"IMPROVING OUTCOME IN CRITICAL CARE"

MESSAGE FROM PATRON

Dear Colleagues and Friends,

It gives me immense pleasure to welcome you to **CRITICON Raipur 2025**, hosted this year by **Ramkrishna CARE Hospital**, Raipur.

This prestigious conference brings together some of the finest minds in critical care medicine — clinicians, researchers, and innovators — united by one purpose: to advance the science and practice of saving lives.

At Ramkrishna CARE, we take great pride in being at the forefront of **clinical excellence, continuous learning, and collaboration**. Hosting CRITICON 2025 is both an honor and a reaffirmation of our commitment to fostering dialogue, discovery, and the exchange of cutting-edge knowledge that drives better patient outcomes.

Over the next few days, we will celebrate the spirit of critical care — where science meets compassion, and every moment counts.

Together, let us learn, share, and inspire each other to push the boundaries of what's possible in intensive and emergency care.

We look forward to welcoming you to Raipur — to experience not just a conference, but a community of purpose and passion.

Dr. Sandeep Dave
Managing & Medical Director
Ramkrishna CARE Hospital

Warm regards,

Dr. Sandeep Dave
Managing & Medical Director
Ramkrishna CARE Hospital

"IMPROVING OUTCOME IN CRITICAL CARE"

MESSAGE FROM CHIEF OF MEDICAL SERVICES

I extend my sincere appreciation to the organizers of **CRITICON Raipur 2025** for bringing together the critical care community on this vital platform. Events like this foster collaboration, shared learning, and the exchange of knowledge, strengthening my mission to advance patient care.

Critical care today is defined by precision, timeliness, and evidence-based interventions. Through Multidisciplinary Teamwork, continuous monitoring, and advanced technologies—including AI, predictive analytics, ECMO, and Tele-Critical care—clinicians are achieving measurable improvements in patient outcomes. Early intervention, proactive management, and adherence to standardized clinical pathways ensure patients receive timely, personalized care, even in the most complex scenarios.

At Care Hospitals, we remain committed to driving these standards forward. By integrating innovation, education, and research, focusing on enhancing patient outcomes across critical and quaternary care specialties. My teams actively contribute to clinical audits, publications, and thought leadership, ensuring that our practices not only benefit our patients but also advance the broader medical community.

As we join peers and partners at CRITICON, we reaffirm our shared mission to standardize care, optimize outcomes, and continuously raise the bar for excellence in critical care.

Together, we continue to advance critical care.

Dr. Nikhil Mathur
Chief of Medical Services

Warm regards,
Dr. Nikhil Mathur
Chief of Medical Services

"IMPROVING OUTCOME IN CRITICAL CARE"

MESSAGE FROM HOSPITAL CHIEF OPERATING OFFICER

To all participants of CRITICON-2025,

It is with immense pleasure that we extend a warm welcome to the 3rd Conference, **CRITICON-2025**. This year, we thank you for your continued support and active participation, which has made CRITICON a premier event for scientific learning and academic collaboration.

For more than A decade, CRITICON has served as a critical forum for advancing Critical Care Medicine, bringing together experts from various disciplines such as Interventional Cardiology, Critical Care, Pulmonology, Gastroenterology, Nephrology, Transplant and Neurology etc.... In keeping with this tradition, CRITICON-2025 features an exhaustive and comprehensive scientific agenda, with a strong list of eminent speakers from around the nation.

This conference is a celebration of medical camaraderie, offering a platform for sharing knowledge, experience, and innovation. We look forward to a stimulating and enriching experience for everyone involved.

Welcome to CRITICON-2025
