated financial instruments. One per cent is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the year-end for a one per cent change in foreign currency rates. A positive number below indicates an increase in profit and other equity where currency units strengthens one per cent against the relevant currency. For a one per cent weakening of currency units against the relevant currency, there would be a comparable impact on the profit and other equity, and the balances below would be negative.

INR/ OMR - Decrease by 1%	0.01	0.01	0.01	0.01
USD Sensitivity				
INR/ USD - Increase by 1%	(0.12)	(0.14)	(0.12)	(0.14)
INR/ USD - Decrease by 1%	0.12	0.14	0.12	0.14

* Amount is below the rounding off norms adopted by the Company.

As per guidelines issued by the Reserve Bank of India (RBI), the Company is required to realise foreign currency receivables within stipulated time period. The Company has net foreign currency receivables amounting to INR 18.27 Crores (31 March 2024: 16.55 Crores) which are outstanding for a period of more than nine months. The Company believes that the management will be able to obtain approval, if applicable, from the authorities realising such amounts.

(b) **Interest rate risk**

The Company is exposed to interest rate risk because the Company borrows funds at both fixed and floating interest rates. The Company's significant interest rate risk arises from long-term borrowings with variable interest rates, which expose the Company to cash flow interest rate risk. The interest rate on the Company's financial instruments is based on market rates. The Company monitors the movement in interest rates on an ongoing basis. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

Financial liabilities (bank borrowings)	As at 31 March 2025	As at 31 March 2024
Variable rate long term borrowings including current maturities	377.38	386.64

Sensitivity analysis

Particulars	Impact on profit or (loss)		Impact on equity	
	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024
Sensitivity				
1% increase in MCLR rate	(3.77)	(3.87)	(3.77)	(3.87)
1% decrease in MCLR rate	3.77	3.87	3.77	3.87

The analysis is prepared assuming the amount of liability outstanding at the reporting date was outstanding for the whole year. A one per cent increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates. The Company's sensitivity to interest rates has increased in the current year due to the additional variable rate long term borrowings taken during the year.

(c) **Equity price risk**

The Company is exposed to price risks arising from investments in equity share. The Company's investment are held strategically rather than for trading purpose.

39 Employee benefits

A The Company has a unfunded defined benefit gratuity plan as per the Payment of Gratuity Act, 1972 ('Gratuity Act'). Under the Gratuity Act, employee who has completed five years of service is entitled to specific benefit. The gratuity benefit provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 / 26 days' salary payable for each completed year of service. The gratuity obligation is recognized subject to a maximum limit of INR 20,00,000, as prescribed under the Payment of Gratuity Act, 1972.

Based on an actuarial valuation, the following table sets out the status of the gratuity plan and the amounts recognised in the Company's standalone financial statements as at balance sheet date:

D Actuarial valuation

The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method. The defined benefit plan typically exposes the Company to actuarial risks such as: interest rate risk, longevity risk and salary risk.

Interest rate risk	A decrease in the bond interest rate will increase the plan liability.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

(i) Assumptions used to determine benefit obligations:

Principal actuarial assumptions at the reporting date (expressed as weighted average):

Particulars	As at 31 March 2025	As at 31 March 2024
Discount rate	6.40%	7.00%
Future salary growth	6.00%	6.00%
Attrition rate	Below 35 years : 35% p.a 35 yrs. & above : 6% p.a.	Below 35 years : 35% p.a 35 yrs. & above : 6% p.a.
Mortality rate	IALM 2012-14 (Ult.)	IALM 2012-14 (Ult.)
Retirement age	60 years	60 years

The weighted-average assumptions used to determine net periodic benefit cost for the year ended 31 March 2025 and year ended 31 March 2024 as set out below:

Particulars	As at 31 March 2025	As at 31 March 2024
Weighted average duration of defined benefit obligation (in years)	6.5	6.5

Assumptions regarding future mortality experience are set in accordance with the published statistics by the Indian Assured Lives Mortality (IALM).
The Company assesses these assumptions with its projected long-term plans of growth and prevalent industry standards. The discount rate is based on the government securities yield.
Gratuity is applicable only to employees drawing a salary in Indian rupees.

(ii) Sensitivity analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and withdrawal rate. Reasonably possible changes at the reporting date to one of the actuarial assumptions, holding all other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Particulars	As at 31 March 2025		As at 31 March 2024	
	Increase	Decrease	Increase	Decrease
Discount rate (1% movement)	(1.35)	1.57	(0.95)	1.09
Future salary growth (1% movement)	1.53	(1.34)	1.08	(0.95)
Withdrawal rate (1% movement)	(0.12)	0.12	(0.04)	0.04

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the changes in assumptions would occur in isolation of one another as some of the assumptions may be correlated. In presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

E Defined contribution plan

Particulars	As at 31 March 2025	As at 31 March 2024
Contribution to Provident Fund	14.26	12.72
Employee State Insurance	0.89	1.12
Labour Welfare Fund	0.20	0.19

A Description of share-based payment arrangements- Share option plans (equity-settled)

The Company has issued stock options under the DM Healthcare Employees Stock Option Plan 2013 ("DM Healthcare ESOP 2013" or "2013 Plan") during the financial year ended 31 March 2013. The 2013 Plan covers all non-promoter directors and employees of the Company and its subsidiaries (collectively referred to as "eligible employees"). Under this plan, holders of vested options are entitled to purchase shares at the exercise price approved by the Nomination and Remuneration Committee (agreed at 25% discount at previous day closing traded share price in case of performance options except for options issued on account of corporate action which were issued at Rs.10 and Rs. 10 in case of loyalty options). The Nomination and Remuneration Committee granted the options on the basis of performance, criticality, loyalty and potential of the employees as identified by the management. Each employee share option converts into one equity share of the Company on exercise. No amounts are paid or payable by the recipient on receipt of the option. The options carry neither rights to dividends nor voting rights. Options may be exercised at any time from the date of vesting to the date of their expiry. If the options remain unexercised at the end of the contractual life of the option, the options expire. Options are forfeited if the employee leaves the Company before the options vest.

The Company has granted different categories of options on various dates mentioned in below table on different terms viz; incentive options, milestone options, performance options and loyalty options.

The Company has computed the grant date fair value of the options for the purpose of accounting of employee compensation cost/ expense over the vesting period of the options.

B Measurement of fair value

The Company has computed the fair value of the options for the purpose of accounting of employee compensation cost/ expense over the vesting period of the options. The fair value of the option is calculated using the Black-Scholes Option Pricing model.

The fair value of the options and the inputs used in the measurement of the grant-date fair values of the equity-settled share based payment plans are as follows:

Option type	Performance option	Performance option	Loyalty option	Loyalty option
Date of grant	18 May 2024	18 May 2024	18 May 2024	18 May 2024
Fair value at grant date	INR 168.6 to 214.4	INR 341.8 to 342.8	INR 342.8 to 345.2	INR 341.8 to 344.9
Share price at grant date	INR 349.60	INR 349.60	INR 349.60	INR 349.60
Exercise price	INR 263.00	INR 10.00	INR 10.00	INR 10.00
Expected volatility	38.1% to 41.5%	38.1% to 41.5%	39.9% to 40.8%	38.1% to 42.1%
Expected life	3.5 years to 6.5 years	3.5 years to 5.5 years	5.5 years to 11.5 years	3.5 years to 10.5 years
Expected dividends	Nil	Nil	Nil	Nil
Risk- free interest rate	7.07% to 7.09%	7.08% to 7.09%	7.09% to 7.13%	7.07% to 7.12%

Expected volatility has been based on an evaluation of the historical volatility of the Company's share price, particularly over the historical period commensurate with the expected term. The expected term of the instruments has been based on historical experience and general option holder behaviour.

43 Transfer pricing

The Company has established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under sections 92-92F of the Income Tax Act, 1961. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Company is in the process of updating the documentation for the international transactions entered into with associated enterprises during the financial period and expects such records to be in existence latest by the date of filing its income tax return as required by the law. The Management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any impact on the standalone financial statements, particularly on the amount of tax expense and that of provision for taxation.

INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF ASTER DM HEALTHCARE LIMITED

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **ASTER DM HEALTHCARE LIMITED** ("the Company"), which includes interim financial information of DM Healthcare Employees Welfare Trust (the "ESOP trust"), for the quarter and six months ended 30 September 2025 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM CONSOLIDATED FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF
ASTER DM HEALTHCARE LIMITED

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **ASTER DM HEALTHCARE LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net loss after tax and total comprehensive loss of its associates for the quarter and six months ended 30 September 2025 ("the Statement") which includes the financial information of DM Healthcare Employees Welfare Trust (the "ESOP trust") being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the entities as provided in Annexure 1.

Deloitte
Haskins & Sells

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. The unaudited consolidated financial results includes the interim financial information of 16 subsidiaries and ESOP trust which have not been reviewed by their auditors, whose interim financial information reflect total assets of INR 510.46 crores as at 30 September 2025, total revenue of INR 58.44 crores and INR 110.88 crores, total loss after tax of INR 6.93 crores and INR 16.18 crores, total comprehensive loss of INR 6.93 crores and INR 16.18 crores, for the quarter and six months ended 30 September 2025 respectively and net cash outflows of INR 13.3 crores for the six months ended 30 September 2025, as considered in the Statement. The unaudited consolidated financial results also include the Group's share of net profit after tax of INR 0.24 crores and INR 0.36 crores and total comprehensive income of INR 0.24 crores and INR 0.36 crores for the quarter and six months ended 30 September 2025 respectively, as considered in the Statement, in respect of 2 associates based on their interim financial information which have not been reviewed by their auditors.

According to the information and explanations given to us by the Management, these interim financial information are not material to the Group.

Our Conclusion on the Statement is not modified in respect of our reliance on the interim financial information certified by the Management.

Notes to the Statement of Unaudited Consolidated Financial Results for the quarter and six months ended 30 September 2025:

1) The Statement of Unaudited Consolidated Financial Results of Aster DM Healthcare Limited ('the Parent Company'/'Company') and its subsidiaries (together referred to as 'the Group'), DM Healthcare Employees Welfare Trust (the 'ESOP Trust') and its share of loss in associates for the quarter and six months ended 30 September 2025 ('the Statement') has been reviewed by the Audit Committee on 05 November 2025 and approved by the Board of Directors on 06 November 2025. The Statement has been subjected to limited review by Deloitte Haskins & Sells, the statutory auditor of the Parent Company. The report of the statutory auditor is unmodified.

2) The Statement has been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules thereunder and in terms of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time.

3) On 6 October 2025, the Parent Company received No Objection Letters from BSE Limited and the National Stock Exchange of India Limited, each valid for six months from the date of receipt, with 'no adverse observations' in relation to the Scheme of Amalgamation by way of merger ("Scheme") of Quality Care India Limited (Transferor Company) with Aster DM Healthcare Limited (Transferee Company), subject to compliance with certain specified conditions.

4) During the quarter and six months ended 30 September 2025, the Nomination and Remuneration Committee of the Company approved the grant of 467,500 options (exercise price ranging from INR 10.00 to INR 449.00) to the employees of the Parent Company under the Aster DM Healthcare Limited Employees Stock Option Plan 2013.

5) During the quarter and six months ended 30 September 2025, the Group has incorporated two new entities (wholly owned subsidiaries), namely Aster DM Super-Specialty Hospital (Sarjapur) Private Limited and Aster DM Super-Specialty Hospital (Yeswanthpur) Private Limited, primarily for the contruction of new Hospitals.

6) On 30 July 2025, the Company entered into an agreement to lease for a property located at Yeshwantpur, Bengaluru, Karnataka, to establish its fifth multispecialty hospital in the city.

7) The Company has acquired additional 12.99% stake amounting INR 62.91 crores in Dr. Ramesh Cardiac and Multispeciality Hospital Private Limited, a subsidiary, from several minority shareholders during September 2025. Consequent to the said acquisition, shareholding of the Company in Dr. Ramesh Cardiac and Multispeciality Hospital Private Limited has increased from 57.49% to 70.48%.

8) The Company incurred non-recurring expenses of INR 0.36 crores and INR 4.75 crores during the quarter and six months ended 30 September 2025, respectively, towards professional fees related to the merger and proposed acquisition. Accordingly, the same has been presented as exceptional items in the Statement.

Re: Recommendation of the equity share exchange ratio for the proposed amalgamation of Quality Care India Private Limited and Aster DM Healthcare Limited.

Dear Madam/ Sir,

In accordance with the terms of our engagement letter dated November 12, 2024, whereby Quality Care India Limited ("QCIL", the "Client" or "Transferor Company") has appointed D and P India Advisory Services LLP ("D&P Advisory" or "we" or the "Registered Valuer") for recommendation of the Share Exchange Ratio (defined hereinafter) for the Proposed Amalgamation (defined hereinafter).

QCIL and Aster DM Healthcare Limited ("Aster DM" or the "Transferee Company") are individually referred to as the "Company" and collectively referred to as the "Companies" in this report ("Report").

Background of Companies

QCIL was incorporated on September 07, 1992 in Hyderabad, Telangana to provide healthcare and related services through a network of multi-specialty healthcare establishments across India and Bangladesh. Currently, QCIL has 18 healthcare facilities with circa 4,077 operational beds.

Aster DM was incorporated on January 18, 2008 in Bangalore, Karnataka to inter alia provide healthcare and related services (including diagnostics, tele-health and other allied services) through a network of multi-specialty healthcare establishments across India. Currently, Aster DM has 19 hospitals with circa 3,689 operating beds, 13 clinics, 212 pharmacies, and 232 labs and patient experience centers across 5 states in India. The equity shares of Aster DM are listed on National Stock Exchange of India Limited ("NSE") and BSE Limited ("BSE").

Scope and Purpose of this Report

We understand that the management of QCIL ("Management") and management of Aster DM are contemplating the merger of QCIL with and into Aster DM ("Proposed Amalgamation") pursuant to a scheme of amalgamation (the "Scheme") among QCIL and Aster DM and their respective shareholders and creditors under Sections 230 to 232 and other applicable sections of the Companies Act, 2013 with effect from the proposed Appointed Date (i.e. Effective Date) as mentioned in the Scheme. In consideration thereof, equity shares of Aster DM will be issued to the equity shareholders of QCIL, other than in respect of any equity shares of QCIL held by Aster DM which will be cancelled once the Scheme becomes effective.

D&P ADVISORY

In connection with the proposed Amalgamation, the Board of Directors of QCIL ('BoD') requires a Registered Valuer report as per Section 232 read with Section 247 of Companies Act, 2013 and D&P Advisory has been appointed to recommend a fair equity share exchange ratio ("Share Exchange Ratio"), basis a relative valuation of equity shares of QCIL and Aster DM with November 28, 2024 being the "Valuation Date".

The scope of our service is to conduct a relative valuation (not an absolute valuation) of the equity shares of the Companies and recommend a Share Exchange Ratio for the Proposed Amalgamation. The Share Exchange Ratio for this Report refers to the number of equity shares of Aster DM of face value of INR 10/- each which would be issued to the equity shareholders of QCIL in lieu of their equity shareholding in QCIL pursuant to the Proposed Amalgamation.

We have received and considered in our analysis, audited financial information up to August 31, 2024 and September 30, 2024, for QCIL and Aster DM, respectively. Adjustments have been made for facts made known (past or future) to us up to the date of this Report, including taking into consideration current market parameters which will have a bearing on the valuation analysis. The Management has represented that the business activities of QCIL and Aster DM have been carried out in the normal and ordinary course between the date of the audited financials and the date hereof and that no material adverse change has occurred in their respective operations and financial position between the said dates and the Report date. Additionally, we have been informed that to their best of their knowledge, all material information impacting the Companies has been disclosed to us. We have relied on the above while arriving at the Share Exchange Ratio for the Proposed Amalgamation as of the Valuation Date of November 28, 2024.

We have been informed that till the Proposed Amalgamation becomes effective, neither Companies would declare any substantial dividends having materially different yields as compared to past few years.

We have been informed that, in the event that either of the Companies restructure their equity share capital by way of share split / consolidation / issue of bonus shares before the Proposed Amalgamation becomes effective, the issue of shares pursuant to the Share Exchange Ratio recommended in this Report shall be adjusted accordingly to take into account the effect of any such corporate actions.

This Report is our deliverable in respect of our recommendation of the Share Exchange Ratio for the Proposed Amalgamation.

This Report and the information contained herein is absolutely confidential. The Report will be used by QCIL only for the purpose, as indicated in this Report, for which we have been appointed. The results of our valuation analysis and our Report cannot be used or relied by QCIL for any other purpose or by any other party for any purpose whatsoever. We are not responsible to any other person/ party for any decision of such person/ party based on this Report. Any person/ party intending to provide finance/ invest in the shares/ businesses of the Companies/ their holding companies/ subsidiaries/ joint ventures/ associates/ investee/ group companies, if any, shall do so after seeking their own professional advice and after carrying out their own due diligence procedures to ensure that they are making an informed decision. If any person/ party (other than QCIL) chooses to place reliance upon any matters included in the report, they shall do so at their own risk and without recourse to us. It is hereby notified that usage, reproduction,

distribution, circulation, copying or otherwise quoting of this Report or any part thereof, except for the purpose as set out earlier in this Report, without our prior written consent, is not permitted.

D&P Advisory owe responsibility to QCIL, under the terms of the engagement, and no other person; and that, to the fullest extent permitted by law, D&P Advisory accept no responsibility or liability to any other party, in connection with this Report.

The Report including, (for the avoidance of doubt) the information contained in it is absolutely confidential and intended only for the sole use and information of QCIL. Without limiting the foregoing, we understand that QCIL may be required to submit the Report to or share the Report with regulatory authorities in connection with the Proposed Amalgamation ("Permitted Recipients").

We hereby give consent to the disclosure of the Report to the Permitted Recipients, subject to QCIL ensuring that any such disclosure shall be subject to the condition and understanding that:

- It will be the QCIL's responsibility to review the Report and identify any confidential information that it does not wish to disclose;
- We owe responsibility to only QCIL that has engaged us and nobody else, and to the fullest extent permitted by law;
- We do not owe any duty of care to anyone else other than QCIL and accordingly that no one other than the QCIL is entitled to rely on any part of the Report;
- We accept no responsibility or liability towards any third party (including, the Permitted Recipients) to whom the Report may be shared with or disclosed or who may have access to the Report pursuant to the disclosure of the Report to the Permitted Recipients. Accordingly, no one other than QCIL shall have any recourse to us with respect to the Report;
- We shall not under any circumstances have any direct or indirect liability or responsibility to any party engaged by QCIL or to whom QCIL may disclose or directly or indirectly permit the disclosure of any part of the Report and that by allowing such disclosure we do not assume any duty of care or liability, whether in contract, tort, breach of statutory duty or otherwise, towards any of the third parties.

It is clarified that reference to this Report in any document and/ or filing with aforementioned regulatory authorities in connection with the Proposed Amalgamation, shall not be deemed to be an acceptance by us of any responsibility or liability to any person/ party other than the Board of Directors of QCIL.

This Report is subject to the scope, assumptions, qualifications, exclusions, limitations and disclaimers detailed hereinafter. As such, the Report is to be read in totality, and not in parts, in conjunction with the relevant documents referred to therein.

D&P ADVISORY

Sources of Information

During our valuation analysis, we relied upon the following financial and other information relating to the Companies provided to us by the Management and representatives of the respective Companies and information available in public domain:

- Annual Reports for the financial year ended March 31, 2024 and earlier periods for the Companies
- Audited condensed financial statements for five months ended August 31, 2024 for QCIL
- Limited reviewed condensed financial statements for six months ended September 30, 2024, for Aster DM
- Prospective financial information for the period starting April 1, 2024 and ending March 31, 2029 for the respective Companies
- Details of ESOPs issued by the respective Companies
- Fair value of surplus land of the respective Companies
- Information relating to the subsidiaries and associates of the Companies and other relevant information, data, analysis and enquires, as we considered necessary.

We also obtained explanations, information and representations, which we believed were reasonably necessary and relevant for our exercise from the Management and representatives of Aster DM. QCIL has been provided with the opportunity to review the draft report (excluding the recommended Share Exchange Ratio) for this engagement to ensure that factual inaccuracies / omissions are avoided in our final report.

Procedures adopted and valuation methods followed

In developing our analyses, we included, but did not necessarily limit ourselves to, the following primary activities of the engagement team:

- Discussions with the Management and representatives of Aster DM, regarding the Companies, including the following:
  - Nature of the business;
  - Outlook for growth and profitability in the future periods;
  - Future capital requirements; and
  - Key performance Indicators.
- Review and analysis of the internal environment of Companies, including the following:
  - Historical background; and
  - Prospective operating and financial plans.
- Review and analysis of the external environment, including the following:
  - The economy and the relevant market sectors;
  - A comparative analysis (benchmarking) of the operating characteristics of Companies with the comparative businesses.
- Development of a cost of capital or discount rate for the Companies;

- Selection of internationally accepted valuation methodology/(ies) as considered appropriate by us; and
- Review and analysis of all the facts and data gathered, arriving at the relative valuation of the equity shares of the Companies to determine the Share Exchange Ratio for the Proposed Amalgamation.

The information has been assumed without further verification to correctly represent the results of the estimated operations and the financial condition of the Companies.

Scope Limitations, Assumptions, Qualifications, Exclusions and Disclaimers

This Report, its content, and the results herein are specific to (i) the purpose of valuation and the Valuation Date mentioned in the Report and agreed as per the terms of our engagement; ii) the Report Date; iii) Audited condensed financial statements of QCIL for the five months ended August 31, 2024 and limited reviewed consolidated financial statements of Aster DM for the six months ended September 30, 2024 and (iv) other information obtained by us from time to time. The Management has informed us that they do not expect any events which are unusual or not in the normal course of business up to the Effective Date of the Proposed Amalgamation, other than events specifically mentioned in this Report. Additionally, we have been informed that to their best of their knowledge, all material information impacting the Companies has been disclosed to us.

Valuation analysis and results are specific to the purpose of valuation and as per the agreed terms of the engagement. It may not be valid for any other purpose or as of any other date. Also, it may not be valid if done on behalf of any other entity.

A valuation of this nature involves consideration of various factors including those impacted by prevailing stock market trends in general and industry trends in particular as in effect on and the information made available to us as of the date hereof. This Report is issued on the understanding that the Management has drawn our attention to all the matters, which they are aware of concerning the financial position of the Companies and any other matter, which may have an impact on valuation analysis for the Proposed Amalgamation. Events occurring after the date hereof may affect this Report and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this Report.

The recommendation rendered in this Report only represents our recommendation based upon information received from QCIL and Aster DM and other sources and the said recommendation shall be considered to be in the nature of non-binding advice (our recommendation will however not be used for advising anybody to take buy or sell decision, for which specific opinion needs to be taken from expert advisors). You acknowledge and agree that you have the final responsibility for the determination of the Share Exchange Ratio at which the Proposed Amalgamation shall take place and factors other than our Report will need to be taken into account in determining the Share Exchange Ratio; these will include your own assessment of the Proposed Amalgamation and may include the input of other professional advisors.

In the course of the valuation, we were provided with both written and verbal information, including market, financial, projected and operating data. In accordance with the terms of our engagement, we have carried out relevant analysis

and evaluations through discussions, calculations and such other means, as may be applicable and available, we have assumed and relied upon, without independently verifying, (i) the accuracy of the information that was publicly available, sourced from subscribed databases and formed a substantial basis for this Report and (ii) the accuracy of information made available to us by QCIL and Aster DM. While information obtained from the public domain or external sources have not been verified for authenticity, accuracy or completeness, we have obtained information, as far as possible, from sources generally considered to be reliable. We assume no responsibility for such information. Our valuation does not constitute as an audit or review in accordance with the auditing standards applicable in India, accounting/ financial/ commercial/ legal/ tax/ environmental due diligence or forensic/ investigation services and does not include verification or validation work.

In accordance with the terms of our valuation engagement and in accordance with the customary approach adopted in valuation exercises, we have not audited, reviewed, certified, carried out a due diligence, or otherwise investigated the historical financial information, if any, provided to us regarding the Companies/their holding/ subsidiary/ associates/ joint ventures/ investee companies, if any. Accordingly, we do not express an opinion or offer any form of assurance regarding the truth and fairness of the financial position as indicated in the historical financials/ financial statements. The assignment did not involve us to conduct the financial or technical feasibility study. We have not done any independent technical valuation or appraisal or due diligence of the assets or liabilities of the Companies. Also, with respect to explanations and information sought from the Companies, we have been given to understand by QCIL and Aster DM, that they have not omitted any relevant and material factors and that they have checked the relevance or materiality of any specific information to the present exercise with us in case of any doubt. Our conclusion is based on the assumptions and information given by/on behalf of QCIL and Aster DM. The Management has indicated to us that they have understood that any omissions, inaccuracies or misstatements may materially affect our valuation analysis/results. Accordingly, we assume no responsibility for any errors in the information furnished by QCIL and Aster DM and their impact on the Report.

We must emphasize that the Financial Projections have been prepared by the managements of the respective Companies and provided to us for the purpose of our analysis. The fact that we have considered the Financial Projections in this exercise should not be construed or taken as our being associated with or a party to such projections. Realizations of free cash flow forecast used in the analysis will be dependent on the continuing validity of assumptions on which they are based. Our analysis, therefore, will not, and cannot be directed to provide any assurance about the achievability of the projected financial information. Since the Financial Projections relate to future, actual results are likely to be different from the projected results because events and circumstances do not occur as expected, and the differences may be material. We express no opinion as to how closely the actual results will correspond to those projected/ forecast as the achievement of the forecast results is dependent on actions, plans and assumptions of the Management

This Report assumes that the Companies comply fully with relevant laws and regulations applicable in all its areas of operations unless otherwise stated, and that the Companies will be managed in a competent and responsible manner. Further, except as specifically stated to the contrary, this Report has given no consideration to matters of a legal nature, including issues of legal title and compliance with local laws, and litigation and other contingent liabilities that are not recorded in the audited/ unaudited balance sheets of the Companies/ their holding/ subsidiary/ associates/ joint

ventures/ investee companies, if any. Our conclusion of value assumes that the assets and liabilities of the Companies reflected in their respective latest audited/reviewed balance sheets remain intact as of this Report date. No investigation of the Companies' claim to title of assets has been made for the purpose of this Report and the Companies' claim to such rights has been assumed to be valid. No consideration has been given to liens or encumbrances against the assets, beyond the loans disclosed in the accounts. Therefore, no responsibility is assumed for matters of a legal nature.

Our Report is not, nor should it be construed as our opinion or certification of the compliance of the Proposed Amalgamation with the provisions of any law/ standards including companies, foreign exchange 'regulatory, securities market, accounting and taxation (including transfer pricing) laws/ standards or as regards any legal, accounting or taxation implications or issues arising from such Proposed Amalgamation.

We have not carried out any physical verification of the assets and liabilities of the Companies and take no responsibility for the identification of such assets and liabilities.

Our Report is not, nor should it be construed as our recommendation of the Proposed Amalgamation or anything consequential thereto/ resulting therefrom. This Report does not address the relative merits of the Proposed Amalgamation as compared with any other alternatives or whether or not such alternatives could be achieved or are available. Any decision by the Companies/ their shareholders/ creditors regarding whether or not to proceed with the Proposed Amalgamation shall rest solely with them. We express no opinion or recommendation as to how the shareholders/ creditors of the Companies should vote at any shareholders'/ creditors' meeting(s) to be held in connection with the Proposed Amalgamation. This Report does not in any manner address, opine on or recommend the prices at which the securities of the Companies could or should transact at following the announcement/ consummation of the Proposed Amalgamation. Our Report and the opinion/ valuation analysis contained herein is not nor should it be construed as advice relating to investing in, purchasing, selling or otherwise dealing in securities or as providing management services or carrying out management functions. It is understood that this analysis does not represent a fairness opinion.

The fee for our valuation analysis and the Report is not contingent upon the results reported.

In no event shall we be liable for any loss, damages, cost or expenses arising in any way from fraudulent acts, misrepresentations or wilful default on part of the Companies, their directors, employees or agents.

Neither the Report nor its contents may be referred to or quoted in any registration statement, prospectus, offering memorandum, annual report, loan agreement or other agreement or document given to third parties, other than in connection with the Proposed Amalgamation, without our prior written consent.

Approach & Methodology – Basis of amalgamation

The Scheme contemplates the Proposed Amalgamation under Sections 230 to 232 of the Companies Act, 2013 and other relevant provisions of the Companies Act, 2013 and rules issued thereunder to the extent applicable.

Arriving at the Share Exchange Ratio for the purposes of an amalgamation such as the Proposed Amalgamation, would require determining the relative values of each company involved and of their equity shares. These values are to be determined independently but on a relative basis, and without considering the effect of the amalgamation.

The three main valuation approaches are the asset approach, income approach and market approach. There are several commonly used and accepted methods within the market approach, income approach and asset approach, for determining the relative fair value of equity shares of a company, which can be considered in the present valuation exercise, to the extent relevant and applicable, to arrive at the Share Exchange Ratio for the purpose of the Proposed Amalgamation, such as:

1. Asset Approach – Net Asset Value (“NAV’) Method

2. Income Approach
    - Discounted Cash Flow(“DCF”) Method
3. Market Approach
    - Market Price Method
    - Comparable Companies' Multiples (“CCM”) Method

The valuation of companies or assets or securities is not a precise science, and the conclusions arrived at in many cases will of necessity be subjective and subject to uncertainties and contingencies all of which are difficult to predict and beyond our control. In performing our analysis, we made assumptions with respect to industry performance and general and business economic conditions, many of which are beyond the control of the Companies. In addition, the valuation will fluctuate with changes in prevailing market conditions and other factors which generally influence the valuation of companies and their assets.

The application of any particular method of valuation depends on the purpose for which the valuation is done. There is, therefore, no indisputable single value and we normally express our estimate on the value as falling within a likely range. Whilst we consider our valuation to be both reasonable and defensible based on the information available to us, others may place a different value.

1- Asset Approach - NAV method

The asset-based valuation technique is based on the value of the underlying net assets of the business, either on a book value basis or realizable value basis or replacement cost basis. This valuation approach is mainly used in cases where the firm is to be liquidated, i.e., it does not meet the 'going concern' criteria or in cases where the assets base dominates earnings capability. A scheme of amalgamation would normally be proceeded with, on the assumption that the companies/ business would continue as going concerns and an actual realization of the operating assets is not

contemplated. In such a going concern scenario, the relative earning power is of importance to the basis of amalgamation, with the values arrived at on the net asset basis being of limited relevance.

2- Income Approach – DCF Method

Under the DCF method, the projected free cash flows to the firm are discounted at the weighted average cost of capital. The sum of the discounted value of such free cash flows is the value of the business/ firm/ equity shareholders. Using DCF analysis involves determining the following:

Discounting future free cash flows:

Free cash flows are the cash flows expected to be generated by the company/ business that are available to all providers of the companies / business capital - both creditors and shareholders.

Appropriate discount rate has been considered to estimate present value of future cash flows i.e., the cost of capital. This discount rate, which is applied to the free cash flows, should reflect the opportunity cost to all the capital providers (namely shareholders and creditors), weighted by their relative contribution to the total capital of the company/ business. The opportunity cost to the capital provider equals the rate of return the capital provider expects to earn on other investments of equivalent risk.

3- Market Approach

Under this approach, the value of a company is assessed based on its market price (i.e. if its shares are quoted on a stock exchange) or basis multiples derived using comparable (i.e. similar) listed companies or transactions in similar companies. The following are the methods under Market Approach:

- **Market Price ("MP") Method**

  The market price of an equity share as quoted on a stock exchange is normally considered as the value of the equity shares of that company where such quotations are arising from the shares being regularly and freely traded in, subject to the element of speculative support that may be inbuilt in the value of the shares. But there could be situations where the value of the share as quoted on the stock market would not be regarded as a proper indicator of the fair value of the share especially where the market values are fluctuating in a volatile capital market or when the shares are thinly traded. Further, in the case of amalgamation, where there is a question of evaluating the shares of one company against those of another, the volume of transactions and the number of shares available for trading on the stock exchange over a reasonable period would have to be of a comparable standard.

- **Comparable Companies' Multiple ("CCM") method**

  Under this method, value of a company is arrived at by using multiples derived from valuations of comparable companies, as manifest through stock market valuations of listed companies. The market price, as a ratio of the comparable company's attributes such as sales, capital employed, earnings, etc. is used to derive an appropriate multiple. This multiple is then applied to the attribute of the asset being valued to indicate the value of the subject asset. This valuation is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

Out of the above, we have used approaches / methods, as we considered appropriate. The valuation approaches/ methods used, and the values arrived at using such approaches/ methods by us have been tabled in the next section of this Report.

Basis of Share Exchange Ratio

The basis of the Share Exchange Ratio of the Proposed Amalgamation has been determined after taking into consideration all the factors, approaches and methods considered appropriate by us. Though different values have been arrived at under each of the above approaches / methods, for the purpose of recommending the Share Exchange Ratio, it is necessary to arrive at a single value of the equity shares of the companies involved in an amalgamation such as the Proposed Amalgamation. It is however important to note that in doing so, we are not attempting to arrive at the absolute values of the shares of the Companies but at their relative values to facilitate the determination of a Share Exchange Ratio. For this purpose, it is important to assign appropriate weights to the values arrived at under each approach / method.

Attention may also be drawn to Regulation 158 of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (including any statutory modifications, re-enactment or amendments thereof) ("ICDR Regulations") which specifies that preferential issue of equity shares to shareholders of an unlisted entity pursuant to a National Company Law Tribunal approved scheme shall conform with the pricing provisions of preferential issue specified under Regulation 164 of the said ICDR Regulations. Further, it may be noted that ICDR Regulation 164 specifies the base price for issue of shares on a preferential basis. The Proposed Amalgamation envisages the amalgamation of an unlisted entity i.e. QCIL into Aster DM, a listed entity. Therefore, due cognizance should be given to the base price derived using the formula prescribed under the ICDR Regulations after considering the fair value of Aster DM while determining the Share Exchange Ratio.

In the value conclusion, valuation will have to be adjusted by the exercise of judicious discretion by the Valuer and judgment taking into account all the relevant factors. There will always be several factors, e.g., present and prospective competition, yield on comparable securities and market sentiment, etc. which are not evident from the face of the balance sheets, but which will strongly influence the worth of a share. The determination of exchange ratio is not a precise science, and the conclusions arrived at in many cases will, of necessity, be subjective and dependent on the exercise of individual judgement. This concept is also recognized in judicial decisions. There is, therefore, no indisputable single Share Exchange Ratio. While we have provided our recommendation of the Share Exchange Ratio based on the information available to us and within the scope and constraints of our engagement, others may have a

different opinion as to the Share Exchange Ratio of the equity shares of QCIL and Aster DM. The final responsibility for the determination of the exchange ratio at which the Proposed Amalgamation shall take place will be with the Board of Directors of QCIL and Aster DM who should consider other factors such as their own assessment of the Proposed Amalgamation and input of other advisors.

Our choice of methodology of valuation has been arrived at using usual and conventional methodologies adopted for transactions of a similar nature and our reasonable judgement, in an independent and bona fide manner based on our previous experience of assignments of a similar nature.

In view of the above, considering the relevant facts and circumstances detailed in this Report, the table below summarizes the workings pertaining to the value per share of QCIL and Aster DM and the Share Exchange Ratio as derived by us.

Valuation Approach	**Quality Care India Limited**		**Aster DM Healthcare Limited**	
	Value Per Share (INR)	**Weight**	**Value Per Share (INR)**	**Weight**

Notes:

In the current analysis, the amalgamation of QCIL into Aster DM is proceeded with on the assumption that QCIL and Aster DM would amalgamate as going concerns and actual realization of the operating assets for QCIL and Aster DM is not contemplated. In such a going concern scenario, the relative earning power, as reflected under the Income and Market approaches, is of greater importance to the basis of amalgamation, with the values arrived at on the net asset

D&P ADVISORY

basis being of limited relevance. Hence, while we have calculated and presented for informational purposes the values of the equity shares of QCIL and Aster DM under the Asset Approach, we have considered it appropriate not to give any weightage to the same in arriving at the Share Exchange Ratio.

Given the nature of the businesses of QCIL and Aster DM and the fact that we have been provided with prospective financial information for the Companies, we have considered it appropriate to apply the DCF Method under the Income Approach to arrive at the relative fair value of the shares of the Companies for the purpose of arriving at the Share Exchange Ratio.

In the present case, the equity shares of Aster DM are listed on NSE and BSE and there are regular transactions in its equity shares with reasonable volume. Hence, we have considered it appropriate to apply the Market Price Method under the Market Approach to arrive at the relative fair value of the shares of Aster DM for the purpose of arriving at the Share Exchange Ratio

Considering the availability of comparable / benchmark companies engaged in the businesses carried out by the Companies, we have also considered the Comparable Companies Multiples Method under the Market Approach to arrive at the relative fair value of the shares of the Companies for the purpose of arriving at the Share Exchange Ratio.

For our final analysis and recommendation, we have considered the values arrived under the Income and Market Approach to arrive at the relative value of equity shares of QCIL and Aster DM for the purpose of the Proposed Amalgamation.

In view of the above, and on a consideration of all the relevant factors and circumstances as discussed and outlined hereinabove, we recommend the following Share Exchange Ratio:

977 equity shares of Aster DM (of INR 10 /- each fully paid up) for every 1000 equity shares of QCIL (of INR 10 /- each fully paid up).

Our Report and the Share Exchange Ratio is based on the equity share capital structure of the Companies as mentioned earlier in this Report. Any variation in equity share capital of the Companies may have a material impact on the Share Exchange Ratio.

Sincerely,

This Report, its contents and the results herein are specific to (i) the purpose of valuation agreed as per the terms of our engagement; (ii) Valuation Date and (iii) and are based on the limited reviewed consolidated financial statements of Aster DM as at 30 September 2024, audited financials of Quality Care as at 31 August 2024 and other information provided by the Management. The Management has represented that the business activities of Aster DM and Quality Care have been carried out in the normal and ordinary course between their respective Balance Sheet dates and the Valuation Date and that no material adverse change has occurred in their respective operations and financial position between their respective Balance Sheet dates and the Report date.

An analysis of this nature is necessarily based on the prevailing stock market, financial, economic, industry and other conditions in general and the information made available to us as of, date hereof. Events occurring after the date hereof may affect this Report and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this Report.

In terms of our engagement, we have assumed and relied upon, without independent verification, (i) the accuracy of the information that was publicly available and formed a substantial basis for this Report and (ii) the accuracy of information made available to us by/ on behalf of the Client (or its representatives). In accordance with our engagement letter and in accordance with the customary approach adopted in valuation exercises, we have not audited, reviewed, certified, carried out a due diligence or otherwise investigated the historical financial information provided to us. We have not independently investigated or otherwise verified the data provided by/ on behalf of the Client (or its representatives). Accordingly, we do not express an opinion or offer any form of assurance regarding

PwC Business Consulting Services LLP

the truth and fairness of the financial position as indicated in the historical financials/ financial statements and projections. The assignment did not require us to conduct any financial or technical feasibility study. We have not done any independent technical valuation or appraisal or due diligence of the assets or liabilities of the Companies. While information obtained from the public domain or external sources have not been verified for authenticity, accuracy, or completeness, we have obtained information as far as possible, from sources generally considered to be reliable. We assume no responsibility for such information.

Also, with respect to explanations and information sought from/ on behalf of the Client (or its representatives), we have been given to understand by the Client that they have not omitted any relevant and material factors and that they have checked the relevance or materiality of any specific information to the present exercise with us in case of any doubt. Our conclusions are based on the assumptions and information given by/ on behalf of the Client (or its representatives). The Management has indicated to us that it has understood that any material omissions, inaccuracies, or misstatements may materially affect our valuation analysis/ results. Accordingly, we assume no responsibility for any errors in the information furnished by/ on behalf of the Client (or its representatives) and their impact on the Report. However, nothing has come to our attention to indicate that the information provided was materially mis-stated/ incorrect or would not afford reasonable grounds upon which to base the Report. We do not imply and it should not be construed that we have verified any of the information provided to us, or that our inquiries could have verified any matter, which a more extensive examination might disclose. Also, we assume no responsibility for technical information (if any) furnished by/ on behalf of the Client (or its representatives).

The Report assumes that the Companies comply fully with relevant laws and regulations applicable in all their areas of operations unless otherwise stated, and that the Companies will be managed in a competent and responsible manner. Further, except as specifically stated to the contrary, this Report has given no consideration to matters of a legal nature, including issues of legal title and compliance with local laws, and litigation and other contingent liabilities that are not recorded in the audited/ unaudited balance sheet of the Companies. Our conclusion of value assumes that the assets and liabilities of the Companies reflected in their respective latest balance sheets remain intact as of the Report date.

No investigation of the Companies' claims to title of assets has been made for the purpose of this Report and their claim to such rights has been assumed to be valid. No consideration has been given to liens or encumbrances against the assets, beyond the loans disclosed in the accounts. Therefore, no responsibility is assumed for matters of a legal nature.

We must emphasize that the Financial Projections have been prepared by the managements of the respective Companies and provided to us for the purpose of our analysis. The fact that we have considered the Financial Projections in this exercise should not be construed or taken as our being associated with or a party to such projections. Realisations of free cash flow forecast used in the analysis will be dependent on the continuing validity of assumptions on which they are based. Our analysis, therefore, will not, and cannot be directed to provide any assurance about the achievability of the projected financial information. Since the Financial Projections relate to future, actual results are likely to be different from the projected results because events and circumstances do not occur as expected, and the differences may be material. We express no opinion as to how closely the actual results will correspond to those projected/ forecast as the achievement of the forecast results is dependent on actions, plans and assumptions of the Management.

We have not conducted or provided an analysis or prepared a model for any individual assets/ liabilities and have wholly relied on the information provided by/ on behalf of the Client (or its representatives) in this regard.

This Report does not look into the business/ commercial reasons behind the proposed Amalgamation nor the likely benefits arising out of the same. Similarly, it does not address the relative merits of the Proposed Transactions as compared with any other alternative business transaction, or other alternatives, or whether or not such alternatives could be achieved or are available. We have not examined or advised on accounting, legal or tax matters involved in the proposed Amalgamation.

We owe responsibility to only the Boards of Directors of the Client that has appointed us under the terms of our engagement letter and nobody else. We will not be liable for any losses, claims, damages, or liabilities arising out of the actions taken, omissions of or advice given by any other party to the Client. In no event shall we be liable for any loss, damages, cost, or expenses arising in any way from fraudulent acts, misrepresentations, or willful default on part of the Client, its directors, employees, or agents. In no circumstances shall the liability of the Valuer, its partners, its directors, or employees, relating to the services provided in connection with the engagement set out in this Report shall exceed the amount paid to such Valuer in respect of the fees charged by it for these services.

As per the financial statement of Quality Care for the period ended 31 August 2024, there are certain employee stock options ('ESOP's') that are granted but not vested or exercised. As explained by the Management, in the event of the consummation of the Amalgamation, all these ESOP's will be cancelled and will not be compensated with ESOP's of the amalgamated company. Accordingly, basis the instructions from the Management, these ESOP's have not been considered in our analysis to arrive at number of equity shares for Quality Care.

Transaction 1, i.e. acquisition of equity shares of Quality Care from the Identified Shareholders is proposed to be carried out on fair value basis. Further, issue of equity shares by Aster DM is also proposed to be carried out on fair

PwC Business Consulting Services LLP

value basis. Accordingly, Transaction 1 would be value neutral, i.e. fair value estimate per equity share of both Aster DM and Quality Care would not be affected by Transaction 1.

Our Report and recommendation of the Share Exchange Ratio considers and is premised on the above shareholding pattern of Aster DM and Quality Care.

APPROACH & METHODOLOGY – BASIS OF AMALGAMATION

The proposed scheme of amalgamation ('Scheme') under the provisions of Section 230 to 232 of the Companies Act, 2013 contemplates amalgamation of Quality Care with and into Aster DM. As per the Scheme, subject to receipt of relevant approvals under applicable law, prior to the Scheme coming into effect, Identified Shareholders of the Transferor Company shall sell 1,90,46,028 (One crore ninety lakh forty-six thousand and twenty eight) equity shares in Quality Care to Aster DM, in accordance with the terms as mutually agreed between the Identified Shareholders of the Transferor Company and the Transferee Company.

Arriving at the Share Exchange Ratio for the above proposed Amalgamation, would require determining the fair valuation of equity of Aster DM and Quality Care, based on different valuation approaches explained here below and various qualitative factors relevant to each company, business dynamics and growth potentials of the businesses of Aster DM and Quality Care, information base and key underlying assumptions and limitations.

There are several commonly used and accepted valuation approaches for determining the value of equity shares of a company/ business, which have been considered in the present case, to the extent relevant and applicable:

1. Asset Approach – Net Asset Value ('NAV') Method

2. Income Approach
   - Discounted Cash Flow ('DCF') Method

3. Market Approach
   - Market Price Method
   - Comparable Companies' Multiples ('CCM') Method
   - Comparable Companies' Transaction Multiples ('CTM') Method

Asset Approach – Net Asset Value method

The asset-based valuation technique is based on the value of the underlying net assets of the business, either on a book-value basis or realizable value basis or replacement cost basis. This valuation approach is mainly used in cases where the firm is to be liquidated i.e., it does not meet the 'going concern' criteria or in case where the assets base dominates earnings capability. A scheme of amalgamation would normally be proceeded with, on the assumption that the companies/ business would continue as going concerns and an actual realization of the operating assets is not contemplated. In such a going concern scenario, the earning power is of importance to the basis of amalgamation, with the values arrived at on the net asset basis being of limited relevance.

Income Approach (Discounted Cash Flows (DCF) Method)

Under the DCF method the projected free cash flows to the firm are discounted at the weighted average cost of capital. The sum of the discounted value of such free cash flows is the value of the firm.

Using the DCF analysis involves determining the following:

Estimating future free cash flows:

Free cash flows are the cash flows expected to be generated by the company/ business that are available to all providers of the companies'/ business' capital – both creditors and shareholders.

Appropriate discount rate to be applied to cash flows i.e., the cost of capital:

This discount rate, which is applied to the free cash flows, should reflect the opportunity cost to all the capital providers (namely shareholders and creditors), weighted by their relative contribution to the total capital of the company/ business. The opportunity cost to the capital provider equals the rate of return the capital provider expects to earn on other investments of equivalent risk.

PwC Business Consulting Services LLP

Market Approach:

Under this approach, value of a company is assessed basis its market price (i.e., if its shares are quoted on a stock exchange) or basis multiples derived using comparable (i.e., similar) listed companies or transactions in similar companies.

Following are the methods under Market Approach:

- **Market Price ('MP') Method**
  The market price of a share as quoted on a stock exchange is normally considered as the value of the equity shares of that company where such quotations are arising from the shares being regularly and freely traded in, subject to the element of speculative support that may be inbuilt in the value of the shares. But there could be situations where the value of the share as quoted on the stock market would not be regarded as a proper indicator of the fair value of the share especially where the market values are fluctuating in a volatile capital market or when the shares are thinly traded. Further, in the case of amalgamation, where there is a question of evaluating the shares of one company against those of another, the volume of transactions and the number of shares available for trading on the stock exchange over a reasonable period would have to be of a comparable standard.

- **Comparable Companies' Multiple ('CCM') method**
  Under this method, value of a business/ company is arrived at by using multiples derived from valuations of comparable companies, as manifest through stock market valuations of listed companies. The market price, as a ratio of the comparable company's attribute such as sales, capital employed, earnings, etc. is used to derive an appropriate multiple. This multiple is then applied to the attribute of the asset being valued to indicate the value of the subject asset. This valuation is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

- **Comparable Companies' Transaction Multiples ('CTM') Method**
  Under this method, value of the equity shares of a company is arrived at by using multiples derived from valuations of comparable transactions. This valuation is based on the principle that transactions taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

It should be understood that the valuation of any company or its assets or its shares is inherently imprecise and is subject to certain uncertainties and contingencies, all of which are difficult to predict and are beyond our control. In performing our analysis, numerous assumptions were made with respect to industry performance and general business and economic conditions, many of which are beyond the control of the Companies. In addition, this valuation will fluctuate with changes in prevailing market conditions, the conditions and prospects, financial and otherwise, of the Companies, and other factors which generally influence the valuation of the above companies and their assets.

The application of any particular method of valuation depends on the purpose for which the valuation is done. Although different values may exist for different purposes, it cannot be too strongly emphasized that a valuer can only arrive at one value for one purpose. Our choice of methodology of valuation has been arrived at using usual and conventional methodologies adopted for transactions of a similar nature and our reasonable judgment, in an independent and bona fide manner based on our previous experience of assignments of a similar nature.

Out of the above methods, we have used approaches/ methods, as considered appropriate. The valuation approaches/ methods used, and the values arrived at using such approaches/ methods by us have been tabled in the next section of this Report.

BASIS OF SHARE EXCHANGE RATIO

In the ultimate analysis, valuation will have to be tempered by the exercise of judicious discretion by the Valuer and judgment taking into account all the relevant factors. There will always be several factors, e.g., present and prospective competition, yield on comparable securities and market sentiment, etc. which are not evident from the face of the balance sheets, but which will strongly influence the worth of a share.

The determination of a fair equity share exchange ratio is not a precise science and the conclusions arrived at in many cases will, of necessity, be subjective and dependent on the exercise of individual judgement. This concept is

PwC Business Consulting Services LLP

pwc

also recognized in judicial decisions. There is, therefore, no indisputable single fair equity share exchange ratio. The Share Exchange Ratio rendered in this Report only represents our recommendation(s) based upon information till the date of this Report, furnished by the Management (or its representatives) and other sources, others may place a different value. The final responsibility for the determination of the Share Exchange Ratio at which the proposed Amalgamation shall take place will be with the Board of Directors of the Client who should consider other factors such as their own assessment of the proposed Amalgamation and inputs of other advisors.

The Share Exchange Ratio has been arrived at on the basis of a fair value estimates of equity shares of Aster DM and Quality Care on a relative basis, based on the various methodologies explained herein earlier and other factors considered relevant, having regard to information base, key underlying assumptions, and limitations. Though different values have been arrived at under each of the above methodologies, it is finally necessary to arrive at a single value for the proposed Amalgamation. For this purpose, it is necessary to give appropriate weights to the values arrived at under each methodology.

In the current analysis, the amalgamation of Quality Care with and into Aster DM is proceeded with on the assumption that Quality Care would amalgamate as going concern and actual realisation of its operating assets is not contemplated. In such a going concern scenario, the relative earning power, as reflected under the Income and Market approaches, is of greater importance to the basis of amalgamation, with the values arrived at on the net asset basis being of limited relevance. Hence, while we have calculated the values of the equity shares of Aster DM and Quality Care under the Asset Approach, we have considered it appropriate not to give any weightage to the same in arriving at the Share Exchange Ratio.

Given the nature of the businesses of Aster DM and Quality Care, and the fact that we have been provided with projected financials for Aster DM and Quality Care, we have considered it appropriate to apply the DCF Method under the Income Approach to arrive at the fair value of the equity shares of Aster DM and Quality Care for the purpose of arriving at the Share Exchange Ratio.

Within the DCF Method, equity value per share for Aster DM and Quality Care has been computed as follows:

- Equity value for Aster DM and Quality Care has been computed using the DCF Method;
- To arrive at the total value available to the equity shareholders of Aster DM and Quality Care, value as arrived above is adjusted, as appropriate for debt, cash and cash equivalents and surplus assets, minority interest in subsidiaries as appearing in balance sheet and other matters;
- The total value of equity is then divided by total issued and paid-up equity shares of Aster DM and Quality Care respectively as at Valuation Date to arrive at the value per equity share.

As equity shares of Aster DM are listed on the recognized stock exchanges and equity shares of the listed entity are being issued to the shareholders of an unlisted entity, we have considered the Market Price Method in our analysis, basis pricing provisions of Chapter V of SEBI ICDR regulations, 2018 (last amended on 23 May 2023).

Since, the equity shares of Quality Care are not listed on any recognized stock exchange, we have not considered the Market Price Method under Market Approach for its valuation.

For our analysis under Market Approach, we have considered the Comparable Companies' Multiple (CCM) Method to arrive at the fair value of the equity shares of both the Companies. Considering the stage of operations of the Companies, industry within which it operates and their historical and current profitability status, we have considered Enterprise value/ Earnings before Interest, Taxes, Depreciation and Amortization ('EBITDA') multiple of various listed comparable companies. We have relied on publicly available information and certain databases such as CapIQ, etc. to arrive at the comparable company multiple.

Comparable Companies' Transaction Multiple (CTM) method has not been used due to lack of information in the public domain on comparable transactions of similar scale. Further, the transaction multiples may include acquirer specific considerations, synergy benefits, control premium and minority adjustments.

For our final analysis and recommendation, we have considered the values arrived under the Income Approach and Market Approach to arrive at the fair value estimates of equity shares of Aster DM and Quality Care for the purpose of the Proposed Transactions.

We have considered appropriate weights to the values arrived at under the various valuation approaches/ methodologies.

SCOPE LIMITATIONS

Our fairness opinion is subject to the scope limitations detailed hereinafter. As such the fairness opinion is to be read in totality, and not in parts, in conjunction with the relevant documents referred to therein.

Our work does not constitute an audit, due diligence or certification of the historical financial statements in relation to the Company including their respective working results or businesses referred. Accordingly, we are unable to and do not express an opinion on the accuracy of any financial information referred to in this fairness opinion. Our analysis and results are specific to the purpose of the exercise of giving our fairness opinion as described hereinabove. It may not be valid for any other purpose or if provided on behalf of any other entity.

We have considered financial information up to 30 September 2024 for Aster DM and 31 August 2024 for Care Hospitals in our analysis and have made adjustments for facts made known to us till the date of our report. Further, we have considered market data and the related financial information till 28 November 2024. Our fairness opinion does not take account of events or circumstances arising after the said date and we have no responsibility to update the report for such events or circumstances. An exercise of this nature involves consideration of various factors. This fairness opinion is issued on the understanding that the Company has drawn our attention to all the matters which may have an impact on our opinion including any significant changes that have taken place or are likely to take place in the financial position or businesses up to the date of approval of the Proposed Transaction by the Board of Directors. We have no responsibility to update this fairness opinion for events and circumstances occurring after this date.

In the course of the present exercise, we were provided with both written and verbal information, including financial data. The terms of our engagement were such that we were entitled to rely upon the information provided without detailed inquiry. Also, we assume that the management of the Company, has not omitted any relevant and material factors for the purposes of the work which we have undertaken in connection with this fairness opinion.

We shall have no obligation to verify the accuracy or completeness of any information or express any opinion or offer any form of assurance regarding the accuracy or completeness of such information and shall not assume any liability therefor. We assume no responsibility whatsoever for any errors in the information furnished to us and their impact on the present exercise.

We express no opinion whatsoever and make no recommendation at all to the shareholders or secured or unsecured creditors of the Company, as to how they should vote at their respective meetings, if any held in connection with the Proposed Transaction. We do not express and should not be deemed to have expressed any views on any other

term of the Proposed Transaction. We also express no opinion and accordingly accept no responsibility with respect to the financial performance of the Company following the consummation of the Proposed Transaction. We also express no opinion on the likely market price of the Company post the consummation of the Proposed Transaction.

No investigation with respect to the claim to title of assets of the Company has been made for the purpose of this exercise and the same has been assumed to be valid. We have not placed any individual value on the assets of the Company and have also not considered any liens or encumbrances on the same. Further we have not opined and accordingly do not take responsibility whatsoever for matters of a legal nature. Also, we are not opining on matters related to taxation. This fairness opinion should not be construed as a certification regarding the compliance of the Proposed Transaction with the provisions of any law including Companies Act, tax laws and capital market related laws or as regards any legal implications or issues arising from the Proposed Transaction.

In the ordinary course of business, ICICI Securities Limited and its affiliates is engaged in securities trading, securities brokerage and investment activities, as well as providing investment banking and investment advisory services. In the ordinary course of its trading, brokerage and financing activities, any member of ICICI Securities Limited may at any time hold long or short positions, and may trade or otherwise effect transactions, for its own account or the accounts of customers, in debt or equity securities or senior loans of any company that may be involved in the Proposed Transaction.

In arriving at our opinion, we have assumed and relied upon, without any independent verification or validation, the accuracy and completeness of the financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with us and have relied upon the assurances of the management of Aster DM that they are not aware of any facts or circumstances that would make such information or data inaccurate or misleading in any material respect. With respect to the financials and forecasts, we have been advised by Aster DM, and have assumed, that: (i) they have been reasonably prepared and/or confirmed on bases reflecting the best currently available estimates and good faith judgements of the management of Aster DM as to the future financial performance of the Companies or their respective subsidiaries and/or associates, and (ii) they are based on the understanding of the management of Aster DM of the current business strategy, operations, competition and macro-economic indicators and involves known and unknown risks, uncertainties, assumptions, and other factors that may cause the actual results to be materially different from any future results, performance or achievements expressed or implied by the financials and forecast of the Companies or their respective subsidiaries and/or associates.

Without limiting the generality of the foregoing, we have also assumed, at the direction of Aster DM, their respective subsidiaries and associates, as applicable, will receive all statutory clearances with respect to their respective operations in accordance with the assumptions regarding such clearances in their financials and forecasts.

We have been informed by the management of Aster DM that the financials and forecasts provided to us have been prepared in accordance with Indian Accounting Standards (Ind-AS). We have not made or been provided with any independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of the Companies or their respective subsidiaries and/or associates, as applicable, and/or any other entity (other than the Valuation Report, which we have reviewed and relied upon without independent verification for purposes of this opinion), nor have we made any physical inspection or title verification of the properties or assets of the Companies, their respective subsidiaries and/or associates, as applicable, and/or any other entity, and we do not express any opinion as to the value of any asset of the Companies, their respective subsidiaries and/or associates, as applicable, and/or any other entity, whether at current prices or in the future. We have not evaluated the solvency or fair value of the Companies, their respective subsidiaries and/or associates, as applicable, and/or any other entity under the laws of India or any other laws relating to bankruptcy, insolvency or similar matters.

We have assumed, at the direction of Aster DM, that the Transaction will be consummated in accordance with its terms, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary governmental, judicial, regulatory and other approvals, consents, releases and waivers for the Transaction, no delay, limitation, restriction or condition, including any divestiture requirements or amendments or modifications, will be imposed that would have an adverse effect on Aster DM, their respective subsidiaries and/or associates, as applicable, and/or any other entity or the contemplated benefits of the Transaction. We also have assumed, at the direction of Aster DM, that the final executed Scheme will not differ in any material respect from the Draft Scheme reviewed by us.

We have not undertaken any independent analysis of any potential or actual litigation, regulatory action, possible unasserted claims, or other contingent liabilities, or any settlements thereof, to which Aster DM, their respective subsidiaries and/or associates, as applicable, and/or any other entity, are or may be a party or are or may be subject, and this opinion does not consider the potential effects of any such litigation, actions, claims, other contingent liabilities or settlements.

We express no view or opinion as to any terms or other aspects or implications of the Transaction (other than the Ratios to the extent expressly specified herein), including, without limitation, the form or structure of the Transaction, the taxation impact of the Transaction or the Equity Shares issued and allotted under the Transaction or any terms or other aspects or implications of any other agreement, arrangement or understanding entered into in connection with or related to the Transaction or otherwise. We were not requested to, and we did not, participate in the negotiation of the terms of the Transaction. Our opinion does not address any matters otherwise than as expressly stated herein, including but not limited solely to matters such as corporate governance, shareholder rights or any other equitable consideration, and is limited to the fairness, from a financial

point of view, to the Public Shareholders of Aster DM of the Ratios provided for in the Scheme and no opinion or view is expressed with respect to any consideration received in connection with the Transaction by the holders of any other class of securities, creditors or other constituencies of any party. In addition, no opinion or view is expressed with respect to the fairness (financial or otherwise) of the amount, nature or any other aspect of any compensation to any of the officers, directors or employees of any party to the Transaction, or class of such persons, relative to the Ratios. Furthermore, no opinion or view is expressed as to the relative merits of the Transaction in comparison to other strategies or transactions that might be available to Aster DM or in which Aster DM might engage or as to the underlying business decision of Aster DM to proceed with or effect the Transaction. Further, Aster DM will remain solely responsible for the commercial assumptions on which this opinion is based and for its decision to proceed with the Transaction.

Further, our opinion does not take into account any corporate actions of Aster DM after the date hereof, including payment of dividends. We are not expressing any opinion as to what the value of the Equity Shares actually will be when issued or the prices at which the Equity Shares will trade at any time, including following announcement or consummation of the Transaction. In addition, we express no opinion or recommendation as to how any shareholder, creditor or other person should vote or act in connection with the Transaction or any related matter. In addition, we are not expressing any view or opinion with respect to, and have relied, with the consent of Aster DM, upon the assessments of representatives of Aster DM regarding, legal, regulatory, accounting, tax and other matters relating to the Companies, any of their respective subsidiaries and/or associates, as applicable, or any other entity and the Transaction (including the contemplated benefits of the Transaction) as to which we understand that Aster DM obtained such advice as it deemed necessary from qualifies professionals.

We have also assumed that all aspects of the Transaction and any other transaction contemplated in the Scheme would be in compliance with applicable laws and regulations, and we have issued this opinion on the understanding that we would not in any manner verify, or be responsible for ensuring, such compliance, including without limitation, compliance with the provisions of SEBI Regulations. Without prejudice to the generality of the foregoing, we express no opinion and have assumed that the Transaction will not trigger obligation to make open offers under the Securities Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, as amended and accordingly, we have not considered the consequences or impact on ICICI Securities, if any such offers are mandated, and we have also assumed that the Transaction will not result in any adverse effect on ICICI Securities or its business, whether under tax or other laws or under the terms of any license or approval.

We have acted as financial advisor to the Board of Directors of Aster DM to render this opinion and will receive a fee for our services, which will be paid upon the rendering of this opinion. In addition, Aster DM has agreed to reimburse our expenses (subject to certain restrictions) and indemnify us against certain liabilities arising out of our engagement.

We and our affiliates comprise a full-service securities firm and commercial bank engaged in securities, commodities and derivatives trading, foreign exchange and other brokerage activities, and principal investing as well as providing investment, corporate and private banking, asset and investment management, financing and financial advisory services and other commercial services and products to a wide range of companies, governments and individuals. In the ordinary course of our businesses, we and our affiliates may invest on a principal basis or on behalf of customers or manage funds that invest, make or hold long or short positions, finance positions or trade or otherwise effect transactions in equity, debt or other securities or financial instruments (including derivatives, bank loans or other obligations) of Aster DM and their respective subsidiaries, joint ventures, associates and/or affiliates.

We and our affiliates in the past have provided, currently are providing, and in the future may provide, investment banking, commercial banking and other financial services to Aster DM and its subsidiaries, joint ventures, associates and/or affiliates, and have received or in the future may receive compensation for the rendering of these services.

It is understood that this letter is for the benefit and use of the Board of Directors of Aster DM (in its capacity as such) in connection with and for purposes of its evaluation of the Transaction and is not rendered to or for the benefit of, and shall not confer rights or remedies upon, any person other than the Board of Directors of Aster DM. This opinion may not be disclosed, referred to, or communicated (in whole or in part) to any third party, nor shall any public reference to us be made, for any purpose whatsoever except (i) with our prior written consent in each instance; (ii) as required to be disclosed by Aster DM to the Stock Exchanges pursuant to applicable laws and may be disclosed on the website of Aster DM and the Stock Exchanges to the extent required under applicable laws and further may also be made a part of the explanatory statement to be circulated to the shareholders and/or creditors of Aster DM; and (iii) as required to be disclosed to relevant judicial, regulatory or government authorities, in each case only as may be required by applicable laws. Our opinion is necessarily based on financial, economic, monetary, market and other conditions and circumstances as in effect on, and the information made available to us as of, the date hereof. It should be understood that subsequent developments may affect this opinion, and we do not have any obligation to update, revise, or reaffirm this opinion

ICICI Securities

RATIONALE & CONCLUSION

In the circumstances, having regard to all relevant factors and on the basis of information and explanations given to us, we are of the opinion on the date hereof, that the Share Exchange Ratio as stated above and recommended by the Registered Valuers is fair.

Yours faithfully,

For ICICI Securities Limited.

Our responsibility is only to examine and report whether the proposed accounting treatment in the books of the Transferee Company mentioned in Clause 17 of the Draft Scheme, referred to above, comply with the Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013, read with the rules made thereunder and other generally accepted accounting Principles in India and SEBI regulations and circulars issued thereunder and did not include examination of compliance of the Draft Scheme with other relevant provisions of the Companies Act, 2013 and applicable laws and regulations. Nothing contained in this Certificate, nor anything said or done in the course of, or in connection with the services that are subject to this Certificate, will extend any duty of care that we may have in our capacity of the statutory auditors of any financial statements of the Transferee Company.

5. We carried out our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes, issued by the Institute of Chartered Accountants of India (ICAI) and Standards on Auditing specified under Section 143(10) of the Companies Act,

Deloitte
Haskins & Sells

2013, in so far as applicable for the purpose of this certificate. This Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by (ICAI).

6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements. Further, our examination did not extend to any other parts and aspects of a legal or proprietary nature in the aforesaid Draft Scheme.

Opinion

7. Draft Scheme has been approved by the Board of Directors of the Transferee Company in its meeting held on 29 November 2024.

8. Based on our examination and according to the information and explanations provided to us by the Management of the Transferee Company, in our opinion, the proposed accounting treatment contained in Clause 17 of the Draft Scheme in so far as it relates to proposed accounting in the books of the Transferee Company, is in compliance with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and circulars issued thereunder and the Companies (Indian Accounting Standards) Rules, 2015, notified under Section 133 of the Companies Act, 2013 and other generally accepted accounting principles in India, as applicable.

9. For ease of references, Clause 17 of the Draft Scheme, duly authenticated by the Director of the Transferee Company, is reproduced in Annexure 1 to this Certificate and is stamped and initialed by us only for the purposes of identification.

Restriction on use

10. This certificate is issued at the request of the Company pursuant to the requirements of circulars issued under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 230 to 232 of the Act for onward submission by the Transferee Company to the Jurisdictional Regional Director, Registrar of Companies and National Company Law Tribunal, Securities and Exchange Board of India, BSE Limited, National Stock Exchange of India Limited and other regulatory bodies, as applicable, in connection with the Draft Scheme. This Certificate should not be used for any other purpose, other than for onward submission to specified regulatory bodies named above, without our prior written consent. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

17. ACCOUNTING TREATMENT

(i) The Transferee Company shall account for the Amalgamation of the Transferor Company with the Transferee Company in its books of accounts by applying principles of 'Pooling of Interest' method as laid down in Ind AS 103 "Business Combinations" prescribed under Section 133 of the Companies Act, 2013 and the Companies (Indian Accounting Standard) Rules, 2015.

(ii) All assets, liabilities and reserves of the Transferor Company shall be recorded in the books of account of the Transferee Company at its carrying amounts and in the same form as appearing in the separate financial statements of the Transferor Company on the Appointed Date.

(iii) The investments in shares of the Transferor Company, as appearing, *inter alia*, in the books of the Transferee Company shall stand cancelled. In addition, the consideration for the Amalgamation shall consist of securities. These securities shall be recorded at nominal value.

(iv) The difference between the consideration (as per clause 17(iii) above) and the net assets (including reserves) of the Transferor Companies shall be recorded as capital reserve if the difference is a credit balance and should be presented separately from other capital reserves with disclosure of its nature and purpose in the notes. However, where the consideration is in excess of the carrying value of the net assets (including the reserves), the difference shall be adjusted to either capital reserve (to the extent of balance available) or revenue reserve(s). If the Transferee Company has no reserves or has inadequate reserves, the debit shall be to an Amalgamation Adjustment Deficit Account.

(v) To the extent that there are inter-company loans, deposits, obligations, balances or other outstanding including any interest thereon, as between the Transferor Company and the Transferee Company as the case may be, the rights and obligations in respect thereof shall come to an end and there shall be no liability in that behalf and corresponding effect shall be given in the books of account and records of the Transferee Company for the reduction of such assets or liabilities as the case may be.

Quality Care India Limited

Details of ongoing adjudication and recovery proceedings, prosecution initiated and all other enforcement action taken, if any, against QCIL, its promoters and directors:

All material ongoing adjudication and recovery proceedings, prosecution initiated and all other material enforcement action taken, against QCIL, it's promoters and directors have been disclosed below.

For QCIL, 'material' implies where the monetary amount of claim against QCIL in any such pending proceedings is in excess of the lowest of: (a) 2% of the turnover of QCIL as per the audited consolidated financial statements for FY 2024-25 (i.e., Rs. 79.25 Crores); or (b) 2% of the net worth of QCIL as per the audited consolidated financial statements for FY 2024-25 (i.e., Rs. 90.14 Crores); or (c) 5% of the average of the absolute value of the profit/loss after tax of QCIL as per the audited consolidated financial statements for the last three financial years i.e. FY 2024-25, FY 2023-24 and FY 2022-23 (i.e., INR 7.15 Crores). Accordingly, all outstanding litigation proceedings where the aggregate monetary claim made against the QCIL is equal to or in excess of **INR 7.15 Crores** have been disclosed.

Litigations or proceedings where a monetary liability is not quantifiable have been considered material if, in the opinion of the management of QCIL, they could be considered to have a material adverse effect on the financial position, business, operations, performance, prospects or reputation of the QCIL.

Against QCIL:

1. Telangana State Power Distribution Company Limited (**TSPDCL**) issued demand notices to 'Care Hospitals – Banjara Unit', and 'Care Hospitals – Nampally Unit' (hospital units of QCIL) for payment of wheeling charges for the period of FY 2002-03 to FY 2014-15, amounting to approximately INR 33.38 crores. QCIL filed writ petitions before the High Court of Telangana challenging the demand notices issued by TSPDCL and the demand raised. The petitions are pending adjudication.

2. TSPDCL issued notices to 'Care Hospitals – Banjara Unit' and 'Care Hospitals – Nampally Unit' (hospital units of QCIL) for payment of cross subsidy surcharge for FY 2005-06 to FY 2015-16 amounting to approximately INR 11.57 crores. QCIL filed writ petitions before the High Court of Telangana challenging the notices issued by TSPDCL and the demand raised. The petitions are awaiting listing.

3. Kailash Diagnostic Services (**Claimant**) leased premises to QCIL under a memorandum of understanding/lease agreement dated September 1, 2008 (**MoU**), allowing QCIL to use the premises for hospital-related services until December 31, 2023. In 2014, QCIL demolished an operation theatre within the leased premises, converting the space into a canteen, following which the Claimant filed a suit before the civil court alleging breach of the MoU. During the pendency of these proceedings, the parties entered into a compromise decree requiring QCIL to reconstruct the operation theatre at least three months prior to the expiry of the lease period. However, QCIL prematurely terminated the MoU without reconstruction. The Claimant invoked the arbitration under the MoU seeking (i) damages, (ii) monthly rent from April 2022 to December 2023, and (iii) electricity charges, aggregating to INR 9,50,00,000/- (Indian Rupees nine crore fifty lakh). Concurrently, a civil suit seeking identical relief for the same breach has been filed by the Claimant before the City Civil Court, Hyderabad. Separately, the Claimant has also filed contempt proceedings before the High

Court of Telangana alleging non-compliance of the compromise decree by QCIL. Mr. Vishal Bali, non-executive director of QCIL has also been impleaded as a defendant in these proceedings. The arbitration, civil and contempt proceedings are currently pending.

4. For FY 2004-05 to FY 2015-16, the commercial tax officer has demanded QCIL to pay luxury tax under the Luxury Tax Act, 1987 on the accommodation facilities provided by it in its hospitals. The total disputed demand pursuant to this is approximately INR 11.72 crores. QCIL has filed multiple appeals in relation to the same, and the demand is currently pending for hearing before the High Court / Telangana VAT Appellate tribunal.

5. Other tax proceedings:

   QCIL has ongoing proceedings under the Income-tax Act, 1961, Service Tax Act, 1994, Central Goods and Services Tax Act, 2017, Employees' Provident Funds and Miscellaneous Provisions Act, 1952, Employees' State Insurance (ESI) Act, 1948 and Expenditure-tax Act, 1987 all of which arise in the ordinary course of business and are not expected to have any material impact on QCIL.

Against promoters and directors of QCIL:

There are no ongoing adjudication proceedings, litigations, recovery proceedings, prosecutions, etc. initiated against: (a) promoter of QCIL (i.e. BCP Asia II Topco IV Pte. Ltd.); and (b) directors of QCIL, acting in the capacity of a director, except otherwise stated above.

ANNEXURE-XVIII-A

Aster DM Healthcare Limited

Details of ongoing adjudication and recovery proceedings, prosecution initiated and all other enforcement action taken, if any, against Aster DM Healthcare Limited ("Aster"), its promoters and directors:

Material ongoing adjudication and recovery proceedings, prosecution initiated and all other enforcement action taken, against Aster, it's promoters and directors have been disclosed below. For Aster, 'material' implies where the monetary amount of claim against Aster in any such pending proceedings is in excess of the lowest of[1]: (a) 2% of the turnover of Aster as per the audited consolidated financial statements for FY 2024-25 (i.e., Rs. 82.77 Crores); or (b) 2% of the net worth of Aster as per the audited consolidated financial statements for FY 2024-25 (i.e., Rs. 66.06 Crores); or (c) 5% of the average of the absolute value of the profit/loss after tax of Aster as per the audited consolidated financial statements for the last three financial years i.e. FY 2024-25, FY 2023-24 and FY 2022-23 (i.e., INR 11.68 Crores).

Accordingly, all outstanding litigation proceedings where the monetary claim made against Aster is equal to or in excess of **INR 11.68 Crores** have been disclosed.

Litigations or proceedings where a monetary liability is not quantifiable have been considered material if, in the opinion of the management of Aster, they could be considered to have a material adverse effect on the financial position, business, operations, performance, prospects or reputation of the Aster.

Against Aster:

1. The Association of Healthcare Providers (India) (AHPI) (Petitioner) filed a writ petition vide WP(c) No. 25109/2018 assailing the notification dated April 23, 2018, being GO(P) No. 33/2018/LRB issued by the State of Kerala, which revised the minimum wages payable to employees employed in the private hospital sector. The Petitioner challenged the notification to the extent that it was given retrospective effect from October 1, 2017, contending that such retrospective operation is not permissible under the Act and is contrary to well-settled legal principles which bar retrospective operation of government orders. The Petitioner argued that allowing the notification to stand would occasion a miscarriage of justice. The High Court, without commenting further on the merits so as not to affect the rights of the parties, set aside the notification with liberty to the Government to reconsider the issue of revision of minimum wages after affording an opportunity of hearing to all affected parties and to pass a detailed order/notification as an enclosure to rule out any ambiguity or challenge. Following this, the State Government preferred review petitions, which were also dismissed by the Court. The State of Kerala has now filed a writ appeal against the judgments vide WA 1040 of 2023. The writ appeal is currently pending.

2. Aster has certain outstanding multiple medico-legal cases and consumer complaints which are ordinary course for business of this nature in respective consumer forums/ courts. The medico-legal cases have been filed by patients/claimants alleging medical negligence, deficiency in medical services, or complications arising from medical treatment provided at the hospital, seeking compensation for alleged harm, injury, or loss suffered. The specific allegations, quantum of compensation claimed, and the forums/courts where these proceedings are pending vary across individual cases and are individually not expected to have any material impact on Aster. In some of these proceedings, promoters and certain directors are also impleaded as parties.

---

[1] *The consolidated financials of Aster prior to FY24–25 included both its India and GCC operations. With the segregation of GCC business on April 3, 2024, a one-time income as Profit from Discontinued Operations was recorded. Additionally, post the segregation, the financials of GCC operations are not being consolidated with Aster. As such, for the purposes of this disclosures pertaining to material proceedings, Turnover, Net Worth and PAT for materiality thresholds have been recomputed (and does not include the GCC operations and business which has since then been segregated).*

3. Tax proceedings:

Aster has ongoing proceedings under the Income-tax Act, 1961, Service Tax Act, 1994 and Central Goods and Services Tax Act, 2017 all of which arise in the ordinary course of business and are not expected to individually have any material impact on Aster or individually cross the materiality threshold.

Against promoters and directors of Aster:

There are no ongoing adjudication proceedings, litigations, recovery proceedings, prosecutions, etc. initiated against: (a) promoters of Aster; and (b) directors of Aster, acting in the capacity of a director, except otherwise stated above.

c. With effect from the Appointed Date and upon the Scheme coming into effect from the Effective Date the Transferor Company shall stand amalgamated into the Transferee Company and, the entire Undertaking (*as defined in the Scheme*) of the Company shall stand transferred to and vested in and/or be deemed to have been and stand transferred to and vested in the Transferee Company to become the Undertaking of the Transferee Company, in the manner provided for in the Scheme, in accordance with Sections 230 to 232 of the Act, and other applicable laws;

d. Upon the Scheme coming effect on the Effective Date, the entire authorized share capital of the Company, comprised of 43,20,00,000 (Forty Three Crores and Twenty lakhs) Equity Shares of Rs. 10/- (Indian Rupees Ten) each and 35,00,000 (Thirty-Five Lakh) preference shares of Rs. 10/- (Indian Rupees Ten) each, shall be transferred to the authorized share capital of the Transferee Company without any further act, deed or instrument;

e. Upon the Scheme coming into effect on the Effective Date and in consideration of the amalgamation, the Transferee Company shall, without any further act, instrument or deed, issue and allot the Consideration Shares (*as defined in the Scheme*) to all Eligible Shareholders (*as defined in the Scheme*), as per the Share Exchange Ratio (*as defined in the Scheme*) on the basis of the Valuation Report (*as defined in the Scheme*) and Fairness Opinion (*as defined in the Scheme*). The Consideration Shares shall be listed on the Stock Exchanges;

f. All the shares held by the Transferee Company in the Transferor Company as on the Effective Date shall stand cancelled without any further application, act or deed;

g. The Transferor Company shall stand dissolved without being wound up; and

h. The effectiveness of the Scheme is conditional upon fulfilment of the conditions as specified in the Scheme

3. The Scheme was approved by the Audit Committee of the Company at its meeting held on November 29, 2024.

4. In terms of Section 232(2)(c) of the Act, a report from the Board of the Company explaining the effect of the Scheme on each class of shareholders (promoters and non-promoter shareholders), creditors and key managerial personnel of the Company, setting out, among other things, the share exchange ratio, specifying any special valuation difficulties, is required to be adopted by the Board ("**Report**"). Such report is then required

to be appended with the notice of the meeting of shareholders and creditors when such meeting is ordered by the jurisdictional National Company Law Tribunal.

5. Accordingly, this report of the Board is prepared to comply with the aforesaid requirements of Section 232(2)(c) of the Companies Act, 2013.

6. While deliberating on the Scheme, the Board, *inter-alia*, considered and took on record the following documents:

   (a) Scheme (duly initialled by Managing Director/Company Secretary of the Company for the purpose of identification);

   (b) Merger Framework Agreement executed between, *inter-alia,* the Transferor Company and the Transferee Company;

   (c) Independent Report dated November 29, 2024 issued by D and P India Advisory Services LLP (Registered valuer No: IBBI/RV-E/05/2020/131) ("**Valuation Report**"), who in his report has recommended the share exchange ratio of 977 (nine hundred and ninety seven) fully paid-up equity shares of nominal value of Rs. 10 (Rupees Ten only), each of the Transferee Company for every 1000 (one thousand) fully paid-up equity shares of nominal value of Rs.10 (Rupees Ten only) each held in Transferor Company ("**Share Exchange Ratio**");

   (d) Auditor's Certificate dated November 29, 2024 from the Statutory Auditors of the Company i.e. Price Waterhouse Chartered Accountants LLP, (Firm Registration Number: 012754N/N500016)) ("**Auditors Certificate**") as per proviso to Section 232(3) of the Companies Act, to the effect that the accounting treatment in the draft Scheme is in compliance with applicable Accounting Standards specified by the Central Government under Section 133 of the Act;

   (e) Other presentations, reports, documents and information pertaining to the draft Scheme made available or circulated to the Board.

7. **Rationale of the Scheme**

   The Audit Committee of the Company noted the need and rationale of the Scheme and proposed restructuring pursuant to the Scheme, is expected, *inter alia*, to result in the following benefits as provided hereunder:

   (i) <u>Scale and financial resilience</u>

a. Merged entity is expected amongst the top 3 (three) hospital chains in India and with strong presence across South and Central India with strong financial, operational and return metrics.

b. The proposed merger is expected to be accretive in terms of earnings per share and earnings before interest, tax, depreciation and amortisation margin for Transferee Company's shareholders.

(ii) Diversification and potential for growth

a. The merged entity will have diversified presence across 9 (nine) states and 25 (twenty five) cities in India with low overlap of hospitals.

b. Limited micro-market overlap between the Transferee Company and Transferor Company will have limited impact due to cannibalization.

c. With established hospitals in diverse locations, the merged entity will have significant opportunities for both brownfield and greenfield expansion.

d. Streamlining processes, functions and resources to drive better patient outcomes and clinical excellence.

(iii) Synergies: The proposed amalgamation will result in multiple synergy benefits that can help accelerate growth and improve margins, as set forth below, thus creating value for the respective stakeholders of the Transferee Company and Transferor Company:

a. Revenue synergies: Strengthened initiatives to attract international patient at the merged entity, ability to expand coverage by insurance companies with integrated operations, etc.

b. Supply chain: Rationalization of spends on procurement of drugs, consumables through centralization, better negotiating capabilities, etc.

c. Integrated Doctor Model: Potential cross-selling opportunities with broader base of senior specialist doctors and exchange of learnings coupled with greater ability to attract and retain medical talent with state-of-the-art medical facilities.

d. Lower cost overheads: Optimization of various corporate functions and leveraging best practices, technology and channel mix optimization to allow a more coordinated approach towards governance for the businesses.

II. Effect of the Scheme on each class of shareholders (promoter shareholders and non-promoter shareholders), key managerial personnel and creditors of the Company

1. Effect on each class of shareholders (promoter shareholders and non-promoter shareholders):

(a) Pursuant to the Scheme, the Transferor Company shall be transferred to and vested in the Transferee Company.

(b) Upon the Scheme becoming effective and upon the amalgamation of the Transferor Company into the Transferee Company in accordance with the terms of the Scheme, the Transferee Company shall issue and allot to the equity shareholders of the Transferor Company whose names appear on the register of members as a member of the Transferor Company as on Record Date (*as defined in the Scheme*) or whose name appears on the register of beneficial owners of the equity shares of the Transferor Company in the records of the depositories/register of members, as the case may be, as on the Record Date, or to such of their respective heirs, executors, administrators or other legal representatives or other successors, in title as may be recognized by the Board of the Company fully paid up equity shares, free and clear from all encumbrances together with all rights and benefits attaching thereto in the following ratio:

"*For every 1000 Transferor Company Shares, 977 Transferee Company Shares to be issued to the shareholders of the Transferor Company as of the Record Date, as determined by the Valuation Reports and the Fairness Opinions.*" (**"Share Exchange Ratio"**)

(c) Please refer to paragraph I(7) for the effects / benefits of the Scheme on the eligible shareholders of the Company.

2. Effect of the Key Managerial Personnel:

Upon the Scheme becoming effective and upon the amalgamation of the Transferor Company into the Transferee Company, all employees of the Transferor Company (including the key managerial personnel) will stand transferred to the Transferee Company and will become the employees of the Transferee Company on the same terms and conditions or such terms which shall not be less favourable than those on which they are employed by the Transferor Company with or without the same designation.

The key management personnel who are shareholders of the Company will be allotted shares of the Transferee Company, like the other shareholders of the Company. Please refer to point 1 above for details regarding effect on the shareholders.

3. Effect on the creditors:

Under the Scheme, no arrangement or compromise is being proposed with the creditors (secured or unsecured) of the Company. The liability of the creditors of the Company, under the Scheme, is neither being reduced nor being extinguished.

III. Share Exchange Ratio

1. For the purpose of arriving at the recommended Share Exchange Ratio, the Valuation Report was obtained by the Company.

2. The independent registered valuers appointed to determine the recommended Share Exchange Ratio for the amalgamation have not expressed any difficulty while determining the same.

3. The independent valuers have considered the Asset Approach (NAV), Income Approach (DCF) and Market Approach (Market Price and Comparable Companies Method), to arrive at the recommended Share Exchange Ratio for the Scheme.

4. However, considering the nature of the transactions contemplated in the Scheme, the valuers are of the opinion that Asset Approach is of limited relevance and have based their valuation on Income Approach and Market Approach.

5. The recommendation of the Share Exchange Ratio for the amalgamation has been certified as being fair and has been approved by the Board of the Company and the Audit Committee of the Company.

IV. ADOPTION OF THE REPORTS BY THE BOARD

1. The Board of the Company has adopted this report after noting and considering the information set forth in this Report. The Board or any fully authorized committee/ person by the Board is entitled to make relevant modifications to this Report, if required, and such modifications or amendments shall have deemed to form part of this Report.

2. In order for the Company to comply with the requirements of extant regulations applicable to companies undertaking any scheme of amalgamation, this report of the Board may please be taken on record while considering the Scheme.

3. While deliberating the Scheme, the Board has considered its impact on each of the shareholders (promoters and non-promoter shareholders), key managerial personnel and creditors. In the opinion of the Board, the Scheme is in the best interest of the shareholders (promoters and non-promoter shareholders), key managerial personnel and creditors of the Company and there shall be no prejudice caused to them in any manner by the Scheme.

(h) Other presentations, documents and information made to/furnished before the board, at various board meetings of the Company, pertaining to the draft Scheme.

8. **Rationale of the Scheme**

(i) The Transferee Company is *inter alia* engaged in providing healthcare and related services (including diagnostics, tele-health and other allied services) through a network of multi-specialty healthcare establishments across India, that the Transferee Company or its subsidiaries own or operate from time to time.

(ii) The Transferor Company is *inter alia* engaged in the business of providing healthcare and related services through a network of multi-specialty hospitals across various cities in India and Bangladesh.

(iii) With a view to consolidate the business interests of the Transferor Company and Transferee Company, it is proposed that the Transferor Company with all its business interests, be amalgamated with and into the Transferee Company.

(iv) The Parties believe that the Amalgamation pursuant to this Scheme would, *inter alia,* have the following benefits, as set out in the Scheme:

a. Scale and financial resilience

A. Merged entity is expected amongst the top 3 (three) hospital chains in India and with strong presence across South and Central India with strong financial, operational and return metrics.

B. The proposed merger is expected to be accretive in terms of earnings per share and earnings before interest, tax, depreciation and amortisation margin for Transferee Company's shareholders.

b. Diversification and potential for growth

A. The merged entity will have diversified presence across 9 (nine) states and 25 (twenty-five) cities in India with low overlap of hospitals.

B. Limited micro-market overlap between the Transferee Company and Transferor Company will have limited impact due to cannibalization.

C. With established hospitals in diverse locations, the merged entity will have significant opportunities for both brownfield and greenfield expansion.

D. Streamlining processes, functions and resources to drive better patient outcomes and clinical excellence.

c. Synergies: The proposed amalgamation will result in multiple synergy benefits that can help accelerate growth and improve margins, as set forth below, thus creating value for the respective stakeholders of the Transferee Company and Transferor Company:

A. Revenue synergies: Strengthened initiatives to attract international patient at the merged entity, ability to expand coverage by insurance companies with integrated operations, etc.

B. Supply chain: Rationalization of spends on procurement of drugs, consumables through centralization, better negotiating capabilities, etc.

C. Integrated Doctor Model: Potential cross-selling opportunities with broader base of senior specialist doctors and exchange of learnings coupled with greater ability to attract and retain medical talent with state-of-the-art medical facilities.

D. Lower cost overheads: Optimization of various corporate functions and leveraging best practices, technology and channel mix optimization to allow a more coordinated approach towards governance for the businesses.

II. Effect of the Scheme on each class of shareholders (promoter shareholders and non-promoter shareholders), key managerial personnel and creditors of the Company

1. **Effect on each class of shareholders (promoter shareholders and non-promoter shareholders):**

(a) Pursuant to the Scheme, the Transferor Company shall be transferred to and vested in the Transferee Company.

(b) Upon the Scheme becoming effective and upon the amalgamation of the Transferor Company into the Transferee Company in terms of the Scheme, the Company shall issue and allot to the equity shareholders of the Transferor Company whose names appear on the register of members as a member of the Transferor Company as on Record Date (as defined in the Scheme) or whose name appears on the register of beneficial owners of the equity shares of the Transferor Company in the records of the depositories/register of members, as the case may be, as on the Record Date, or to such of their respective heirs, executors, administrators or other legal representatives or other successors, in title as may be recognized by the Board of the Company fully paid up equity shares, free and clear from all encumbrances together with all rights and benefits attaching thereto in the following ratio:

"For every 1000 (one thousand) Transferor Company Shares, 977 (nine hundred seventy seven) Transferee Company Shares to be issued to the shareholders of the Transferor Company as of the Record Date, as determined by the Valuation Reports and the Fairness Opinions." ("**Share Exchange Ratio**")

(c) Following the issuance of the equity shares in accordance with paragraph (a) above, which shares shall rank *pari passu* in all respects with the existing shareholding of the Transferee Company and shall be subject to the provisions of Memorandum and Articles of Association of the Transferee Company, the entire paid-up share capital of Transferor Company including the shares of the Transferee Company in the Transferor Company shall stand cancelled and extinguished without any further act, instrument or deed.

2. **Effect of the Key Managerial Personnel:**

(a) Upon the Scheme becoming effective, all employees of the Transferor Company (including the key managerial personnel) will stand transferred to the Transferee Company and will become the employees of the Company on the same terms and conditions or such terms which shall not be less favourable than those on which they are employed by the Transferor Company with or without the same designation.

(b) There shall be no effect of the Scheme on the existing key managerial personnel of the Transferee Company. The effect of the Scheme on the interests of the key managerial personnel and their relatives holding shares in the Transferee Company, is not different from the effect of the Scheme on other shareholders of the Transferee Company.

3. **Effect on the creditors:**

Under the Scheme, no arrangement or compromise is being proposed with the creditors (secured or unsecured) of the Company. The liability of the creditors of the Company, under the Scheme, is neither being reduced nor being extinguished.

III. Share Exchange Ratio

1. For the purpose of arriving at the recommended Share Exchange Ratio, the Valuation Report was obtained by the Company in terms of the SEBI Scheme Circular.

2. The independent registered valuers appointed to determine the recommended Share Exchange Ratio for the amalgamation have not expressed any difficulty while determining the same.

3. The Fairness Opinion issued by ICICI Securities Limited, an independent SEBI registered Category- I Merchant Banker (SEBI Registration Number: INZ000183631), also does not indicate any special valuation difficulties.

4. The independent valuers have considered the Income Approach (Discounted Cashflow Method) and Market Approach (Comparable Companies Method and Market Price Method) to arrive at the recommended Share Exchange Ratio for the Scheme.

5. However, considering the nature of the transactions contemplated in the Scheme, the valuers are of the opinion that Asset Approach are of limited relevance and have based their valuation on Income Approach (Discounted Cashflow Method) and Market Approach (Comparable Companies Method and Market Price Method).

6. The recommendation of the Share Exchange Ratio for the amalgamation has been certified as being fair and has been approved by the Board of the Company, the Audit Committee of the Company and the Committee of Independent Directors of the Company.

IV. ADOPTION OF THE REPORTS BY THE BOARD

1. The Board of the Company has adopted this Report after noting and considering the information set forth in this Report. The Board or any fully authorized committee/ person by the Board is entitled to make relevant modifications to this Report, if required, and such modifications or amendments shall have deemed to form part of this Report.

2. In order for the Transferee Company to comply with the requirements of extant regulations applicable to companies undertaking any scheme of amalgamation, this Report of the Board may please be taken on record while considering the Scheme.

3. While deliberating the Scheme, the Board has considered its impact on each of the shareholders (promoters and non-promoter shareholders), key managerial personnel and creditors. In the opinion of the Board, the Scheme is in the best interest of the shareholders (promoters and non-promoter shareholders), key managerial personnel and creditors of the Company and there shall be no prejudice caused to them in any manner by the Scheme. No shareholders (promoters and non-promoter shareholders), key managerial personnel and creditors of the Company is expected or potentially may have any disproportionate advance or disadvantage in any manner.

Order under Section 31(1) of the Competition Act, 2002

1. On 31st January 2025, the Competition Commission of India (**Commission**) received a notice under sub-section (2) of Section 6 of the Competition Act, 2002 (**Act**) filed by Aster DM Healthcare Limited (**Aster**), BCP Asia II Topco IV Pte. Ltd. (**BCP**) and Centella Mauritius Holdings Limited (**Centella**) and Quality Care India Limited (**QCIL**) [Aster, BCP, Centella and QCIL are collectively referred to as '**Parties**'].

2. The notice has been filed pursuant to (i) Share Acquisition Agreement dated 29th November 2024 entered amongst the Parties, Aster Promoters (*i.e.*, Mr. Azad Moopen, Union Investments Private Limited and Union (Mauritius) Holding Limited and Sri Sainatha Multispeciality Hospitals Private Limited[1] (**SAA**); (ii) Merger Framework Agreement dated 29th November 2024 (**MFA**) entered amongst the Parties, Aster

[1] Sri Sainatha Multispeciality Hospitals Private Limited, a subsidiary of Aster, has been added as a confirming party solely for provision of certain business warranties.

Promoters, and Sri Sainatha Multispeciality Hospitals Private Limited. The MFA also includes the Scheme of Arrangement (**Scheme**); (iii) Shareholders Agreement (**SHA**) dated 29th November 2024 executed by and amongst Aster, Aster Promoters and BCP; (iv) Deed of Adherence dated 29th November 2024 executed by and amongst Aster, BCP, Aster Promoters, Aster Promoter Family[2] and Centella; and (v) Deed of Adherence dated 29th November 2024 executed by and amongst Aster and Centella.

3. The proposed transaction envisages

(i) Aster's acquisition of approximately 5% of equity shareholding in QCIL on a fully diluted basis, of which Aster shall purchase approximately 3.75% of QCIL's shareholding from BCP and approximately 1.25% of QCIL's shareholding from Centella, the existing shareholders of QCIL (**QCIL Acquisition**);

(ii) In consideration for the QCIL Acquisition, Aster proposes to issue equity shares of Aster to BCP and Centella, amounting to approximately 2.7% and 0.9% of Aster's shareholding, on a fully diluted basis, respectively (**Share Swap**);

(iii) Post the consummation of QCIL Acquisition and Share Swap, QCIL is proposed to be merged into Aster as a going concern by way of a scheme of amalgamation (upon the scheme of amalgamation becoming effective, QCIL shall cease to exist as a separate entity, leaving Aster as the surviving entity (**Merger**) and post the Merger, Aster shall be renamed as Aster DM Quality Care Limited (**Company**));

(iv) In consideration for the Merger, the existing shareholders of QCIL *i.e.*, BCP, Centella[3] and all other eligible shareholders (other than Aster) shall be issued shares in the Company.[4] Further, prior to the effectiveness of the Merger, QCIL (either directly or through its subsidiaries) will acquire additional shares in: (i) its group entities in India *i.e.*, 2%-7% shares in Condis India Healthcare Private

[2] Aster Promoter Family includes Ms. Alisha Moopen, Ms. Ziham Moopen, Ms. Naseera Azad and Ms. Zeba Azad Moopen.

[3] It is stated in the notice that TPG's shareholding in the Company, post the Proposed Combination will be less than 10%.

[4] The share exchange ratio for this step is that for every 1000 shares of QCIL held by the eligible shareholder, 977 shares shall be issued to such eligible shareholder in the Company.

Limited (**Condis**) and/or KIMS Health Care Management Limited (**KHML**)[5]; and (ii) its group entity in Bangladesh *i.e.*, 10%-17% in STS Holdings Limited (**STS**), either directly or through its wholly owned subsidiary Chemistry Intermediate Holdings Limited (**CIHL**)[6] for cash consideration from the existing shareholders of such group entities. Such sellers will then acquire certain shareholding in QCIL from both BCP and Centella for cash consideration such that Centella and BCP will eventually hold only approximately 9.7% and 29.2% shareholding respectively, in the merged entity (**Ancillary Transactions**). The Ancillary Transactions in respect of Condis and STS are a condition precedent to the Merger and are proposed to be undertaken prior to the effectiveness of the Merger (**Merger Consideration**) [QCIL Acquisition, Share Swap, Merger and Merger Consideration are collectively referred to as the '**Proposed Combination**'].

4. It is stated that the proposed shareholding pattern of the company upon effectiveness of the Merger, would be as follows: (a) Aster Promoters - 24% shareholding, (b) BCP -29.2% shareholding, (c) Centella-9.7% shareholding and (d) Public and Others - 37.1% shareholding. Further, post the consummation of QCIL Acquisition and Share Swap Aster will not acquire any control rights and will only acquire shareholding in QCIL and certain customary exit rights. However, upon effectiveness of the merger, Dr. Azad Moopen, Union Investments Private Limited and BCP shall be recognized as the promoters of the Company. Ms. Alisha Moopen, Ms. Ziham Moopen, Ms. Naseera Azad and Ms. Zeba Azad Moopen, along with their respective affiliates, and Union (Mauritius) Holding Limited shall be recognized as the promoter group. The Aster Promoters (collectively) and BCP both shall respectively have *inter alia* the right to nominate 3 directors on the

[5] QCIL had previously filed a scheme for the merger of Condis with and into KHML in NCLT, Kochi. Accordingly, in the event the merger is consummated before the Ancillary Transactions, QCIL will effectively acquire 2- 7% in KHML. However, in the event the merger is not consummated prior to the Ancillary Transactions, QCIL will cumulatively acquire 2-7% in both Condis and KHML from the relevant sellers as mentioned above. Therefore, effectively, subject to the merger, QCIL will hold 2-7% in KHML.

[6] QCIL currently holds 60.12% shareholding in STS, not directly but through its wholly owned subsidiary, CIHL. STS is engaged in the business of operating tertiary level healthcare service in Bangladesh and currently operates a hospital under the name 'Evercare Hospital Dhaka'. It also operates a hospital under the name 'Evercare Hospital Chittagong' through a wholly-owned subsidiary. It is clarified that STS has no business activities in India, nor does it have any presence in India (physical presence or by way of revenue attributable to India), and therefore is irrelevant for the purposes of overlaps assessment.

Board of the Company, equal representation on all Board Committees, certain information rights, etc.

5. In accordance with Regulation 14(2) of the Competition Commission of India (Combinations) Regulations, 2024, *vide* letters dated 14th February 2025 and 12th March 2025, certain information(s)/ clarification(s) was sought from the Acquirers and complete response to the same was received on 21st March 2025. Further, a voluntary submission was received on 2nd April 2025.

Description of the Parties

A. Aster

6. **Aster**: Aster is a public limited company incorporated in India and listed on BSE Limited and National Stock Exchange India Limited. The ultimate controlling entity of the Aster Group are the members of the Promoter and Promoter Group (defined below). Aster Group through its subsidiaries also provided healthcare services in the Middle East earlier,

[7] As per Item 13(2) of Schedule 1 of the Competition (Criteria for Exemption of Combination) Rules, 2024 (**Exemption Rules**), an entity is considered to be an affiliate of another enterprise if that another enterprise has: (i)10% or more of the shareholding or voting rights of the enterprise; or (ii) a right or ability to have a representation on the board of director of the enterprise either as a director or as an observer; or (iii) right or ability to access commercially sensitive information of the enterprise (**Materiality Thresholds**).

i.e., in UAE, Oman, Qatar, Saudi Arabia, Bahrain, and Jordan (**GCC Business**). In April 2024, Aster Group separated its GCC Business and India businesses to establish two distinct regional healthcare entities. Post the separation of its GCC Business, Aster Group's worldwide presence is limited to a non-operating subsidiary in Mauritius named Affinity Holdings Private Limited.

8. **Promoter and Promoter Group**: The Promoter and Promoter Group of Aster comprises of Azad Moopen Mandayapurath, Alisha Moopen, Ziham Moopen, Naseera Azad, Zeba Azad Moopen, Union Investments Private Limited and Union (Mauritius) Holdings Limited. They are the ultimate controlling entity(s)/person(s) of Aster with 41.88% shareholding. The shareholders of Union Investment Private Limited and Union (Mauritius) Holdings Limited are also the promoters of Aster. In India, the business activities of the Promoter and Promoter Group of Aster comprise the business activities of Aster's Affiliates. The Promoter and Promoter Group's business activities outside India includes provision of healthcare services including pharmacies, diagnostic centers, clinics, super-specialty hospitals, *etc.* in the Middle East *i.e.*, UAE, Oman, Qatar, Saudi Arabia, Bahrain and Jordan (**GCC Business**).

B. Blackstone

9. **BCP:** BCP is owned by funds advised and/or managed by affiliates of Blackstone Inc. (collectively, '**Blackstone**'). BCP is engaged in performing the business of investment holding in India since its acquisition of stake in QCIL in FY 2023-24. It has indirect presence in Bangladesh, Bahrain, Oman, UAE, Qatar and Saudi Arabia through its investment in QCIL.

10. **Blackstone Inc.:** Blackstone Inc. (**Blackstone**) is a global alternative asset manager. It is headquartered in the United States and has offices in a number of geographies, including Europe and Asia. It operates as an investment management firm. Blackstone Inc. through its affiliates have investment in sectors such as real estate, healthcare, financial services, logistics and delivery solution services, and IT / ITeS services in India. All affiliates of funds advised and/ or managed by Blackstone which (i) meet the Materiality Thresholds;

(ii) are engaged in a sector similar and/ or related to the business of Aster; and (iii) have presence in India (physically and/or by way of sales) have been considered as '**Relevant Blackstone Affiliates**'.

C. TPG

11. **Centella:** Centella is a company incorporated in Mauritius engaged in investment holding activity. Its only investment is in QCIL. It currently does not have any physical presence in India. It is owned and controlled by an entity, which is advised by the affiliates of TPG Inc. (**TPG**), the ultimate holding company of the TPG Group.

12. **TPG Group:** TPG, including its subsidiaries and affiliates, are together referred to as '**TPG Group**'. The TPG Group operates in India through its various investments with a primary focus on sectors such as technology, healthcare, consumer and financial services. It also has a controlling stake in NewQuest Capital, another private equity investment firm having investments across multiple sectors such as financial services, travel, and real estate. Accordingly, NewQuest Capital forms part of the TPG Group. All affiliates of funds advised and / or managed by the TPG Group which (i) meet the Materiality Thresholds, (ii) are primarily engaged in the provision of healthcare services through hospitals and clinics, and (iii) have presence in India have been considered as TPG Group Affiliates.

D. QCIL

13. QCIL, an unlisted public limited company, is owned and controlled by Centella and BCP. QCIL operates a network of multi-specialty hospitals under the brand name CARE Hospitals, KIMS-Health Hospitals and Evercare across various cities in India. It has a network of 26 healthcare centers operating over 5000 beds across 14 cities, offering over 30 medical specialties. QCIL holds a stake in Evercare hospitals, Bangladesh through CIHL(Mauritius) that further holds STS Holdings Limited and STS Hospitals Chittagong Limited, which operate two multi-disciplinary super-specialty hospitals *i.e.*, Evercare Hospital, Dhaka and Evercare Hospital Chattogram. Further, KIMS-Health, an affiliate of QCIL, holds a minority stake in KIMS Holding Co. B.S.C (C)., Bahrain which owns three

multi-specialty hospitals and 14 clinics in Bahrain, Oman, UAE, Qatar and Saudi Arabia. All affiliates which breach the Materiality Thresholds and have a presence in India have been considered as QCIL Affiliates.

14. The Parties have identified the relevant markets and provided assessment based on the overlapping products/ services of:

(I) (a) Aster (including Aster Affiliates) *vis-à-vis* QCIL (including QCIL Affiliates) and (b) Aster (including Aster Affiliates) *vis-à-vis* BCP (including Relevant Blackstone Affiliates, excluding QCIL[8]); and

(II) Aster (including Aster Affiliates) and Centella (including TPG Group Affiliates).

15. The Commission decides to leave precise delineation of the relevant market open, as it is observed that because of the reasons stated below, the Proposed Combination is not likely to result in appreciable adverse effect on competition, irrespective of the manner in which the relevant market is delineated.

Identification and Assessment of Horizontal Overlaps

(I) **Assessment of horizontal overlaps between: (a) Aster (including Aster Affiliates) *vis-à-vis* QCIL (including QCIL Affiliates), and (b) Aster (including Aster Affiliates) *vis-à-vis* BCP (including Relevant Blackstone Affiliates, excluding QCIL)**

16. The Parties have submitted that Aster (including Aster Affiliates) and QCIL (including QCIL Affiliates) exhibit horizontal overlaps in the following relevant markets: (i) '*the market for provision of healthcare services through hospitals/clinics in Healthcare Overlapping Cities*[9]' (**Broad Healthcare Market**[10]) and its segments, *i.e.*, (a) Primary

[8] It is submitted that a competition overlap assessment between the business activities of QCIL (including QCIL Affiliates) vis-à-vis BCP (including Relevant Blackstone Affiliates) is not warranted given that BCP already holds 71.8% of the share capital of QCIL.

[9] (i) Hyderabad, (ii) Kollam and (iii) Malapurram collectively, referred to as '**Healthcare Overlapping Cities**'

[10] It is submitted in the notice that the Commission in previous cases had noted that the 'market for provision of healthcare services through hospitals/clinics' is the broadest relevant product market (**Broad Hospital Market**), which can be segmented into Primary Care, Secondary Care, Tertiary Care and Quarternary Care segments. The Commission has previously considered the relevant geographic market for the Broad Healthcare Market and its relevant sub-segments, Primary Care Segment and the Secondary/Tertiary Care Segment based on the cities in

Care Segment[11] in Healthcare Overlapping Cities; (b) Secondary[12]/Tertiary[13] Segment and its sub-segments in Healthcare Overlapping Cities[14]; and (c) Quaternary Care[15] Segment and its sub-segments in India[16] (collectively, **Relevant Market I**), (ii) '*the market for provision of tele-medical consultation services in India*' (**Relevant Market II**), and (iii) '*the market for provision of educational/academic courses in the field of medicine / healthcare in India'* and its segment '*the market for provision of post-graduate (including super specialty) courses in the field of medicine / healthcare in India*' (collectively, **Relevant Market III**). Further, Aster (including Aster Affiliates) and BCP (including Relevant Blackstone Affiliates, excluding QCIL) exhibit horizontal overlaps in '*market for wholesale distribution of medical devices in India*' (**Relevant Market IV**).

17. Based on the submissions of the Parties, it is noted with respect to the combined market shares of Aster (including Aster Affiliates) and QCIL (including QCIL Affiliates) in

---

which the parties are active and as for the Quaternary Care Segment, the Commission has considered the geographic market at a pan-India level.

[11] **Primary Care**: Primary care is the first level of healthcare that patients receive and covers all essential healthcare services. Primary care providers are often the first point of contact for patients when they have medical needs or concerns, such as illness or injury (**Primary Care Segment**)

[12] **Secondary Care**: Secondary care services are usually based in a hospital or clinic and may include planned operations, specialist clinics such as cardiology or renal clinics, or rehabilitation services such as physiotherapy. Secondary healthcare includes a wide range of specialists such as psychiatrists, cardiologists, obstetricians, dermatologists, paediatricians, and gynaecologists.

[13] **Tertiary Care**: Tertiary care is a level above secondary health care and has been defined as highly specialized medical care, usually provided over an extended period of time, that involves advanced and complex diagnostics, procedures, and treatments performed by medical specialists in state-of-the-art facilities (Secondary care and Tertiary care are collectively referred to as **Secondary/Tertiary Care Segment**)

[14] **Hyderabad: (i)** Cardiology: Angioplasty, Coronary Artery Bypass Grafting (**CABG**)**, (ii)** Orthopaedic: Joint Replacement and Other Orthopaedic Surgeries**, (iii)** Neurology: Neuro Surgeries**, (iv)** Oncology: Oncology Surgeries, Chemo Cycles**, (v)** General Surgery**, (vi)** Urology: Urology Surgeries and Dialysis Sessions**, (vii)** Trans-Urethral Resection of the Prostate (**TURP**), **(viii)** Obstetrics/ Gynaecology/ Paediatric: Hysterectomy and Caesarean Deliveries, **(ix)** Critical Care, **(x)** Gastroenterology and Hepatology, **(xi)** Ear, Nose, and Throat (**ENT**); **Kollam**: (i) Orthopaedic: Joint Replacement and Other Orthopaedic Surgeries, (ii) Neurology: Neuro Surgeries, (iii) General Surgery, (iv) Urology: Urology Surgeries and Dialysis Sessions, (v) Obstetrics/ Gynaecology/ Paediatric: Normal Deliveries, Hysterectomy, and Caesarean Deliveries and (vi) ENT; and **Malappuram**: (i) Cardiology: Angioplasty, (ii) Orthopaedic: Joint Replacement and Other Orthopaedic Surgeries, (iii) Plastic Surgery, (iv) Neurology: Neuro Surgeries, (v) Oncology: Oncology Surgeries, (vi) General Surgery, (vii) Nephrology: Nephrology Surgeries, (viii) Urology: Urology Surgeries and Dialysis Sessions, (ix) Obstetrics/ Gynaecology/ Paediatric: Normal Deliveries, Hysterectomy, Paediatric Surgeries and Caesarean Deliveries.

[15] **Quaternary Care**: Quaternary care has been defined as an extension of tertiary care in reference to advanced levels of medicine which are highly specialized. This level of care includes transplants such as heart transplant, bone marrow transplant, liver transplant etc. (**Quaternary Care Segment**).

[16] (i) Organ Transplant which may be further sub-segmented into: (a) Liver Transplant, (b) Heart Transplant, and (c) Renal/ Kidney Transplant and (ii) Tissue Transplant, which may be further sub-segmented into: Bone Marrow Transplant.

Relevant Market I it is noted that: (a) the combined market shares in Broad Healthcare Market are in the range of [0-5] % in Kollam, [5-10]% in Hyderabad and [10-15]% in Malappuram with low incremental market shares, (b) the combined market shares in Primary Healthcare Segment in the Healthcare Overlapping Cities are in the range of [0-5] % with low incremental market shares, (c) the combined market shares in Secondary/Tertiary Segment and its sub-segments in Healthcare Overlapping Cities are in the range of [0-5] % except in certain sub-segments in Hyderabad and Malappuram where combined market shares are in range of [10-15]% and [20-25]% and in one sub-segment are in the range of [30-35]% but the incremental market shares in these markets are low and (d) the combined market shares in Quaternary Care Segment in India are in the range of [0-5]% and [5-10]% with incremental market shares being miniscule. Further, it is noted that in Relevant Market II and III the combined market shares of Aster (including Aster Affiliates) and QCIL (including QCIL Affiliates) are in the range of [0-5] % with negligible incremental market shares and in Relevant Market IV the combined market shares of Aster (including Aster Affiliates) and BCP (including Relevant Blackstone Affiliates, excluding QCIL) are in range of [0-5]% with negligible incremental market shares. Moreover, each of the Relevant Market I, II, III and IV has the presence of various other players. Thus, the Proposed Combination is not likely to raise competition concern in any of these relevant markets in India.

(II) **Assessment of Horizontal overlaps between Aster (including Aster Affiliates) and Centella (including TPG Group Affiliates)**

18. It is submitted that Aster (including Aster Affiliates) and Centella (including TPG Group Affiliates) exhibit horizontal overlaps in the following relevant markets: (i) '*the market for provision of healthcare services through hospitals/clinics in Healthcare Overlapping Cities*[17]*'* (**Broad Healthcare Market**) and its segments, *i.e.*, (a) 'Primary Care Segment in Healthcare Overlapping Cities'; (b) 'Secondary/Tertiary Segment in Healthcare

'*market for provision of home healthcare services in the Overlapping Cities*[21]' (**Home HealthCare Market/ Relevant Market V**); (vi) '*market for provision of educational/academic courses in the field of medicine/healthcare in India*', and its segment of '*market for provision of post-graduate (including super-specialty) courses in the field of medicine/healthcare in India*' **(Medical Education Market / Relevant Market VI**); and (vii) '*market for provision of tele-medical consultation services in India*'(**Tele-Medical Consultation Market / Relevant Market VII**).

19. Based on the submissions of the Parties, with respect to the combined market shares and incremental market shares of the Aster (including Aster Affiliates) and Centella (including TPG Group Affiliates) in Relevant Market I it is noted that: (a) the combined market shares in Broad Healthcare Market are in the range of [0-5] % in Vijaywada, [5-10]% in Tirupati, Kolhapur, Kochi, Guntur, Hyderabad and Bangalore and [10-15]% in Kozhikode/ Calicut with miniscule incremental market shares, (b) the combined market shares in Primary Healthcare Segment in the Healthcare Overlapping Cities are in the range of [0-5] % with miniscule incremental market shares, (c) the combined market shares in Secondary/Tertiary Segment and its sub-segments in Healthcare Overlapping Cities are mostly in the range of [0-5] % except a few sub-segments where combined market shares are in range of [5-10]%, [10-15]% , [15-20]% and [20-25]% but the incremental market shares in all the sub-segments are low and (d) the combined market shares in Quaternary Care Segment in India are in the range of [5-10]% except in Liver Transplant in India where combined market share is in the range of [10-15] % but the incremental market shares in all the sub-segments are low. With respect to Relevant Market II, it is noted that the combined and incremental market share of Aster (including Aster Affiliates) and relevant TPG Group Affiliates in the Diagnostic Market and Retail Pathology Market in Diagnostic Overlapping Cities are in the range of [0-5] % except in Bangalore and Kottayam where the combined market share is in range of [5-10] % but the incremental market shares are low. With respect to Relevant Market III, it is noted that the combined market shares of Aster (including Aster Affiliates) and the relevant TPG

[21] Bengaluru; Vijayawada; and Malappuram.

Group Affiliates are in the range of [5-10] % in the Broader Wholesale Market and Wholesale OTC Segment, in the range of [10-15] % in the Wholesale Pharmaceutical segment and in the range of [0-5] % in Wholesale Medical Devices Segment, with negligible incremental market shares. With respect to Relevant Market IV, V, VI and VII it is noted that the combined market shares of Aster (including Aster Affiliates) and the relevant TPG Group Affiliates are in the range of [0-5] % with negligible incremental market shares. Moreover, each of the Relevant Market I, II, III, IV, V, VI and VII has the presence of various other players. Thus, the Proposed Combination is not likely to raise competition concern in any of these relevant markets in India.

Identification and Assessment of Vertical Relationships

A. Assessment of Vertical Relationships between: (a) Aster (including Aster Affiliates) *vis-à-vis* QCIL (including QCIL Affiliates), and (b) Aster (including Aster Affiliates) *vis-à-vis* BCP (including Relevant Blackstone Affiliates, excluding QCIL)

20. It is submitted in the notice that there are no direct vertical relationships between Aster *vis-a-via* QCIL and BCP in India. However, there are four potential vertical relationships between the products and services offered by Aster Affiliates *vis-à-vis* QCIL Affiliates and Relevant Blackstone Affiliates.

21. The potential vertical relationships between Aster Affiliates *vis-à-vis* QCIL Affiliates and Relevant Blackstone Affiliates identified in the notice are as follows: (i) potential vertical relationship between Aster Affiliates present in the relevant market and its segments at the upstream level *i.e.,* '*the market for wholesale and distribution of drugs in India*', with further segmentation into '*the market for wholesale distribution of pharmaceutical products in India*', '*the market for wholesale distribution of medical devices in India*', and '*the market for wholesale distribution of OTC products in India*' and QCIL Affiliates present in the relevant market at the downstream level *i.e.,* '*the market for provision of healthcare services through hospitals/ clinics in India*' (**Potential Vertical Relationship I**), (ii) potential vertical relationship between Relevant Blackstone Affiliates present in the relevant market at the upstream level *i.e.,* '*the market for wholesale distribution of*

medical devices (such as medical/surgical consumables) in India' and Aster Affiliates present in the relevant market at the downstream level *i.e.,* '*the market for provision of healthcare services through hospitals/ clinics in India*' (**Potential Vertical Relationship II**), (iii) potential vertical relationship between Aster Affiliates present in the relevant market at the upstream level *i.e., 'the market for provision of pathology services in India*' and QCIL Affiliates present in the relevant market at the downstream level *i.e.,* '*the market for provision of healthcare services through hospitals/clinics in India*' (**Potential Vertical Relationship III**), and (iv) potential vertical relationship between Relevant Blackstone Affiliates present in the relevant market at the upstream level *i.e.* '*the market for wholesale distribution of medical devices (such as medical / surgical consumables) in India*' and Aster Affiliates present in the relevant market at the downstream level *i.e.,* '*the market for retail distribution of medical devices (such as medical / surgical consumables) in India*' (**Potential Vertical Relationship IV**).

22. Based on the submissions of the Parties, it is noted that the individual market share of the Aster Affiliates/ QCIL Affiliates / Relevant Blackstone Affiliates in the relevant markets at upstream level as well as the relevant markets at the downstream level for Potential Vertical Relationships I, II, III, IV, is in the range of [0-5] %, only. Further, each of these markets is characterised by presence of several other players. Thus, the Proposed Combination is not likely to raise competition foreclosure concern in India.

A. Assessment of Vertical Relationships between Aster (including Aster Affiliates) and Centella (including TPG Group Affiliates).

23. It is submitted that there are no existing commercial relationships between Aster (including Aster Affiliates) and Centella (including TPG Group Affiliates), and accordingly, there is no existing vertical relationship between them. The potential vertical relationships between Aster (including Aster Affiliates) and Centella (including TPG Group Affiliates) identified in the notice are as follows:

(i) potential vertical relationship between the TPG Group Affiliates present in the relevant market and its segments at the upstream level *i.e.*, '*the market for provision*

of diagnostic services in India', with further segmentation into '*the market for provision of retail pathology services in India' and ' the market for provision of retail radiology services in India*' and Aster affiliates present in the relevant market at the downstream level *i.e.*, '*the market for provision of healthcare services through hospitals/clinics in India*' (**Potential Vertical Relationship I**),

(ii) potential vertical relationship between the Aster affiliates present in the relevant market *i.e.*, '*the market for provision of pathology services in India*' at the upstream level and TPG Group Affiliates present in the relevant market at the downstream level *i.e.*, '*the market for provision of healthcare services through hospitals/ clinics in India*' (**Potential Vertical Relationship II**),

(iii) potential vertical relationship between the Aster Affiliates present in the relevant market and its segments at the upstream level *i.e.*, '*the market for wholesale distribution of pharmaceutical products, medical devices, and OTC products in India*' with further segmentation into '*the market for wholesale distribution of pharmaceutical products in India*', '*the market for wholesale distribution of medical devices in India*', and '*the market for wholesale distribution of OTC products in India*' and TPG Group Affiliates present in the relevant market at the downstream level *i.e.*, '*the market for provision of healthcare services in India through hospitals/clinics in India*' (**Potential Vertical Relationship III**),

(iv) potential vertical relationship between the TPG Group Affiliates present in the relevant market and its segments at the upstream level *i.e.*, '*the market for wholesale distribution of pharmaceutical products, medical devices, and OTC products in India*' with further segmentation into '*the market for wholesale distribution of pharmaceutical products in India*', '*the market for wholesale distribution of medical devices in India*', and '*the market for wholesale distribution of OTC products in India*' and Aster affiliates present in the relevant market at the downstream level *i.e.*, '*the market for provision of healthcare services in India through hospitals/clinics in India*' (**Potential Vertical Relationship IV**),

(v) potential vertical relationship between the Aster affiliates present in the relevant market and its segments at the upstream level *i.e.*, '*the market for wholesale distribution of pharmaceutical products, medical devices, and OTC products in*

India' with further segmentation into '*the market for wholesale distribution of pharmaceutical products in India*', '*the market for wholesale distribution of medical devices in India*', and '*the market for wholesale distribution of OTC products in India*' and TPG Group Affiliates present in the relevant market and its segments at the downstream level *i.e.*, '*the market for the retail distribution of pharmaceutical products, OTC products, and medical devices in India*' with further segmentation into '*the market for retail distribution of pharmaceutical products in India*', '*the market for retail distribution of medical devices in India*', and '*the market for retail distribution of OTC products in India*' (**Potential Vertical Relationship V**), and

(vi) potential vertical relationship between the TPG Group Affiliates present in the relevant market and its segments at the upstream level *i.e., the market for wholesale distribution of pharmaceutical products, medical devices, and OTC products in India*' with further segmentation into '*the market for wholesale distribution of pharmaceutical products in India*', '*the market for wholesale distribution of medical devices in India*', and '*the market for wholesale distribution of OTC products in India*' and Aster affiliates present in the relevant market and its segments at the downstream level *i.e.*, '*the market for the retail distribution of pharmaceutical products, OTC products, and medical devices in India*' with further segmentation into '*the market for retail distribution of pharmaceutical products in India*', '*the market for retail distribution of medical devices in India*', and '*the market for retail distribution of OTC products in India*' (**Potential Vertical Relationship VI**).

24. Based on the submissions of the Parties, it is noted that the individual market share of Aster (including its affiliates) /Centella (including TPG Group affiliates) in the relevant markets at upstream level as well as the relevant markets at the downstream level for Potential Vertical Relationships I, II, III and V is in the range of [0-5] % except in Potential Vertical Relationship IV and VI where the individual market share of TPG Group Affiliates in the Upstream Relevant Market and one of its segment is in the range of [5-10] % but the market share of Aster Affiliates is miniscule being in the range of [0-5]%. Further, each of these markets is characterised by presence of other players. Thus, the Proposed Combination is not likely to raise competition foreclosure concern in India.

25. Considering the material on record, including the details provided in the notice and the assessment of the Combination based on the factors stated in sub-Section (4) of Section 20 of the Act, the Commission is of the opinion that the Combination is not likely to have appreciable adverse effect on competition in India. Therefore, the Commission approves the Proposed Combination under Section 31(1) of the Act.

26. This order may stand revoked if, at any time, the information provided by the Acquirers is found to be incorrect.

27. The information provided by the Acquirers shall be treated as confidential in terms of and subject to provisions of Section 57 of the Act.

28. The Secretary is directed to communicate to the Acquirers accordingly.
